### SYNBIOTICS CORPORATION

#### Deregistration

-----

This registration statement, as amended to the date of its effectiveness (September 24, 1998), registered 333,333 shares of our common stock. These shares were offered for resale by Barnes-Jewish Hospital Foundation and also, as applicable, Gary J. Weil and Senniger, Powers, Leavitt & Roedel (collectively the "Selling Shareholders"), who received the shares in connection with our settlement of a 1998 patent infringement lawsuit. On May 10, 2000, we also registered for resale (No. 333-35552) by the Selling Shareholders 134,503 shares of our common stock, which they received from us in connection with the resolution of a contingency contained in our settlement of the 1998 patent infringement lawsuit. We have been informed that the Selling Shareholders have sold a total of 397,661 of the 467,836 shares. The shares may have been sold pursuant to this registration statement, or pursuant to the registration statement declared effective on May 10, 2000, or pursuant to Rule 144(k), or by any combination of those methods. In any event, as the Selling Shareholders have a two year holding period under Rule 144 and are not considered to be "affiliates" under Rule 144, we are deregistering at this time from both of the registration statements any and all of the shares which remain unsold. The Selling Shareholders may continue to sell any remaining shares as may be permitted by Rule 144(k). Accordingly, we hereby deregister any and all shares of our common stock originally covered by the registration statement which remain unsold.
