Item 8.01. Other Events.

In its Quarterly Report on Form 10-Q for the second quarter of fiscal 2011 (“Recent Quarterly Report”), Micron Technology, Inc. (the “Company”) changed the presentation of its financial information to reflect its new organization structure that includes the following four reportable business segments:

- DRAM Solutions Group (“DSG”)
- NAND Solutions Group (“NSG”)
- Wireless Solutions Group (“WSG”)
- Embedded Solutions Group (“ESG”):

The Company is filing this current report on Form 8-K (“Current Report”) to provide segment reporting financial information for the above segments with respect to the historical financial information included in its Annual Report on Form 10-K for the year ended September 2, 2010 (the “Annual Report”) in order to make such historical financial information consistent with the segment presentation set forth in the Company’s Recent Quarterly Report and consistent with how the Company expects to present its financial information in its future filings.

For ease of reference, the Company is providing this additional segment reporting information by including such information in the following sections from its Annual Report: Item 1 (Business), Item 7 (Management’s Discussion and Analysis of Financial Condition and Results of Operations) and Item 8 (Financial Statements and Supplementary Data). The additional information provided in this Current Report only reflects the Company’s new segment reporting structure.

The Company has not revised its disclosures to reflect events since the date of the Annual Report. Investors are encouraged to check the documents the Company files from time to time with the Securities and Exchange Commission for information related to the Company’s business and results of operations subsequent to the date of the Annual Report.
