Item 4. <u>Purpose of Transaction</u>.

The Reporting Person acquired, on behalf of AJR, Cambrian Fund, Cambrian Global Fund and the Other Accounts and continues to hold, the Shares reported in this Schedule 13D for investment purposes. The Reporting Person intends to evaluate the performance of the Shares as an investment in the ordinary course of business. The Reporting Person pursues an investment objective that seeks capital appreciation. In pursuing this investment objective, the Reporting Person analyzes the operations, capital structure and markets of companies in which the Reporting Person's clients invest, including the Issuer, on a continuous basis through analysis of documentation and discussions with knowledgeable industry and market observers and with representatives of such companies.

The Reporting Person will continuously assess the Issuer's business, financial condition, results of operations and prospects, general economic conditions, the securities markets in general and those for the Shares in particular, other developments and other investment opportunities. Depending on such assessments, the Reporting Person may acquire additional Shares or may determine to sell or otherwise dispose of all or some of the Shares presently held by AJR, Cambrian Fund, Cambrian Global Fund, and the Other Accounts in the open market or in private transactions. Such actions will depend upon a variety of factors, including, without limitation, current and anticipated future trading prices for the Shares, the financial condition, results of operations and prospects of the Issuer, alternative investment opportunities, general economic, financial market and industry conditions and other factors that the Reporting Person may deem material to its investment decision.

The Reporting Person and their representatives have, from time to time, engaged in, and expect to continue to engage in, discussions with members of management and the board of directors of the Issuer (the "Board"), other current or prospective shareholders, industry analysts, existing or potential strategic partners or competitors, investment and financing professionals and other third parties regarding a variety of matters related to the Issuer, which may include, among other things, the Issuer's business, management, capital structure and allocation, corporate governance, Board composition and strategic alternatives and direction, and may take other steps seeking to bring about changes to increase shareholder value.

Except as set forth above, the Reporting Person has no present plans or proposals which relate to or would result in any of the transactions required to be described in Item 4 of Schedule 13D.

Item 4 is hereby supplemented with the addition of the following:

Since the November 16, 2017 filing, the Reporting Person has continued to be in active discussions with the Issuer with regard to ways to enhance long term shareholder value. Recent sales of Issuer's shares by the Reporting Person do not reflect a loss of confidence in the Issuer's prospect for substantial capital appreciation over time. The Reporting Person has taken note of the December 13, 2017 announcement of the resignation of CEO Andy Mattes and is supportive of the appointment of the two interim co-CEO's, Chris Chapman and Juergen Wunram, and the search for a qualified permanent CEO. Further, the Reporting Person continues to be supportive of the Issuer's merger integration plan and continues to have confidence in the Issuers' ability to achieve its stated 2020 financial targets per the February 2017 Investor Day.

Item 5. <u>Interest in Securities of the Issuer.</u>

- (a) Based upon the information contained in the Issuer's Form 10-Q filed with the Securities and Exchange Commission on October 31, 2017, there were issued and outstanding 75,534,183 Shares as of October 26, 2017.
- (b) The Reporting Person does not directly own any Shares. The Reporting Person has entered into an investment advisory agreement with each of AJR, Cambrian Fund, Cambrian Global Fund and the Other Accounts pursuant to which the Reporting Person has investment authority with respect to the securities held by such entities or in such accounts. Such power includes the power to dispose of and the power to vote the Shares. By reason of the provisions of Rule 13d-3 of the Securities Exchange Act of 1934, as amended, the Reporting Person is deemed to be the beneficial owner of the Shares held by such entities and accounts. Accordingly, the Reporting Person is deemed the beneficial owner of 5,168,422 Shares, or 6.8% of the outstanding Shares.
- (c) The following table details the transactions by the Reporting Person, on behalf of AJR, Cambrian Fund, Cambrian Global Fund, and the Other Accounts in Shares during the past sixty (60) days:
