Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The reporting person entered into a "zero cost collar" arrangement on August 9, 2004 pursuant to which he wrote a covered call option and purchased a put option. Only one of these options could be in the money on the expiration date, at which time the in the money option would have been exercised (and settled for cash) and the other option would have expired. Since neither option was in the money on the expiration date, both options expired. This is to record the expiration of the put and call options.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
