News Release

TSX, AMEX Symbol: NG

**NovaGold Ready to Advance its Projects with Expiry of Barrick Hostile Takeover Bid
NovaGold Adopts New Shareholder Rights Plan**

December 7, 2006 Vancouver, British Columbia NovaGold Resources Inc. (TSX: NG, AMEX: NG) today announced that it can once again focus 100% of its efforts on advancing its projects and generating long-term value for shareholders, following the expiry of the unsolicited US\$16.00 per share takeover bid by Barrick Gold Corporation (TSX: ABX, NYSE: ABX). Barrick has announced that it will take up the last shares tendered during the final extension of the bid, for a total ownership of 12.7% of NovaGold shares on a fully diluted basis. NovaGold's Board of Directors approved a new Shareholder Rights Plan, to take effect December 7, 2006, immediately upon the expiry of Barrick's bid. NovaGold originally adopted a rights plan on May 31, 2006, but waived its application to Barrick's takeover bid on September 25, 2006.

NovaGold received outstanding support from its shareholders throughout this prolonged takeover attempt, said Rick Van Nieuwenhuysse, President and CEO of NovaGold. Our shareholders were the white knights in this process, and NovaGold is committed to justifying their confidence in the future of this Company.

NovaGold has world-class assets and a world-class team of people working to build the Company into a North American mid-tier gold and copper producer. We will continue to work hard to advance our projects and build shareholder value in 2007 and beyond.

NovaGold would like to thank its shareholders, advisors, employees and contractors for their support throughout this process. NovaGold retained RBC Dominion Securities Inc., a member company of RBC Capital Markets, and Citigroup Global Markets Inc. as financial advisors; Borden Ladner Gervais LLP and Dorsey & Whitney LLP as legal counsel; and Lute and Company, Innisfree M&A Incorporated and Joele Frank, Wilkinson Brimmer Katcher for corporate and shareholder communications.

About the Shareholder Rights Plan

With the expiry of Barrick's bid, NovaGold's Board of Directors has adopted a new Shareholder Rights Plan (Rights Plan), on substantially the same terms as the original plan, to ensure the fair treatment of shareholders in connection with future unsolicited takeover bids and other stock acquisitions above 20% that are not offered to all shareholders on the same terms. The new Rights Plan exempts Barrick to the extent it has taken up shares under its existing takeover bid, which expired last night.

Shareholder approval of the new Rights Plan will be sought at NovaGold's Annual General Meeting of shareholders, scheduled for May 2007. If ratified by shareholders, the new Rights Plan will have an initial term identical to that of the original plan and will expire at NovaGold's Annual General Meeting in 2010, unless terminated at an earlier date. The new Rights Plan is subject to regulatory approval.

A copy of the new Rights Plan, which prevents the acquisition of 20% or more of NovaGold's outstanding shares, other than in certain permitted circumstances where all shareholders are treated fairly, will be available for review at www.sedar.com.

INFORMATION REQUIRED IN REGISTRATION STATEMENT

EXPLANATORY NOTE

The Board of Directors of NovaGold Resources Inc. (the Board) adopted a shareholder rights plan (the Rights Plan) effective December 7, 2006 (the Effective Date) in order to ensure the fair treatment of shareholders in connection with any take-over bid for common shares of NovaGold Resources Inc. (the Company). The Rights Plan was not adopted in response to any proposal to acquire control of the Company.

For those interested in the specific terms of the Rights Agreement as made between the Company and Computershare Trust Company of Canada, as Rights Agent, dated December 7, 2006, we provide the following summary description. Please note, however, that this description is only a summary, and is not complete, and should be read together with the entire Rights Agreement, which has been filed as an exhibit to this Registration Statement on Form 8-A.

Item 1. Description of Registrant's Securities to be Registered.

PURPOSE OF RIGHTS PLAN

The primary objective of the Rights Plan is to (a) provide shareholders with adequate time to properly assess a take-over bid without undue pressure and (b) provide the Board with more time to fully consider an unsolicited take-over bid, and, if applicable, to explore other alternatives to maximize shareholder value.

SUMMARY OF RIGHTS PLAN

Issue of Rights

The Corporation issued one right (a Right) in respect of each Common Share outstanding at 12:01 a.m. (Vancouver, Canada local time) on December 7, 2006 (the Record Time). The Corporation will issue Rights on the same basis for each Common Share issued after the Record Time but prior to the earlier of the Separation Time and the Expiration Time (both defined below).

Rights Certificates and Transferability

Before the Separation Time, the Right will be evidenced by certificates for the Common Shares which are not transferable separate from the Common Shares. From and after the Separation Time, the Rights will be evidenced by separate Rights Certificates which will be transferable separate from and independent of the Common Shares.

Exercise of Rights

Rights are not exercisable before the Separation Time. After the Separation Time and before the Expiration Time, each Right entitles the holder to acquire one Common Share for the Exercise Price of \$75 (subject to certain antidilution adjustments). This Exercise Price is expected to be in excess of the estimated maximum value of the Common Shares during the term of the Rights Plan. Upon the occurrence of a Flip-In Event (defined below) prior to the Expiration Time

(defined below), each Right (other than any Right held by an Acquiring Person, which will become null and void as a result of such Flip-In Event) may be exercised to purchase that number of Common Shares which have an aggregate Market Price equal to twice the Exercise Price of the Rights for a price equal to the Exercise Price. Effectively, this means a Shareholder of the Corporation (other than the Acquiring Person) can acquire additional Common Shares from treasury at half their Market Price.

Definition of Acquiring Person

Subject to certain exceptions, an Acquiring Person is a person who is the Beneficial Owner (defined below) of 20% or more of the outstanding Common Shares.

Definition of Beneficial Ownership

A person is a Beneficial Owner if such person or its affiliates or associates or any other person acting jointly or in concert owns the securities in law or equity, and has the right to acquire (immediately or within 60 days) the securities upon the exercise of any convertible securities or pursuant to any agreement, arrangement or understanding.

However, a person is not a Beneficial Owner under the Rights Plan where:

- (a) the securities have been deposited or tendered pursuant to a takeover bid, unless those securities have been taken up or paid for;
- (b) such person (including a fund manager, trust company, pension fund administrator, trustee or nondiscretionary client accounts of registered brokers or dealers) is engaged in the management of mutual funds or investment funds for others, as long as that person:
 - (i) holds those Common Shares in the ordinary course of its business for the account of others;
 - (ii) holds not more than 30% of the Common Shares (in the case of a pension fund administrator); and
 - (iii) is not making a take-over bid or acting jointly or in concert with a person who is making a takeover bid;
or
 - (iv) such person is a registered holder of securities as a result of carrying on the business of or acting as a nominee of a securities depository.

Definition of Separation Time

Separation Time occurs on the tenth trading day after the earlier of:

- (a) the first date of public announcement that a person has become an Acquiring Person;
-

- (b) the date of the commencement or announcement of the intent of a person to commence a take-over bid (other than a Permitted Bid or Competing Bid) or such later date as determined by the Board; and
- (c) the date on which a Permitted Bid or Competing Bid ceases to qualify as such or such later date as determined by the Board.

Definition of Expiration Time

Expiration Time occurs on the date being the earlier of

- (a) the time at which the right to exercise Rights is terminated under the terms of the Rights Plan; and
- (b) the date immediately after the Corporation's annual meeting of Shareholders to be held in 2010.

