ABOUT THE 2011 ANNUAL MEETING

Voting Procedures

Shareholders of record at the close of business on March 29, 2011 (the “Record Date”), will be entitled to vote at the Meeting. On the Record Date, there were outstanding and entitled to vote 3,699,230 shares of the Company’s common stock (the “Company Shares” or the “Common Stock”). The holders of a majority of the Company Shares issued and outstanding and entitled to vote at the Meeting, present in person or represented by proxy, will constitute a quorum. The persons whom the Company appoints to act as independent inspectors of election will treat all Company Shares represented by a returned, properly executed proxy as present for purposes of determining the existence of a quorum at the Meeting. Each of the Company Shares will entitle the holder to one vote. Cumulative voting is not permitted. Votes cast at the Meeting will be counted by the independent inspector of election.

If your shares are held in the name of your broker, dealer, bank, trustee or other nominee (i.e. street name), that party should give you instructions for voting your shares. In these cases, you may vote directly over the Internet, telephone or mail.

Abstentions and “broker non-votes” will be counted as present in determining the existence of a quorum. A broker non-vote occurs when a bank or broker holding shares of a beneficial shareholder does not vote on a particular proposal because it has not received instructions from the beneficial shareholder and the bank or broker does not have discretionary voting power for that particular item.

Under applicable Minnesota law, approval of the proposal to set the number of directors at four requires the affirmative vote of the holders of the greater of a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter, and the election of directors requires the affirmative vote of the holders of a plurality of the voting power of the shares represented in person or by proxy at the 2011 Annual Meeting with authority to vote on such matter.

---

The affirmative vote of a majority of the votes cast at the Meeting is required to ratify the appointment of Baker Tilly Virchow Krause, LLP, an independent registered public accounting firm, as the Company's independent registered public accountants.

Under the rules of the American Stock Exchange, brokers that do not receive voting instructions from their customers, who are the beneficial shareholders of the Company Shares, are only entitled to vote on the ratification of the appointment of Baker Tilly Virchow Krause LLP. Under applicable Minnesota law, a broker non-vote will have the effect of a negative vote.

The Board of Directors is soliciting your proxy to provide you with an opportunity to vote on all matters to come before the Meeting, whether or not you attend. You can ensure that your shares are voted at the Meeting by submitting your vote instructions by telephone, the Internet or by completing, signing, and dating a proxy card. Submitting your instructions or proxy by any of these methods will not affect your ability to attend and vote during the Meeting at [www.virtualshareholdermeeting.com/WEX11](http://www.virtualshareholdermeeting.com/WEX11).

A shareholder who gives a proxy may revoke it at any time before it is exercised by voting at the Meeting via the Internet, delivering a subsequent proxy or by notifying the Corporate Secretary of the Company in writing at any time before your original proxy is voted at the Meeting.

The Board of Directors urges you to vote, and solicits your proxy, as follows:

- (1) FOR the election of four (4) nominees for membership on the Company's Board of Directors: Messrs. Krueger, Speckmann, Goodmanson and Brady, to serve until the Annual Meeting of Shareholders in the year 2012 and until their successors are duly elected and qualified;
- (2) FOR the setting of number of members of the Board of Directors at four (4);
- (3) FOR the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2011; and
- (4) At the discretion of the designated proxies, on any other matter that may properly come before the 2011 Annual Meeting, and any adjournment or postponement thereof.

#### Proxy Solicitation

Your proxy is being solicited by and on behalf of the Board of Directors of the Company. The expense of this proxy solicitation will be borne by the Company. Certain directors, officers, representatives and employees of the Company may solicit proxies by telephone and personal interview. Such individuals will not receive additional compensation from the Company for solicitation of proxies, but may be reimbursed by the Company for reasonable out-of-pocket expenses in connection with such solicitation.

The mailing address of the principal executive office of Winland Electronics is 1950 Excel Drive, Mankato, Minnesota 56001. We expect that this Proxy Statement, the related Proxy and Notice of Meeting will first be mailed to shareholders on or about April 19, 2011.

