Financing and Fees

We financed the purchase price of Gwinnett Professional Center through: (1) the assumption of a \$6,000,000 loan from LaSalle Bank National Association, or LaSalle, secured by the property, and (2) funds raised through this offering. An acquisition fee of \$279,000, or 3.0% of the aggregate purchase price, was paid to our advisor and its affiliate.

The secured loan from LaSalle has an unpaid principal balance of \$5,734,000 and bears interest at a rate of 5.88% per annum. The secured loan provided for an initial payment to be made on the first day on which the principal was advanced, which was paid by the original borrower, and provides for the following payments thereafter: (a) principal and interest payments equal to \$35,511.44 on the 1st day of each month commencing on February 1, 2004 through and including December 1, 2013 and (b) the outstanding principal balance, together with all accrued but unpaid interest, on January 1, 2014. The monthly payments are based on an assumed amortization

schedule of three hundred sixty (360) months. The loan provides for a default interest rate equal to the lesser of: (a) 10.88% or (b) the maximum amount permitted by applicable law. The loan also provides for late charges in an amount equal to the lesser of: (a) 5.0% of such unpaid sum or (b) the maximum amount permitted by applicable law, for any sum not paid within five days of the date it is due. Prepayment of the loan in whole or in part is generally not allowed. Performance under the assumed promissory note has been guaranteed by NNN Healthcare/Office REIT, Inc. The loan documents contain customary representations, warranties, covenants and indemnities, as well as provisions for reserves and impounds. The material terms of the loan are qualified in their entirety by the terms of a Loan Assumption and Substitution Agreement, an Allonge to Note, an original promissory note, a Deed to Secure Debt, Assignment of Rents and Security Agreement and other related loan documents.
