There is no material claim by the Company or any of its Subsidiaries pending under any of such policies or bonds as to which coverage has been denied or disputed by the underwriters of such policies or bonds other than as set forth in Section 3.18(a) of the Disclosure Schedule. - (c) Without limiting the generality of the prior clause, each owner has complied, or has procured compliance in all material respects, with the ISM Code and ISPS Code, all Environmental Laws and all other laws or regulations relating to a Vessel owned by it, its ownership, operation and management or to the business of the owner.

SECTION 3.29 Offering of Shares. Neither the Company nor any Person acting on its behalf has taken any action (including any offering of any securities of the Company under circumstances which would require the integration of such offering with the offering of any of the Shares to be issued pursuant to this Agreement under the Securities Act and the rules and regulations of the SEC thereunder) which might subject the offering, issuance or sale of any of the Shares to the Purchaser pursuant to this Agreement to the registration requirements of the Securities Act. Assuming the accuracy of the Purchasers' representations and warranties contained in Article IV hereof, the offer and sale of the Shares to the Purchaser as contemplated hereby is exempt from the registration requirements of the Securities Act.

SECTION 3.30 Status of Shares. The Shares to be issued pursuant to this Agreement have been duly authorized by all necessary corporate action. When issued and sold against receipt of the consideration therefor as provided in this Agreement, such Shares will be validly issued, fully paid and nonassessable, will not be subject to preemptive rights of any other shareholders of the Company and shall be free and clear of all Encumbrances and restrictions, except for restrictions on transfer imposed by applicable securities laws.

SECTION 3.31 Anti-takeover Provisions Not Applicable. No "moratorium," "control share," "takeover," "business combination," or "interested shareholder" or other similar anti-takeover statute or regulation (including any provision of the Company's Organizational Documents) is applicable to the transactions contemplated by this Agreement or to any of the transactions contemplated hereby, and the Company and the Board of Directors have taken all necessary action, if any, in order to render any such statute, regulation or provision inapplicable to the Purchaser.

SECTION 3.32 Disclosure. None of (a) the representations or warranties by the Company in this Agreement, nor (b) any statement contained in the Disclosure Schedules to this Agreement or any certificate furnished or to be furnished to the Purchaser pursuant to Section 7.02(a) of this Agreement contains any untrue statement of a material fact, or omits to state a material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances in which they are made, not misleading.

SECTION 3.33 Price of Common Stock. Neither the Company nor any Person acting on its behalf has taken, nor will take, directly or indirectly, any action designed to cause or result in, or that has constituted or that might reasonably be expected to constitute, the stabilization or manipulation of the price of the Company's common stock to facilitate the sale or resale of the Shares.

Except for the representations and warranties contained in this Article III as expressly provided for herein, and except in the case of fraud, neither the Company nor any other Person will have or be subject to any liability or indemnification obligation to the Purchaser or any other Person resulting from the distribution to the Purchaser, or the Purchaser's use of, any such information, including any information, documents, projections, forward looking statements, forecasts or other material made available to the Purchaser in any "data rooms" or management presentations or in any other form in expectation of, or in connection with, the transactions contemplated by this Agreement.

SECTION 4.01 Organization and Authority of the Purchaser. The Purchaser is duly organized, validly existing and in good standing under the Laws of the jurisdiction where it was organized and has all necessary power and authority to enter into this Agreement and each of the other Transaction Documents to which it is a party, to carry out its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution and delivery by the Purchaser of this Agreement and the other Transaction Documents to which it is a party, the performance by the Purchaser of its obligations hereunder and thereunder and the consummation by the Purchaser of the transactions contemplated hereby and thereby have been duly authorized by all requisite action on the part of the Purchaser. This Agreement has been, and upon the execution of each of the other Transaction Documents to which it is a party shall have been, duly executed and delivered by the Purchaser, and (assuming due authorization, execution and delivery by the other Parties) this Agreement constitutes, and upon the execution of each of the other Transaction Documents to which it is a party shall constitute, the legal, valid and binding obligations of the Purchaser, enforceable against the Purchaser in accordance with its terms subject to the effects of the Bankruptcy and Equity Exception.