#### ELECTION OF DIRECTORS (Proposals #1 and #2)

Our Bylaws provide that the number of directors shall be the number set by the shareholders, which shall be not less than one. The Nominating/Governance Committee recommended to the Board of Directors that the number of directors be set at four and that the persons currently serving on the Board be nominated for re-election. The Board of Directors unanimously recommends that the number of directors be set at four and that the four persons nominated be re-elected.

Under applicable Minnesota law, approval of the proposal to set the number of directors at four requires the affirmative vote of the holders of the greater of a majority of the voting power of the shares by proxy at the Annual Meeting with authority to vote on such matter, and the election of directors requires the affirmative vote of the holders of a plurality of the voting power of the shares represented in person or by proxy at the 2011 Annual Meeting with authority to vote on such matter.

If elected, such individuals shall serve until the next annual meeting of shareholders and until their successors be duly elected and shall qualify. All of the nominees are members of the present Board of Directors. ## CORPORATE GOVERNANCE

Our business affairs are conducted under the direction of the Board of Directors in accordance with the Minnesota Business Corporation Act and our Articles of Incorporation and Bylaws. Members of the Board of Directors are informed of our business through discussions with management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees. The corporate governance practices that we follow are summarized below.

### Independence

The Board has determined that a majority of its members are “independent” as defined by the listing standards of the American Stock Exchange. Our independent directors are Lorin E. Krueger, Richard T. Speckmann, Thomas J. Goodmanson and Thomas J. Brady. In the last three years, there have been no transactions, relationships or arrangements, other than in connection with service on our Board, between the independent directors and Winland Electronics, Inc. except for Mr. Krueger was considered an interested director due to his previous role as the Company’s chief executive officer which concluded on January 2, 2008.

### Code of Ethics and Business Conduct

The Board has approved a Code of Ethics and Business Conduct that applies to all of our employees, directors and officers, including our principal executive and principal financial officer. The Code of Ethics and Business Conduct addresses such topics as protection and proper use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading. The Code of Ethics and Business Conduct is available free of charge to any shareholder who sends a request for a copy to Winland Electronics, Inc., Attn. Chief Financial Officer, 1950 Excel Drive, Mankato, Minnesota 56001, and it is also available on our website at [www.winland.com](http://www.winland.com). We intend to disclose on our website any amendment to, or waiver from, a provision of our Code of Ethics and Business Conduct that applies to our principal executive and principal financial officer relating to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-K. Late in 2003, we contracted with an independent professional organization to provide anonymous hotline services that permit our employees to communicate any concerns about behavior or practices of Winland Electronics, its employees, officers or directors. This service began January 1, 2004 which is still currently used and was established to assist the Board of Directors in effective internal control.

### Meeting Attendance

**Board and Committee Meetings.** Directors are required to attend a minimum of 75% of Board and committee meetings. During fiscal 2010, the Board held six (6) meetings. Each director attended 100% of the meetings of the Board and the committees on which such director served.

**Annual Meeting of Shareholders.** Directors are encouraged to attend our annual meetings of shareholders; however, there is no formal policy regarding attendance at annual meetings. All directors were in attendance for our 2010 annual meeting of shareholders.

### Executive Sessions of the Board

An executive session of non-management directors is held at least once a year. In 2010, the Board held two (2) executive sessions and the Audit Committee held four (4) executive sessions.

### Committees of the Board

Our Board of Directors has four standing committees, the Audit Committee, the Compensation Committee, Nominating/Governance Committee and the Merger and Acquisition Committee. Each of the current members of these committees is a non-employee independent director.

Audit Committee. The Audit Committee is comprised of Thomas J. Brady (Chairman), Thomas J. Goodmanson and Richard T. Speckmann. Messrs. end-to-end e-business solutions provider. Mr. Goodman has a degree in accounting and is an inactive CPA in the State of Minnesota. He currently serves as President and Chief Executive Officer of Calabrio, Inc. a leading provider of workforce optimization and unified desktop software for IP-based contact centers. We acknowledge that the designation of Messrs. Brady and Goodman as audit committee financial experts does not impose on Messrs. Brady and Goodman any duties, obligations or liability that are greater than the duties, obligations and liability imposed on Messrs. Brady and Goodman as a member of the Audit Committee and the Board of Directors in the absence of such designation or identification. The Audit Committee reviews the selection and work of our independent registered public accounting firm and the adequacy of internal controls for compliance with corporate policies and directives. The Report of Audit Committee is included on page 12. During 2010, the Audit Committee met four (4) times. Our independent registered public accounting firm was present at all of these meetings.

