The Board of Directors made this determination after considering the Company's liquidity needs and capital resources as well as the estimated current value of the Company's assets.

Under the New Authorization, the Company may purchase common stock in open market transactions, block purchases or other privately negotiated transactions, from time to time pursuant to a trading plan in accordance with Rule 10b5-1 and Rule 10b-18 under the Exchange Act or by any combination of such methods. The number of shares to be purchased and the timing of the purchases are based on a variety of factors, including, but not limited to, the level of cash balances, credit availability, debt covenant restrictions, general business conditions, regulatory requirements, the market price of the Company's stock, dividend policy and the availability of alternative investment opportunities.
