PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
SEPTEMBER 21, 2004

=====

GENERAL INFORMATION

=====

GENERAL

This proxy statement and accompanying proxy card are being furnished to stockholders of Carver Bancorp, Inc. in connection with the solicitation of proxies by the Board of Directors of Carver to be used at the annual meeting of stockholders for the fiscal year ended March 31, 2004 ("fiscal 2004") to be held on September 21, 2004 at 10:00 a.m. at The Studio Museum in Harlem, 144 West 125th Street, New York, New York, and at any adjournment or postponement thereof (the "Annual Meeting"). The accompanying Notice of Annual Meeting and proxy card, and this proxy statement, are first being mailed to stockholders on or about August 11, 2004.

Carver Bancorp, Inc., a Delaware corporation, operates as a savings and loan holding company for Carver Federal Savings Bank. In this proxy statement, we refer to Carver Bancorp, Inc. as "Carver" or the "Company" and Carver Federal Savings Bank as "Carver Federal" or the "Bank."

WHO CAN VOTE

The Board of Directors of Carver has fixed the close of business on August 3, 2004 as the record date for determining stockholders entitled to receive notice of and to vote at the Annual Meeting. Only stockholders of record at the close of business on that date will be entitled to vote at the Annual Meeting. As of the close of business on May 31, 2004, the outstanding voting stock of Carver consisted of 2,286,380 shares of common stock, par value \$.01 per share (the "Common Stock"), 40,000 shares of Series A Convertible Preferred Stock, par value \$.01 per share (the "Series A Preferred Stock"), and 60,000 shares of Series B Convertible Preferred Stock, par value \$.01 per share (the "Series B Preferred Stock"). We refer to the Common Stock, Series A Preferred Stock and Series B Preferred Stock individually or collectively as "Voting Stock." The holders of record of a majority of the total number of votes eligible to be cast in the election of directors, represented in person or by proxy at the Annual Meeting, will constitute a quorum for the transaction of business at the Annual Meeting.

HOW MANY VOTES YOU HAVE

Each holder of shares of Common Stock outstanding on August 3, 2004 will be entitled to one vote for each share held of record (other than Excess Shares, as defined below) upon each matter properly submitted at the Annual

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

Meeting.

Each holder of Series A Preferred Stock outstanding on August 3, 2004 is entitled to 2.08333 votes per share on each matter properly submitted at the Annual Meeting. Each holder of Series B Preferred Stock outstanding on August 3, 2004 is entitled to 2.08333 votes per share on each matter properly submitted at the Annual Meeting. The Common Stock, Series A Preferred Stock and Series B

1

Preferred Stock will vote together as a single class on all matters to be voted on at the Annual Meeting. As provided in Carver's Certificate of Incorporation, record holders of Voting Stock who beneficially own in excess of 10% of the outstanding shares of Voting Stock ("Excess Shares") shall be entitled to cast only one one-hundredth of one vote per share for each Excess Share. In addition, as provided in the Certificate of Designations, Preferences and Rights of Series A Convertible Preferred Stock, record holders of Series A Preferred Stock entitled to vote shall not be entitled to a number of votes greater than 4.99% of the outstanding shares of Common Stock (assuming full conversion of the Series A Preferred Stock) in the consideration of any matter submitted for a vote of holders of Common Stock.

A person or entity is deemed to beneficially own shares owned by an affiliate or associate as well as by persons acting in concert with such person or entity. Carver's Certificate of Incorporation authorizes the Board of Directors to interpret and apply the provisions of the Certificate of Incorporation and Bylaws governing Excess Shares and to determine on the basis of information known to it after reasonable inquiry of all facts necessary to ascertain compliance with the Certificate of Incorporation, including, without limitation: (1) the number of shares of Voting Stock beneficially owned by any person or purported owner; (2) whether a person or purported owner is an affiliate or associate of, or is acting in concert with, any other person or purported owner; and (3) whether a person or purported owner has an agreement or understanding with any person or purported owner as to the voting or disposition of any shares of Voting Stock.

HOW YOU CAN VOTE

If you are a stockholder whose shares are registered in your name, you may vote your shares by one of the three following methods:

VOTE BY INTERNET, by going to the web address <http://www.proxyvoting.com/cny> and following the instructions for Internet voting shown on the enclosed proxy card.

VOTE BY PHONE, by dialing 1-800-730-7859 and following the instructions for telephone voting shown on the enclosed proxy card.

VOTE BY PROXY CARD, by completing, signing, dating and mailing the enclosed proxy card in the envelope provided.

If you vote by telephone or Internet, please do not mail your proxy card.

If you return your signed proxy card or use Internet or telephone voting before the Annual Meeting, the named proxies will vote your shares as you direct. You have three choices on each matter to be voted on. For the election of directors, you may (1) vote FOR all the nominees, (2) WITHHOLD your vote from all nominees or (3) WITHHOLD your vote from nominees you designate. See "Proposal One-Election of Directors." For Proposal Two-Ratification of

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

Appointment of Independent Auditors, you may vote "FOR", "AGAINST" or "ABSTAIN" from voting.

IF YOU SEND IN YOUR PROXY CARD OR USE INTERNET OR TELEPHONE VOTING, BUT DO NOT SPECIFY HOW YOU WANT TO VOTE YOUR SHARES, THE NAMED PROXIES WILL VOTE "FOR" THE NOMINEES FOR ELECTION AS DIRECTOR ("PROPOSAL ONE") AND "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS INDEPENDENT AUDITORS FOR CARVER FOR THE FISCAL YEAR ENDING MARCH 31, 2005 ("PROPOSAL TWO").

If you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from the stockholder of record to vote personally at the Annual Meeting. You may receive a separate voting instruction form with this proxy statement, or you may need to contact your

2

broker or other nominee to determine whether you will be able to vote electronically using the Internet or telephone.

VOTES REQUIRED

PROPOSAL ONE. Directors are elected by a plurality of votes cast in person or by proxy at the Annual Meeting. The three nominees receiving the highest number of votes cast in person or by proxy at the Annual Meeting will be elected to the Board of Directors. As such, if you do not vote for a nominee, your vote will not count "for" or "against" the nominee. If you "withhold" authority for any nominee, your vote will not count "for" or "against" the nominee, unless you properly submit a new proxy card or vote at the Annual Meeting. You may not vote your shares cumulatively for the election of directors.

