Item 1.01. Entry into a Material Definitive Agreement

On March 6, 2015, Chico's FAS, Inc. (the Company) entered into accelerated stock repurchase agreements (ASR Agreements) with each of Merrill Lynch, Pierce, Fenner and Smith Incorporated (Merrill Lynch), as agent for Merrill Lynch International, and J.P. Morgan Securities, LLC (JP Morgan), as agent for JPMorgan Chase Bank, N.A., to purchase \$250.0 million outstanding shares of the Company's common stock under its 2013 Stock Repurchase Plan. The \$250.0 million accelerated stock repurchase was approved by the Company's Board of Directors on February 23, 2015. The repurchase will be funded through a combination of available cash on hand and borrowings under the Company's existing revolving credit facility with a syndicate led by JPMorgan Chase Bank, N.A., as administrative agent and HSBC Bank USA, National Association, as syndication agent dated July 27, 2011 and last amended on February 25, 2015.

Under the ASR Agreements, the Company made a payment of approximately \$125.0 million to each of Merrill Lynch and JP Morgan and received from each of them an initial delivery of approximately 5.35 million common shares, which represents approximately 75% of the number of shares expected to be repurchased in connection with this transaction. The specific number of shares to be repurchased will generally be based on the volume-weighted average share price of the Company's common stock during the calculation period of the ASR Agreement. At the completion of the transaction, the Company may be entitled to receive additional shares of its common stock from Merrill Lynch and/or JP Morgan or, under certain circumstances, the Company may be required to deliver shares or make a cash payment to Merrill Lynch and/or JP Morgan. The ASR Agreements are scheduled to expire no later than October 2015 and may be terminated earlier upon the occurrence of certain events.

The 2013 Stock Purchase Plan authorized the purchase of up to \$300 million of the Company outstanding common stock and, immediately prior to execution of the ASR Agreements, the Company had \$290 million remaining under its existing authority. Following the consummation of the repurchase of the \$250.0 million of our common shares under the ASR Agreements, the Company will have approximately \$40.0 million remaining under its share repurchase program. There can be no assurances as to the amount, timing or prices of future repurchases. The specific timing and amount of future repurchases will vary based on market conditions and other factors. The Company's 2013 Stock Purchase Plan may be modified, extended or terminated by the Board of Directors at any time.

From time to time, Merrill Lynch, JP Morgan and/or their affiliates have directly and indirectly engaged, and may engage in the future, in investment and/or commercial banking transactions with the Company for which they have received, or may receive, customary compensation, fees and expense reimbursement.

The foregoing description of the ASR Agreements does not purport to be complete and is qualified in its entirety by reference to the underlying ASR Agreements, copies of which are filed as Exhibits 10.1 and 10.2 hereto.
