### SELLING SECURITYHOLDERS

The information appearing in the table below supplements and amends the information with respect to the selling securityholder in the table appearing under the heading Selling Securityholders in the prospectus. The information is based solely on information provided to us by or on behalf of the selling securityholder on or prior to February 15. 2008. The number of Brandywine common shares issuable upon exchange of the notes shown in the table below represents the maximum number of Brandywine common shares issuable upon exchange of the notes assuming exchange of the full amount of notes held by each holder at the initial exchange rate of 25.4065 Brandywine common shares per \$1,000 principal amounts of the notes. This exchange rate is subject to adjustments in certain circumstances. Because the selling securityholder may offer all or some portion of the notes or Brandywine common shares issuable upon exchange of the notes, we have assumed for purposes of the table below that the named selling securityholder will sell all of the notes or exchange all of the notes and sell all of the Brandywine common shares issuable upon exchange of the notes offered pursuant to this prospectus supplement and the prospectus. In addition, the selling securityholder identified below may have sold, transferred or otherwise disposed of all or a portion of their notes since the date on which they provided the information regarding their notes in transactions exempt from the registration requirements of the Securities Act. Information about the selling securityholder may change over time. Any changed information given to us by the selling securityholder will be set forth in a prospectus supplement if and when necessary or, if appropriate, a post-effective amendment to the registration statement of which this prospectus supplement and the prospectus is a part. Because the selling securityholder may offer all or some of its notes or the underlying Brandywine common shares from time to time, we cannot estimate the amount of notes or underlying Brandywine common shares that will be held by the selling securityholder upon the termination of any particular offering. See "Plan of Distribution in the prospectus for further information.