If your shares are held in "street name," your broker may vote your shares without receiving instructions from you. Shares that are not voted by a broker are called "broker non-votes." Shares underlying broker non-votes will have no effect on the election of directors.

PROPOSAL TWO. The ratification of the appointment of KPMG LLP as Carver's independent auditors requires the affirmative vote of the holders of a majority of the number of votes eligible to be cast by the holders of Voting Stock present, in person or by proxy, and entitled to vote at the Annual Meeting. So, if you "abstain" from voting on this proposal, it has the same effect as if you voted "against" the proposal. Broker non-votes will have no effect on the outcome of this proposal.

REVOCABILITY OF PROXIES

If you are a stockholder whose shares are registered in your name, you may revoke your grant of a proxy at any time before it is voted by:

- o filing a written revocation of the proxy with Carver's Secretary;
- o submitting another proper proxy with a more recent date than that of the proxy first given by (1) following the Internet voting instructions, (2) following the telephone voting instructions, or (3) completing, signing, dating and returning a proxy card to the Company; or
- o attending and voting in person at the Annual Meeting.

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

If you are a stockholder whose shares are not registered in your name, you may revoke your proxy by contacting your bank or broker for revocation instructions.

We are soliciting proxies only for the Annual Meeting. If you grant us a proxy to vote your shares, the proxy will be exercised only at the Annual Meeting.

3

DISSENTERS' RIGHT OF APPRAISAL

Pursuant to Delaware corporation law, the actions contemplated to be taken at the Annual Meeting do not create appraisal or dissenters' rights.

INTERESTS OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than for the election of directors, no current or nominated director or executive officer, nor any of their associates, has any direct or indirect interest in any matter to be acted upon at the Annual Meeting.

SOLICITATION OF PROXIES

This proxy is being solicited by the Board of Directors of Carver. In addition to solicitation by mail, certain directors, officers and employees of Carver may solicit proxies for the Annual Meeting from Carver stockholders personally or by telephone or telegram without additional remuneration therefor. Carver will also provide persons, firms, banks and corporations holding shares in their names or in the names of nominees, which in either case are beneficially owned by others, proxy material for transmittal to such beneficial owners and will reimburse such record owners for their expenses in doing so.

Carver has retained the proxy solicitation firm of Morrow & Company, Inc. ("Morrow") to assist in the solicitation of proxies. Pursuant to Carver's agreement with Morrow, Morrow will provide various proxy advisory and solicitation services for Carver at an anticipated cost of \$5,000 plus reasonable out-of-pocket expenses. Carver will bear the entire cost of solicitation of proxies, including the preparation, assembly, printing and mailing of this proxy statement and any additional information furnished to Carver stockholders.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

The following table sets forth, as of May 31, 2004, certain information as to shares of Voting Stock beneficially owned by persons owning in excess of 5% of any class of Carver's outstanding Voting Stock. Except as otherwise indicated, the information provided in the following table was obtained from filings with the Securities and Exchange Commission ("SEC") and with Carver pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Addresses provided are those listed in the filings as the address of the person authorized to receive notices and communications. For purposes of the table below and the table set forth under "Security Ownership of Management," in accordance with Rule 13d-3 under the Exchange Act, a person is deemed to be the beneficial owner, for purposes of these tables, of any shares of stock (1) over which he or she has or shares, directly or indirectly, voting or investment power, or (2) of which he or she has the right to acquire beneficial ownership at any time within 60 days after May 31, 2004. GENERAL

The Certificate of Incorporation of Carver provides that Carver's Board of Directors shall be divided into three classes, as nearly equal in number as possible. The directors of each class serve for a term of three years, with one class elected each year. In all cases, directors serve until their successors are elected and qualified.

Carver's Board of Directors has the discretion to fix the number of directors by resolution and has so fixed this number at eight. The terms of three directors expire at the Annual Meeting. Directors David L. Hinds, Pazel G. Jackson, Jr. and Deborah C. Wright, whose terms are expiring, have been nominated by the Board of Directors to be re-elected at the Annual Meeting to serve for a term of three years and until their respective successors are elected and qualified.

Each nominee has consented to being named in this proxy statement and to serve if elected. However, if any nominee is unable to serve, the shares represented by all properly executed proxies which have not been revoked will be voted for the election of such substitute as the Board of Directors may recommend, or the size of the Board of Directors may be reduced to eliminate the vacancy. At this time, the Board knows of no reason why any nominee might be unavailable to serve.

CORPORATE GOVERNANCE

GENERAL

The Board of Directors of the Company is committed to strong and effective corporate governance measures. The Board has developed, and continues to review, policies and practices covering the operation of the Board and its committees, including their composition and responsibilities, the conduct of Board meetings and the structure and role of the Board's committees and related matters, including those discussed below and throughout this proxy statement. Among these measures are the following:

INDEPENDENCE. Under the Company's Bylaws, at least three members of the Board must be independent under the criteria set forth in the Bylaws and, as a company listed on the American Stock Exchange ("AMEX"), a majority of the Company's Board must be independent under the criteria set forth in the AMEX rules. In addition, pursuant to AMEX rules the respective committee's charter requires that all of the members of the Nominating/Corporate Governance, Compensation and Finance and Audit Committees must be independent.

DIRECTOR TERMS. Directors serve for three-year terms. See "Proposal One--Election of Directors--General."

EXECUTIVE SESSIONS. The Board of Directors holds executive sessions for non-employee directors only at which management is not present. These sessions

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

are presided over by the Chairman of the Board. In addition, the Finance and Audit Committee regularly holds executive sessions at which management is not present, including executive sessions with the Company's independent auditors and internal auditors. Each director also has access to any member of management and the Company's independent auditors.

OUTSIDE ADVISORS. The Board and its committees may retain outside advisors and consultants as they, in their discretion, deem appropriate.

BOARD SELF-EVALUATION. The Nominating/Corporate Governance Committee, among other things, reviews the Company's and the Board's governance profile. In addition, the Board and/or its committees regularly review their role and responsibilities, composition and governance practices.