Definition of a Flip-In Event

A Flip-In Event occurs when a person becomes an Acquiring Person provided the Flip-In Event is deemed to occur at the close of business on the tenth day after the Stock Acquisition Date. Upon the occurrence of a Flip-In Event, any Rights that are beneficially owned by an Acquiring Person or any of its related parties to whom the Acquiring Person has transferred its Rights will become null and void as a result of which the Acquiring Person's investment in the Corporation will be greatly diluted if a substantial portion of the Rights are exercised after a Flip-In Event occurs.

Definition of Permitted Bid

A Permitted Bid is a take-over bid made by a person (the Offeror) pursuant to a take-over bid circular that complies with the following conditions:

- (a) the bid is made to all registered holders of Common Shares (other than Common Shares held by the Offeror), and for all Common Shares (other than the Common Shares held by the Offeror);
 - (b) the Offeror agrees that no Common Shares will be taken up or paid for under the bid for at least 60 days following the commencement of the bid and that no Common Shares will be taken up or paid for unless at such date more than 50% of the outstanding Common Shares held by Shareholders other than the Offeror and certain related parties have been deposited pursuant to the bid and not withdrawn;
 - (c) the Offeror agrees that the Common Shares may be deposited to and withdrawn from the take-over bid at any time before such Common Shares are taken up and paid for; and
-

(d) if, on the date specified for take-up and payment, the condition in paragraph (b) above is satisfied, the bid shall remain open for an additional period of at least 10 business days to permit the remaining Shareholders to tender their Common Shares.

Definition of Competing Permitted Bid

A Competing Bid is a take-over bid that:

- (a) is made while another Permitted Bid is in existence; and
- (b) satisfies all the requirements of a Permitted Bid except that the Common Shares under a Competing Bid may be taken up on the later of 35 days after the Competing Bid was made and 60 days after the earliest date on which any other Permitted Bid or Competing Bid that was then in existence was made, and at such date more than 50% of the outstanding Common Shares held by Shareholders other than the Offeror and certain related parties have been deposited pursuant to the bid and not withdrawn.

Redemption of Rights

The Rights may be redeemed by the Board at its option with the prior approval of the Shareholders at any time before a Flip-In Event occurs at a redemption price of \$0.00001 per Right. In addition, the Rights will be redeemed automatically in the event of a successful Permitted Bid, Competing Bid or a bid for which the Board has waived the operation of the Rights Plan.

Waiver

Before a Flip-In Event occurs, the Board may waive the application of the Flip-In provisions of the Rights Plan to any prospective Flip-In Event which would occur by reason of a take-over bid made by a take-over bid circular to all registered holders of Common Shares. However, if the Board waives the Rights Plan with respect to a particular bid, it will be deemed to have waived the Rights Plan with respect to any other takeover bid made by take-over bid circular to all registered holders of Common Shares before the expiry of that first bid. Other waivers of the Flip-In provisions of the Rights Plan will require prior approval of the Shareholders of the Corporation. The Board may also waive the Flip-In provisions of the Rights Plan in respect of any Flip-In Event provided that the Board has determined that the Acquiring Person became an Acquiring Person through inadvertence and has reduced its ownership to such a level that it is no longer an Acquiring Person.

Term of the Rights Plan

Unless otherwise terminated, the Rights Plan will expire on the date immediately after the Corporation's annual meeting of Shareholders to be held in 2010.

Amending Power

Except for minor amendments to correct typographical errors and amendments to maintain the validity of the Rights Plan as a result of a change of law, Shareholder or rightsholder approval is required for amendments to the Rights Plan.

Rights Agent

The Rights Agent is Computershare Trust Company of Canada.

Rightsholder not a Shareholder

Until a Right is exercised, the holders thereof as such, will have no rights as a Shareholder of the Corporation.

The foregoing description of the Rights Plan does not purport to be complete and is qualified in its entirety by reference to the Rights Plan.

on the principal stock exchange on which the Common Shares were traded prior to the Stock Acquisition Date;

- (d) cause to be reserved and kept available out of its authorized and unissued Common Shares, the number of Common Shares that, as provided in this Agreement, will from time to time be sufficient to permit the exercise in full of all outstanding Rights;
 - (e) pay when due and payable any and all Canadian federal and provincial transfer taxes and charges (not including any income or capital taxes of the holder or exercising holder or any liability of the Corporation to withhold tax) which may be payable in respect of the original issuance or delivery of the Rights Certificates, provided that the Corporation shall not be required to pay any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for shares or other securities in a name other than that of the registered holder of the Rights being transferred or exercised; and
 - (f) after the Separation Time, except as permitted by Sections 5.1 or 5.4 hereof, not take (or permit any Subsidiary to take) any action if at the time such action is taken it is reasonably foreseeable that such action will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights.
- (8) If after the Separation Time, the number of Common Shares which are authorized but not issued or allotted or reserved for issue (other than upon the exercise of the Rights) is insufficient to permit the exercise in full of the Rights in accordance with this section 2.2, then each Right shall be deemed to be adjusted such that when it is aggregated with a sufficient number of Rights to acquire a whole number of Common Shares, it will entitle the holder thereof to purchase from the Corporation, subject to adjustment as set forth in this Agreement, at the Exercise Price per Common Share, that number of Common Shares equal to the quotient determined by dividing:
- (i) the difference between the number of authorized Common Shares and the number of Common Shares then issued or allotted or reserved for issuance by the Corporation (other than upon exercise of the Rights); by (ii) the number of Rights then outstanding.

Section 2.3 Adjustments to Exercise Price; Number of Rights.

The Exercise Price, the number and kind of Common Shares or other securities subject to purchase upon exercise of each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 2.3:

- (a) **Adjustment to Exercise Price upon changes to share capital.** In the event the Corporation shall at any time after the Record Time:
 - (i) declare or pay a dividend on the Common Shares payable in Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares or other securities) other than the issue of Common Shares or such exchangeable or convertible securities to holders of Common Shares in lieu of but not in an amount which exceeds the value of regular periodic cash dividends;
 - (ii) subdivide or change the outstanding Common Shares into a greater number of Common Shares;
-

- 16 -

- (iii) combine or change the outstanding Common Shares into a smaller number of Common Shares; or
- (iv) issue any Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares or other securities) in respect of, in lieu of or in exchange for existing Common Shares in a reclassification, amalgamation, merger, statutory arrangement, consolidation or otherwise, except as otherwise provided in this Section 2.3;

the Exercise Price in effect at the time of the record date for such dividend or of the effective date of such subdivision, combination or reclassification, and the number and kind of Common Shares, or other securities, as the case may be, issuable on such date, shall be proportionately adjusted so that the holder of any Right exercised after such time shall be entitled to receive, upon payment of the Exercise Price then in effect, the aggregate number and kind of Common Shares or other securities, as the case may be, which, if such Right had been exercised immediately prior to such date and at a time when the Common Share transfer books of the Corporation were open, such holder would have owned upon such exercise and been entitled to receive by virtue of such dividend, subdivision, combination or reclassification. If an event occurs which would require an adjustment under both this Section 2.3 and Section 3.1 hereof, the adjustment provided for in this Section 2.3 shall be in addition to and, shall be made prior to, any adjustment required pursuant to Section 3.1 hereof.