SECTION 4.02 No Conflicts; Consents. The execution, delivery and performance by the Purchaser of this Agreement and each of the other Transaction Documents to which it is a party, and the consummation of the transactions contemplated hereby and thereby, does not and will not (a) violate, conflict with or result in the breach of any provision of the Purchaser's Organizational Documents, (b) conflict in any material respect with or violate in any material respect any material Law or material Governmental Order applicable to the Purchaser, or (c) require the consent, notice or other action by any Person under, conflict with, result in any breach of, constitute a default or event that, with or without notice or lapse of time or both, would constitute a default under, result in the acceleration of or create in any party the right to accelerate, terminate, suspend, revoke, modify or cancel, any Contract to which the Purchaser is a party or by which the Purchaser is otherwise bound, except, in the case of clause (c), as would not materially and adversely affect the ability of the Purchaser to carry out its obligations under, and to consummate the transactions contemplated by this Agreement and to each other Transaction Document to which it is a party. Except as set forth in Section 4.02 of the Disclosure Schedule, no consent, approval, Permit, Governmental Order, declaration or filing with, or notice to, any Governmental Authority is required by or with respect to the Purchaser in connection with the execution and delivery of this Agreement and each other agreement to be executed and delivered by the Purchaser in connection herewith and the consummation of the transactions contemplated hereby and thereby.

SECTION 4.03 Litigation. No Action by or against the Purchaser is pending or, to the Knowledge of the Purchaser, threatened, which could affect the legality, validity or enforceability of this Agreement, the other Transaction Documents to which it is a party or the consummation of the transactions contemplated hereby or thereby.

SECTION 4.04 Brokers. No broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of the Purchaser.

SECTION 4.05 Investment Intent. The Purchaser is purchasing the Shares for investment for its own account and not with a view to, or for sale in connection with, any distribution thereof. The Purchaser acknowledges that the Shares are not registered under the Securities Act or any state securities laws, and that the Shares may not be transferred or sold except pursuant to the registration provisions of the Securities Act or pursuant to an applicable exemption therefrom and subject to state securities laws and regulations, as applicable. The Purchaser was not contacted by any means of general solicitation or advertising in connection with the offer or transfer of the Shares including, without limitation, any advertisement, article, notice or other communication published in any newspaper, magazine, or similar media or broadcast over television or radio; or any seminar or meeting whose attendees have been invited by general solicitation or advertising.

SECTION 4.06 Sufficiency of Funds. The Purchaser is indirectly owned by two private equity funds, which have unfunded capital commitments in the aggregate sufficient to pay the Purchase Price. At the Closing, the Purchaser will have sufficient cash on hand provided by such private equity funds or other sources of immediately available funds to enable it to make payment of the Purchase Price and consummate the transactions contemplated by this Agreement.

ARTICLE V

ADDITIONAL AGREEMENTS

SECTION 5.01 Conduct of Business Prior to the Closing. The Company covenants and agrees that, without the prior written consent of the Purchaser (which consent shall not be unreasonably withheld, delayed or conditioned), except as described in Section 5.01 of the Disclosure Schedule or contemplated, permitted or required by this Agreement, between the date of this Agreement and the Closing, it will use its commercially reasonable efforts to, and shall cause its Subsidiaries and each of their respective officers, directors, employees, agents, representatives, accountants and counsel to, (a) conduct its business in the ordinary course in all material respects, (b) maintain and preserve the business and assets of the Company in customary repair, order and condition, reasonable wear and tear excepted, (c) use its commercially reasonable efforts to preserve intact, in all material respects, the business organization of the Company and its Subsidiaries, and (d) use its commercially reasonable efforts to preserve the goodwill associated with the Company and its Subsidiaries, including preserving their respective relationships with material customers and suppliers. Except as described in Section 5.01 of the Disclosure Schedule or contemplated, permitted or required by this Agreement, the Company agrees to use its commercially reasonable efforts not to, and to cause its Subsidiaries not to, between the date of this Agreement and the Closing, without the prior written consent of the Purchaser (which consent shall not be unreasonably withheld, delayed or conditioned), take or fail to take any actions that, if taken or failed to be taken since the Balance Sheet Date, would be required to be disclosed on Section 3.06 of the Disclosure Schedule.

SECTION 5.02 Access to Information. From the date of this Agreement until the Closing, upon reasonable notice, the Company agrees to use its commercially reasonable efforts to, and to cause its Subsidiaries and each of their respective officers, directors, employees, agents, representatives, accountants and counsel to, (i) afford the Purchaser and its authorized representatives reasonable access to the offices, properties and books and records of the Company and its Subsidiaries and (ii) furnish to the officers, employees, and authorized agents and representatives of the Purchaser such additional financial and operating data and other information regarding the Company and its Subsidiaries (or copies thereof) as the Purchaser may from time to time reasonably request; provided, however, that any such access or furnishing of information shall be conducted during normal business hours of the Company and its Subsidiaries, under the supervision of the Company or its designee and in such a manner as not to interfere with the normal operations of the Company and its Subsidiaries. When accessing any of the Company's or its Subsidiaries' properties, the Purchaser and its authorized representatives shall comply with all of the Company's or its Subsidiaries' safety and security requirements for the applicable property.

