Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting To Be Held on April 27, 2016:

A copy of this Proxy Statement and the Annual Report to Shareholders (“Annual Report”) for the year ended December 31, 2015, which includes the Form 10-K (“Form 10-K”), are available at www.glacierbancorp.com.

INFORMATION ABOUT THE MEETING

Meeting Information. This Proxy Statement (“Proxy Statement”) and the accompanying proxy card are being sent to shareholders on or about March 14, 2016 for use in connection with the Annual Meeting of Glacier Bancorp, Inc. (“Company” or “Glacier”) to be held on Wednesday, April 27, 2016 at 9:00 a.m. Mountain Time. In this Proxy Statement, the terms “we,” “us” and “our” refer to Glacier Bancorp, Inc.

Solicitation of Proxies. Our board of directors (“Board”) is soliciting shareholder proxies, and we will pay the associated costs. Solicitation may be made by our directors and officers and by our banking subsidiary, Glacier Bank (“Glacier Bank”), or by the directors and officers of the Glacier Bank divisions, operating under the following names.

Mountain West Bank (Coeur d’Alene)	Valley Bank of Helena
First Security Bank of Missoula	Big Sky Western Bank (Bozeman)
Western Security Bank (Billings)	First State Bank (Wheatland)
¶ Bank (Evanston)	Citizens Community Bank (Pocatello)
First Bank of Wyoming (Powell)	First Bank of Montana (Lewistown)
North Cascades Bank (Chelan)	Bank of the San Juans (Durango)

We do not expect to engage an outside proxy solicitation firm to render proxy solicitation services. However, if we do, we will pay a fee for such services. Solicitation may be made through the mail or by telephone, facsimile, or personal interview.

Record Date. If you were a shareholder on March 1, 2016 (“Record Date”), you are entitled to vote at the Annual Meeting. There were approximately 76,167,700 shares of common stock outstanding on the Record Date.

Quorum. The quorum requirement for holding the Annual Meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes (as defined below) are counted as present for the purpose of determining the presence of a quorum.

Voting on Matters Presented

Proposal No. 1 - Election of Directors. The ten director nominees who receive the highest number of affirmative votes will be elected. Shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast FOR or WITHHELD from each nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

As described below under the section entitled “Corporate Governance - Majority Voting Policy,” in September 2011, the Company adopted a Majority Voting Policy (“Majority Voting Policy”). As a requirement of nomination, each director nominee of the Company is required to submit an irrevocable resignation as a director of the Company. The Company has such a letter on file from each 2016 director nominee. If any such director nominee receives more WITHHELD votes than FOR votes in an uncontested election of directors, his or her resignation will be considered by the Company’s Nominating/Corporate Governance Committee (“Nominating Committee”) and the Board.

Proposal No. 2 - Advisory (Non-Binding) Vote on Executive Compensation. The affirmative vote FOR by a majority of those shares present in person or by proxy and voting on this matter is required to approve the advisory (non-binding) resolution on the compensation of our Named Executive Officers (“Named Executive Officers”). You may vote FOR, AGAINST or ABSTAIN from approving the advisory (non-binding) resolution on executive compensation. Abstentions and broker non-votes will have no effect on the outcome of the proposal.

Proposal No. 3- Ratification of Independent Registered Public Accounting Firm. The proposal to ratify the appointment of BKD, LLP as the Company’s independent registered public accounting firm (“independent auditors”) for the fiscal year ending December 31, 2016 will be adopted if a majority of the votes present and entitled to vote are cast FOR the proposal. You may vote FOR, AGAINST or ABSTAIN from approving the proposal. Abstentions and broker non-votes will have no effect on the outcome of the proposal.

Voting of Proxies. Shares represented by properly executed proxies that are received prior to the deadline for submitting proxies and that are not revoked will be voted in accordance with the instructions indicated on the proxies. If no instructions are indicated, the persons named in the proxy will vote the shares represented by the proxy FOR the director nominees listed in this Proxy Statement, FOR the advisory (non-binding) resolution to approve the compensation of our Named Executive Officers, and FOR the ratification of the appointment of the independent registered public accounting firm. Any proxy given by a shareholder may be revoked before its exercise by:

- giving notice to us in writing;
- delivering to us a subsequently dated proxy card; or
- notifying us at the Annual Meeting before the shareholder vote is taken.

Voting of Proxies by Shareholders of Record and by Beneficial Owners. A significant percentage of Glacier shareholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own names. As summarized below, there are some differences between the two types of ownership.

Shareholders of Record. If your shares are registered directly in your name with Glacier’s transfer agent, American Stock Transfer, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent to you directly by Glacier. As the shareholder of

record, you have the right to grant your voting proxy directly to Glacier or to vote in person at the Annual Meeting. We have enclosed a proxy card for you to use.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote. Your broker or nominee has enclosed a voting instruction card for you to use in directing your broker or nominee as to how to vote your shares. Brokers cannot vote on behalf of beneficial owners on “non-routine” proposals (defined as “broker non-votes”). Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

If your shares are held in street name and you do not submit voting instructions to your broker, your broker may vote your shares at this meeting on the ratification of the appointment of the independent registered public accounting firm only. If no instructions are given with respect to the election of directors or approval of the (non-binding) resolution on executive compensation, your broker cannot vote your shares on these proposals.

Voting in Person at the Annual Meeting

Shareholders of Record. Shares held directly in your name as the shareholder of record may be voted in person at the Annual Meeting. If you choose to vote your shares in person at the Annual Meeting, please bring the enclosed proxy card and proof of identification. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Beneficial Owner. Shares held in street name may be voted in person by you only if you present a “Legal Proxy” at the Annual Meeting. Contact your broker or nominee immediately to obtain a “Legal Proxy,” and bring that document with you to the Annual Meeting.

Since 1994, he has been an owner of Murdoch's Ranch & Home Supply, LLC, a ranch and home retail operation, and served as its President from its founding until 2006 when he sold a majority ownership to key employees. As President, he coordinated the efforts required to run a 1,700 employee, multi-location, multi-state retail operation including the oversight of purchasing, marketing, human resources, distribution and accounting. Mr. Murdoch served as a director of the Company's former subsidiary Big Sky Western Bank from December 2002 to February 2010, and he served on the Montana State University Foundation board in 2009 and 2010. He currently serves as a director for Bozeman Deaconess Hospital. Mr. Murdoch was also President of Mid-States Distributing Co., Inc. in 1990 and then again in 2006 and 2007. Mid-States is a buying cooperative for farm supply stores with over 500 stores and \$3 billion in retail sales annually. Mr. Murdoch brings to the Board broad experience and expertise based on his management and oversight of substantial consumer businesses.

Mark J. Semmens, 56, was appointed to the Board in January 2016. At the end of 2015, Mr. Semmens retired from his position as a Managing Director of Investment Banking at D.A. Davidson & Co., a full-service investment firm based in Great Falls, Montana. Mr. Semmens joined D.A. Davidson & Co. in 1985, founded the firm's investment banking practice, and served on the firm's Management Committee, Executive Committee, and Board of Directors. Mr. Semmens served as the lead investment banking advisor to Glacier for 25 years, advising Glacier on approximately 20 acquisitions and four capital raises. He also has an extensive background in higher education, having served as a board member (and in the latter two cases, Chairman) of the Montana Board of Regents, the Montana Higher Education Student Assistance Corporation, and the Carroll College Board of Trustees. Mr. Semmens is a graduate of Carroll College with degrees in business administration and finance. In addition to broad experience and expertise in the financial services and financial institutions industries generally, Mr. Semmens brings to the Board historical knowledge of the Company and the business environment in which it operates.

The Board unanimously recommends a vote FOR the election of each of the nominees to the Board.

CORPORATE GOVERNANCE

Corporate Governance Guidelines and Policies

The Board is committed to good business practices, transparency in financial reporting and high standards of corporate governance. Glacier operates within a comprehensive plan of corporate governance for the purpose of defining responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards. We regularly monitor developments in the area of corporate governance. The Board periodically reviews our governance policies and practices against those suggested by various groups or authorities active in corporate governance and the practices of other companies, as well as the requirements of the related SEC rules and the listing standards of the NASDAQ Stock Market ("NASDAQ").

Governance Policy and Codes of Ethics

The Board has adopted and adheres to a Corporate Governance Policy which the Board and management believes represents sound governance practices and provides a framework to sustain our success and build long-term value for our shareholders.