- (b) **Adjustment to Exercise Price upon issue of rights, options and warrants.** In the event the Corporation shall at any time after the Record Time fix a record date for the issuance of rights, options or warrants to all holders of Common Shares entitling them (for a period expiring within forty-five (45) calendar days after such record date) to subscribe for or purchase Common Shares (or shares having the same rights, privileges and preferences as Common Shares (**equivalent common shares**)) or securities convertible into or exchangeable for or carrying a right to purchase Common Shares or equivalent common shares at a price per Common Share or per equivalent common share (or having a conversion price or exchange price or exercise price per share, if a security convertible into or exchangeable for or carrying a right to purchase Common Shares or equivalent common shares) less than ninety percent (90%) of the Market Price per Common Share on such record date, the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the number of Common Shares outstanding on such record date, plus the number of Common Shares that the aggregate offering price of the total number of Common Shares and/or equivalent common shares so to be offered (and/or the aggregate initial conversion, exchange or exercise price of the convertible or exchangeable securities or rights so to be offered, including the price required to be paid to purchase such convertible or exchangeable securities or rights so to be offered) would purchase at such Market Price per Common Share, and the denominator of which shall be the number of Common Shares outstanding on such record date, plus the number of additional Common Shares and/or equivalent common shares to be offered for subscription or purchase (or into which the convertible or exchangeable securities are initially convertible, exchangeable or exercisable). In case such subscription price may be paid by delivery of consideration, part or all of which may be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board of Directors, whose determination shall be described in a certificate filed with the Rights Agent and shall be binding on the Rights Agent and the holders of the Rights. Such adjustment shall be made successively whenever such a

- 17 -

record date is fixed and, in the event that such rights or warrants are not so issued, the Exercise Price shall be adjusted to be the Exercise Price which would then be in effect if such record date had not been fixed.

For purposes of this Agreement, the granting of the right to purchase Common Shares (or equivalent common shares) (whether from treasury shares or otherwise) pursuant to any dividend or interest reinvestment plan and/or any Common Share purchase plan providing for the reinvestment of dividends or interest payable on securities of the Corporation and/or the investment of periodic optional payments and/or employee benefit, stock option or similar plans (so long as such right to purchase is in no case evidenced by the delivery of rights or warrants) shall not be deemed to constitute an issue of rights, options or warrants by the Corporation; provided, however, that, in the case of any dividend or interest reinvestment plan, the right to purchase Common Shares (or equivalent common shares) is at a price per share of not less than ninety percent (90%) of the current market price per share (determined as provided in such plans) of the Common Shares.

- (c) **Adjustment to Exercise Price upon Corporate Distributions.** In the event the Corporation shall at anytime after the Record Time fix a record date for a distribution to all holders of Common Shares (including any such distribution made in connection with a merger, amalgamation, arrangement, plan, compromise or reorganization in which the Corporation is the continuing or successor corporation) of evidences of indebtedness, cash (other than a regular periodic cash dividend or a regular periodic cash dividend paid in Common Shares, but including any dividend payable in securities other than Common Shares), assets or subscription rights, options or warrants (excluding those referred to in Section 2.3(b) above), the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the Market Price per Common Share on such record date, less the fair market value (as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent) of the portion of the cash, assets or evidences of indebtedness so to be distributed or of such subscription rights, options or warrants applicable to a Common Share and the denominator of which shall be such Market Price per Common Share. Such adjustments shall be made successively whenever such a record date is fixed, and in the event that such distribution is not so made, the Exercise Price shall be adjusted to be the Exercise Price which would have been in effect if such record date had not been fixed.
- (d) **De minimis threshold for adjustment to Exercise Price.** Notwithstanding anything herein to the contrary, no adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least one percent (1%) in the Exercise Price; provided, however, that any adjustments which by reason of this Section 2.3(d) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 2.3 shall be made to the nearest cent or to the nearest one-hundredth of a Common Share or other share, as the case may be. Notwithstanding the first sentence of this Section 2.3(d), any adjustment required by this Section 2.3 shall be made no later than the earlier of (i) three (3) years from the date of the transaction which mandates such adjustment or (ii) the Expiration Time.
- (e) **Corporation may provide for alternate means of adjustment.** Subject to the prior consent of the holders of Voting Shares or Rights obtained as set forth in Section 5.4(2) or (3) hereof, as applicable, in the event the Corporation shall at any time after the Record

Time issue any shares of capital stock (other than Common Shares), or rights or warrants to subscribe for or purchase any such capital stock, or securities convertible into or exchangeable for any such capital stock, in a transaction referred to in Sections 2.3(a)(i) or (iv) or 2.3(b) or (c) above, if the Board of Directors acting in good faith determines that the adjustments contemplated by Sections 2.3(a), (b) and (c) above in connection with such transaction will not appropriately protect the interests of the holders of Rights, the Corporation shall be entitled to determine what other adjustments to the Exercise Price, number of Rights and/or securities purchasable upon exercise of Rights would be appropriate and, notwithstanding Sections 2.3(a), (b) and (c) above, such adjustments, rather than the adjustments contemplated by Sections 2.3(a), (b) and (c) above, shall be made. The Corporation and the Rights Agent shall amend this Agreement as appropriate to provide for such adjustments.

- (f) **Adjustment to Rights exercisable into shares other than Common Shares.** If as a result of an adjustment made pursuant to Section 3.1 hereof, the holder of any Right thereafter exercised shall become entitled to receive any shares other than Common Shares, thereafter the number of such other shares so receivable upon exercise of any Right and the Exercise Price thereof shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Common Shares contained in Sections 2.3(a), (b), (c), (d), (e), (g), (h), (i), (j), (k) and (l) above and below, as the case may be, and the provisions of this Agreement with respect to the Common Shares shall apply on like terms to any such other shares.
- (g) **Rights to evidence right to purchase Common Shares at adjusted Exercise Price.** Each Right originally issued by the Corporation subsequent to any adjustment made to the Exercise Price hereunder shall evidence the right to purchase, at the adjusted Exercise Price, the number of Common Shares purchasable from time to time hereunder upon exercise of such Right, all subject to further adjustment as provided herein.
- (h) **Adjustment to number of Common Shares purchasable upon adjustment to Exercise Price.** Unless the Corporation shall have exercised its election as provided in Section 2.3(i) below, upon each adjustment of the Exercise Price as a result of the calculations made in Sections 2.3(b) and (c) above, each Right outstanding immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Exercise Price, that number of Common Shares (calculated to the nearest one ten-thousandth) obtained by (A) multiplying (x) the number of shares purchasable upon exercise of a Right immediately prior to this adjustment by (y) the Exercise Price in effect immediately prior to such adjustment of the Exercise Price, and (B) dividing the product so obtained by the Exercise Price in effect immediately after such adjustment of the Exercise Price.
- (i) **Election to adjust number of Rights upon adjustment to Exercise Price.** The Corporation shall be entitled to elect on or after the date of any adjustment of the Exercise Price to adjust the number of Rights, in lieu of any adjustment in the number of Common Shares purchasable upon the exercise of a Right. Each of the Rights outstanding after the adjustment in the number of Rights shall be exercisable for the number of Common Shares for which a Right was exercisable immediately prior to such adjustment. Each Right held of record prior to such adjustment of the number of Rights shall become that number of Rights (calculated to the nearest one ten-thousandth) obtained by dividing the Exercise Price in effect immediately prior to adjustment of the Exercise Price by the Exercise Price in effect immediately after adjustment of the Exercise Price. The Corporation shall make a public announcement of its election to
-

- 19 -

adjust the number of Rights, indicating the record date for the adjustment and, if known at the time, the amount of the adjustment to be made. This record date may be the date on which the Exercise Price is adjusted or any day thereafter but, if Rights Certificates have been issued, shall be at least ten (10) days later than the date of the public announcement. If Rights Certificates have been issued, upon each adjustment, of the number of Rights pursuant to this Section 2.3(i), the Corporation shall, as promptly as practicable, cause to be distributed to holders of record of Rights Certificates on such record date Rights Certificates evidencing, subject to Section 5.5 hereof, the additional Rights to which such holders shall be entitled as a result of such adjustment, or, at the option of the Corporation, shall cause to be distributed to such holders of record in substitution and replacement for the Rights Certificates held by such holders prior to the date of adjustment, and upon surrender thereof, new Rights Certificates evidencing all the Rights to which such holders shall be entitled after such adjustment. Rights Certificates so to be distributed shall be issued, executed and countersigned in the manner provided for herein and may bear, at the option of the Corporation, the adjusted Exercise Price and shall be registered in the names of the holders of record of Rights Certificates on the record date for the adjustment specified in the public announcement.

