Item 2.02 Results of Operations and Financial Condition.

On February 23, 2011, Lithia Motors, Inc. issued a press release announcing financial results for the 2010 4th quarter and year end. A copy of the press release is attached as Exhibit 99.1. The company is also providing a copy of its Fourth Quarter 2010 Company Slide Deck Update as Exhibit 99.2.

Item 5.02(e) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers.

The Board of Directors approved the implementation of a Non-Qualified Deferred Compensation and Long-Term Incentive Plan (Plan) for a select group of management or highly compensated employees, which includes its Senior Management Team. The purpose of the Plan is to create a competitive compensation package that provides a cost effective retirement program to recruit and retain key personnel.

The Plan will permit eligible executives to defer a portion of their compensation and also provides for discretionary contributions to be made by the Company. The Company intends to use corporate owned life insurance to fund its Obligations under the Plan. Balances in the Plan will receive a guaranteed rate of return at a rate determined annually by the Compensation Committee. The participants receiving Company contributions as well as the amounts of such contributions are determined by the Compensation Committee in its complete discretion based on the Company's operating performance for the prior year and other quantitative and qualitative factors.

Four of our five current named executive officers, Sidney B. DeBoer, Bryan B. DeBoer, Brad Gray and Chris Holzshu, are each eligible to participate in the Plan. For each participating named executive officer other than Sidney B. DeBoer, Company contributions each year will be determined as a percentage of their respective compensation and may range from 1% to 40% of base salary for the President, and 1% to 32% of base salary for the other named executive officers. Company contributions for 2011 for eligible executives other than Sidney B. DeBoer will vest over a graded seven years and will be paid out over a 10 year period after retirement, with partial acceleration on early retirement between age 62-64 and full acceleration at retirement at age 65 or on change in control. Discretionary contributions for Sidney B. DeBoer will vest over one year and will be paid out over a 10 year period beginning on separation of service or age 72, whichever first occurs. The initial Company contribution for Sidney B. DeBoer is \$975,000, which is in lieu of receiving additional stock-based compensation or any increase in base compensation. This change in compensation allows the Company to formalize succession planning of the Chief Executive Officer position.