The Board has adopted a Code of Ethics for Senior Financial Officers which applies to its principal executive officer, principal financial officer, principal accounting officer, controller, and any persons performing similar functions. The Board has also adopted a Director Code of Ethics.

Clawback Policy

The Board adopted a "clawback" policy providing for the recovery of incentive compensation in certain circumstances. Under the clawback policy, if Glacier is required to prepare an accounting restatement due to the material noncompliance of the Company with any financial reporting requirement under applicable securities laws, the Company will recover compensation from any current or former executive officer who received incentive compensation (including equity-based compensation) during the three-year period preceding the date of the restatement, based on the erroneous data, in excess of what would have been paid to the executive under the accounting restatement.

Anti-Hedging Policy

The Board has adopted an Anti-Hedging Policy that prohibits our directors, officers and employees from engaging in a “hedging transaction,” which is generally a transaction that would have the economic effect of establishing a downside price protection in connection with Glacier common stock owned by such person. This type of transaction may create the appearance that the person’s interests are not aligned with those of the Company’s shareholders generally, to the extent that it is designed to hedge or offset against any decrease in the market value of Glacier common stock.

Anti-Pledging and Margin Account Policy

The Board has adopted an Anti-Pledging Policy that prohibits our directors and executive officers from pledging Glacier common stock as collateral or from holding Glacier common stock in a margin account. This policy was adopted on June 30, 2015 and does not affect any pledges of Glacier common stock that were made prior to that date, except that no such pre-existing pledges may be increased in amount after that date.

Stock Ownership and Retention Guidelines

The Board has approved stock ownership and retention guidelines for its directors and executive officers which are intended to help closely align the financial interests of such persons with those of Glacier’s shareholders. Within five years after appointment or election to the Board, each director is expected to acquire and retain shares of Glacier common stock having a market value of at least five times his or her annual cash retainer. All of the current Glacier directors have exceeded this ownership guideline.

Similarly, executive officers who are required to file reports pursuant to Section 16 of the Exchange Act are expected, within five years of appointment, to acquire and retain Glacier shares having a specified market value. The CEO is expected to own shares having a market value equal to at least six times his or her annual base salary, and each other executive officer is expected to own shares having a market value equal to at least four times his or her annual base salary. Each of our executive officers has exceeded this ownership guideline except Mr. Chesler, who joined the Company effective August 1, 2015.

Unless a director or executive officer has achieved the applicable guideline level of share ownership, he or she is required to retain an amount equal to 50% of the net shares received as a result of the exercise, vesting or payment of any Glacier equity awards granted to him or her.

You can access our current corporate governance documents, including the Corporate Governance Policy, the Code of Ethics for Senior Financial Officers, the Director Code of Ethics, the Clawback Policy, the Anti-Hedging Policy, the Anti-Pledging and Margin Account Policy, the Majority Voting Policy (summarized below), the Stock Ownership and Retention Guidelines, and the charters of the Audit, Compensation, Compliance, Nominating, and Risk Oversight Committees, by visiting the Company’s website at www.glacierbancorp.com and clicking on “Governance Documents” or by writing to: LeeAnn Wardinsky, Corporate Secretary, 49 Commons Loop, Kalispell, Montana 59901.

Board Leadership Structure

The Board is committed to maintaining an independent Board. To that end, it has been our practice to separate the duties of Chairman and CEO. At this time, the Board believes that the separation of duties of Chairman and CEO eliminates any inherent conflict of interest that may arise when the roles

are combined and that a non-employee director who is not serving as an executive officer of Glacier can best provide the necessary leadership and objectivity required as Chairman.

Director Qualifications

The Board believes that it is necessary for each of our directors to possess many qualities and skills. All of our directors bring to our Board a wealth of leadership experience derived from their extensive board service and their service in a variety of professional and executive positions.

The Nominating Committee is responsible for the oversight and nomination process for director nominees. The Nominating Committee has not historically adopted formal director qualification standards for Nominating Committee-recommended nominees. However, the Nominating Committee annually reviews the experience, qualifications, attributes and skills of each director and nominee as part of its evaluation as to whether or not the nominees are the right individuals to serve on Glacier's Board and to help Glacier successfully meet its long-term strategic plans. Because each director must be re-elected annually, the Nominating Committee has an annual opportunity to assess these factors and, if appropriate, determine not to re-nominate any director. A more detailed discussion regarding the considerations given by the Nominating Committee when considering director nominees is set forth below in the section entitled "Nominating / Corporate Governance Committee."

The director biographical information set forth above in the section entitled "Directors and Director Nominees" summarizes the experience, qualifications, attributes and skills that we believe qualifies each director to serve on the Board.

Majority Voting Policy

In September 2011, the Company adopted the Majority Voting Policy under which each director nominee is required to submit an irrevocable resignation as a director of the Company. The Company has such a letter on file from each 2016 director nominee. If any such nominee receives more WITHHELD votes than FOR votes in an uncontested election of directors, his or her resignation will be considered by our Nominating Committee and our Board.

We believe that the Majority Voting Policy enhances our accountability to shareholders by formalizing the consequences of a "majority withhold" vote and demonstrating our responsiveness to director election results, while at the same time protecting the long-term interests of the Company and its shareholders.

An "uncontested election" is generally an election in which the number of nominees for election does not exceed the number of Board positions to be filled. In a contested election, the Majority Voting Policy will not apply and nominees will be elected by plurality voting.

The Nominating Committee will consider any director resignation tendered under the policy and recommend to the Board the action to be taken with respect to such resignation. Among other things, the recommendation of the Nominating Committee may be to accept the resignation or to defer acceptance until a qualified replacement director can be identified and elected to the Board. The Nominating Committee may also recommend that the resignation be rejected, either: (i) unconditionally; (ii) by addressing what the Nominating Committee believes to be the underlying reasons for the failure of the director to receive more FOR votes than WITHHELD votes; or (iii) resolving that the director will not be nominated in the future for election.

In considering a tendered resignation, the Nominating Committee is authorized to consider all factors it deems relevant to the best interests of the Company and its shareholders. The policy contains a non-exclusive list of the factors that may be considered in any particular circumstance.

The Board (excluding the director whose resignation is being considered) will act on the recommendations of the Nominating Committee no later than 90 days following certification of the shareholder vote. The Board is authorized to consider information and factors which led to the nomination of the director by the Nominating Committee and any additional factors as the Board deems relevant to the best interests of the Company and its shareholders. Following the Board's decision, the Company will promptly publicly announce such decision, providing an explanation of the process by which the decision was reached and, if applicable, the reasons for rejecting the tendered resignation.

Director Independence

With the assistance of legal counsel to the Company, the Nominating Committee has reviewed the applicable legal standards for Board and Board committee member independence. The Nominating Committee has also reviewed a summary of the answers to annual questionnaires completed by each of the directors, which identifies any potential director-affiliated transactions.

The Board then analyzed the independence of each director and determined which directors meet the standards regarding "independence" required by applicable law, regulation and NASDAQ listing standards and whether or not each such director is free of relationships that would interfere with the individual exercise of independent judgment. In determining the independence of each director, the Board considered many factors, including any loans to the directors, each of which were made on the same terms as comparable transactions made with persons not related to Glacier, Glacier Bank, or our bank divisions. Such arrangements are discussed in detail under the section entitled "Transactions with Management."

Based on these standards, the Board determined that each of the following director nominees is independent:

Sherry L. Cladouhos	Craig A. Langel
James M. English	Douglas J. McBride
Annie M. Goodwin	John W. Murdoch
Dallas I. Herron	Mark J. Semmens

Based on the standards described above, the Board determined that Michael J. Blodnick, who serves as an executive officer of Glacier, and Randall M. Chesler, who serves as an executive officer of Glacier Bank, are not independent.

Shareholder Communications with the Board of Directors

The Company and the Board welcome communication from shareholders and other interested parties.

Communications may be made by writing to the Chairman of the Board, c/o the Corporate Secretary, Glacier Bancorp, Inc., 49 Commons Loop, Kalispell, Montana 59901. A copy of any such written communication will also be sent to our CEO. If the Chairman and the CEO determine that such communication is relevant to and consistent with Glacier's operations and policies, such communication will be forwarded to the entire Board for review and consideration.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board met 12 times during the fiscal year ended December 31, 2015. Each director attended at least 75% of the meetings of the Board and the committees on which he or she served. We encourage but do not require our directors to attend the annual meeting of the shareholders. Last year, all except one of our directors attended the annual meeting of the shareholders.