- (j) **Rights Certificates may contain Exercise Price before adjustment.** Irrespective of any adjustment or change in the Exercise Price or the number of Common Shares issuable upon the exercise of the Rights, the Rights Certificates theretofore and thereafter issued may continue to express the Exercise Price per share and the number of shares which were expressed in the initial Rights Certificates issued hereunder.
 - (k) **Corporation may in certain cases defer issues of securities.** In any case in which this Section 2.3 shall require that an adjustment in the Exercise Price be made effective as of a record date for a specified event, the Corporation may elect to defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date the number of Common Shares and other securities of the Corporation, if any, issuable upon such exercise over and above the number of Common Shares and other securities of the Corporation, if any, issuable upon such exercise on the basis of the Exercise Price in effect prior to such adjustment; provided, however, that the Corporation shall deliver to such holder an appropriate instrument evidencing such holder's right to receive such additional shares (fractional or otherwise) or securities upon the occurrence of the event requiring such adjustment.
 - (l) **Corporation has discretion to reduce Exercise Price for tax reasons.** Notwithstanding anything in this Section 2.3 to the contrary, the Corporation shall be entitled to make such reductions in the Exercise Price, in addition to those adjustments expressly required by this Section 2.3, as and to the extent that in their good faith judgment, the Board of Directors shall determine to be advisable in order that any (A) consolidation or subdivision of the Common Shares, (B) issuance of any Common Shares at less than the Market Price, (C) issuance of securities convertible into or exchangeable for Common Shares, (D) stock dividends or (E) issuance of rights, options or warrants, referred to in this Section 2.3 hereafter made by the Corporation to holders of its Common Shares, shall not be taxable to such shareholders.
 - (m) **Notification of Rights Agent.** Whenever an adjustment to the Exercise Price or a change in the securities purchasable upon exercise of the Rights is made at any time after the Separation Time pursuant to this Section 2.3, the Corporation shall promptly:
-

- 20 -

- (i) file with the Rights Agent and with the transfer agent for the Common Shares a certificate specifying the particulars of such adjustment or change; and
- (ii) cause notice of the particulars of such adjustment or change to be given to the holders of the Rights; provided that failure to file such certificate or cause such notice to be given as aforesaid, or any defect therein, shall not affect the validity of any such adjustment or change.

Section 2.4 Date on Which Exercise is Effective.

Each person in whose name any certificate for Common Shares is issued upon the exercise of Rights, shall for all purposes be deemed to have become the holder of record of the Common Shares represented thereby on, and such certificate shall be dated, the date upon which the Rights Certificate evidencing such Rights was duly surrendered (together with a duly completed Election to Exercise) and payment of the Exercise Price for such Rights (and any applicable transfer taxes and other governmental charges payable by the exercising holder hereunder) was made; provided, however, that if the date of such surrender and payment is a date upon which the Common Share transfer books of the Corporation are closed, such person shall be deemed to have become the record holder of such shares on, and such certificate shall be dated, the next succeeding Business Day on which the Common Share transfer books of the Corporation are open.

Section 2.5 Execution, Authentication, Delivery and Dating of Rights Certificates

- (1) The Rights Certificates shall be executed on behalf of the Corporation by its Chairman, Chief Executive Officer, Chief Operating Officer or Chief Financial Officer under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Rights Certificates may be manual or facsimile. Rights Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Corporation shall bind the Corporation, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the countersignature and delivery of such Rights Certificates.
- (2) Promptly after the Corporation learns of the Separation Time, the Corporation will notify the Rights Agent of such Separation Time and will deliver Rights Certificates executed by the Corporation to the Rights Agent for countersignature and a disclosure statement as described in Section 2.2(3), and the Rights Agent shall manually or by facsimile signature countersign and send such Rights Certificates and disclosure statement to the holders of the Rights pursuant to Section 2.2(3) hereof. No Rights Certificate shall be valid for any purpose until countersigned by the Rights Agent as aforesaid.
- (3) Each Rights Certificate shall be dated the date of countersignature thereof.

Section 2.6 Registration, Registration of Transfer and Exchange.

- (1) The Corporation will cause to be kept a register (the **Rights Register**) in which, subject to such reasonable regulations as it may prescribe, the Corporation will provide for the registration and transfer of Rights. The Rights Agent is hereby appointed **Rights Registrar** for the purpose of maintaining the Rights Register for the Corporation and registering Rights and transfers of Rights as herein provided. In the event that the Rights Agent shall cease to be the Rights Registrar, the Rights Agent will have the right to examine the Rights Register at all reasonable times.
-

- 21 -

After the Separation Time and prior to the Expiration Time, upon surrender for registration of transfer or exchange of any Rights Certificate and subject to the provisions of Section 2.6(3) below and the other provisions of this Agreement, the Corporation will execute and the Rights Agent will countersign, register and deliver, in the name of the holder or the designated transferee or transferees as required pursuant to the holder's instructions, one or more new Rights Certificates evidencing the same aggregate number of Rights as did the Rights Certificates so surrendered.

- (2) All Rights issued upon any registration of transfer or exchange of Rights Certificates shall be the valid obligations of the Corporation, and such Rights shall be entitled to the same benefits under this Agreement as the Rights surrendered upon such registration of transfer or exchange.
- (3) Every Rights Certificate surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Corporation or the Rights Agent, as the case may be, duly executed by the registered holder thereof or such holder's attorney duly authorized in writing. As a condition to the issuance of any new Rights Certificate under this Section 2.6, the Corporation or the Rights Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and the Corporation may require payment of a sum sufficient to cover any other expenses (including the fees and expenses of the Rights Agent) in connection therewith.

Section 2.7 Mutilated, Destroyed, Lost and Stolen Rights Certificates.

- (1) If any mutilated Rights Certificate is surrendered to the Rights Agent prior to the Expiration Time, the Corporation shall execute and the Rights Agent shall countersign and deliver in exchange therefor a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so surrendered.
 - (2) If there shall be delivered to the Corporation and the Rights Agent prior to the Expiration Time
 - (i) evidence to their reasonable satisfaction of the destruction, loss or theft of any Rights Certificate, and
 - (ii) such indemnity or other security as may be required by each of them, in their sole discretion, to save each of them and any of their agents harmless then, in the absence of notice to the Corporation or the Rights Agent that such Rights Certificate has been acquired by a bona fide purchaser, the Corporation shall execute and upon its request the Rights Agent shall countersign and deliver, in lieu of any such destroyed, lost or stolen Rights Certificate, a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so destroyed, lost or stolen.
 - (3) As a condition to the issuance of any new Rights Certificate under this Section 2.7, the Corporation or the Rights Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and the Corporation may require payment of a sum sufficient to cover any other expenses (including the fees and expenses of the Rights Agent) in connection therewith.
 - (4) Every new Rights Certificate issued pursuant to this Section 2.7 in lieu of any destroyed, lost or stolen Rights Certificate shall evidence an original additional contractual obligation of the Corporation, whether or not the destroyed lost or stolen Rights Certificate shall be at any time enforceable by anyone, and the holder thereof shall be entitled to all the benefits of this Agreement equally and proportionately with any and all other holders of Rights duly issued by the Corporation.

