On October 28, 2001, EchoStar Communications Corporation (EchoStar) announced the signing of definitive agreements with General Motors Corporation (GM) and its subsidiary Hughes Electronics Corporation (Hughes), providing for the spin-off of Hughes from GM and the merger of Hughes with EchoStar. In connection with the merger, at least \$5.525 billion of total financing is expected to be required, which we intend to fund in the capital markets on or prior to closing through equity offerings, debt offerings, bank debt or a combination thereof and possibly through privately negotiated transactions. A portion of this financing may be raised by wholly-owned subsidiaries of EchoStar, EchoStar Broadband Corporation and/or EchoStar DBS Corporation. EchoStar has obtained \$2.7625 billion bridge commitments from each of Deutsche Bank and Credit Suisse First Boston which in certain circumstances may be drawn down in the event EchoStar is unable to raise the full \$5.525 billion in the capital markets. As compensation for extension of the bridge commitments, EchoStar has paid a total of approximately \$55 million to Deutsche Bank and Credit Suisse First Boston.

In connection with the proposed transactions, GM, Hughes and EchoStar intend to file relevant materials with the Securities and Exchange Commission, including one or more Registration Statement(s) on Form S-4 that contain a prospectus and proxy/consent solicitation statement. Because those documents will contain important information, holders of GM \$1-2/3 and GM Class H common stock are urged to read them, if and when they become available. When filed with the SEC, they will be available for free at the SEC's website, www.sec.gov, and GM stockholders will receive information at an appropriate time on how to obtain transaction-related documents for free from GM. Such documents are not currently available.

GM and its directors and executive officers, Hughes and certain of its officers, and EchoStar and certain of its executive officers may be deemed to be participants in GM's solicitation of proxies or consents from the holders of GM \$1-2/3 common stock and GM Class H common stock in connection with the proposed transactions. Information regarding the participants and their interests in the solicitation was filed pursuant to Rule 425 with the SEC by EchoStar on November 1, 2001. Investors may obtain additional information regarding the interests of the participants by reading the prospectus and proxy/consent solicitation statement if and when it becomes available.

This communication shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.