Board Authority for Risk Oversight

The Board has the ultimate authority and responsibility for overseeing risk management at Glacier. Some aspects of risk oversight are fulfilled at the full Board level. For example, the Board regularly receives reports from management - specifically from enterprise risk management - on numerous risk components that impact the operations and reputation of the Company. The Board delegates other aspects of its risk oversight function to its committees. The Audit Committee oversees financial, accounting and internal control risk management. The director of the Company's internal audit function reports directly to the Audit Committee. The executive officers regularly report directly to the entire Board and to appropriate Board committees with respect to the risks they are responsible for managing.

The Compensation Committee oversees the management of risks that may be posed by the Company's compensation practices and programs. As part of this process, the Compensation Committee is responsible for analyzing the compensation policies and practices for all employees, not just Named Executive Officers. In its review of these policies and practices, the Compensation Committee has determined that the current policies and practices do not create or encourage employees to take risks that are reasonably likely to have a material adverse effect on the Company. In June 2015, the Board adopted a clawback policy for the recovery of incentive payments to executive officers in certain circumstances, which further mitigates risk.

The Compliance Committee monitors compliance with federal and state laws and the associated regulations applicable to the Company, Glacier Bank, and our bank divisions.

Glacier's independent directors meet in executive session during regularly scheduled meetings of the Board and at other times as required. During 2015, the independent directors met in executive session eight times.

In discharging its duties, the Audit Committee is expected to, among other things:

Each Compensation Committee member is considered "independent" as defined by NASDAQ listing standards and applicable SEC and IRS rules. The Compensation Committee reviews the performance of the Company's CEO and other key employees and determines, approves, and reports to the Board on the elements of their compensation and long-term equity-based incentives. In determining the CEO's compensation, the Compensation Committee evaluates several performance factors including the Company's financial results and levels of compensation of peer financial institutions. The Compensation Committee operates under a written charter adopted by the Board. A complete description of the executive compensation process applicable to 2015 is described under the section entitled "Compensation Discussion and Analysis."

In addition, the Compensation Committee:

- recommends, if appropriate, new employee benefit plans to the Board;
- reviews all employee benefit plans;
- makes determinations in connection with compensation matters as may be necessary or advisable; and
- recommends, if appropriate, revisions to the compensation and benefit arrangements for directors.

Compliance Committee. During the fiscal year ended December 31, 2015, the Compliance Committee was comprised of seven directors. Each Compliance Committee member is considered "independent" as defined by NASDAQ listing standards and applicable SEC and IRS rules. The Compliance Committee monitors compliance with federal and state laws and the associated regulations applicable to the Company, Glacier Bank, and our bank divisions and reports to the Board on such matters.

The Compliance Committee operates under a written charter adopted by the Board. In discharging its duties, the Compliance Committee is expected to, among other things:

- review the material risk areas and review the regulatory environment and legal requirements associated with the same;
- oversee the development and execution of a plan to monitor and remediate all compliance deficiencies identified by the Company or its examiners;
- review internal reports to management prepared by the compliance department;
- review and approve responses to regulatory agency examination reports prior to submission of any such response on examinations and ensure that all information requests made by regulatory agencies are accurately and timely addressed;
- pre-approve all compliance auditing services to be provided to the Company; and
- review, with legal counsel, any legal matter that could have a significant impact on the Company.

In carrying out its responsibilities and duties, the Compliance Committee will foster an environment that encourages all bank officers and employees to raise any compliance issues or concerns freely and without concern for retribution.

Each Nominating Committee member is considered "independent" as defined by NASDAQ listing standards. The Nominating Committee is responsible for nominating a slate of directors for election at Glacier's annual meeting and appointing directors to fill vacancies as they occur. It is also responsible for: (i) considering management succession plans, the appropriate Board size, and committee structure and appointments; (ii) developing and reviewing corporate governance principles applicable to Glacier, Glacier Bank, and our bank divisions, including Glacier's Corporate Governance Policy, in light of emerging standards and best practices and the needs of Glacier and its shareholders; and (iii) making such recommendations to the full Board as the Nominating Committee considers appropriate. The Nominating Committee operates under a written charter adopted by the Board.

The Nominating Committee will consider nominees recommended by shareholders if the recommendations are made in accordance with the procedures described in this Proxy Statement under the section entitled "Shareholder Proposals and Director Nominations."

In deciding whether or not to recommend incumbent directors for re-nomination, the Nominating Committee evaluates Glacier's evolving needs and assesses the effectiveness and contributions of its existing directors. The Nominating Committee is authorized to establish guidelines for the qualification, evaluation and selection of new directors to serve on the Board. The Nominating Committee has not adopted, nor does it anticipate adopting, specific qualifications for Nominating Committee-recommended nominees, nor has the Nominating Committee adopted a formal policy relating to Board diversity, although the Nominating Committee and Board value a diversity of backgrounds, professional experience and skills among directors. The Nominating Committee will instead evaluate each nominee on a case-by-case basis, including assessment of each nominee's business experience and special skills. The Nominating Committee will also evaluate whether or not a nominee's skills are complementary to existing Board members' skills and the Board's need for operational, management, financial, technological or other expertise.

Risk Oversight Committee. During the fiscal year ended December 31, 2015, the Risk Oversight Committee was comprised of all of the independent directors of the Company. The Risk Oversight Committee was formed in July 2012 to assist the Board in fulfilling its oversight responsibilities with regard to the Company's risk management program. The scope of the Risk Oversight Committee extends over the entire enterprise and includes identification, measurement, monitoring, and controlling of the Company's principle business risks related to strategy, the market, operations, and all aspects of compliance. Among the responsibilities of the Risk Oversight Committee is to engage management in an ongoing risk-appetite dialogue as conditions and circumstances change and new opportunities arise. The Risk Oversight Committee reviews and approves Glacier's risk-appetite statement annually and approves any material amendments to the risk-appetite statement.

MANAGEMENT

Named Executive Officers Who Are Not Directors

The following table sets forth information with respect to Named Executive Officers during 2015 who are not directors or nominees for director of Glacier, including employment history for the last five years. All executive officers are appointed annually and serve at the discretion of the Board.

Name	Age	Position	Has Served as an Officer of the Company Since
Don J. Chery	53	EVP and CAO	1989
Ron J. Copher	58	EVP and CFO, Treasurer and Assistant Secretary	2006

EXECUTIVE COMPENSATION

The following section describes the compensation that Glacier pays its Named Executive Officers. “Officer” is defined in Rule 16a-1 of the Exchange Act to include those who perform a policy-making function, and “named executive officers” are defined by Item 402 of Regulation S-K to be the principal executive officer, the principal financial officer, and the other three most highly compensated executive officers, each of whose total compensation for the last fiscal year exceeded \$100,000.

Glacier has only four Named Executive Officers rather than five, as typically disclosed under SEC rules, because Glacier has only four executive officers who perform a policy-making function for Glacier.

Glacier’s Named Executive Officers for the fiscal year ending December 31, 2015 are:

• Michael J. Blodnick, President and CEO and a Glacier director;

• Ron J. Copher, EVP and CFO;

• Don J. Chery, EVP and CAO; and

• Randall M. Chesler, President of Glacier Bank.

The following section includes:

• Compensation Discussion and Analysis;

• Summary Compensation Table and other tables detailing the compensation of the Named Executive Officers;

• Narrative disclosure about various compensation programs and arrangements and post-employment and termination benefits payable to the Named Executive Officers;

• Compensation Committee Interlocks and Insider Participation; and

• Report of Compensation Committee.

COMPENSATION DISCUSSION AND ANALYSIS**Overview**

The following discussion provides an overview and analysis of our Compensation Committee’s philosophy and objectives in designing Glacier’s compensation programs, as well as the compensation determinations and the rationale for those determinations relating to our Named Executive Officers.

This discussion should be read together with the compensation tables for our Named Executive Officers, which can be found following this discussion. Unless otherwise indicated, any references to a particular year in this discussion means the fiscal year ended December 31 of such year.