Section 2.8 Persons Deemed Owners.

Prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) for registration of transfer, the Corporation, the Rights Agent and any agent of the Corporation or the Rights Agent shall be entitled to deem and treat the person in whose name a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby for all purposes whatsoever. As used in this Agreement, unless the context otherwise requires, the term **holder** of any Rights shall mean the registered holder of such Rights (or, prior to the Separation Time, the associated Common Shares).

Section 2.9 Delivery and Cancellation of Rights Certificates.

All Rights Certificates surrendered upon exercise or for redemption, registration of transfer or exchange shall, if surrendered to any person other than the Rights Agent, be delivered to the Rights Agent and, in any case, shall be promptly cancelled by the Rights Agent. The Corporation may at any time deliver to the Rights Agent for cancellation any Rights Certificates previously countersigned and delivered hereunder which the Corporation may have acquired in any manner whatsoever, and all Rights Certificates so delivered shall be promptly cancelled by the Rights Agent. No Rights Certificate shall be countersigned in lieu of or in exchange for any Rights Certificates cancelled as provided in this Section 2.9 except as expressly permitted by this Agreement. The Rights Agent shall, subject to applicable laws, destroy all cancelled Rights Certificates and deliver a certificate of destruction to the Corporation on request.

Section 2.10 Agreement of Rights Holders.

Every holder of Rights, by accepting the same, consents and agrees with the Corporation and the Rights Agent and with every other holder of Rights:

- (a) to be bound by and subject to the provisions of this Agreement, as amended or supplemented from time to time in accordance with the terms hereof, in respect of all Rights held;
 - (b) that prior to the Separation Time each Right will be transferable only together with, and will be transferred by a transfer of, the Common Share certificate representing such Right;
 - (c) that after the Separation Time, the Rights Certificates will be transferable only on the Rights Register as provided herein;
 - (d) that prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) for registration of transfer, the Corporation, the Rights Agent and any agent of the Corporation or the Rights Agent shall be entitled to deem and treat the person in whose name the Rights Certificate (or prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on such Rights Certificate or the associated Common Share certificate made by anyone other than the Corporation or the Rights Agent) for all purposes whatsoever, and neither the Corporation nor the Rights Agent shall be affected by any notice to the contrary;
 - (e) that such holder of Rights has waived his right to receive any fractional Rights or any fractional shares upon exercise of Right;
-

- 23 -

- (f) that, in accordance with Section 5.4 hereof, without the approval of any holder of Rights and upon the sole authority of the Board of Directors acting in good faith this Agreement may be supplemented or amended from time to time pursuant to and as provided herein; and
- (g) that notwithstanding anything in this Agreement to the contrary, neither the Corporation nor the Rights Agent shall have any liability to any holder of a Right or any other Person as a result of its inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation, or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise restraining performance of such obligation.

Section 2.11 Rights Certificate Holder not Deemed a Shareholder.

No holder, as such, of any Rights or Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose whatsoever the holder of any Common Share or any other share or security of the Corporation which may at any time be issuable on the exercise of the Rights represented thereby, nor shall anything contained herein or in any Rights Certificate be construed or deemed to confer upon the holder of any Right or Rights Certificate, as such, any of the rights, titles, benefits or privileges of a holder of Common Shares or any other shares or securities of the Corporation or any right to vote at any meeting of shareholders of the Corporation whether for the election of directors or otherwise or upon any matter submitted to holders of shares of the Corporation at any meeting thereof, or to give or withhold consent to any action of the Corporation, or to receive notice of any meeting or other action affecting any holder of Common Shares or any other shares or securities of the Corporation except as expressly provided herein, or to receive dividends, distributions or subscription rights, or otherwise, until the Right or Rights evidenced by Rights Certificates shall have been duly exercised in accordance with the terms and provisions hereof.

ARTICLE 3

ADJUSTMENTS TO THE RIGHTS IN THE EVENT OF CERTAIN TRANSACTIONS

Section 3.1 Flip-in Event.

- (1) Subject to Section 3.1(2) below, and Sections 5.1(2), (3) and (4) hereof, in the event that prior to the Expiration Time a Flip-in Event shall occur, the Corporation shall take such action as may be necessary to ensure and provide within eight (8) Business Days of such occurrence, or such longer period as may be required to satisfy all applicable requirements of the Securities Act (British Columbia), and the securities legislation of each other province of Canada, the 1933 Securities Act, the 1934 Exchange Act, and the rules and regulations thereunder, and any other applicable law, rule or regulation that, except as provided below, each Right shall thereafter constitute the right to purchase from the Corporation upon exercise thereof in accordance with the terms hereof that number of Common Shares of the Corporation having an aggregate Market Price on the date of the occurrence of such Flip-in Event equal to twice the Exercise Price for an amount in cash equal to the Exercise Price (such Right to be appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 hereof in the event that after such date of occurrence an event of a type analogous to any of the events described in Section 2.3 hereof shall have occurred with respect to such Common Shares).
 - (2) Notwithstanding anything in this Agreement to the contrary, upon the occurrence of any Flip-in Event, any Rights that are Beneficially Owned by (i) an Acquiring Person, or any Affiliate or
-

- 24 -

Associate of an Acquiring Person, or any Person acting jointly or in concert with an Acquiring Person or any Affiliate or Associate of such Acquiring Person, or any Affiliate or Associate of such Person so acting jointly or in concert, or (ii) a transferee or other successor in title of Rights, directly or indirectly, of an Acquiring Person (or of any Affiliate or Associate of an Acquiring Person) or of any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person (or of any Affiliate or Associate of such Person so acting jointly or in concert) who becomes a transferee or successor in title concurrently with or subsequent to the Acquiring Person becoming such, shall become null and void without any further action, and any holder of such Rights (including transferees or successors in title) shall not have any rights whatsoever to exercise such Rights under any provision of this Agreement and shall not have thereafter any other rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise.

- (3) Any Rights Certificate that represents Rights Beneficially Owned by a Person described in either clause 3.1(2)(i) or (ii), and any Rights Certificate issued upon transfer, exchange, replacement or adjustment of any other Rights Certificate referred to in this sentence, shall contain the following legend:

The Rights represented by this Rights Certificate were issued to a Person who was an Acquiring Person or an Affiliate or an Associate of an Acquiring Person (all capitalized terms used herein have the meaning given to such terms in the Shareholder Rights Plan Agreement, dated January 17, 2006, as amended and restated from time to time, (the **Rights Agreement**)) or a Person who was acting jointly or in concert with an Acquiring Person (including, without limitation, a Person who has entered into an agreement or arrangement to sell Common Shares to an Acquiring Person). This Rights Certificate and the Rights represented hereby are void or shall become void in the circumstances specified in Section 3.1(2) of the Rights Agreement.

provided, however, that the Rights Agent shall not be under any responsibility to ascertain the existence of facts that would require the imposition of such legend but shall be required to impose such legend only if instructed to do so in writing by the Corporation or if a holder fails to certify upon transfer or exchange in the space provided on the Rights Certificate that such holder is not a Person described in such legend. This issuance of a Rights Certificate without the legend referred to in this Section 3.1(3) shall have no effect on the provisions of Section 3.1.