CORPORATE GOVERNANCE PRINCIPLES

The Board of Directors adopted Corporate Governance Principles during fiscal 2004. From time to time the Board anticipates that it will revise the Corporate Governance Principles in response to changing regulatory requirements, evolving best practices and the concerns of the Company's stockholders and other constituents. The Corporate Governance Principles are published on the Company's website at www.carverbank.com in the Corporate Governance section of the Investor Relations webpage.

14

DIRECTOR INDEPENDENCE DETERMINATION

The Board of Directors has determined that each of its non-management directors is independent according to the Board's independence standards as set out in its Bylaws, Corporate Governance Principles, applicable rules of the SEC and the listing standards of AMEX. They are Carol Baldwin Moody, David L. Hinds, Robert Holland, Jr., Pazel G. Jackson, Jr., Edward B. Ruggiero, Frederick O. Terrell and Strauss Zelnick. Deborah C. Wright was determined not to be independent because she is currently an executive officer of the Company.

COMMUNICATIONS WITH BOARD OF DIRECTORS

The Board of Directors welcomes communications from stockholders. Interested parties may contact the Board of Directors at the following address:

Board of Directors
c/o Secretary
Carver Bancorp, Inc.
75 West 125th Street
New York, NY 10027

Communications may also be sent to individual directors at the above address.

The Company's Secretary has the responsibility to collect mail for directors, forward correspondence directed to an individual director to that director in a timely manner, and to screen correspondence directed to multiple directors or to the full Board in order to forward it to the most appropriate committee chairperson or the full Board given the nature of the correspondence. Communications to the Board or any individual director that relate to the Company's accounting, internal accounting controls or auditing matters will also be referred to the chairman of the Finance and Audit Committee. Other communications will be referred to the appropriate committee chairperson.

FINANCIAL EXPERT, AUDIT COMMITTEE INDEPENDENCE AND FINANCIAL SOPHISTICATION

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

The Board of Directors has determined that Edward B. Ruggiero qualifies as an "audit committee financial expert" and is financially sophisticated, and that each member of the Finance and Audit Committee is independent within the meaning of applicable SEC rules and the listing standards of AMEX.

DIRECTOR SELECTION PROCESS

The Company's Nominating/Corporate Governance Committee is charged with the responsibilities described under "Board and Committee Meetings--Nominating/Corporate Governance Committee" and required by AMEX listing standards.

Among the Nominating/Corporate Governance Committee's responsibilities is to identify and recommend to the Board candidates for election as directors. The committee considers candidates suggested by its members, other directors and stockholders as necessary in anticipation of upcoming director elections and other potential or expected Board vacancies. The committee is also authorized, at the expense of the Company, to retain search firms to identify candidates, as well as external legal, accounting or other advisors. The committee will provide guidance to search firms it retains about the particular qualifications the Board is then seeking. No search firms or other advisors were retained by the committee in fiscal 2004.

15

All director candidates, including stockholder nominees, are evaluated on the same basis. In determining the needs of the Board and the Company, the Nominating/Corporate Governance Committee considers the qualifications of sitting directors and consults with other members of the Board, the Chief Executive Officer ("CEO") and, where appropriate, external advisors. Generally the committee believes that all directors should exemplify the highest standards of personal and professional integrity, should have broad experience in positions with a high degree of responsibility and the ability to commit adequate time and effort to serve as a director, and will assume the responsibility of challenging management through their active and constructive participation and questioning in meetings of the Board and its various committees, as well as in less formal contacts with management.

Director candidates, other than sitting directors, are interviewed by members of the committee and by other directors and the CEO, and the results of those interviews are considered by the committee in its deliberations. The Nominating/Corporate Governance Committee also reviews sitting directors whose terms are nearing expiration, but who may be nominated for re-election, in light of the above considerations and their past contributions to the Board.

The Nominating/Corporate Governance Committee will evaluate director nominations by stockholders that are submitted in accordance with the procedural and informational requirements set forth in the Company's Bylaws and described in this proxy statement under "Additional Information--Notice of Business to be Conducted at Annual Meeting."

CODE OF ETHICS

The Company has adopted a Code of Ethics which applies to the Company's directors and employees and sets forth important Company policies and procedures in conducting the Company's business in a legal, ethical and responsible manner. The Company has also adopted a Code of Ethics for Senior Financial Officers,

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

which applies to the Company's chief executive officer, chief financial officer, controller and other persons performing similar functions, that supplements the Code of Ethics by providing more specific requirements and guidance on certain topics. Dunn, Secretary, Carver Bancorp, Inc., 75 West 125th Street, New York, New York 10027, or by telephoning (212) 876-4747. The Company intends to post on its website any waiver under the codes granted to any of its directors or executive officers. As of the date of this proxy statement, no such waiver has been requested or granted.

Dunn, Secretary, Carver Bancorp, Inc., 75 West 125th Street, New York, New York 10027, or by telephoning (212) 876-4747.

BOARD AND COMMITTEE MEETINGS

The Board of Directors of Carver holds regularly scheduled meetings during the fiscal year to review significant developments affecting Carver and to act on matters requiring Board approval. It also holds special meetings when an important matter requires Board action between scheduled meetings. Members of senior management regularly attend Board meetings to report on and discuss their areas of responsibility. During fiscal 2004, the Board met nine times. No incumbent director attended fewer than

16

75%, in the aggregate, of the total number of Carver Board meetings held while he or she was a member of the Board during fiscal 2004 and the total number of meetings held by committees on which he or she served during such fiscal year.

Carver's Corporate Governance Principles encourage directors to attend the Company's annual meeting of stockholders and all Board meetings and meetings of committees of the Board on which they serve. Although from time to time unforeseen circumstances may arise causing a director's absence from such meetings, all of the Company's directors attended last fiscal year's annual meeting of stockholders.

Carver's Bylaws require that the Company have an executive, finance and audit, nominating/corporate governance, compensation and asset/liability and interest rate risk committee. In October 2002, the Board adopted a charter for each of the Nominating/Corporate Governance Committee and the Compensation Committee. In March 2003, the Board adopted an amended charter for the Finance and Audit Committee. The nature and composition of each of the standing committees of the Company are described below.

EXECUTIVE COMMITTEE. Pursuant to Carver's Bylaws, the Executive Committee is authorized to act as appropriate between meetings of the Board. The members of this committee are Directors Deborah C. Wright (Chairman), Frederick O. Terrell, David L. Hinds, Robert Holland, Jr. and Pazel G. Jackson, Jr. The Executive Committee met seven times during fiscal 2004.

