Edison International Announces Scilacci, Adler, Finneran Elected to New Positi

ROSEMEAD, Calif., May 16, 2008 - Three executives have been elected to senior positions a International (NYSE:EIX) and its subsidiary Edison Mission Group: W. James (Jim) Scilacci Jr. 52 executive vice president, chief financial officer and treasurer for Edison International succeedi (Tom) McDaniel, 59, who is retiring after a distinguished 37-year career with the company; Rober 60, was named executive vice president and general counsel for Edison International succeeding J. Bouknight, 64, who is retiring; and John P. Finneran Jr., 48, was named senior vice president and financial officer for Edison Mission Group (EMG) succeeding Scilacci. Each will assume these new responsibilities on August 1.

Scilacci elected executive vice president, chief financial officer and treasurer for Edison Inter

"Jim has served as CFO of both our major subsidiaries, Southern California Edison (SCE) f and EMG for three years, has been involved in or led many of our major financings over the last s and headed SCE's 2003 General Rate Case team which makes him the ideal choice for CFO of Edison International," said Theodore (Ted) F. Craver Jr., 56, president, Edison International, who will E. Bryson, 64, as chairman and CEO effective August 1. "Jim's deep knowledge of the industry and businesses means that he will contribute from day one to the senior management team responsible f the ambitious performance goals we have set for ourselves at Edison International."

"In following Tom into the job, Jim is succeeding someone whose record of excellent servi virtually every part of Edison International and its subsidiaries," Bryson said. "From engineeri customer service to strategic planning to finance to serving as CEO of both Edison Capital and Ed Energy, Tom has done it all, and done it superbly."

Scilacci is currently senior vice president and chief financial officer of EMG. Before a current position at EMG, he was chief financial officer at SCE from 2000 to 2005. A 24-year vete company, Scilacci received his B.A. in economics from UCLA and an MBA from Santa Clara University wife Linda have three children.

Adler elected executive vice president and general counsel for Edison International

"Bob and I have worked closely together on several major Edison issues and transactions of 10 years including the required sale of SCE's 12 gas-fired generation plants during deregulation, Settlement Agreement with the California Public Utilities Commission to restore SCE's financial h the California energy crisis, and the sale of Edison Mission Energy's international assets as the of its financial restructuring," said Craver. "Bob will head my transition planning activities be 1 as executive vice president before assuming his additional role as general counsel on August 1. utmost respect for Bob's wisdom, experience and above all, his integrity."

"Lon Bouknight joined our company in 2005 at a time of great change in the energy industr counsel and sound judgment made a significant contribution to our success. He has served as an i member of our senior management team, and for 20 years prior to that as one of our principal outs lawyers," said Bryson. "He is among the most highly regarded lawyers in the country for his know experience in the energy industry."

Adler has been a partner in the Los Angeles law firm of Munger, Tolles and Olson LLP since practicing corporate and business law, and is currently co-managing partner. Beyond his extensive involvement and experience with the electric power business and Edison International, his practice spanned many industries, including retail, health care, entertainment, communications and profess sports. He is a magna cum laude graduate of Harvard University and a cum laude graduate of Harvard School where he served as an officer of the Harvard Law Review. He and his wife Sara, a professor College in Claremont, Calif., have two adult children.

Finneran elected senior vice president and chief financial officer for Edison Mission Group

Finneran is currently EMG's senior vice president of business management, a job which incomanaging EMG's partnerships in various power generation projects, information technology and Edis investment portfolio. Finneran joined Edison Mission Energy in 1999 as vice president and region financial officer for the Americas region. Previously he was senior vice president of finance and of Richfood Holdings, a Fortune 500 food retail and wholesale distribution company. He had serve senior financial executive with two East Coast power companies and as an accountant with Price Wa KPMG.

Finneran holds a Bachelor of Business Administration from Siena College and a Master of S in accounting from George Washington University and is a Certified Public Accountant. He and his have five children.