- (4) Notwithstanding any other provision hereof, if the number of Common Shares which are authorized but not issued or allotted or reserved for issue (other than upon the exercise of Rights) is not sufficient to permit the exercise in full of the Rights upon the occurrence of a Flip-in Event in accordance with clause 3.1(1) then, upon such occurrence, each Right which is not void pursuant to clause 3.1(2), when such Right is aggregated with a sufficient number of Rights to acquire a whole number of Common Shares, shall constitute, effective on the Stock Acquisition Date, upon exercise thereof in accordance with the terms hereof, the right to purchase from the Corporation that number of Common Shares, at the price of \$0.01 per Common Share, equal to the quotient determined by dividing: (i) the difference between the number of authorized Common Shares and the number of Common Shares then issued or allotted or reserved for issuance by the Corporation (other than upon the exercise of Rights); by (ii) the number of Rights then outstanding and which are not void pursuant to clause 3.1(2).

ARTICLE 4
THE RIGHTS AGENT

Section 4.1 General.

- (1) The Corporation hereby appoints the Rights Agent to act as agent for the Corporation in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The Corporation may from time to time appoint such co-Rights Agents as it may deem necessary or desirable, subject to the prior approval of the Rights Agent. In the event the Corporation appoints one or more co-Rights Agents, the respective duties of the Rights Agents and co-Rights Agents shall be as the Corporation may determine, with the approval of the Rights Agent. The Corporation agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses (including reasonable counsel fees and disbursements) incurred in the administration and execution of this Agreement and the exercise and performance of its duties hereunder. The Corporation also agrees to indemnify the Rights Agent, its officers, directors and employees for, and to hold such persons harmless against, any loss, liability, cost, claim, action, suit, damage, or expense incurred (that is not the result of negligence, bad faith or wilful misconduct on the part of any one or all of the Rights Agent, its officers, directors or employees) for anything done or omitted by the Rights Agent in connection with the acceptance and administration of this Agreement, including the costs and expenses of defending against any claim of liability, which right to indemnification will survive the termination of this Agreement or the resignation or removal of the Rights Agent.
- (2) The Rights Agent shall be protected from and shall incur no liability for or in respect of any action taken, suffered or omitted by it in connection with its administration of this Agreement in reliance upon any certificate for Common Shares or any Rights Certificate or certificate for other securities of the Corporation, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement, or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.
- (3) The Corporation shall inform the Rights Agent in a reasonably timely manner of events which may materially affect the administration of this Agreement by the Rights Agent and at any time, upon request, shall provide to the Rights Agent an incumbency certificate certifying the then current officers of the Corporation.

Section 4.2 Merger or Amalgamation or Change of Name of Rights Agent.

- (1) Any corporation into which the Rights Agent or any successor Rights Agent may be merged or amalgamated or with which it may be consolidated, or any corporation resulting from any merger, amalgamation, statutory arrangement or consolidation to which the Rights Agent or any successor Rights Agent is a party, or any corporation succeeding to the shareholder or stockholder services business of the Rights Agent or any successor Rights Agent, will be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that such corporation would be eligible for appointment as a successor Rights Agent under the provisions of Section 4.4 hereof. In case at the time such successor Rights Agent succeeds to the agency created by this Agreement any of the Rights Certificates have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Rights Certificates so countersigned; and in case at that time any of the Rights Certificates have not been countersigned, any successor Rights Agent may countersign such Rights Certificates either in the
-

- 26 -

name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Rights Certificates will have the full force provided in the Rights Certificates and in this Agreement.

- (2) In case at any time the name of the Rights Agent is changed and at such time any of the Rights Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

Section 4.3 Duties of Rights Agent.

The Rights Agent undertakes the duties and obligations imposed by this Agreement upon the following terms and conditions, to all of which the Corporation and the holders of Rights Certificates, by their acceptance thereof, shall be bound:

- (a) The Rights Agent may retain and consult with legal counsel (who may be legal counsel for the Corporation) and the opinion of such counsel will be full and complete authorization and protection to the Rights Agent as to any action taken or omitted to be taken by it in good faith and in accordance with such opinion. Subject to the prior written consent of the Corporation, which consent shall not be unreasonably withheld, the Rights Agent may also consult with such other experts as the Rights Agent shall consider necessary or appropriate to properly carry out the duties and obligations imposed under this Agreement (at the expense of the Corporation) and the Rights Agent shall be entitled to act and rely in good faith on the advice of any such expert.
 - (b) Whenever in the performance of its duties under this Agreement the Rights Agent deems it necessary or desirable that any fact or matter be proved or established by the Corporation prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proven and established by a certificate signed by a person believed by the Rights Agent to be the Chairman of the Board, the Chief Executive Officer, the Chief Operating Officer or the Chief Financial Officer of the Corporation and delivered to the Rights Agent; and such certificate will be full authorization to the Rights Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon such certificate.
 - (c) The Rights Agent will be liable hereunder only for events which are the result of its own negligence, bad faith or wilful misconduct and that of its officers, directors and employees.
 - (d) The Rights Agent will not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the certificates for Common Shares or the Rights Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and will be deemed to have been made by the Corporation only.
 - (e) The Rights Agent will not be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due authorization, execution and delivery hereof by the Rights Agent) or in respect of the validity or execution of any
-

- 27 -

Common Share certificate or Rights Certificate (except its countersignature thereof); nor will it be responsible for any breach by the Corporation of any covenant or condition contained in this Agreement or in any Rights Certificate; nor will it be responsible for any change in the exercisability of the Rights (including the Rights becoming void pursuant to Section 3.1(2) hereof) or any adjustment required under the provisions of Section 2.3 hereof or responsible for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights after receipt of the certificate contemplated by Section 2.3 hereof describing any such adjustment); nor will it by any act hereunder be deemed to make any representation or warranty as to the authorization of any Common Shares to be issued pursuant to this Agreement or any Rights or as to whether any Common Shares will, when issued, be duly and validly authorized, executed, issued and delivered or fully paid and non-assessable.

- (f) The Corporation agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement.
- (g) The Rights Agent is hereby authorized and directed to accept instructions with respect to the performance of its duties hereunder from any person believed by the Rights Agent to be the Chairman of the Board, the Chief Executive Officer, the Chief Operating Officer or the Chief Financial Officer of the Corporation and to apply to such persons for advice or instructions in connection with its duties, and it shall not be liable for any action taken or suffered by it in good faith in accordance with instructions of any such person. It is understood that instructions to the Rights Agent shall, except where circumstances make it impracticable or the Rights Agent otherwise agrees, be given in writing and, where not in writing, such instructions shall be confirmed in writing as soon as reasonably possible after the giving of such instructions.
- (h) The Rights Agent and any shareholder or stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in Common Shares, Rights or other securities of the Corporation or become pecuniarily interested in any transaction in which the Corporation may be interested or contract with or lend money to the Corporation or otherwise act as fully and freely as though it were not Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Corporation or for any other legal entity.
- (i) The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or, with the prior written consent of the Corporation, by or through its attorneys or agents. The Rights Agent will not be answerable or accountable for any act, omission, default, neglect or misconduct of any such attorneys or agents or for any loss to the Corporation resulting from any such act, omission, default, neglect or misconduct, provided the prior written consent of the Corporation was obtained and reasonable care was exercised in the selection and continued employment thereof.

Section 4.4 Change of Rights Agent.