NOMINATING/CORPORATE GOVERNANCE COMMITTEE. The Nominating/Corporate Governance Committee consists of Directors Robert Holland, Jr. (Chairman) and

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

Carol Baldwin Moody. Both members have been determined to be independent directors. The Nominating/Corporate Governance Committee's functions include advising the Board on matters of corporate governance and considering qualifications of prospective Board member candidates, including conducting research to identify and recommend nomination of suitable candidates who are willing to serve as members of the Board, reviewing the experience, background, interests, ability and availability of prospective nominees to meet time commitments of the Board and committee responsibilities, considering nominees recommended by stockholders who comply with procedures set forth in the Company's Bylaws and determining whether any prospective member of the Board has any conflicts of interest which may impair the individual's suitability for such service. The committee has the responsibility to monitor current members of the Board pursuant to the same guidelines used to select candidates. The Nominating/Corporate Governance Committee is also responsible for identifying best practices and developing and recommending to the Board a set of corporate governance principles applicable to Carver and for periodically reviewing such principles.

The committee met one time during fiscal 2004. The Nominating/Corporate Governance Committee also met on June 22, 2004 to nominate directors for election at the Annual Meeting. Only those nominations made by the Nominating/Corporate Governance Committee and approved by the Board will be voted upon at the Annual Meeting. For a description of the proper procedure for stockholder nominations, see "Additional Information--Notice of Business to be Conducted at Annual Meeting" in this proxy statement.

COMPENSATION COMMITTEE. The Compensation Committee consists of Directors Strauss Zelnick (Chairman) and Edward B. Ruggiero. Both members have been determined to be independent directors. The Compensation Committee evaluates the performance of the Company's CEO and approves her compensation in consultation with the non-management members of the Board of Directors and, based on recommendations from management, reviews and approves senior management's compensation and approves compensation guidelines for all other officers. The Compensation Committee administers the Company's management recognition, incentive compensation and stock option plans and, in consultation

17

with senior management, reviews and approves compensation policies. The Compensation Committee met two times during fiscal 2004.

FINANCE AND AUDIT COMMITTEE. The Finance and Audit Committee of Carver consists of Directors David L. Hinds (Chairman), Carol Baldwin Moody, Pazel G. Jackson, Jr. and Edward B. Ruggiero. All members have been determined to be independent directors. The Finance and Audit Committee's primary duties and responsibilities are to:

- o monitor the integrity of Carver's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance;
- o manage the independence and performance of Carver's independent public auditors and internal auditing department;
- o monitor the process for adhering to laws, regulations, the Company's Code of Ethics and the Code of Ethics for Senior Financial Officers; and
- o provide an avenue of communication among the

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

independent auditors, management, the internal auditing department and the Board of Directors.

Other specific duties and responsibilities include reviewing Carver's disclosure controls and procedures, internal controls, Carver's periodic filings with the SEC and earnings releases; producing the required audit committee annual report for inclusion in Carver's proxy statement; and overseeing complaints concerning financial matters. The report of the Finance and Audit Committee is contained on page 33. The Finance and Audit Committee met nine times during fiscal 2004, including meetings to review the Company's annual and quarterly financial results prior to their public issuance.

ASSET/LIABILITY AND INTEREST RATE RISK COMMITTEE. The Asset/Liability and Interest Rate Risk Committee consists of Directors Pazel G. Jackson, Jr. (Chairman), David L. Hinds, Robert Holland, Jr. and Deborah C. Wright. The Asset/Liability and Interest Rate Risk Committee monitors activities related to asset/liability management and interest rate risk, including the approval or ratification of mortgage loans and the establishment of guidelines related to risk, purchase or sale of loans and investments, and management of interest rate, credit and liquidity risk against objectives and risk limitations set forth in Carver Federal's policies. The committee met nine times during fiscal 2004.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

Applicable law requires that all loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. Carver Federal offers loans to its directors, officers and employees, which loans are made in the ordinary course of business and are not made with more favorable terms nor do they involve more than the normal risk of collectibility or present unfavorable features. Furthermore, loans above the greater of \$25,000, or 5% of Carver Federal's capital and surplus (up to \$500,000), to Carver Federal's directors and executive officers must be approved in advance by a disinterested majority of Carver Federal's Board of Directors. As of the date of this proxy statement, neither Carver nor Carver Federal had made any loans or extensions of credit to executive officers or directors.

18

STOCK OWNERSHIP

Carver encourages its officers and directors to own stock in Carver, and a portion of the compensation of its officers and directors is stock-based, as described below under "Compensation of Directors and Executive Officers." The Company's Corporate Governance Principles encourage directors to hold a meaningful number of shares in the Company, and, so long as they remain on the Board of Directors, Board members are expected to retain a majority of the shares of Company common stock purchased in the open market or received pursuant to their service as Board members. Information regarding stock ownership of Carver's directors and executive officers is set forth under "Security Ownership of Certain Beneficial Owners and Management."

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires Carver's directors and executive officers, and persons who own more than ten percent of a registered

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

class of Carver's equity securities, to file reports of ownership and changes in ownership with the SEC and the American Stock Exchange. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish Carver with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports of ownership furnished to Carver, or written representations that no forms were necessary, Carver believes that, during the last fiscal year, all filing requirements applicable to its directors, officers and greater than ten percent stockholders of the Company were complied with.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

=====

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

THIS REPORT IS FURNISHED BY CARVER'S COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS AS REQUIRED BY THE RULES OF THE SEC UNDER THE EXCHANGE ACT. THE REPORT OF THE COMPENSATION COMMITTEE AND THE PERFORMANCE GRAPH SHALL NOT BE DEEMED TO BE INCORPORATED BY REFERENCE BY ANY GENERAL STATEMENT INCORPORATING BY REFERENCE THIS PROXY STATEMENT INTO ANY FILING UNDER THE SECURITIES ACT OR THE EXCHANGE ACT, EXCEPT TO THE EXTENT THAT CARVER SPECIFICALLY INCORPORATES THIS INFORMATION BY REFERENCE, AND SHALL NOT OTHERWISE BE DEEMED TO BE FILED UNDER THE SECURITIES ACT OR THE EXCHANGE ACT.