Key Executive Compensation Actions - Background

We believe that we need to offer competitive compensation in order to recruit, motivate and retain qualified executives. In late 2011 and early 2012, the Compensation Committee, with the assistance of its independent consultant, McLagan, reviewed a peer benchmarking analysis and determined that Glacier’s Named Executive Officer compensation levels for Messrs. Blodnick, Copher and Chery, who were then the only Named Executive Officers, were below the 25th percentile (that is to say, such levels were in the lowest 25%) in terms of salary and total compensation compared to the peer group. As a result, the Compensation Committee undertook the following compensation program initiatives commencing in 2012:

Salaries: The McLagan study determined that Mr. Blodnick’s salary was positioned 48% below the peer group median, Mr. Copher was 36% below the median, and Mr. Chery was 27% below the median. As a result, a plan was developed to bring salaries closer to the peer group median over the following five years, beginning with moving the salaries of Messrs. Copher and Chery to the market 25th percentile and increasing Mr. Blodnick’s salary by 20% of the shortfall to median. This plan was implemented effective January 2012 and was continued for 2013, 2014 and 2015; and

Performance-Based Incentive Programs: In 2012, the Compensation Committee established both an annual and a long-term incentive program with pre-defined performance goals directly linking incentive awards to the Company’s goals. Both such programs were

implemented again in 2015. 2015 resulted in achievement of 106.8% of the target short-term awards and 105.7% of the target long-term awards.

Say-on-Pay Vote

The Compensation Committee evaluates our executive compensation programs in light of market conditions, shareholder views, and governance considerations and makes changes as appropriate. As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, we held an advisory vote on the compensation of our Named Executive Officers (“Say-on-Pay”) at the 2015 annual shareholder meeting. Our shareholders overwhelmingly approved the compensation of our Named Executive Officers, with approximately 97.8% of shareholder votes cast in favor of the Say-on-Pay resolution. As the Compensation Committee evaluated our compensation programs in 2015, it took into account our shareholders’ vote of confidence in making changes to our executive compensation program as described above to ensure a continued link of pay to performance.

Executive Compensation Philosophy

The quality of our employees, including our executive team, is critical to executing our community banking philosophy, emphasizing personalized service combined with the full resources of a larger banking organization. To meet our primary goal of attracting, retaining and incenting highly qualified executives and employees within the context of our corporate culture, our compensation programs are designed with the following principles in mind: We are committed to providing effective compensation and benefit programs that are competitive within our industry and with other relevant organizations with which Glacier, Glacier Bank, and our bank divisions compete for employees.

Our programs are designed to encourage and reward behaviors that ultimately contribute to the achievement of organizational goals.

Pay programs and practices reinforce our commitment to providing a work environment that promotes respect, teamwork, and individual growth opportunities.

Consistent with this overall philosophy, we have designed our compensation programs to be relatively straightforward and transparent to shareholders, while providing benefits appealing enough to attract, retain and motivate highly qualified employees.

The Compensation Committee designs our overall compensation program and makes decisions regarding individual executive compensation in the context of a “total compensation policy” that takes into account the overall package of compensation benefits provided to each executive. Our philosophy is to tie a significant percentage of an executive’s compensation to the achievement of Company financial and performance goals. Accordingly, Glacier strives to set base salaries at competitive levels, with an opportunity for each executive to be well rewarded through the annual incentive bonus and equity grants if Glacier meets its performance objectives.

The compensation philosophy is reviewed and approved annually by the Compensation Committee. Decisions made by the Compensation Committee and the Board relative to compensation take all current applicable rules, regulations and guidance into consideration and are made with the goal of being compliant with all such requirements.

Role of the Compensation Committee

The Compensation Committee operates under a written charter adopted by the Board. The Compensation Committee is responsible for the design, implementation and administration of the compensation programs for our executive officers and directors. When appropriate, the Compensation Committee makes recommendations to the Board on items that require Board approval. Specifically, in 2015, the Compensation Committee:

- Monitored incentive programs with a view to avoid creating incentives that could subject the Company to excessive risk;

- Reviewed and approved the compensation peer group (“Compensation Peer Group”). As discussed below, the Compensation Peer Group was updated in late 2014 but was not utilized for purposes of 2014 or 2015 compensation analysis but rather for the analysis of current equity and long-term incentive practices across the banking industry;

- Reviewed and recommended salary adjustments for Messrs. Blodnick, Copher and Chery for Board approval;

- Approved the annual and long-term incentive program opportunities and goals; and

- Reviewed and approved the incentive program awards for the Named Executive Officers.

Role and Relationship of the Compensation Consultant

The Compensation Committee has the sole authority to retain and terminate a compensation consultant and to approve the consultant’s fees and all other terms of the engagement. The Compensation Committee has direct access to outside advisors and consultants throughout the year.

In 2011 and 2012, the Compensation Committee retained the services of McLagan as an independent outside compensation consultant. McLagan’s services include conducting peer group analysis and benchmarking studies, establishing compensation guidelines, assisting with the design of incentive programs, and providing insight on emerging regulations and best practices. McLagan was engaged by and reported directly to the Compensation Committee. McLagan was retained in 2014 to provide guidance and direction relative to long-term incentive program issues and in 2015 (i) to provide certain assistance to the Compensation Committee on an advisory basis and (ii) to assist the Compensation Committee in establishing the terms of Mr. Chesler’s compensation arrangement.

The Compensation Committee considered the independence of McLagan in light of SEC rules and NASDAQ listing standards. The Compensation Committee requested and received a report from McLagan addressing McLagan’s independence and the independence of the senior advisors involved in the engagement which included the following: (1) other services provided to us by McLagan; (2) fees paid by us as a percentage of McLagan’s total revenue; (3) policies or procedures maintained by McLagan that are designed to prevent a conflict of interest; (4) any business or personal relationships between the senior advisors and any member(s) of the Compensation Committee; (5) any company stock owned by the senior advisors; and (6) any business or personal relationships between our executive officers and the senior advisors. The Compensation Committee discussed these considerations and concluded that the work performed by McLagan and McLagan’s senior advisors involved in the engagement did not raise any conflict of interest.

Role of Management

Our CEO performs an annual performance review for executive officers of the Company and our bank division presidents and provides a recommendation to the Compensation Committee regarding base salary and bonus targets for such persons, which the Compensation Committee has discretion to approve or modify. The Compensation Committee meets separately on an annual basis with our CEO to discuss his compensation. No Named Executive Officers are present for the Compensation Committee's discussions, deliberations and decisions with respect to their individual compensation. The Compensation Committee then submits a recommendation regarding compensation for all executive officers to the Board for approval.

Risk Review

The Compensation Committee reviewed and discussed a compensation risk assessment performed by representatives from Human Resources. The Compensation Committee's conclusion was that our compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on our business or operations. This risk assessment process included a periodic review of the design and operation of the Company's incentive compensation programs, identifying and evaluating situations or compensation elements that may raise material risks, and an evaluation of other controls and processes designed to identify and manage risk.

Competitive Benchmarking and Peer Group

The Compensation Peer Group is periodically updated by the Compensation Committee and consists of companies that the Compensation Committee believes are comparable in size to the Company and with which we may compete. In 2012, McLagan conducted an analysis of the Compensation Peer Group with emphasis on factors previously utilized by the Compensation Committee to determine appropriate companies for inclusion, with emphasis on asset size, profitability and location as the measures of comparability, in that order of importance.

Potential comparable companies were initially filtered by asset size and then were evaluated for profitability, including provisions for asset quality and other performance standards believed to best generally align with Glacier's goals.

Potential comparable companies were analyzed for compensation, utilizing data from the SNL Financial Executive Compensation Review, and other information compiled by the Compensation Committee. Finally, executive compensation data was analyzed by region. The compensation for each region was then compared and assigned points based on the relative similarity to compensation in the region in which the Company operates. Points were assigned to each of the three designated comparability measures, and the companies with the 20 highest point totals were selected as the Compensation Peer Group.

Based upon its analysis and the information provided by McLagan, the Compensation Committee approved a list of companies constituting the 2013 Compensation Peer Group. The Compensation Committee updated the peer group in late 2014, again with the input of McLagan. The updated peer group was not used for purposes of 2015 executive compensation analysis for Messrs. Blodnick, Copher or Chery but was used to establish the compensation package for Mr. Chesler.

The following peer banks constituted the Compensation Peer Group as updated in late 2014:

Banner Corp. (BANR)	First Financial Bankshares (FFIN)	PacWest Bancorp (PACW)
Chemical Financial Corp. (CHFC)	First Interstate BancSystem (FIBK)	Park National Corp. (PRK)
Columbia Banking System Inc. (COLB)	First Midwest Bancorp Inc. (FMBI)	Texas Capital Bancshares Inc. (TCBI)
CVB Financial Corp. (CVBF)	Hilltop Holdings Inc. (HTH)	Trustmark Corp. (TRMK)
F.N.B. Corp. (FNB)	International Bancshares Corp. (IBOC)	United Community Banks Inc. (UCBI)

Base Salary

The Compensation Committee reviews salaries of the Compensation Peer Group but bases its determinations on the qualifications, experience and performance of the individual executives and the value of the position to the organization.