SECTION 5.03 Confidentiality. The terms of the letter agreement, dated as of August 30, 2012 (the "Confidentiality Agreement"), between the Company and Southern Cross Management are hereby incorporated herein by reference and shall continue in full force and effect until their expiration in accordance with the terms of the Confidentiality Agreement; provided, however, that, upon the Closing, the confidentiality obligations of Southern Cross Management and the Purchaser contained in the Confidentiality Agreement or in this Section 5.03 shall terminate.

SECTION 5.04 Conditions. Each of the Parties hereto shall use its commercially reasonable efforts to take all actions and to do all things necessary in order to consummate and make effective the transactions contemplated by this Agreement. Without limiting the generality of the foregoing, (i) the Purchaser shall use commercially reasonable efforts to cause the conditions set forth in Section 7.01 to be satisfied, and (ii) the Company shall use commercially reasonable efforts to cause the conditions set forth in Section 7.02 to be satisfied. The Company shall, and the Company shall cause its Subsidiaries to, reasonably assist and cooperate with the Purchaser in doing all things reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 5.05 Notifications. Until the Closing, the Company and the Purchaser shall promptly notify the other Parties in writing of any fact, change, condition, circumstance or occurrence or nonoccurrence of any event of which it is aware that will or is reasonably likely to result in any of the conditions set forth in either Sections 7.01(a) or 7.02(a), as applicable, becoming incapable of being satisfied; provided, however, that the delivery of any notice pursuant to this Section 5.05 will not be deemed to amend or otherwise modify or affect any representations or warranties, covenants, obligations, agreements or conditions set forth herein, amend any schedule hereto or limit or otherwise affect the remedies available hereunder to the Party receiving such notice.

SECTION 5.06 Further Action. (a) The Parties shall use their commercially reasonable efforts to take, or cause to be taken, all appropriate action, to do or cause to be done all things necessary, proper or advisable under applicable Law, and to execute and deliver such documents and other papers, as may be required to carry out the provisions of this Agreement and consummate and make effective the transactions contemplated by this Agreement.

(b) From time to time after the Closing, without additional consideration, each Party will (or, if appropriate, will cause its Affiliates to) execute and deliver such further instruments and take such other action as may be necessary or reasonably requested by another Party to make effective the transactions contemplated by this Agreement. Without limiting the foregoing, upon reasonable request, each Party shall and shall cause its Affiliates to, execute, acknowledge and deliver all such further assurances, deeds, assignments, consequences, powers of attorney and other instruments and papers as may be required to issue, sell, transfer, assign, convey and deliver to the Purchaser all right, title and interest in and to the Shares.

SECTION 5.07 Termination and Survival of Certain Contracts. (a) Prior to the Closing, the Company shall cause the Affiliate Contracts consisting of the loan agreements listed on Schedule 5.07(a) to be repaid and terminated effective as of the Closing. The Purchaser and the Company each acknowledge and agree that upon repayment and termination of the Affiliate Contracts mentioned above, neither the Company nor any of its Subsidiaries shall continue be to liable thereunder. After the date of this Agreement, without the prior written consent of the Purchaser (which consent shall be granted or withheld by the Purchaser in its absolute discretion), the Company shall not, and shall cause each of its Subsidiaries not to, enter into any Affiliate Contracts.

(b) The Purchaser and the Company each acknowledge and agree that all other Affiliate Contracts which are required for the ordinary course of business, as listed in Schedule 5.07(b), will continue in full force and effect after the Closing in accordance with their respective terms.

SECTION 5.08 Acquisition Proposals.

(a) Without limiting the Company's other obligations under this Agreement (including under Section 5.01 hereof) and subject (in the case of clauses (B), (C) and (D) below) to Section 5.08(d), the Company agrees that it will not, and will cause each of its Subsidiaries and its and their respective officers, directors, employees, agents and representatives (including any investment banker, attorney or accountant retained by it) not to, directly or indirectly, (A) initiate, solicit, encourage or knowingly facilitate (including by way of furnishing information) any inquiries or the making of any proposal or offer with respect to, or a transaction to effect, any Acquisition Proposal, (B) have any discussion with or provide any confidential information or data to any Person relating to an Acquisition Proposal, or engage in any negotiations concerning an Acquisition Proposal, or knowingly facilitate any effort or attempt to make or implement an Acquisition Proposal, (C) approve or recommend, or propose publicly to approve or recommend, any Acquisition Proposal or (D) approve or recommend, or propose to approve or recommend, or execute or enter into, any letter of intent, agreement in principle, merger agreement, acquisition agreement, option agreement or other similar agreement or propose publicly or agree to do any of the foregoing related to any Acquisition Proposal.