**Compensation Committee.** The Compensation Committee is comprised of Richard T. Speckmann (Chairman), Thomas J. Goodman and Thomas J. Brady. This committee determines the compensation of the Chief Executive Officer; and, taking into consideration any recommendations by the Chief Executive Officer, it also determines the compensation for our other executive officers. The committee makes recommendations to the Board of Directors with respect to incentive compensation plans. This committee is vested with the same authority as the Board of Directors with respect to the administration of our equity plans. During 2010, the Compensation Committee met once.

**Nominating/Governance Committee.** The Nominating/Governance Committee is comprised of Richard T. Speckmann (Chairman), Thomas J. Brady and Thomas J. Goodman. This committee recommends to the Board of Directors nominees for vacant positions on the Board, sets goals for the Board and monitors the achievement of such goals. This committee will consider a candidate for director proposed by a shareholder. Governance Principles contain criteria that may be applied in the evaluation of nominees for a position on its Board. Under these Principles, the Board performs on a regular basis an assessment of the skills and characteristics needed by the Board in the context of the current composition of the Board and the Board's succession plan. Skills and characteristics to be considered include: (i) judgment; (ii) experience; (iii) skills; (iv) accountability and integrity; (v) financial literacy; (vi) leadership abilities; (vii) industry knowledge; (viii) diversity (both in perspectives as well as board heterogeneity); (ix) other Board appointments; and (x) independence. A shareholder who wants to propose a candidate must comply with the provisions of our Bylaws regarding nominations for the election of directors. The policies of the committee are described more fully in the Nominating/Governance Committee's Report on page 11. During 2010, the Nominating/Governance Committee met once.

**Merger & Acquisition (M&A) Committee.** The M&A Committee is comprised of Thomas J. Brady (Chairman), Thomas J. Goodman and Richard T. Speckmann. This committee was formed on August 31, 2009 in order to review, evaluate and determine the fairness to the Company and its disinterested shareholders any proposal which may come to the Company by third parties to acquire the Company, and if so (i) seek other possible buyers for the Company, (ii) negotiate on behalf of the Company and (iii) to recommend to the Board of Directors whether to enter into any agreement with respect to the sale of the Company. During 2010, the M&A Committee held five (5) meetings.

#### Communications with the Board

Shareholders may communicate directly with the Board of Directors. All communications, other than shareholder proposals and director nominations which must comply with certain other requirements as discussed under "Shareholder Proposals and Nominations of Director Candidates" on page 14, should be directed to our Chief Financial Officer at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. If no director is specified, the communication will be forwarded to the entire Board. The communication will not be opened before being forwarded to the intended recipient, but it

Skills and characteristics to be considered include: (i) judgment; (ii) experience; (iii) skills; (iv) accountability and integrity; (v) financial literacy; (vi) leadership abilities; (vii) industry knowledge; (viii) diversity (both in perspectives as well as board heterogeneity); (ix) other Board appointments; and (x) independence.

## REPORT OF AUDIT COMMITTEE

The Board maintains an Audit Committee comprised of the three outside directors. The Board and the Audit Committee believe that the Audit Committee's current member composition satisfies the Listing Standards of the American Stock Exchange ("AMEX") that governs audit committees, Section 121(B), including the requirement that audit committee members all be "independent directors" as that term is defined by AMEX Listing Standards Section 121(A).

The Audit Committee has established a Disclosure Committee, comprised of executives and senior managers who are actively involved in the disclosure process, to specify, coordinate and oversee the review procedures that are used each quarter, including at fiscal year end, to prepare our periodic and current SEC reports.

In accordance with its written charter adopted by the Board (available on our website), the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of Winland. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent registered public accounting firm the material required to be discussed by Statement on Auditing Standards No. 61, as amended; and
- (3) reviewed the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board Standard No.1 and discussed with the independent registered public accounting firm any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2010, as filed with the Securities and Exchange Commission.