The compensation study performed by McLagan in the fall of 2011 concluded that the salaries for each of Messrs. Blodnick (CEO), Copher (CFO) and Chery (CAO) were significantly below the Compensation Peer Group market median: the CEO was 48% below the median, the CFO was 36% below, and the CAO was 27% below.

As a result of the findings of the study, effective January 2012, salaries for Messrs. Blodnick, Copher and Chery were increased to move toward levels that were more in line with the market. As discussed under the section entitled "Executive Summary - Key Executive Compensation Actions - Background" above, a plan was developed to bring salaries closer to the 2012 peer group median over five years, commencing in 2012. The Compensation Committee established the following strategy, which is reflected in salaries paid to Messrs. Blodnick, Copher and Chery in 2015:

• CEO: Increase base salary to the 2012 market median over the following five years by providing the following adjustments:

Year	Adjustment for Market Median Shortfall (%)
2012	20.0%
2013	25.0%
2014	33.3%
2015	50.0%
2016	100.0%

• CFO and CAO: Bring salaries to the 25th percentile of the 2012 market median in 2012. Increase to the 2012 market median equally over the remaining four years as follows:

Year	Adjustment for Market Median Shortfall (%)
2013	25.0%
2014	33.3%
2015	50.0%
2016	100.0%

The Compensation Committee recognizes the importance of annual monitoring of competitive salary levels and will consider whether or not shortfalls for some executives should be addressed in a shorter timeframe than described above.

The table below shows the 2014 and 2015 salary adjustments, which remain well below the Compensation Peer Group market median.

Name	Position	Base Salary	Base Salary	Increase	Base Salary	Increase
		2013	2014	over 2013	2015	over 2014
Michael J. Blodnick	President and CEO	\$470,817	\$548,245	16.4%	\$627,997	14.5%
Ron J. Copher	EVP and CFO	302,680	327,786	8.2	353,645	7.8
Don J. Chery	EVP and CAO	273,227	286,653	4.9	300,482	4.8

Annual Incentive Bonus

The short-term incentive program (“STIP”) for 2015 is designed to motivate executives to attain superior annual performance in key areas we believe create long-term value to Glacier and its shareholders. The STIP is also designed to provide incentive compensation opportunities competitive with those of Glacier’s peers.

The STIP and its goals are reviewed annually by the Compensation Committee. The 2015 STIP opportunities as a percentage of salary for Messrs. Blodnick, Copher and Chery and 2015 results are shown below. Mr. Chesler did not participate in the STIP for 2015 but will be eligible in 2016.

Position	Annual Incentive Program			Actual Earned
	Opportunity Levels as a % of Base Salary			
	Threshold	Target	Maximum	
CEO	0%	60%	90%	74%
CAO and CFO	0%	40%	60%	49%

To maintain focus on long-term Company performance and discourage excessive risk taking, the Compensation Committee established that incentive awards earned for 2015 performance were subject to a mandatory deferral as follows: 50% was paid on February 12, 2016, and the remaining 50% is to be paid 25% by March 15, 2017 and 25% by March 15, 2018. This mandatory deferral program continues the practice implemented in prior years with respect to incentive awards. Payment of deferrals in 2017 and 2018 are triggered by meeting the following minimum performance conditions over the deferral period:

- NPAs / Total Assets no greater than 2.0%; and
- Must be employed and in good standing at the time of payment.

Performance goals were established in 2015 to balance Company focus on profitability, credit quality, and growth. Goals are reviewed and approved annually by the Board with input from management. The table below shows the goals and corresponding results for 2015:

Short-Term Incentive Program		Threshold	Target	Maximum	Actual Result	Result % of Target	Weighted % of Target

*Excludes the impact of acquisitions during 2015.

The goals were selected in light of Glacier's strategic plan, key initiatives, and the need to balance risks in executive compensation arrangements. The 2015 goals represent metrics addressing key areas of the Company's performance including profitability, credit and asset quality, and growth in assets and the customer base. The goals were established based on the expectation that 2015 performance results would reflect an increase over 2014 results.

Long-term Incentives

The long-term incentive program ("LTIP") is designed to reward executives for annual performance relative to Company objectives while aligning the interests of executives with those of our shareholders. The LTIP provides executives the opportunity to increase their ownership in Glacier while at the same time creates a retention vehicle through the use of a multi-year vesting period.

Target long-term awards as a percentage of executive salary and the 2015 results are shown below. Mr. Chesler did not participate in the LTIP for 2015 but will be eligible in 2016.

Position	Long-Term Incentive Program			Actual Earned
	Opportunity Levels as a % of Base Salary			
	Threshold	Target	Maximum	
CEO	0%	50%	75%	59%
CAO and CFO	0%	30%	45%	36%

LTIP performance goals were set similarly to those of the STIP, with the exception of net interest margin, which is excluded. Goals are reviewed and approved annually by the Board with input from management.

The LTIP goals were selected in light of Glacier's long-term strategic plan, long-term initiatives, and the need to balance risks in executive compensation arrangements. The 2015 goals represent metrics addressing key areas of the Company's performance including profitability, credit and asset quality, and growth in assets and the customer base. The goals were established based on the expectation that 2015 performance results would reflect an increase over 2014 results.

*Excludes the impact of acquisitions during 2015.

The 2015 long-term incentive awards consist solely of restricted stock that vest in equal installments on each of the first three anniversaries of the grant date, subject to the executive's continued employment. Restricted shares were chosen because they provide the desired retention incentive for executives while also aligning the executives' interests with those of shareholders without encouraging excessive risk taking. In addition, restricted shares deliver value reflecting the long-term performance of the Company.

Randall M. Chesler Compensation

Mr. Chesler commenced service as President of Glacier Bank on August 1, 2015, and the terms of his compensation are set forth in his employment agreement, which is summarized under the section entitled "Employment Arrangements" below. Mr. Chesler's compensation arrangement was established by the Compensation Committee with the assistance of McLagan. In connection with its analysis, McLagan prepared a customized peer group for the Compensation Committee's use. Annual salary for the term of the employment agreement during which Mr. Chesler will serve as President of Glacier Bank (to December 31, 2016) was determined to be commensurate with the 50th percentile of the number two executive position among the peer group.

Mr. Chesler also received a signing bonus equal to \$500,000, \$400,000 of which was in the form of restricted stock and \$100,000 in cash. The Compensation Committee believes that providing a majority of the signing bonus in restricted stock will serve to better align Mr. Chesler's interests with the Company's shareholders and the Company's long-term success. The restricted stock is subject to vesting requirements which helps to promote retention of key executives. Based on the scope of Mr. Chesler's responsibilities, the Compensation Committee believes that the signing bonus is in a normal market-competitive range. Mr. Chesler's employment agreement also provides for a cash incentive payment for 2015 of \$200,000 and a restricted stock award for 2015 valued at \$200,000.

Mr. Chesler did not participate in the Company's STIP or LTIP in 2015, but he became eligible to participate in such programs, which are in place for the other Named Executive Officers, beginning January 1, 2016.

Profit Sharing Plan

The Named Executive Officers participate in the Glacier Profit Sharing Plan, which includes a 3% safe harbor contribution plus a discretionary contribution. The Profit Sharing Plan includes a trigger for the discretionary contribution, which is set equal to the 2015 LTIP qualifier of NPAs / Total Assets no greater than 2.0%. The Company considered ROTE as a primary metric in determining its discretionary contribution. Based on ROTE of 12.71% (which for purposes of the Profit Sharing Plan includes the impact of acquisitions during 2015), the 2015 discretionary contribution was 5%.

Retirement Benefits

As part of our total compensation policy, we offer executives the opportunity to participate in both a tax-deferred compensation plan and a Supplemental Executive Retirement Plan ("SERP"). Messrs, Blodnick, Copher and Chery are participants in the SERP. The SERP is intended to supplement payments due to participants upon retirement under our other qualified plans.

The deferred compensation plan allows certain Company and bank division executives to defer a portion of their salary and bonus and thereby defer tax payable on that income. Members of the Board are also entitled to participate in a deferred compensation plan, but not the SERP. Participation in these plans is elective. Terms of the deferred compensation plans and the Named Executive Officer SERP are described under the section entitled "Post-Employment and Termination Benefits."

Termination and Change-in-Control Benefits

As an additional part of our total compensation policy, we have entered into employment agreements with certain executive officers that allow for continuation of current base salary upon termination without cause or upon termination under certain circumstances following a change in control of the Company. These agreements provide for payments ranging from one times annual base salary to 2.99 times annual base salary. These arrangements are intended to retain our executives who could have other employment alternatives that may appear to them to be less risky absent these arrangements.