(b) For purposes of this Agreement, "Acquisition Proposal" means any inquiry, proposal or offer from any Person with respect to (A) any purchase of a business or asset of the Company that constitutes 10% or more of the net revenues, net income or assets of the Company, taken as a whole, (B) a merger, reorganization, share exchange, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving the Company or any of its Subsidiaries, (C) any purchase or sale of, or tender or exchange offer for, the equity securities of the Company or any of its Subsidiaries (other than a proposal or offer made by the Purchaser or an Affiliate thereof), or (D) any other transaction, the consummation of which would or could reasonably be expected to impede, interfere with, prevent or delay the transactions contemplated by this Agreement.

(c) The Company shall notify the Purchaser promptly of any Acquisition Proposal received by the Company and provide copies to the Purchaser of any such Acquisition Proposal. The Company agrees that it will, and will cause its officers, directors and representatives to, immediately cease and cause to be terminated any activities, discussions or negotiations existing as of the date of this Agreement with any Persons conducted heretofore with respect to any Acquisition Proposal. The Company agrees that it will use reasonable best efforts to promptly inform its directors, officers, key employees, agents and representatives of the obligations undertaken in this Section 5.08.

(d) Notwithstanding the other provisions of this Section 5.08:

(i) the Company, directly or indirectly through its representatives, may (A) engage in negotiations or discussions with any third party and its representatives or financing sources that has made (and not withdrawn) after the date of this Agreement a bona fide, unsolicited written Acquisition Proposal that (x) did not result from a breach or violation of the provisions of Section 5.08(a), and (y) the Disinterested Directors reasonably believe in good faith, after consulting with their outside legal and financial advisors, would reasonably be expected to lead to a Superior Proposal, and (B) thereafter furnish to such third party or its representatives or its financing sources non-public information relating to the Company or any of its Subsidiaries pursuant to an executed confidentiality agreement (a copy of which shall be promptly (in all events within twenty-four (24) hours) provided for informational purposes only to the Purchaser) with such third party with terms no less favorable to the Company than those contained in the Confidentiality Agreement and containing additional provisions that expressly permit the Company to comply with the terms of this Section 5.08 if, in the case of either clause (A) or (B), the Disinterested Directors determine in good faith, after consultation with their outside legal counsel, that the failure to take such action is reasonably likely to result in a breach of their fiduciary duties under any Law applicable to the Company and the Company shall have provided the Purchaser two (2) Business Days notice of its intention to take any action discussed in clause (A) or (B); provided that all such information provided or made available to such third party (to the extent that such information has not been previously provided or made available to the Purchaser) is provided or made available to the Purchaser, as the case may be, prior to or substantially concurrently with the time it is provided or made available to such third party;

(ii) the Company may, following receipt of and on account of a Superior Proposal, terminate this Agreement to enter into a definitive agreement with respect to a Superior Proposal in accordance with Section 9.01(e), if such Superior Proposal did not result from a breach or violation of the provisions of Section 5.08(a) and the Disinterested Directors reasonably determine in good faith, after consultation with their outside legal and financial advisors, that in light of such Superior Proposal, the failure of the Disinterested Directors to take such action is reasonably likely to result in a breach of their fiduciary duties under any Law applicable to the Company; provided, however, the Company shall not be entitled to terminate this Agreement in connection with a Superior Proposal unless (A) the Company promptly notifies the Purchaser, in writing, at least five (5) Business Days (the "Notice Period") before terminating this Agreement to enter into (or causing a Subsidiary to enter into) a definitive agreement with respect to a Superior Proposal, of its intention to take such action with respect to such Superior Proposal, which notice shall state expressly that the Company has received an Acquisition Proposal that the Disinterested Directors have determined to be a Superior Proposal and that the Company intends to terminate this Agreement to enter into a definitive agreement with respect to such Superior Proposal; (B) the Company attaches to such notice the most current version of the proposed agreement and the identity of the third party making such Superior Proposal; (C) during the Notice Period, if requested by the Purchaser, the Company has engaged, and has directed its representatives to engage, in negotiations with the Purchaser in good faith to amend this Agreement or increase the Purchase Price in such a manner that such Superior Proposal ceases to constitute a Superior Proposal; and (D) following the Notice Period, the Disinterested Directors shall have determined in good faith, after consultation with their outside legal and financial advisors, taking into account any changes to this Agreement or increase to the Purchase Price made or proposed in writing by the Purchaser, that such Superior Proposal continues to constitute a Superior Proposal; provided, however that with respect to any applicable Superior Proposal, any amendment to the financial terms or any other material amendment to a term of such Superior Proposal shall require a new written notice by the Company and a new Notice Period (it being understood that there may be multiple new written notices and new Notice Periods), and no such termination of this Agreement by the Company in connection with such Superior Proposal may be made during any Notice Period; and

