On November 26, 2008, DOR BioPharma, Inc. (the “Company”) entered into a letter of intent (the “Letter of Intent”) with Sigma-Tau Pharmaceuticals, Inc. (“Sigma-Tau”), which, among other things, grants Sigma-Tau an exclusive right to negotiate terms and conditions for a possible business transaction or strategic alliance regarding the Company’s lead product, orBec® (oral beclomethasone dipropionate), and potentially other Company biotherapeutic pipeline compounds until March 1, 2009. The \$1.5 million contribution we received will be considered an advance payment to be deducted from future payments due to the Company by Sigma-Tau pursuant to any future orBec® commercialization arrangement reached between the two parties.

The closing of the transaction relating to a business transaction or strategic alliance regarding the Company’s lead product, orBec® (oral beclomethasone dipropionate), and potentially other Company biotherapeutic pipeline compounds is subject to execution of definitive agreements between the parties, containing such representations, warranties, covenants, conditions, indemnities and limitations as are customary in a transaction of this kind. The Company has granted Sigma-Tau demand and piggy-back registration rights with regard to the shares issued to Sigma-Tau.