Effective January 1, 2011, the change-in-control arrangements in such employment agreements are "double trigger," meaning that benefits are not awarded upon a change in control unless the executive's employment is terminated without cause or for good reason within a specified period of time following the transaction. We believe this structure strikes a balance between the incentives and the executive retention effects described above without providing these benefits to executives who continue to enjoy employment with an acquiring company in the event of a change-in-control transaction.

The terms of these agreements are described under the section entitled "Post-Employment and Termination Benefits."

That section also contains tables showing the amounts that the Named Executive Officers would have received if their employment had terminated at fiscal year-end in connection with a change in control.

Other General Employee Benefits

Executive officers are eligible to participate in all employee benefit plans that are available to eligible employees generally, including health insurance, life and disability insurance, and 401(k) matching contributions.

Other Arrangements

The Board and the Compensation Committee have established additional policies to ensure the overall compensation structure is responsive to shareholder interests and competitive with the market. These specific policies are summarized below.

162(m) and Tax Consequences

Under federal income tax law, a public company may not deduct non-performance-based compensation in excess of \$1 million paid to its chief executive officer or any of its other three highest-paid executive officers (excluding the CFO). No executive officer of Glacier received non-performance-based compensation in excess of this limit in fiscal year 2015. The Compensation Committee currently intends to continue to manage Glacier's executive compensation program in a manner that will maximize federal income tax deductions. However, the Compensation Committee may from time to time exercise its discretion to award compensation that may not be deductible under Section 162(m) of the Internal Revenue Code ("Section 162(m)") when in its judgment such award would be appropriate to achieve Glacier's compensation objectives and otherwise is in the best interests of the Company.

The 2015 Stock Incentive Plan ("2015 Equity Plan") and 2015 Short Term Incentive Plan ("2015 Short Term Incentive Plan") approved by the Company's shareholders at the 2015 annual meeting are intended, among other purposes, to allow for performance-based compensation to executive officers within the meaning of Section 162(m).

Discussion of Option and Restricted Stock Grant Timing

The Company does not have a policy as to when options and restricted shares are granted during the year. The Compensation Committee and Board plan to meet in January of each year to consider the award of stock options and restricted stock to directors, executives and other officers with a February grant date. The Company does not back date options or grant options retroactively and does not coordinate option grants with the release of positive or negative corporate news. Neither the Company's 2005 Stock Incentive Plan ("2005 Plan"), which expired in February 2015, nor the 2015 Equity Plan permit the award of discounted options or the repricing of stock options. Pursuant to the terms of the 2005 Plan and the 2015 Equity Plan, option prices are determined based on closing price of the Company's publicly traded common stock on the grant date, or if shares were not traded on the grant date, then on the nearest preceding trading day.

(1) These amounts represent ranges of the possible performance-based cash bonuses that could have been paid in 2016 based on 2015 results pursuant to the STIP. The actual bonuses paid are displayed under the column entitled “Non-Equity Incentive Plan Compensation” within the Summary Compensation Table. The incentive target level is determined as the aggregate dollar amount derived from the Named Executive Officers’ target bonuses expressed as a percent of annual salary. This target percentage is currently 60% for Mr. Blodnick and 40% for each of Messrs. Copher and Chery. The maximum incentive is 90% for Mr. Blodnick and 60% for each of Messrs. Copher and Chery. The STIP is further described in the section entitled “Compensation Discussion & Analysis - Annual Incentive Bonus.”

(2) These amounts were the possible equity payouts in 2016 for performance in 2015 pursuant to grants of restricted stock under the STIP. The actual amounts awarded are not included in the Summary Compensation Table because they were granted by the Company in 2016.

(3) Mr. Chesler joined the Company as President of Glacier Bank effective August 1, 2015. The Company’s STIP and LTIP are annual programs; therefore, he did not participate in the programs for 2015 but will be eligible in 2016. Outstanding Equity Awards at Fiscal Year-End

Director and Employee Plans

Equity Award Plans

The Company maintained the 2005 Plan until its expiration in February 2015. Equity awards to eligible officers, employees, consultants and directors for 2015, excluding Mr. Chesler who commenced service to the Company effective August 1, 2015, were made under the 2005 Plan prior to such plan's expiration. Options and equity awards made under the 2005 Plan will remain outstanding and will be governed by the terms of the 2005 Plan.

At the 2015 annual meeting, shareholders of Glacier approved the 2015 Equity Plan. The 2015 Equity Plan provides for awards of stock-based incentive compensation to eligible employees, consultants, and directors of the Company or its affiliates. Shares of Glacier common stock are issuable under the 2015 Equity Plan in the form of stock options, share appreciation rights, restricted shares, restricted share units, unrestricted shares, and performance awards.

The 2015 Equity Plan is effective for ten years and limits the grant of equity awards to any one eligible person to a maximum of 50,000 shares in a calendar year; the maximum number of shares subject to all awards to any non-employee director in a calendar year is 5,500. The aggregate number of shares authorized for issuance under the 2015 Equity Plan is 2,500,000, of which 14,235 have been issued and 2,485,765 remain available for issuance at December 31, 2015.

Cash Incentive Award Plan

The Company has maintained an annual cash incentive award program as part of our overall compensation structure since 2012 when we adopted such program for our executive officers following the recommendation of our outside compensation consultant. The expired 2005 Plan provided for the granting of cash-based performance compensation awards, although the Company did not utilize this feature of the 2005 Plan in making awards under its annual cash incentive awards program. The 2015 Short Term Incentive Plan approved by Glacier shareholders at the 2015 annual meeting is designed, among other purposes, to allow for annual cash incentive awards to executive officers, such as those made since the adoption of our annual cash incentive award program in effect since 2012, under a compensatory plan that meets the requirements of Section 162(m) of the Internal Revenue Code.

Amounts deferred pursuant to the Deferred Plan, which are reported as compensation to each of the Named

(1) Executive Officers. The material terms of the Deferred Plan are described below in the section entitled “Deferred Compensation Plan.”

(2) Earnings on amounts deferred under the Deferred Plan are credited at one-half of the Company’s current year return on average equity, or 5.50% in 2015.

Deferred Compensation Plan

Directors and Key Employees. Since December 1995, Glacier has maintained a non-qualified and non-funded deferred compensation plan (“Deferred Plan”) for directors and key employees. The Deferred Plan permits eligible directors and officers of the Company to defer certain income that would otherwise be taxable as earned and paid in the ordinary course. The Deferred Plan was amended in 2005 and 2008 principally in response to the enactment of Section 409A of the Internal Revenue Code and permits participants to elect cash-out distributions and to make new distribution elections on terms that conform with the restrictions set forth in Section 409A of the Internal Revenue Code.

As amended and restated, the Deferred Plan permits a designated officer or key employee to annually defer up to 50% of his or her salary, as well as up to 100% of any cash bonuses. A non-employee director may elect to have any portion of his or her director's fees deferred into an account. The restated Deferred Plan also provides that the post-2004 rate of return on deferred compensation accounts will equal 50% of the Company's return on average equity (whether positive or negative) as of December 31 for such year. This change is expected to limit the Company's future compensation expense while retaining the Deferred Plan's performance-based nature.

Non-Employee Service Providers. During 2012, Glacier established the Nonemployee Service Provider Deferred Compensation Plan ("NES Deferred Plan"). The NES Deferred Plan is a nonqualified deferred compensation plan that is unfunded and is maintained primarily for the purpose of providing deferred compensation for certain non-employee service providers of the Company and its affiliates. The NES Deferred Plan was established to allow such directors to continue to contribute to a deferred compensation plan following the consolidation of Glacier's bank subsidiaries in 2012.

Supplemental Executive Retirement Plan. In December 1995, the Board adopted a nonqualified and nonfunded SERP for executive officers and entered into separate SERPs with certain of the executives. The SERP is intended to supplement payments due to participants upon retirement under the Company's other qualified plans. In general, the SERP provides that Glacier will credit each participating executive's account, on an annual basis, an amount equal to employer contributions that would have otherwise been allocated to the executive's account under the tax-qualified plans were it not for limitations imposed by the Internal Revenue Service or participation in the Deferred Plan.