(iii) For purposes of this Agreement, "Superior Proposal" means a bona fide, unsolicited written Acquisition Proposal (provided that, for the purposes of this definition, (i) the reference to "10%" in the definition of Acquisition Proposal shall be deemed replaced with a reference to "70%" and (ii) the reference to "the equity securities of the Company and any of its Subsidiaries" in the definition of Acquisition Proposal shall be deemed replaced with a reference to "more than 50% of the equity securities of the Company") that (a) is not subject to any financing condition and for which financing has been fully committed or is on hand or the Disinterested Directors determine in good faith after considering the advice of their financial advisor is reasonably capable of being fully financed, (b) the Disinterested Directors determine in good faith by a majority vote, after considering the advice of their outside counsel and their financial advisor, is reasonably likely to be consummated in accordance with its terms, taking into account all aspects of the proposal and the identity of the Person making the Acquisition Proposal, and (c) the Disinterested Directors determine in good faith by a majority vote, after considering the advice of their financial advisor, would result in a transaction more favorable, from a financial point of view to the Company's stockholders than the transactions contemplated by this Agreement (after taking into account any amendment to this Agreement or increase to the Purchase Price proposed by the Purchaser).

SECTION 5.09 Exchange Listing. The Company shall promptly use its reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part to ensure that the Shares to be approved for listing on NASDAQ, subject to official notice of issuance, as promptly as practicable, and in any event before the Closing.

SECTION 5.10 Insurance and Indemnification of Officers and Directors. The Purchaser and the Company agree that the Company or its successors shall maintain in effect, without any reduction in scope or coverage for six years from the Closing Date, customary policies of directors' and officers' liability insurance providing protection comparable to the most favorable protection provided by the policies maintained by the Company and its Subsidiaries as are in effect immediately prior to the Closing and providing coverage on a "trailing" or "run-off" basis for all present and former directors and officers of the Company and its Subsidiaries with respect to claims arising from facts or events which occurred prior to the Closing Date; provided, however, that the Company or its successors shall not be required, in order to maintain such directors' and officers' liability insurance policy, to pay an annual premium in excess of 350% of the cost of existing policies; and provided further that, if equivalent coverage cannot be obtained or can only be obtained by paying an annual premium in excess of 350% of such amount, the Company or its successors, as applicable, shall only be required to obtain as much coverage as can be obtained by paying an annual premium equal to 350% of such amount. Furthermore, prior to the Closing Date, the Company may, in the alternative, with the consent of the Purchaser, not to be unreasonably withheld, purchase run-off directors' and officers' liability insurance for a period of up to six years from the Closing Date provided that the premiums shall not exceed 350% of the premiums currently charged to the Company for directors' and officers' liability insurance, and in such event none of the Company or any successor of the Company will have any further obligation under this Section 5.10. The Purchaser and the Company agree that all rights to indemnification or exculpation, whether contained in the Organizational Documents of the Company or any of its Subsidiaries, in Contacts or otherwise, now existing in favor of present and former officers and directors of the Company and its Subsidiaries shall survive Closing, shall not be amended in an adverse manner with respect to former officers and directors of the Company and its Subsidiaries (unless such amendment is required by applicable Law) and shall continue in full force and effect for a period of not less than six years from the Closing Date. The present and former officers and directors of the Company and its Subsidiaries are intended third party beneficiaries of this Section 5.10. If the Company or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision shall be made by the Company so that the successors and assigns of the Company, as the case may be, shall assume the obligations set forth in this Section 5.10.

SECTION 5.11 Bridge Loan. The Company and the Purchaser agree to enter into a bridge loan agreement after the Closing on the terms set forth on Exhibit C and on such other terms as may be reasonably acceptable to the Purchaser and the Company.

