SECTION 1 - REGISTRANT'S BUSINESS AND OPERATIONS

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On February 3, 2005, based in part on the Company's preliminary 2004 financial results and a review of the total compensation of CEO's and other Executive Officers of comparable companies prepared by independent professional compensation consultants ("the Study"), the Board of Directors increased the annual base salary component of its employment agreement with James E. Declusin,

President and Chief Executive Officer, to \$560,000, and approved one-time discretionary cash bonus awards for certain Executive Officers, including Mr. Declusin, in addition to the amounts payable under the 2004 Annual Incentive Plan. The total additional cash bonus amount for CEO and Executive Officers was approximately \$398,000. The new CEO base salary and the one-time discretionary cash bonuses were in line with the recommendations of the Study.

The other terms of the Company's employment agreement with Mr. Declusin, which expires on December 31, 2005, remained unchanged.

This summary is not intended to be a complete description of all of the terms of the discretionary cash bonus awards. For further information, review the Corporation's Form 10-K for the year ended December 31, 2004 and related proxy statement.
