Such documents will be delivered to the participants in the plan covered by this Registration Statement as required by Rule 428. These documents and the documents incorporated by reference pursuant to Item 3 of Part II of this Registration Statement, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

**PART II
INFORMATION REQUIRED IN THE REGISTRATION STATEMENT**

Item 3. Incorporation of Documents by Reference.

The following documents, previously filed with the Securities and Exchange Commission (the Commission), are hereby incorporated by reference herein:

1. The Registrant's Annual Report on Form 10-K for the fiscal year ended June 30, 2014;
2. All other reports filed by the Registrant pursuant to Sections 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), since July 1, 2014; and
3. The description of the Registrant's common stock included in its Registration Statement on Form 8-A, filed on September 29, 2011, including all other amendments and reports filed for the purpose of updating such description.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all such securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents.

Any statement contained in a document incorporated by reference herein shall be deemed to be modified or superseded for purposes hereof to the extent that a statement contained herein (or in any other subsequently filed document which also is incorporated by reference herein) modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed to constitute a part hereof except as so modified or superseded.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 302A.521, subd. 2, of the Minnesota Business Corporation Act requires the Company to indemnify a person made or threatened to be made a party to a proceeding by reason of the former or present official capacity of the person with respect to the Company, against judgments, penalties, fines, settlements, and reasonable expenses, including attorneys' fees and disbursements, incurred by the person in connection with the proceeding if, with respect to the acts or omissions of the person complained of in the proceeding, the person: (i) has not been indemnified by another organization with respect to the same acts or omissions; (ii) acted in good faith; (iii) received no improper personal benefit and Minnesota Statutes, Section 302A.255 (regarding conflicts of interest), if applicable, has been satisfied; (iv) in the case of a criminal proceeding, had no reasonable cause to believe the conduct was unlawful; and (v) in the case of acts or omissions by persons in their official capacity for the Company, reasonably believed that the conduct was in the best interests of the Company, or in the case of acts or omissions by persons in their capacity for other organizations, reasonably believed that the conduct was not opposed to the best interests of the Company. In addition, Section 302A.521, subd. 3 requires payment by the Company, upon written request, of reasonable expenses in advance of final disposition of the proceeding (i) upon receipt by the Company of a written affirmation by the person of a good faith belief that the requirements for indemnification set forth above have been met as well as a written undertaking by the person to repay all amounts so paid or reimbursed by the Company, if it is ultimately determined that the criteria for indemnification have not been satisfied, and (ii) after a determination that the facts then known to those making the determination would not preclude indemnification under this section. Under Section 302A.521, subd. 4, the Company may amend its articles of incorporation or bylaws to prohibit or condition such indemnification or expense advancement rights. A decision as to required indemnification is made by a disinterested majority of the Board of Directors present at a meeting at which a disinterested quorum is present, or by a designated committee of the Board consisting of disinterested directors, by special legal counsel, by the shareholders, or by a court. A director is disinterested if he or she is not a party to the proceeding for which indemnification or expense advancement is at issue. Section 302A.521 contains detailed terms regarding such right of indemnification and reference is made thereto for a complete statement of such indemnification rights.

Article 6 of the Registrant's Articles of Incorporation limit its directors' personal liability for claims of breach of fiduciary duty to the full extent permitted by the Minnesota Business Corporation Act, and Article 5 of the Registrant's Bylaws provides that the Company shall indemnify such persons for such expenses and liabilities, in such manner, under such circumstances and to such extent permitted by the Minnesota Business Corporation Act, as now enacted or hereafter amended.

In addition to the indemnification provisions of the Minnesota Business Corporation Act, and the Registrant's Articles of Incorporation and Bylaws, the Registrant has entered into employment agreements with certain of its directors, officers and employees, which agreements, among other things, require the Registrant to pay reasonable expenses, including attorneys' fees and disbursements pertaining to any threatened, pending, or completed civil, criminal, administrative, arbitration, or investigative proceeding in which the employee is made or threatened to be made a party. Such payment obligation is contingent, however, upon receipt by the Registrant of (i) a written affirmation by the employee of a good faith belief that criteria for indemnification set forth in Section 302A.521, subdivision 2 of the Minnesota Business Corporation Act have been satisfied and a written undertaking by the employee to repay all amounts so paid or reimbursed by the Registrant if it is ultimately determined that the criteria for indemnification have not been satisfied, and (ii) a finding that the facts then known to those making the determination would not preclude indemnification under the Registrant's Articles of Incorporation and Bylaws and Section 302A.521 of the Minnesota Business Corporation Act, including but not limited to whether the alleged misconduct by the employee that is the subject of the proceeding is within the course and scope of the employee's employment. The employment agreements also provide that the Registrant shall purchase and maintain directors' and officers' liability insurance, comprehensive general liability insurance, and errors and omissions insurance to cover its employees, in accordance with its or their terms, to the maximum extent of the coverage available for any officer of the Registrant. The Registrant believes that these agreements are reasonable, prudent, and necessary to attract and retain qualified directors, officers, and employees.

Item 9. Undertakings.

- (a) The undersigned Registrant hereby undertakes:
 - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
 - (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by final adjudication of such issue.