ARTICLE VI

SECTION 6.01 Tax Cooperation and Exchange of Information. The Company and the Purchaser shall provide each other with such cooperation and information as either of them reasonably may request of the other in filing any Tax Return or participating in or conducting any audit or other proceeding in respect of Taxes. Such cooperation and information shall include providing copies of relevant Tax Returns of the Company and its Subsidiaries or portions thereof, together with related work papers and documents relating to rulings or other determinations by taxing authorities. After such time, before the Company or the Purchaser shall dispose of any such documents in its possession (or in the possession of its Affiliates), the other Party shall be given an opportunity, after ninety (90) days' prior written notice, to remove and retain all or any part of such documents as such other Party may select (at such other Party's expense). Any information obtained under this Section 6.01 shall be kept confidential, except as may be otherwise necessary in connection with the filing of Tax Returns or in conducting an audit or other proceeding.

SECTION 6.02 Conveyance Taxes. The Company and the Purchaser shall be equally liable for and agree to pay on an equal basis any and all Conveyance Taxes that may be imposed upon, or payable or collectible or incurred in connection with this Agreement and the transactions contemplated hereby. The Purchaser and the Company agree to cooperate in the execution and delivery of all instruments and certificates necessary to enable the Company to comply with any filing requirements with respect to Conveyance Taxes.

All covenants and agreements of the Parties contained herein shall survive the Closing indefinitely or for the period explicitly specified therein.

SECTION 8.02 Indemnification by the Company. Subject to the other terms and conditions of this Article VIII, the Company shall indemnify and hold harmless the Purchaser and its Affiliates (excluding the Company and its Subsidiaries for such purpose) and their respective officers, directors, employees, agents, successors and assigns (each a "Purchaser Indemnified Party") from and against all losses, damages, claims, costs and expenses, interest, awards, judgments and penalties (including reasonable attorneys' and consultants' fees and expenses), amounts paid in settlement and other costs (hereinafter a "Loss" or "Losses") suffered or incurred by them arising out of or resulting from: (a) any breach of a representation or warranty made by the Company in this Agreement or in any certificate delivered pursuant hereto; or (b) any breach of any covenant or agreement of the Company contained in this Agreement. For purposes of calculating a Loss incurred by a Purchaser Indemnified Party resulting from a Loss suffered by the Company, the amount of the Loss will equal the aggregate amount of the Loss suffered by the Company multiplied by the Purchaser Interest Percentage.

SECTION 8.03 Indemnification by the Purchaser. Subject to the other terms and conditions of this Article VIII, the Purchaser shall indemnify and hold harmless the Company and its Affiliates and their respective officers, directors, employees, agents, successors and assigns (each a "Company Indemnified Party") from and against any and all Losses, arising out of or resulting from: (a) the breach of any representation or warranty made by the Purchaser contained in this Agreement or in any certificate delivered pursuant hereto; or (b) the breach of any covenant or agreement by the Purchaser contained in this Agreement.

SECTION 8.04 Limits on Indemnification.

(a) None of the Parties shall be liable for indemnity obligations under Section 8.02(a) or Section 8.03(a) unless and until the aggregate amount of indemnifiable Losses for which such Party is liable equals or exceeds an amount equal to \$10,000,000 (the "Threshold"); provided, that upon the Threshold being met, such Party shall be liable for the amount by which the aggregate amount of all such Losses exceeds \$4,400,000 (the "Deductible"); provided, further, that the Threshold and the Deductible shall not apply to Losses resulting from a breach of any Fundamental Representations or from any fraud or intentional misrepresentation by any Party in connection with this Agreement (and no such Losses shall be considered for purposes of determining whether the Threshold or the Deductible has been met).

(b) The maximum amount of indemnifiable Losses which may be recovered (x) from the Company arising out of or resulting from the causes set forth in Section 8.02(a) and (y) from the Purchaser arising out of or resulting from the causes set forth in Section 8.03(a) shall, in each case, be an amount equal to \$28,600,000 (the "Cap"); provided, that Losses resulting from a breach of any Fundamental Representations or from any fraud or intentional misrepresentation by any Party in connection with this Agreement shall not be subject to the Cap.

(c) For purposes of determining whether there has been a breach of any representation or warranty contained in this Agreement, or the amount of any Loss related to a breach of any representation or warranty contained in this Agreement, the representations and warranties contained in this Agreement (excluding Sections 3.04(a), 3.06(ii) and 3.24) shall be considered without regard to any "material," "Material Adverse Effect," or similar materiality qualifications contained therein.