Payments under the SERP are payable in a lump sum (with respect to Messrs. Copher and Chery) or in five annual installments (with respect to Mr. Blodnick). Amounts credited to the executive's account shall be paid to him on, or beginning on, the first day of the first month immediately following the month upon a payment trigger event, which include: (i) separation from service; (ii) attainment of age 65; (iii) any of the first five anniversary dates following his separation from service; or (iv) any of the first five anniversary dates following his attainment of age 65. In the event of a change in control, the amounts in the individual SERP accounts will be deposited into a trust, and the Company will continue to be obligated to provide for the benefits under the SERP. In the event the executive is terminated for cause (as defined in the SERP agreement), no benefits will be payable to the executive under the SERP, and all obligations of the Company with respect to the executive's SERP will cease.

In 2005, the SERP was amended to principally mirror those changes described above for the Company's Deferred Plan, namely permitting participants to make cash-out elections and new distribution elections and providing that, for years after 2004, the account balance for each participant will be credited with a rate of return that is equal to 50% of the Company's return on average equity.

Employment Arrangements

Below are summaries of certain agreements between the Named Executive Officers and the Company or Glacier Bank. These summaries are qualified in their entirety by the individual agreements which are filed as exhibits to our Form 10-K for the year ended December 31, 2015. The terms "Cause," "Good Reason," and "Change in Control" are defined in the respective employment agreements with each of Messrs. Blodnick, Copher, Chery and Chesler.

Michael J. Blodnick Employment Agreement.

During calendar year 2015, Mr. Blodnick's employment was governed by an employment agreement that became effective January 1, 2015. The agreement terminated December 31, 2015, and a new agreement was entered into effective January 1, 2016. Mr. Blodnick's 2016 employment agreement provides for an annual salary of \$710,140, and Mr. Blodnick shall be eligible to participate in the Company's incentive compensation programs, which include cash incentives as a percentage of salary under the 2015 Short Term Incentive Plan and equity awards as a percentage of salary under the 2015 Equity Plan, both plans being referred to together as the "Plans." All awards granted under the Plans shall be made in accordance with and shall be subject to all the terms and conditions of the Plans.

If Mr. Blodnick's employment is terminated by the Company without Cause or by Mr. Blodnick for Good Reason during the term of the agreement, Mr. Blodnick will receive a payment equal to the base salary to which he would have been entitled for the remainder of the term of the agreement if his employment had not terminated. All such payments must be completed no later than March 15 of the calendar year following the calendar year in which employment was terminated. Mr. Blodnick is prohibited from competing with the Company or its subsidiaries during the term of the agreement and for a three-year period following his termination of employment.

If Mr. Blodnick's employment is terminated by the Company or its successor without Cause either following the announcement of a Change in Control that subsequently occurs, within three years following a Change in Control, or if Mr. Blodnick terminates his employment for Good Reason within three years of a Change in Control, the agreement provides that Mr. Blodnick will be entitled to receive an amount equal to 2.99 times his then-current annual salary, payable in 36 monthly installments. The agreement provides that payments to be received by Mr. Blodnick will be limited to less than the amount that would cause them to be an "excess parachute payment" within the meaning of Section 280G(b)(2)(A) of the Internal Revenue Code. In addition, the payments to be received by Mr. Blodnick will be reduced by any compensation that he receives from the Company or its successor following the Change in Control and/or after his termination of employment.

Randall M. Chesler Employment Agreement.

During calendar year 2015, Mr. Chesler's employment was governed by an employment agreement that became effective June 18, 2015, with a term of August 1, 2015 to December 31, 2017, and provides that Mr. Chesler shall serve as (i) President and a director of Glacier Bank beginning August 1, 2015 and (ii) President and CEO of each of Glacier Bank and the Company beginning January 1, 2017. Mr. Chesler's agreement provides that his annual salary from August 1, 2015 to December 31, 2016 is \$400,000, and the Board determined to increase Mr. Chesler's annual salary to \$412,000 effective January 1, 2016. From January 1, 2017 to December 31, 2017, his annual salary will be determined by the Board but will not be less than the greater of \$631,000 or the 35th percentile of the then-current base salary for chief executive officers of a peer group to be developed by the Compensation Committee.

Mr. Chesler was granted a signing bonus, equal to \$500,000, in the form of restricted stock valued at \$400,000, which will vest ratably on each of the first four anniversaries of the grant date, and \$100,000 in cash. On February 15, 2016, Mr. Chesler was granted a restricted stock award for 2015 valued at \$200,000, vesting ratably on the first three anniversaries of the grant date, and a cash incentive award for 2015 of \$200,000. The cash incentive award was in lieu of, and Mr. Chesler was not entitled to, any additional cash incentives for 2015 under the Company's STIP or LTIP. Mr. Chesler became eligible to participate in the Company's annual incentive programs effective January 1, 2016.

The provisions of Mr. Chesler’s employment agreement regarding termination of employment in connection with a Change in Control are identical to those of Mr. Blodnick’s employment agreement as described above. The table below shows the maximum amounts that could be paid to Mr. Blodnick and Mr. Chesler under their respective agreements. In the event of death or disability, Mr. Blodnick or Mr. Chesler, or his respective estate, if applicable, would be paid any amounts earned through the termination date. The following information is based on (i) the executives’ compensation at December 31, 2015 and (ii) assumes the triggering event occurred on December 31, 2015.

In the event any severance payments would otherwise constitute a parachute payment, such payments will be reduced to the extent necessary to ensure that they are less than the amount that would cause them to be deemed an “excess parachute payment” within the meaning of Section 280G(b)(2)(A) of the Internal Revenue Code. The amount shown does not reflect any adjustment that would be made in this regard.

(3) Amounts are payable under the respective SERPs (except for termination for Cause, as defined in the executive’s employment agreement).

Ron J. Copher Employment Agreement.

During calendar year 2015, Mr. Copher’s employment was governed by an employment agreement that became effective January 1, 2015. The agreement terminated December 31, 2015, and a new agreement was entered into effective January 1, 2016. Except as described below, the employment agreement for Mr. Copher is substantially the same as the agreement for Mr. Blodnick. Mr. Copher’s 2016 employment agreement provides for an annual salary of \$380,280, and Mr. Copher is prohibited from competing with the Company or any of its subsidiaries during the term of the agreement and for a two-year period following termination of employment.

If Mr. Copher’s employment is terminated by the Company or its successor without Cause either following the announcement of a Change in Control that subsequently occurs, within two years following a Change in Control, or if Mr. Copher terminates his employment for Good Reason within two years of a Change in Control, the agreement provides that Mr. Copher will be entitled to receive an amount equal to two times his then-current annual salary, payable in 24 monthly installments.

Don J. Chery Employment Agreement.

Except for salary, the 2016 employment agreement for Mr. Chery is identical to the 2016 employment agreement for Mr. Copher. Mr. Chery's agreement provides for an annual salary of \$314,725.

The table below shows the maximum amounts that could be paid to Mr. Copher and Mr. Chery under their respective agreements. In the event of death or disability, Mr. Copher or Mr. Chery, or his respective estate, if applicable, would be paid any amounts earned through the termination date. (3) Amounts are payable under the respective SERPs (except for termination for Cause, as defined in the executive's employment agreement).

COMPENSATION OF DIRECTORS

The Compensation Committee has authority over director compensation subject to the Board's authority to approve changes. Our directors receive compensation in the form of cash and, as applicable, awards in the form of restricted stock. Glacier does not pay directors who are also employees of the Company additional compensation for their service as directors.

The following table shows compensation paid or accrued for the last fiscal year to Glacier's non-employee directors. These directors also serve on the board of directors of Glacier Bank. Mr. Blodnick is not included in the table as he is an employee of Glacier and thus receives no compensation for his service as a director. The footnotes to the table describe the details of each form of compensation paid to directors.

Assumptions used to calculate these amounts are set forth in the notes to the Company's audited financial statements for the fiscal year ended 2015, included in the Company's accompanying Annual Report.

(4) The awards were fully vested at the time of grant.

(5) The amount represents the above-market earnings on non-qualified deferred compensation. Earnings are credited at one-half of the Company's current year return on equity.

Director Equity Compensation

Directors' Stock Awards,

Equity awards for 2015, as set forth in the 2015 Director Compensation Table above, were made to non-employee directors in February 2015 under Glacier's 2005 Plan, which expired February 23, 2015.

Due to the expiration of the 2005 Plan, the Company's Board approved the 2015 Equity Plan and the 2015 Short Term Incentive Plan, both plans being referred to together as the "Plans," and both Plans were approved by the Company's shareholders on April 29, 2015. Therefore, the Company's directors are eligible to participate in both Plans.