The Compensation Committee is responsible for establishing the policies that govern employee compensation and stock ownership programs. The Compensation Committee annually reviews and makes recommendations to the Board of Directors regarding the compensation of Carver's executive officers, including the compensation of the CEO of Carver and Carver Federal. The overall compensation structure of Carver is aimed at establishing a total compensation package that incentivizes and rewards strong Carver and individual performance. Benefit plans, consisting of a 401(k) Plan, ESOP and group insurance coverage, are designed to provide for the health and welfare of employees, including executive officers, and their families, as well as for their long-term financial and retirement needs.

The Compensation Committee reviews and updates Carver's compensation program on an ongoing basis and utilizes the services of a nationally recognized compensation consultant to review Carver's executive pay practices to ensure that executive salaries and equity award levels remain competitive with Carver's market for executive talent. Recommendations of and rationale by Carver's CEO are taken into consideration during such review, except that the CEO does not participate in the committee's decision regarding her own compensation. Levels of total compensation for executive officers and key managers are designed to be competitive with cash compensation levels paid to executives at banking and thrift institutions of comparable size. After review by the Compensation Committee, effective September 2004 base salaries at year end fiscal 2004 were increased 3.4% on average for executive officers, a level deemed appropriate using the above criteria.

Long-term incentives are provided to executive officers in the form of stock option and restricted stock awards under the Option Plan and the MRP. These plans are designed to provide incentives for longer-term positive

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

performance of executive officers and to align their financial interests to those of Carver's stockholders by providing executives the opportunity to participate in the appreciation of Carver's Common Stock that may occur after the date of grant of such restricted stock awards or options. A vesting schedule for awards provides incentives for executive officers to remain employed by Carver. In addition to the Option Plan and MRP, Carver provides stock benefits to its employees, including its executive officers, through the ESOP. Pursuant to the ESOP, each of Carver's executive officers who has been employed since 2001 has an individual account within the ESOP Trust that is invested primarily in employer securities, with the result that a portion of each such executive officer's long-term retirement savings is tied to the performance of Carver. Options to purchase from 1,100 to 5,350 shares of Common Stock were granted under the Option Plan to executive officers, other than the CEO, for fiscal 2004. Between 500 and 1,000 restricted stock awards under the MRP were granted to each executive officer, other than the CEO, for fiscal 2004.

20

CHIEF EXECUTIVE OFFICER. Carver's CEO, Deborah C. Wright, was hired as of June 1, 1999. The terms of Ms. Wright's employment and compensation are set forth in employment agreements between Ms. Wright and Carver and Carver Federal. The Compensation Committee recognizes the significant additional efforts required of the CEO in bringing about Carver's successful operations in fiscal 2004.

The Compensation Committee in June 2004 extended her contract for an additional year, increased Ms. Wright's yearly salary to \$310,000, a 3.3% increase from the prior year, and awarded Ms. Wright an annual bonus for fiscal 2004 of \$130,500 in cash, a grant of 2,500 shares of restricted stock under the MRP, which will vest in equal installments over a three year period, and an option to purchase 15,000 shares of Common Stock, which will become exercisable in equal installments over a three year period. The Compensation Committee determined this level of compensation and the composition thereof based on a review of Carver and Ms. Wright's performance for the fiscal year versus objective criteria set by the Compensation Committee in three critical areas, institutional restructuring, strategic initiatives and financial performance, and a report prepared by the nationally recognized compensation consultant regarding competitive levels of CEO compensation.

between members of the Compensation Committee or executive officers of the Company, and corporate affiliates of members of the Compensation Committee or otherwise.

DIRECTORS' COMPENSATION

DIRECTORS' FEES. Carver's non-employee directors receive \$600 for each meeting of Carver's Board of Directors (or board meetings of subsidiaries) that they attend, except that the Chairman receives a fee of \$850 per meeting. Fees for Executive Committee meetings are \$700 per meeting and \$475 for all other committee meetings. In addition, each non-employee director receives a \$10,000 annual retainer, except for the Chairman of the Board who receives \$15,000. Each committee chairman receives an additional retainer of \$1,500, except for the chairman of the Finance and Audit Committee who receives \$2,500. These annual retainers may be paid on a quarterly basis. Directors who are officers of or are employed by the Company or any of its subsidiaries are not additionally compensated for their Board and committee activities. Directors of Carver also serve as directors of Carver Federal and its subsidiaries, but do not receive additional fees for service as directors of Carver Federal or such subsidiaries for meetings held on the same date. Directors may opt to receive their fees in cash, stock or stock options under the Carver Bancorp, Inc. Compensation Plan for Non-Employee Directors.

OPTION PLAN. Carver maintains the Carver Bancorp, Inc. 1995 Stock Option Plan (the "Option Plan") for the benefit of its directors and certain key employees. Any individual who becomes an outside director following the

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

effective date of the Option Plan will be granted options to purchase 1,000 shares of Common Stock with an exercise price equal to the greater of \$10.38 per share or the fair market value of a share of Common Stock on the date of the grant. Options granted under the Option Plan generally vest in five equal annual installments commencing on the first anniversary of the effective date of the grant, provided the recipient is still a director of Carver or Carver Federal on such date. In September 1997, the Option Plan was amended to provide the Compensation Committee with discretion to grant stock options that will vest and become exercisable pursuant to a vesting schedule that differs from the Option Plan's standard five-year schedule. The Option Plan continues to provide that, upon the death or disability of an option holder, all options previously granted to such individual will automatically become exercisable. In February 2001, the stockholders of Carver approved an amendment to the Option Plan to increase the number of shares of Common Stock available for issuance under the Option Plan by 200,000.

MANAGEMENT RECOGNITION PLAN. Carver maintains the MRP for the benefit of its directors and certain key employees. Any individual who becomes an outside director following the effective date of the MRP will be granted 1,000 shares of restricted stock. Awards granted under the MRP will generally vest in five equal annual installments commencing on the first anniversary date of the award, provided the recipient is still a director of Carver or Carver Federal on such date. Awards will become 100% vested upon termination of service due to death or disability. When shares become vested and are distributed, the recipients will receive an amount equal to any accrued dividends with respect thereto. The MRP was amended in September 1997 to permit the Compensation Committee, in its discretion, to grant restricted stock awards with vesting schedules that differ from the MRP's standard five-year schedule and, in September 2003, the stockholders of Carver approved an amendment to the MRP to increase the number of shares of Common Stock available for issuance under the MRP by 50,000.