(d) The representations, warranties, covenants or agreements made by the Company in this Agreement or in any other Transaction Document shall not be affected or deemed waived by any investigation conducted by or on behalf of the Purchaser with respect to, or knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement or the Closing Date, with respect to the accuracy or inaccuracy of or compliance or noncompliance with any such representation, warranty, covenant or agreement of the Company in this Agreement or in any other Transaction Document. Notwithstanding anything to the contrary contained in this Agreement, none of the Parties shall have any Liability under any provision of this Agreement for any punitive, speculative, remote, special or indirect damages relating to the breach or alleged breach of this Agreement, except to the extent any such Party incurs such damages payable to an unaffiliated third party in connection with a Third Party Claim, in which event such damages shall be recoverable.

(e) Payments by an Indemnifying Party pursuant to this Article VIII in respect of any Loss shall be limited to the amount of any liability or damage that remains after deducting therefrom any insurance proceeds and any indemnity, contribution or other similar payment actually received by the Company or its Subsidiaries or the Indemnified Party from any third party in respect of such claim, less any related reasonable attorneys' fees, expenses and other costs of recovery. An Indemnified Party shall use commercially reasonable efforts to seek (or cause the Company or its Subsidiaries to seek under their respective policies) to recover any insurance proceeds in connection with making a claim under this Article VIII; provided, however, none of the Purchaser nor its Affiliates shall be required to seek such proceeds under any insurance policy of the Purchaser or its Affiliates (other than the Company). Promptly after the realization of any insurance proceeds (net of Taxes), indemnity, contribution or other similar payment, the Indemnified Party shall reimburse the Indemnifying Party for such reduction in Losses for which the Indemnified Party was indemnified prior to the realization of reduction of such Losses. The amount of Loss for which an Indemnified Party shall be entitled to seek indemnification under this Agreement will be reduced by the amount of any Tax benefit actually realized by such Indemnified Party or its Affiliates, other than the Company and its Subsidiaries (which shall include reductions in Tax payments) with respect to such Loss.

SECTION 8.05 Notice of Loss; Third Party Claims. (a) An Indemnified Party shall give the Indemnifying Party notice of any matter which an Indemnified Party has determined has given or could give rise to a right of indemnification under this Agreement stating the amount of the Loss, if known, and method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises. Such notice shall include copies of all relevant notices or documents (including court papers) received by the Indemnified Party, so long as such disclosure would not reasonably be expected to have an adverse effect on attorney-client or other privileges available to the Indemnified Party. To the extent that (i) the Company considers, threatens or makes a notice of any matter which could give rise to a right of indemnification under this Agreement against the Purchaser, or (ii) any Purchaser Indemnified Party threatens or makes a notice of any matter which could give rise to a right of indemnification under this Agreement against the Company, all decisions to be made on behalf of the Company concerning the prosecution, response to, negotiation and settlement of, or with respect to any Actions relating to, any such indemnification claim shall be made solely by the disinterested members of the Company's Board of Directors (excluding any directors of the Company who are affiliated with the Purchaser or certain existing stockholders of the Company that are entering into the Shareholders Agreement or who are officers or employees of the Company or any of its Subsidiaries).