The Rights Agent may resign and be discharged from its duties under this Agreement upon sixty (60) days notice (or such lesser notice as is acceptable to the Corporation) in writing mailed to the Corporation and to each transfer agent of Voting Shares of the Corporation by registered or certified mail,

- 28 -

and to the holders of the Rights in accordance with Section 5.8 hereof (all of which shall be at the expense of the Corporation). The Corporation may remove the Rights Agent upon thirty (30) days notice in writing, mailed to the Rights Agent and to each transfer agent of the Voting Shares of the Corporation by registered or certified mail and to the holders of the Rights in accordance with Section 5.8 hereof. If the Rights Agent should resign or be removed or otherwise become incapable of acting, the Corporation will appoint a successor to the Rights Agent. If the Corporation fails to make such appointment within a period of sixty (60) days after such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent or by the holder of any Rights (which holder shall, with such notice, submit such holder's Rights Certificate for inspection by the Corporation), then the Rights Agent or the holder of any Rights may apply to any court of competent jurisdiction for the appointment of a new Rights Agent at the Corporation's expense. Any successor Rights Agent, whether appointed by the Corporation or by such a court, shall be a corporation incorporated under the laws of Canada or a province thereof. After appointment, the successor Rights Agent will be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but the predecessor Rights Agent, upon receiving from the Corporation payment in full of all amounts outstanding under this Agreement, shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment, the Corporation will file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Voting Shares of the Corporation, and mail a notice thereof in writing to the holders of the Rights. The cost of giving any notice required under this Section 4.4 shall be borne solely by the Corporation. Failure to give any notice provided for in this Section 4.4 however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the successor Rights Agent, as the case may be.

ARTICLE 5 MISCELLANEOUS

Section 5.1 Redemption and Waiver.

- (1) Subject to the prior consent of the holders of Voting Shares or Rights obtained as set forth in Section 5.4(2) or Section 5.4(3) hereof, as applicable, the Board of Directors acting in good faith may, at any time prior to the occurrence of a Flip-in Event, elect to redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.00001 per Right appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 hereof in the event that an event of the type described in Section 2.3 hereof shall have occurred (such redemption price being herein referred to as the **Redemption Price**).
 - (2) Subject to the prior consent of the holders of Voting Shares obtained as set forth in Section 5.4(2) hereof, the Board of Directors may, at any time prior to the occurrence of a Flip-in Event as to which the application of Section 3.1 hereof has not been waived pursuant to this Section 5.1, if such Flip-in Event would occur by reason of an acquisition of Voting Shares otherwise than pursuant to a Take-over Bid made by means of a Take-over Bid circular to all registered holders of Voting Shares and otherwise than in the circumstances set forth in Section 5.1(4) hereof, waive the application of Section 3.1 hereof to such Flip-in Event. In such event, the Board of Directors shall extend the Separation Time to a date at least ten (10) Business Days subsequent to the meeting of shareholders called to approve such waiver.
 - (3) The Board of Directors acting in good faith, may, prior to the occurrence of a Flip-in Event, and upon prior written notice delivered to the Rights Agent, determine to waive the application of Section 3.1 hereof to a Flip-in Event that may occur by reason of a Take-over Bid made by means of a Take-over Bid circular to all registered holders of Voting Shares; provided that if the Board
-

- 29 -

of Directors waives the application of Section 3.1 hereof to a particular Flip-in Event pursuant to this Section 5.1(3), the Board of Directors shall be deemed to have waived the application of Section 3.1 hereof to any other Flip-in Event occurring by reason of any Take-over Bid made by means of a Take-over Bid circular to all registered holders of Voting Shares prior to the expiry of any Take-over Bid in respect of which a waiver is, or is deemed to have been granted, pursuant to this Section 5.1(3).

- (4) The Board of Directors acting in good faith may, in respect of a Flip-in Event, waive or agree to waive the application of Section 3.1 hereof to that Flip-in Event, provided that either:
- (a) both of the following conditions are satisfied:
 - (i) the Board of Directors has determined that a Person became an Acquiring Person by inadvertence and without any intention to become, or knowledge that Person would become, an Acquiring Person; and
 - (ii) such Acquiring Person has reduced its Beneficial Ownership of Voting Shares (or has entered into a contractual arrangement with the Corporation, acceptable to the Board of Directors, to do so within thirty (30) days of the date on which such contractual arrangement is entered into) such that at the time the waiver becomes effective pursuant to this Section 5.1(4) it is no longer an Acquiring Person; or
 - (b) the Flip-In Event has occurred solely due to an issuance and sale by the Corporation of Voting Shares or Convertible Securities by way of a private placement from its treasury; provided that all necessary stock exchange approvals for such distribution have been obtained and such distribution complies with the terms and conditions of such approvals,
- and in the event of such a waiver, for the purposes of this Agreement, the Flip-in Event shall be deemed never to have occurred.
- (5) Where a Person acquires pursuant to a Permitted Bid, a Competing Permitted Bid or an Exempt Acquisition under Section 5.1(3) above, outstanding Voting Shares, then the Corporation shall immediately upon the consummation of such acquisition redeem the Rights at the Redemption Price.
- (6) If the Corporation is obligated under Section 5.1(5) above to redeem the Rights, or if the Board of Directors elects under Section 5.1(1) above or Section 5.1(8) below to redeem the Rights, the right to exercise the Rights will thereupon, without further action and without notice, terminate and each Right will after redemption be null and void and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.
- (7) Within ten (10) days after the Corporation is obligated under Section 5.1(5) above to redeem the Rights, or the Board of Directors elects under Section 5.1(1) above or Section 5.1(8) below to redeem the Rights, the Corporation shall give notice of redemption to the holders of the then outstanding Rights by mailing such notice to all such holders at their last address as they appear upon the Rights Register or, prior to the Separation Time, on the registry books of the transfer agent for the Common Shares. Any notice which is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of redemption will state the method by which the payment of the Redemption Price will be made. The Corporation may not redeem, acquire or purchase for value any Rights at any time in any manner other than that specifically set forth in this Section 5.1 and other than in connection with the purchase of Common Shares prior to the Separation Time.
-

- (8) Where a Take-over Bid that is not a Permitted Bid is withdrawn or otherwise terminated after the Separation Time has occurred and prior to the occurrence of a Flip-in Event, the Board of Directors may elect to redeem all the outstanding Rights at the Redemption Price.
- (9) Notwithstanding the Rights being redeemed pursuant to Section 5.1(8) above, all the provisions of this Agreement shall continue to apply as if the Separation Time had not occurred and Rights Certificates representing the number of Rights held by each holder of record of Common Shares as of the Separation Time had not been mailed to each such holder and for all purposes of this Agreement the Separation Time shall be deemed not to have occurred and the Rights shall remain attached to outstanding Voting Shares, subject to and in accordance with the provisions of this Agreement.

Section 5.2 Expiration.

No person shall have any rights whatsoever pursuant to or arising out of this Agreement or in respect of any Right after the Expiration Time, except the Rights Agent as specified in Section 4.1(1) hereof.

Section 5.3 Issuance of New Rights Certificates.

Notwithstanding any of the provisions of this Agreement or of the Rights to the contrary, the Corporation may, at its option, issue new Rights Certificates evidencing Rights in such form as may be approved by its Board of Directors to reflect any adjustment or change in the number or kind or class of shares purchasable upon exercise of Rights made in accordance with the provisions of this Agreement.

Section 5.4 Supplements and Amendments.

- (1) The Corporation may, prior to any shareholders meeting called to approve this Agreement, supplement or amend this Agreement without the approval of any holder of Rights or Voting Shares. Thereafter, the Corporation may from time to time supplement or amend this Agreement without the approval of any holders of Rights or Voting Shares to correct any clerical or typographical error or to maintain the validity of the Agreement as a result of a change in any applicable legislation or regulations or rules thereunder.