EMPLOYMENT AGREEMENTS

As of June 1, 1999, both Carver and Carver Federal entered into employment agreements to secure the services of Deborah C. Wright as President and CEO. The employment agreement with Carver is intended to set forth the aggregate compensation and benefits payable to Ms. Wright for all services rendered to Carver and any of its subsidiaries, including Carver Federal, and to the extent that payments under Carver's employment agreement and Carver Federal's employment agreement are duplicative, payments due under Carver's employment agreement would be offset by amounts actually paid by Carver Federal for services rendered to it. Both employment agreements provide for an initial term of three years beginning June 1, 1999 and, pursuant to the terms of the employment agreements, each year thereafter have been extended an additional year following a review by the Compensation Committee and the Board of Carver and Carver Federal of Ms. Wright's performance.

The employment agreements with the President and CEO provided for an initial annual base salary of \$235,000 which is reviewed annually by the Board. In June 2004, Ms. Wright's annual base salary was increased to \$310,000 effective September 1, 2004. Under the agreements, as of June 1, 1999 Ms. Wright received a restricted stock award of 7,500 shares of Common Stock, the grant of an option to purchase 30,000 shares of Common Stock and, effective June 1, 2000, the grant of an option to purchase an additional 30,000 shares of Common Stock, all of which have vested or are exercisable as of the date of this proxy statement. In addition, the employment agreements provide for an annual incentive payment based on the achievement of certain performance goals, future grant of stock awards, a supplemental retirement benefit, additional life insurance protection and participation in the various employee benefit plans maintained by Carver and Carver Federal from time to time. The agreements also provide customary corporate indemnification and errors and omissions insurance coverage throughout the term of the agreements and for six years thereafter.

Carver Federal or Carver may terminate Ms. Wright's employment at any time for cause as defined in the employment agreements. In the event that Carver or Carver Federal terminates Ms. Wright's employment for reasons other than for cause, she would be entitled to a severance benefit equal in value to the cash compensation, retirement and other fringe benefits she would have earned had she remained employed for the remaining term of the agreements. The same severance benefits would be available if Ms. Wright resigns during the term of the employment agreements following a loss of title, office or membership on the Board; a material reduction in her duties, functions or responsibilities; involuntary relocation of her principal place of employment by over 30 miles from its location as of June 1, 1999; other material breaches of contract by Carver or Carver Federal that are not cured within 30 days; or, in certain circumstances, a change in control. In the event of a change in control, the

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

remaining term of Ms. Wright's agreement with Carver at any point in time will be three years unless written notice of non-renewal is given by the Board or Ms. Wright.

A portion of the severance benefits payable to Ms. Wright under her employment agreements in the event of a change in control might constitute "excess parachute payments" under current federal tax

25

laws. Federal tax laws impose a 20% excise tax, payable by the executive, on excess parachute payments. In the event that any amounts paid to Ms. Wright following a change of control would constitute "excess parachute payments," Ms. Wright's employment agreement with Carver provides that she will be indemnified for any excise taxes imposed due to such excess parachute payments, and any additional income and employment taxes imposed as a result of such indemnification of excise taxes. Any excess parachute payments and indemnification amounts paid will not be deductible compensation expenses for Carver or Carver Federal.

Effective June 3, 2002, Carver Federal entered into an employment agreement to secure the services of Catherine A. Papayiannis as Executive Vice President and Chief Operating Officer. The employment agreement with Carver Federal is intended to set forth the aggregate compensation and benefits payable to Ms. Papayiannis for all services rendered to Carver Federal and any of its direct or indirect subsidiaries. The employment agreement provides for an initial term of two years beginning June 3, 2002. Prior to the first anniversary date of the agreement, and each anniversary date thereafter, the term of the agreement may be extended an additional year after a review by the Board of Carver Federal of Ms. Papayiannis' performance. During June 2004, the Compensation Committee and the Board extended the agreement for an additional year.

Ms. Papayiannis' employment agreement provided for an initial annual base salary of \$210,000 which is reviewed annually by the Board. Under the agreement, on June 3, 2002, Ms. Papayiannis was awarded a restricted stock award of 3,000 shares of Common Stock, which vests in equal installments over a three year period, the grant of an option to purchase 15,000 shares of Common Stock and, effective June 3, 2003, the grant of an option to purchase an additional 10,000 shares of Common Stock, which will become exercisable in equal installments over a three year period after the grant date. In addition, the employment agreement provides for an annual incentive payment based on the achievement of certain performance goals and participation in the various employee benefit plans maintained by Carver Federal from time to time. The agreement also provides customary corporate indemnification and errors and omissions insurance coverage throughout the term of the agreement and for six years thereafter.

Carver Federal may terminate Ms. Papayiannis' employment at any time for cause as defined in her employment agreement. In the event that Carver Federal terminates Ms. Papayiannis' employment for reasons other than for cause, she would be entitled to a severance benefit equal in value to the cash compensation, retirement and other fringe benefits she would have earned had she remained employed for the remaining term of her employment agreement.

LETTER AGREEMENTS. Carver Federal has entered into letter employment agreements with each of Mr. Gray, Ms. Dunn and Ms. Peterson (each an "Executive"). Generally, each letter employment agreement (each, a "Letter Agreement") provides for "at-will" employment and compensation in the form of base salary, annual discretionary bonus, stock options, restricted stock and, in

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

certain instances, a one-time payment. Under the Letter Agreements, Mr. Gray received stock options to purchase 5,060 shares of common stock, and Ms. Dunn and Ms. Peterson received stock options to purchase 4,000 shares of common stock, such options vesting in three equal annual installments such that the first installment vested at the end of the first year of employment (except in the case of Ms. Peterson, which first installment vested on March 31, 2001). Mr. Gray was granted 1,013 shares of restricted stock, and Ms. Dunn and Ms. Peterson were granted 1,000 shares of restricted stock under their respective Letter Agreement, which vest in three equal installments such that the first installment vests at the end of the first year of employment (except in the case of Ms. Peterson, which first installment vested on March 31, 2001). Ms. Peterson received a one-time payment of \$75,000 on March 31, 2001 in consideration for a relinquished bonus in connection with her former employer.

26

CHANGE IN CONTROL ARRANGEMENTS

During fiscal 2004, Carver Federal entered into certain change-in-control agreements with certain executives. Ms. Papayiannis' employment agreement was amended effective September 15, 2003 to add certain change of control arrangements. If a change of control has occurred and Ms. Papayiannis is terminated for reasons other than for cause, she would be entitled to (i) continued medical, life and disability benefits for two years; (ii) a lump sum payment equal to two years' salary; (iii) an amount equal to two times her highest incentive compensation; and (iv) a cash payment equal to the value of restricted stock and the difference between fair market value and purchase price of stock options, whether or not vested if she chooses to surrender them. The same severance benefits would be available if Ms. Papayiannis resigns during the term of her employment agreement following a loss of title; a material reduction in her duties, functions or responsibilities; involuntary relocation of her principal place of employment so that her commuting distance is more than 50 miles from her address; other material breaches of contract by Carver Federal that are not cured within 30 days; or, in certain circumstances, a change in control. Under the amendment to her employment agreement, if any amounts paid to Ms. Papayiannis following a change of control would constitute an "excess parachute payment" under federal tax law, and if the amount by which such parachute payments would have to be reduced to avoid the imposition of the excise tax is less than or equal to the amount of the excise tax without the reduction, then the amount payable will be reduced so that there is no excise tax. If payments are reduced, Ms. Papayiannis may choose which payments and benefits will be reduced. If the amount of the parachute payments which would need to be reduced to avoid the excise tax are greater than the amount of the excise tax, then the full amount would be paid. Carver has agreed to make any payments which may not be made by Carver Federal due to specified regulatory restrictions on payments.

Carver Federal entered into an amendment to Mr. Gray's Letter Agreement, effective as of May 11, 2004. The amendment applies only if Mr. Gray's employment is terminated following a change in control which occurs during the employment term. The employment term is from May 11, 2004 through May 11, 2006 and may be extended prior to the first anniversary date of the agreement and each anniversary date thereafter after a review by the Board of Carver Federal. Carver Federal may terminate Mr. Gray's employment at any time for cause as defined in his Letter Agreement, as amended. In the event that Carver Federal terminated Mr. Gray's employment for reasons other than cause, he would be entitled to a change in control benefit equal to (i) continued medical, life, and disability benefits for two years, (ii) a lump sum payment equal to two years' salary and (iii) an amount equal to two times his highest incentive compensation award. The same severance benefits would be available if Mr. Gray

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

resigns during the term of his Letter Agreement following a loss of title; a material reduction in his duties, functions or responsibilities; involuntary relocation of his principal place of employment so that his commuting distance is more than 50 miles from his address; or other material breaches of contract by Carver Federal that are not cured within 30 days. If any amounts paid to Mr. Gray following a change in control would constitute an "excess parachute payment" under federal tax law, and if the amount by which such parachute payments would have to be reduced to avoid the imposition of the excise tax is less than or equal to the amount of the excise tax without the reduction then the amount payable will be reduced so that there is no excise tax. If payments are reduced, Mr. Gray may choose which payments and benefits will be reduced. If the amount of the parachute payments which would need to be reduced to avoid the excise tax are greater than the amount of the excise tax, then the full amount would be paid. Carver has agreed to make any payments which may not be made by Carver Federal due to specified regulatory restrictions.

BENEFIT PLANS

PENSION PLAN. The Bank maintains the Carver Federal Savings Bank Retirement Income Plan, a noncontributory, tax-qualified defined benefit plan (the "Pension Plan"). The Pension Plan was amended such that future benefit accrual ceased as of December 31, 2000. Since that date no new participants were eligible to enter into the Pension Plan, and participants as of such date have not been credited with additional years of service or increased compensation.

The following table sets forth the estimated annual benefits that would be payable under the Pension Plan in the form of a single life annuity before reduction for the social security amount upon retirement at the normal retirement date. The amounts are expressed at various levels of compensation and years of service.

Final Earnings(1)	Years of Credited Service			
	15	20	25	30
-----	--	--	--	--
\$ 100,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 50,000
150,000	75,000	75,000	75,000	75,000
200,000(2)	100,000	100,000	100,000	100,000
250,000(2)	125,000	125,000	125,000	125,000
300,000(2)	150,000	150,000	150,000	150,000
350,000(2)	175,000	175,000	175,000	175,000
400,000(2)	200,000	200,000	200,000	200,000

(1) Final earnings equal the average of the participant's highest three consecutive calendar years of taxable compensation during the last 10 full calendar years of employment prior to termination, or the average of the participant's annual compensation over his or her total service, if less.

(2) Under Section 401(a)(17) of the Code, a participant's compensation in excess of \$200,000 (as adjusted to reflect cost-of-living increases) is disregarded for purposes of determining final earnings. The amounts shown in the table include the supplemental retirement benefits payable to Ms.

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

Wright under her employment agreement to compensate for the limitation on includible compensation.

Participants become 100% vested after five years of service or upon death or termination of the Pension Plan, regardless of the participant's years of service. As of December 31, 2000, of the Named Executive Officers only Ms. Wright was a participant in the Pension Plan. For purposes of determining benefits under the Pension Plan, Ms. Wright's final earnings (as defined) counted under the Pension Plan were \$244,813, and her credited service was 1 year and 7 months.

MANAGEMENT RECOGNITION PLAN. The MRP provides for automatic grants of restricted stock to certain employees as of the date that the MRP became effective (June 1995). In addition, the MRP provides for additional discretionary grants of restricted stock to those employees selected by the committee established to administer the MRP, currently the Compensation Committee. Awards generally vest in three to five equal annual installments commencing on the first anniversary date of the award, provided the recipient is still an employee of Carver or Carver Federal on such date. When shares become vested and are distributed, the recipients will receive an amount equal to any accrued dividends with respect thereto.

INCENTIVE COMPENSATION PLAN. The Incentive Compensation Plan ("ICP") provides for grants of cash bonuses, restricted stock and stock options to employees selected by the Compensation Committee. The amounts of such awards are automatic and non-discretionary based upon a formula determined by Carver's performance in comparison to a peer group of thrifts. Awards of restricted stock and stock options generally vest in five equal annual installments commencing on the first anniversary date of the award, provided the recipient is still an employee of Carver or Carver Federal on such date. Awards will become 100% vested upon termination of service due to death or disability or upon a change of control. When shares become vested and are distributed, the recipients will receive an amount equal to any accrued dividends with respect thereto.

