**Item 8.01 Other Events.**

Corillian has executed a letter of intent outlining the terms of a potential acquisition of a company that provides products and services related to Corillian's business. The purchase price for the acquisition is approximately \$5.5 million, subject to certain adjustments. The letter of intent contemplates that Corillian would issue Corillian common stock for 40% of the purchase price and that it would pay cash for the remainder of the purchase price. Neither Corillian nor the potential seller is under any current obligation to proceed with the transaction. The transaction remains subject to, among other things, completion of due diligence, negotiation of appropriate agreements and obtaining corporate and third-party approvals.