Notwithstanding anything in this Section 5.4 to the contrary, no supplement or amendment shall be made to the provisions of Article 4 hereof except with the written concurrence of the Rights Agent to such supplement or amendment.

- (2) Subject to Section 5.4(1) above, the Corporation may, with the prior consent of the holders of the Voting Shares obtained as set forth below, at any time prior to the Separation Time amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). Such consent shall be deemed to have been given if provided by the holders of Voting Shares at a meeting of the holders of Voting Shares, which meeting shall be called and held in compliance with applicable laws and regulatory requirements and the requirements in the articles and by-laws of the Corporation. Subject to compliance with any requirements imposed by the foregoing, consent shall be deemed to have been given if the proposed amendment, variation or revision is approved by the affirmative vote of a majority of the votes cast by all holders of Voting Shares (other than any holder of Voting Shares who is an Offeror pursuant to a Take-over Bid that is not a Permitted Bid or Competing Permitted Bid with respect to all Voting Shares Beneficially Owned by such Person), represented in person or by proxy at the meeting.
-

- 31 -

- (3) Subject to Section 5.4(1) above, the Corporation may, with the prior consent of the holders of Rights, at any time after the Separation Time and before the Expiration Time, amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally).
- (4) Any approval of the holders of Rights shall be deemed to have been given if the action requiring such approval is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to be voted at a meeting of the holders of Rights and representing a majority of the votes cast in respect thereof. For the purposes hereof, each outstanding Right (other than Rights which are void pursuant to the provisions hereof) shall be entitled to one vote, and the procedures for the calling, holding and conduct of the meeting shall be those, as nearly as may be, which are provided in the Corporation's by-laws and the NSCA with respect to a meeting of shareholders of the Corporation.
- (5) The Corporation shall be required to provide the Rights Agent with notice in writing of any such amendment, variation or deletion to this Agreement as referred to in this Section 5.4 within 5 days of effecting such amendment, variation or deletion.
- (6) Any supplements or amendments made by the Corporation to this Agreement pursuant to Section 5.4(1) above which are required to maintain the validity of this Agreement as a result of any change in any applicable legislation or regulations or rules thereunder shall:
 - (a) if made before the Separation Time, be submitted to the shareholders of the Corporation at the next meeting of shareholders and the shareholders may, by the majority referred to in Section 5.4(2) above confirm or reject such amendment; and
 - (b) if made after the Separation Time, be submitted to the holders of Rights at a meeting to be called for on a date not later than immediately following the next meeting of shareholders of the Corporation and the holders of Rights may, by resolution passed by the majority referred to in Section 5.4(4) above, confirm or reject such amendment.

A supplement or amendment of the nature referred to in this Section 5.4(6) shall be effective from the date of the resolution of the Board of Directors adopting such supplement or amendment until it is confirmed or rejected or until it ceases to be effective (as described in the next sentence) and, where such supplement or amendment is confirmed, it continues in effect in the form so confirmed. If such supplement or amendment is rejected by the shareholders or the holders of Rights or is not submitted to the shareholders or holders of Rights as required, then such supplement or amendment shall cease to be effective from and after the termination of the meeting at which it was rejected or to which it should have been but was not submitted or from and after the date of the meeting of holders of Rights that should have been but was not held, and no subsequent resolution of the Board of Directors to amend, vary or delete any provision of this Agreement to substantially the same effect shall be effective until confirmed by the shareholders or holders of Rights, as the case may be.

Section 5.5 Fractional Rights and Fractional Shares.

- (1) The Corporation shall not be required to issue fractions of Rights or to distribute Rights Certificates which evidence fractional Rights. Any such fractional Right shall be null and void and the Corporation will not have any obligation or liability in respect thereof.
 - (2) The Corporation shall not be required to issue fractions of Common Shares or other securities upon exercise of the Rights or to distribute certificates which evidence fractional Common Shares
-

- 32 -

or other securities. In lieu of issuing fractional Common Shares or other securities, the Corporation shall pay to the registered holders of Rights Certificates at the time such Rights are exercised as herein provided, an amount in cash equal to the same fraction of the Market Price of one Common Share. The Rights Agent shall have no obligation to make any payments in lieu of fractional Common Shares unless the Corporation shall have provided the Rights Agent with the necessary funds to pay in full all amounts payable in accordance with Section 2.2(5).

Section 5.6 Rights of Action.

Subject to the terms of this Agreement, all rights of action in respect of this Agreement, other than rights of action vested solely in the Rights Agent, are vested in the respective registered holders of the Rights; and any registered holder of any Rights, without the consent of the Rights Agent or of the registered holder of any other Rights, may, on such holder's own behalf and for such holder's own benefit and the benefit of other holders of Rights enforce, and may institute and maintain any suit, action or proceeding against the Corporation to enforce such holder's right to exercise such holder's Rights in the manner provided in such holder's Rights Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any Person subject to, this Agreement.

Section 5.7 Notice of Proposed Actions.

In case the Corporation shall propose after the Separation Time and prior to the Expiration Time to effect the liquidation, dissolution or winding-up of the Corporation or the sale of all or substantially all of the Corporation's assets, then, in each such case, the Corporation shall give to each holder of a Right, in accordance with Section 5.8 hereof, a notice of such proposed action, which shall specify the date on which such liquidation, dissolution, winding up, or sale is to take place, and such notice shall be so given at least twenty (20) Business Days prior to the date of taking of such proposed action.

All the covenants and provisions of this Agreement by or for the benefit of the Corporation or the Rights Agent shall bind and enure to the benefit of their respective successors and assigns hereunder.

This Agreement and each Right issued hereunder shall be deemed to be a contract made under the laws of the Province of British Columbia and for all purposes shall be governed by and construed in accordance with the laws of such province.

Section 5.12 Severability.

If any Section, Clause, term or provision hereof or the application thereof to any circumstances or any right hereunder shall, in any jurisdiction and to any extent, be invalid or unenforceable, such Section, Clause, term or provision or such right shall be ineffective only in such jurisdiction and to the extent of such invalidity or unenforceability in such jurisdiction without invalidating or rendering unenforceable or ineffective the remaining Sections, Clauses, terms and provisions hereof or rights hereunder in such jurisdiction or the application of such Section, Clause, term or provision or rights hereunder in any other jurisdiction or to circumstances other than those as to which it is specifically held invalid or unenforceable.

Section 5.13 Effective Date.

Section 5.14 Determinations and Actions by the Board of Directors.

All actions, calculations and determinations (including all omissions with respect to the foregoing) which are done or made by the Board of Directors, in good faith, in relation to or in connection with this Agreement, shall not subject the Board of Directors or any director of the Corporation to any liability to the holders of the Rights.

Section 5.15 Rights of Board, Corporation and Offeror.

Without limiting the generality of the foregoing, nothing contained herein shall be construed to suggest or imply that the Board of Directors shall not be entitled to recommend that holders of Voting Shares reject or accept any Take-over Bid or take any other action (including, without limitation, the commencement, prosecution, defence or settlement of any litigation and the submission of additional or alternative Take-over Bids or other proposals to the holders of Voting Shares of the Corporation) with respect to any Take-over Bid or otherwise that the Board of Directors believes is necessary or appropriate in the exercise of its fiduciary duties.

In no event shall the Corporation or the Rights Agent be required to issue or deliver Rights or securities issuable on exercise of Rights to Persons who are citizens, residents or nationals of any jurisdiction other than Canada, the United States or the United Kingdom in which such issue or delivery would be unlawful without registration of the relevant Persons or securities for such purposes, or (until such notice is given as required by law) without advance notice to any regulatory or self-regulatory body.