Compensation Committee Interlocks and Insider Participation

During 2015, our Compensation Committee consisted of all of Glacier's independent directors. During 2015, none of our executive officers served on the compensation committee (or equivalent body) or board of directors of another entity whose executive officers served on the Compensation Committee of the Board.

Report of Compensation Committee

The Compensation Committee of the board of directors makes the following report which, notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, will not be incorporated by reference into any such filings and will not otherwise be deemed to be proxy soliciting materials or to be filed under such Acts.

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis ("CD&A") as required by Item 402(b) of Regulation S-K with management, and, based on that review and those discussions, the Compensation Committee recommended to the Board that the CD&A be included as part of this Proxy Statement and 2015 Annual Report on Form 10-K.

PROPOSAL NO. 2

ADVISORY (NON-BINDING) VOTE

ON EXECUTIVE COMPENSATION

At the 2011 annual meeting, shareholders voted on an advisory (non-binding) basis on the frequency of shareholder voting on executive compensation. The federal law requiring this advisory Say-on-Pay vote also requires that shareholders be asked to vote on the frequency of Say-on-Pay votes. Pursuant to this new law, which is set forth in Section 14A of the Exchange Act, the advisory vote regarding the frequency of Say-on-Pay votes must be held at least once every six years, so we anticipate the advisory vote on the frequency of advisory Say-on-Pay votes will again be held in 2017.

As recommended by the Board, in 2011, our shareholders approved that an advisory (non-binding) vote on executive compensation should occur on an annual basis. Accordingly, we are providing you the opportunity, as a shareholder, to endorse or not endorse our executive pay program through the following non-binding resolution:

"Resolved, that the compensation paid to the company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion is hereby APPROVED."

We invite you to consider the details of our executive compensation provided under the section entitled "Compensation Discussion and Analysis" in this Proxy Statement. That section provides you with information about the structure of our executive compensation program and the objectives that our compensation program is intended to achieve.

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee values the opinions that our shareholders express in their votes and will take into account the outcome of the vote when considering future executive compensation arrangements.

The proposal to approve the advisory (non-binding) vote on executive compensation requires the affirmative vote FOR by a majority of the shares present and voting on this matter.

The Board unanimously recommends a vote FOR approval of the compensation of Glacier's Named Executive Officers as described in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative discussion in this Proxy Statement.

Any requests for audit, audit-related, tax, and other services not contemplated on the Service List must be submitted to the Audit Committee for specific pre-approval, and services cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairman of the Audit Committee. The Chairman of the Audit Committee must update the Audit Committee at the next regularly scheduled meeting of any services that were granted specific pre-approval.

In addition, although not required by the rules and regulations of the SEC, the Audit Committee generally requests a range of fees associated with each proposed service on the Service List and any services that were not originally included on the Service List. Providing a range of fees for a service provides appropriate oversight and control of the independent auditor relationship, while permitting the Company to receive immediate assistance from BKD, LLP when time is of the essence.

The Audit Committee reviews the status of services and fees incurred year-to-date against the original Service List and the forecast of remaining services and fees for the fiscal year.

Report of Audit Committee

The Audit Committee of the board of directors makes the following report which, notwithstanding anything to the contrary set forth in any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, will not be incorporated by reference into any such filings and will not otherwise be deemed to be proxy soliciting materials or to be filed under such Acts.

The Board has determined that the current members of the Audit Committee meet the independence requirements as defined under the NASDAQ listing standards and that Craig A. Langel and Mark J. Semmens meet the "audit committee financial expert" qualifications, as defined by SEC rules.

Management has the primary responsibility for the financial statements and the reporting process of the Company, including the systems of internal controls. The Audit Committee is responsible for overseeing Glacier's financial reporting processes on behalf of the Board.

The Audit Committee has met and held discussions with management and Glacier's independent auditors. Management represented to the Audit Committee that Glacier's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by AS 16 (Communications with Audit Committees).

Our independent auditors also provided to the Audit Committee the written disclosures and letter required by applicable requirements of the Public Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent auditors that firm's independence.

Based on the Audit Committee's review of the audited consolidated financial statements and the various discussions with management and the independent auditors noted above, the Audit Committee recommended that the Board include the audited consolidated financial statements in Glacier's Annual Report on Form 10-K for the year ended December 31, 2015, filed with the SEC.

PROPOSAL NO. 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BKD, LLP currently serves as our independent registered public accounting firm and conducted the audit of our financial statements for the fiscal years ended December 31, 2006 through December 31, 2015. The Audit Committee has appointed BKD, LLP to serve as Glacier's independent registered public accounting firm to conduct an audit of the financial statements for fiscal year 2016.

Appointment of Glacier's independent registered public accounting firm is not required to be submitted to a vote of our shareholders for ratification. However, upon the recommendation of the Audit Committee, the Board has determined to submit the selection of auditors to our shareholders for ratification. In the event our shareholders fail to ratify the appointment, the Audit Committee may reconsider whether or not to retain BKD, LLP and may retain BKD, LLP or another firm without re-submitting the matter to our shareholders. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in Glacier's and its shareholders' best interest.

Representatives of BKD, LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions.

The Board unanimously recommends a vote FOR the ratification of the appointment of BKD, LLP to serve as Glacier's independent registered public accounting firm for the fiscal year ending December 31, 2016.

TRANSACTIONS WITH MANAGEMENT

Certain Transactions

Transactions between Glacier or its affiliates and related persons (including directors and executive officers of Glacier or their immediate family) must generally be approved by the Audit Committee (or a comparable committee of independent disinterested directors), in accordance with the Statement of Policy with Respect to Related Person Transactions adopted by the Board. Under the policy, a transaction between a "related person" will be consummated only if (i) the designated committee, or a majority of the disinterested independent members of the Board, approves or ratifies such transaction in accordance with the guidelines set forth in the policy and (ii) the transaction is on terms comparable to those that could be obtained in arm's-length dealings with an unrelated third party.

During 2015, certain directors and executive officers (and their associates) of Glacier and Glacier Bank were customers of one or more of our bank divisions, and it is anticipated that such individuals will continue to be customers in the future. All transactions between Glacier Bank and its executive officers and directors (and their associates) were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the lending bank, and, in the opinion of management, did not involve more than the normal risk of collectability or present other unfavorable features.

Mark J. Semmens, a director of the Company since January 1, 2016, served as an investment banking advisor with D. A. Davidson & Co. ("Davidson"), a full-service investment firm, until his retirement on December 31, 2015. During 2015, Davidson served as financial advisor to the Company in connection with acquisitions through the mergers of Community Bank, Inc., Ronan, Montana (closed February 28, 2015) and Cañon National Bank, Cañon City, Colorado (closed October 31, 2015). The Company paid Davidson success-based investment banking advisory fees in connection with these two acquisitions of approximately \$520,000. Mr. Semmens' direct interest in the fees paid by the Company to Davidson in 2015 was \$88,000.

Michael J. Blodnick, President and CEO of the Company, currently serves on the board of directors of the Federal Home Loan Bank of Des Moines ("Des Moines Bank"), which is the successor entity to the Federal Home Loan Bank of Seattle ("Seattle Bank"). Mr. Blodnick was first appointed as a director of the Seattle Bank effective April 1, 2015, and he became a director of the Des Moines Bank effective May 31, 2015 upon the merger of the Seattle Bank with and into the Des Moines Bank. Glacier Bank is a member of the Des Moines Bank and periodically borrows funds from the Des Moines Bank in the ordinary course of its business.

OTHER BUSINESS

The Board knows of no other matters to be brought before the shareholders at the Annual Meeting. If other matters are properly presented for a vote at the Annual Meeting, the proxy holders will vote shares represented by properly executed proxies in their discretion in accordance with their judgment on such matters.

In order for a shareholder proposal to be considered for inclusion in our Proxy Statement for next year's annual meeting, the written proposal must be received by the Company no later than November 10, 2016 and should contain the information required under our Bylaws. Such proposals also need to comply with the SEC's regulations regarding the inclusion of shareholder proposals in Company-sponsored proxy materials. In addition, if we receive notice of a shareholder proposal after November 10, 2016, the persons named as proxies in such Proxy Statement and form of proxy will have discretionary authority to vote on such shareholder proposal.

Director Nominations

Glacier's Bylaws provide for the nomination of director candidates by its shareholders. In order to recommend that the Nominating Committee consider a person for inclusion as a director nominee in the Company's proxy statement for next year's annual meeting, we must receive a recommendation no later than November 10, 2016. In addition, the notice of recommendation must meet all other requirements contained in our Bylaws.
