Item 1.01. Entry into a Material Definitive Agreement.

On May 8, 2015, Actuant Corporation (the “Company”) entered into a Fifth Amended and Restated Credit Agreement (the “Amended Credit Facility”) by and among the Company, the foreign subsidiary borrowers party thereto, the Lenders party thereto, JPMorgan Chase Bank, N.A., as Administrative Agent. The Amended Credit Facility amends and restates the Company’s existing fourth amended and restated credit agreement, which was scheduled to expire in July 2018, and extends the maturity to May 2020.

The Amended Credit Facility provides for a continuation of the existing \$600 million revolving credit facility and an increased \$300 million term loan. The Amended Credit Facility also provides for a \$450 million expansion option, which may be exercised by the Company subject to certain conditions. Borrowings under both the revolving credit facility and the term loan will mature on May 8, 2020. The Amended Credit Facility continues to be secured by substantially all personal property assets of the Company and its domestic subsidiary guarantors.

Borrowings under the Amended Credit Facility initially bear interest at LIBOR plus 1.75%. The interest rate spreads above LIBOR or the base rate are subject to adjustments based on the Company’s net leverage ratio, ranging from 1.00% to 2.25% in the case of loans bearing interest at LIBOR and from 0.0% to 1.25% in the case of loans bearing interest at the base rate. In addition, a non-use fee is payable quarterly on the average unused credit line under the revolver ranging from 0.15% to 0.35% per annum, based on the Company’s net leverage ratio.

The term loan will be repaid in principal installments of \$3.75 million per quarter starting on June 30, 2016, increasing to \$7.5 million per quarter beginning on June 30, 2017, with the remaining balance due at maturity. The Amended Credit Facility contains customary limits and restrictions concerning investments, sales of assets, liens on assets, dividends and other payments. The two financial covenants included in the Amended Credit Facility are a maximum leverage ratio of 3.75:1 and a minimum interest coverage ratio of 3.50:1.

The events of default under the Amended Credit Facility remain unchanged and include, but are not limited to, the following: failure to pay outstanding principal or interest, failure of applicable representations or warranties to be correct in any material respects, failure to perform any other term, covenant or agreement and such failure is not remedied after notice of such failure within the applicable grace period with respect thereto, if any, a cross-default with other debt in certain circumstances, certain defaults upon obligations under the Employee Retirement Income Security Act or bankruptcy. Such events of default would require the repayment of any outstanding borrowings and the termination of the right to borrow additional funds under the Credit Facility.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure set forth under “Item 1.01 Entry into a Material Definitive Agreement” is hereby incorporated by reference into this Item 2.03.
