Item 5. Other Events.

On October 17, 2001, National Fuel Gas Company (the Company) announced that the dramatic decline in crude oil and natural gas prices will require its Seneca Resources Corporation subsidiary to write down the cost of its Canadian oil and gas producing properties at the end of the fiscal 2001 fourth quarter. The Company also announced that Seneca is considering curtailing some of its natural gas production in the first quarter of fiscal 2002. A copy of a press release making these announcements and providing additional detail is attached to and incorporated in this Form 8-K as Exhibit 99.

Neither the filing of any press release as an exhibit to this Current Report nor the inclusion in such press release of a reference to the Company's internet address shall, under any circumstances, be deemed to incorporate the information available at such internet address into this Current Report. The information available at the Company's internet address is not part of this Current Report or any other report filed by the Company with the Securities and Exchange Commission (Commission).