OPTION PLAN. The Option Plan provides for automatic option grants to certain employees as of date that the Option Plan became effective (June 1995). In addition, the Option Plan provides for additional discretionary option grants to those employees selected by the committee established to administer the Option Plan, currently the Compensation Committee, with an exercise price equal to the fair market value of a share of Common Stock on the date of the grant. PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

=====

GENERAL

The Finance and Audit Committee of the Board of Directors of Carver has

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

appointed the firm of KPMG LLP as independent auditors for Carver for the fiscal year ending March 31, 2005 and the Board of Directors has determined that it would be desirable to request that stockholders ratify such appointment. Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The appointment of KPMG LLP is being submitted for ratification at the Annual Meeting with a view towards soliciting stockholders opinions, which the Finance and Audit Committee will take into consideration in future deliberations. Stockholder approval is not required for the appointment of KPMG LLP since the Finance and Audit Committee of the Board of Directors has direct responsibility for selecting auditors.

AUDITOR FEE INFORMATION

KPMG's fees billed for fiscal 2004 and the fiscal year ended March 31, 2003 were as follows:

	\$ IN THOUSANDS	2004	2003
	-----	----	----
Audit fees (a)		\$225.0	\$250.0
Audit-related fees (b)		3.5	-
Tax fees (c)		67.5	47.5
All other fees (d)		10.0	136.0
		-----	-----
Total		\$306.0	\$433.5

- (a) Fees billed for services associated with the annual audit, reviews of the Company's quarterly reports on Form 10-Q, preliminary planning and initial review activities related to internal control reporting and accounting consultations.
- (b) Fees billed for employee benefit plan audits.
- (c) Fees billed for professional tax services and the preparation of income tax returns.
- (d) In fiscal 2004, fees related to abandoned property filings for the State of New York. In fiscal 2003, \$120,000 for advisory fees related to the establishment of the Bank's real estate investment trust and \$16,000 for work related to abandoned property filings for the State of New York.

PRE-APPROVAL POLICY FOR SERVICES BY INDEPENDENT AUDITORS

During fiscal 2004, the Finance and Audit Committee of Carver's Board of Directors preapproved the engagement of KPMG LLP to provide non-audit services and considered whether, and determined that, the provision of such other services by KPMG LLP is compatible with maintaining KPMG LLP's independence.

Edgar Filing: CARVER BANCORP INC - Form DEF 14A

pre-approve all audit and permissible non-audit services provided by KPMG LLP consistent with applicable SEC rules. Under the policy, prior to the engagement of the independent auditors for the next year's audit, management submits an aggregate of services expected to be rendered during that year for each of the four categories of services described above to the Finance and Audit Committee for approval. Prior to engagement, the Finance and Audit Committee pre-approves these services by category of service. The fees are budgeted and the Finance and Audit Committee will receive periodic reports from management on actual fees versus the budget by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditors for additional services not contemplated in the pre-approval. In those instances, the Finance and Audit Committee requires specific pre-approval before engaging the independent auditor.

The Finance and Audit Committee has delegated pre-approval authority, subject to certain limits, to the chairman of the committee. The chairman is required to report, for informational purposes, any pre-approval decisions to the Finance and Audit Committee at its next regularly scheduled meeting.

REPORT OF THE FINANCE AND AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

THIS REPORT IS FURNISHED BY THE CARVER FINANCE AND AUDIT COMMITTEE OF THE BOARD OF DIRECTORS AS REQUIRED BY THE RULES OF THE SEC UNDER THE EXCHANGE ACT. THE REPORT OF THE FINANCE AND AUDIT COMMITTEE SHALL NOT BE DEEMED TO BE INCORPORATED BY REFERENCE BY ANY GENERAL STATEMENT INCORPORATING BY REFERENCE THIS PROXY STATEMENT INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED ("SECURITIES ACT"), OR THE EXCHANGE ACT, EXCEPT TO THE EXTENT THAT CARVER SPECIFICALLY INCORPORATES THIS INFORMATION BY REFERENCE, AND SHALL NOT OTHERWISE BE DEEMED TO BE FILED UNDER THE SECURITIES ACT OR THE EXCHANGE ACT.

On March 25, 2004 the Board of Directors adopted an amended written charter that sets forth the Finance and Audit Committee's duties and responsibilities and reflects applicable American Stock Exchange rules and SEC regulations.

All members of the Finance and Audit Committee have been determined to be independent as defined in the American Stock Exchange's listing standards. The Board of Directors has determined that Edward B. Ruggiero qualifies as an "audit committee financial expert." The Finance and Audit Committee received the required written disclosures and letter from KPMG LLP, Carver's independent accountants, required by Independence Standards Board Standard No. 1, as amended or supplemented, and has discussed with KPMG LLP its independence. The Finance and Audit Committee reviewed and discussed with the Company's management and KPMG LLP the audited financial statements of the Company contained in the Company's fiscal 2004 annual report on Form 10-K. The Finance and Audit Committee has also discussed with KPMG LLP the matters required to be discussed pursuant to the Codified Statements on Auditing Standards (SAS 61), as amended or supplemented.

Throughout the year, the Finance and Audit Committee had full access to management and the independent and internal auditors for the Company. The Finance and Audit Committee consulted with advisors regarding the Sarbanes-Oxley Act of 2002, the American Stock Exchange's corporate governance listing standards and the corporate governance environment in general and considered any additional requirements of the Finance and Audit Committee as well as additional procedures or matters the Finance and Audit Committee should consider. During fiscal 2004, the Finance and Audit Committee approved the retention of the Company's independent accounting firm, KPMG LLP, and received the Board's ratification of this decision. The Finance and Audit Committee acts only in an oversight capacity and necessarily relies on the assurances and work of the Company's management and independent auditors who expressed an opinion on the Company's annual financial statements.

Based on its review and discussions described in the immediately preceding paragraph, the Finance and Audit Committee recommended to the Board of Directors that the audited financial statements included in the Company's fiscal 2004 annual report on Form 10-K be included in that report.