(b) In the case of a claim or demand made by any Person not a Party to this Agreement against the Indemnified Party (a "Third Party Claim") which may give rise to a claim for Loss under this Article VIII, the Indemnified Party shall give the Indemnifying Party written notice ("Claim Notice") of such Third Party Claim within thirty (30) days of the receipt of such notice of a Third Party Claim (or within such shorter period as may be required to permit the Indemnifying Party to respond to any such claim); provided, however, that failure to give such Claim Notice shall not affect the indemnification obligations of the Indemnifying Party provided hereunder except to the extent the Indemnifying Party establishes that the defense of such Third Party Claim is actually prejudiced as a result of such failure, in which case such claim shall be reduced to the extent of such actual prejudice. The Claim Notice shall describe the Third Party Claim in reasonable detail and will indicate the estimated amount, if reasonably practicable, of the Losses that have been or may be sustained by the Indemnified Party and include copies of all material notices and documents received or sent by the Indemnified Party in respect of such Third Party Claim. The Indemnifying Party shall be entitled to assume and control the defense of such Third Party Claim at its expense and through counsel of its choice if it gives notice of its intention to do so to the Indemnified Party within sixty (60) days of the receipt of such Claim Notice from the Indemnified Party. If the Indemnifying Party elects to undertake any such defense against a Third Party Claim, the Indemnified Party may participate in such defense at its own expense. The Indemnified Party shall cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party, at the Indemnifying Party's expense, all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the Indemnified Party's control relating thereto as is reasonably required by the Indemnifying Party. If the Indemnifying Party elects to direct the defense of any such claim or proceeding, the Indemnified Party shall not pay, or permit to be paid, any part of such Third Party Claim unless the Indemnifying Party consents in writing to such payment or unless the Indemnifying Party withdraws from the defense of such Third Party Claim or unless a final judgment from which no appeal may be taken by or on behalf of the Indemnifying Party is entered against the Indemnified Party for such Third Party Claim. If the Indemnified Party assumes the defense of any such claims or proceeding pursuant to this Section 8.05 and proposes to settle such claims or proceeding prior to a final judgment thereon or to forgo any appeal with respect thereto, then the Indemnified Party shall give the Indemnifying Party prompt written notice thereof and the Indemnifying Party shall have the right to participate in the settlement or assume or reassume the defense of such claims or proceeding. If (i) the Indemnifying Party shall not assume the defense of a Third Party Claim with counsel satisfactory to the Indemnified Party within ten (10) Business Days of any Claim Notice, or (ii) legal counsel for the Indemnified Party notifies the Indemnifying Party that there are or may be legal defenses available to the Indemnified Party or to other Indemnified Parties which are different from or additional to those available to the Indemnifying Party, which, if the Indemnified Party and the Indemnifying Party were to be represented by the same counsel, would constitute a conflict of interest for such counsel or prejudice prosecution of the defenses available to such Indemnified Party, or (iii) the Indemnifying Party shall assume the defense of a Third Party Claim and fail to diligently prosecute such defense, then in each such case the Indemnified Party, by notice to the Indemnifying Party, may employ its own counsel and control the defense of the Third Party Claim and the Indemnifying Party shall be liable for the reasonable fees, charges and disbursements of counsel employed by the Indemnified Party (but in no event more than one counsel for all of the Indemnified Parties in any one jurisdiction); and the Indemnified Party shall be promptly reimbursed for any such fees, charges and disbursements, as and when incurred. Whether the Indemnifying Party or the Indemnified Party controls the defense of any Third Party Claim, the Parties hereto shall cooperate in the defense thereof. Such cooperation shall include the retention and provision to the counsel of the controlling Party of records and information which are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Indemnifying Party shall have the right to settle, compromise or discharge a Third Party Claim (other than any such Third Party Claim in which criminal conduct is alleged) without the Indemnified Party's consent if such settlement, compromise or discharge (A) constitutes a complete and unconditional discharge and release of the Indemnified Party, and (B) provides for no relief other than the payment of monetary damages and such monetary damages are paid in full by the Indemnifying Party.

(c) In the event any Indemnified Party should have a claim against any Indemnifying Party that does not involve a Third Party Claim, the Indemnified Party shall deliver a Claim Notice to the Indemnifying Party, which shall include reasonable detail of the claim and, if reasonably practicable, the estimated amount of Losses sustained, promptly after the Indemnified Party obtains knowledge of the existence thereof; provided, however, that failure to give such Claim Notice shall not affect the indemnification obligations of the Indemnifying Party provided hereunder except to the extent the Indemnifying Party establishes that the defense of such claim is actually prejudiced as a result of such failure, in which case such claim shall be reduced to the extent of such actual prejudice.

SECTION 8.06 Remedies. Except for remedies that cannot be waived as a matter of Law, claims of fraud or intentional misrepresentation and other than as provided in Section 10.10 or in the Shareholders Agreement, the Purchaser and the Company acknowledge and agree that following the Closing, the indemnification provisions in this Article VIII shall be the sole and exclusive remedies of the Purchaser and the Company, as applicable, for any breach by the other Party of the representations and warranties in this Agreement and for any failure by the other Party to perform and comply with any covenants and agreements in this Agreement.

SECTION 8.07 Miscellaneous. For Tax purposes, the Parties agree to treat all payments made pursuant to any indemnification obligation under this Agreement as adjustments to the Purchase Price.

ARTICLE IX

TERMINATION

SECTION 9.01 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by written notice by either the Company or the Purchaser if the Closing shall not have occurred by December 31, 2012 (the "Termination Date"); provided, however, that the right to terminate this Agreement under this Section 9.01(a) shall not be available to any Party whose breach of any of its representations, warranties, covenants or agreements under this Agreement or any other Transaction Document shall have been the cause of, or shall have resulted in, the failure of the Closing to occur on or prior to the Termination Date;

(b) by written notice by either the Company or the Purchaser in the event that any Governmental Order restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement shall have become final and non-appealable, unless (in the case of a termination by the Company only) such Governmental Order restrains, enjoins or prohibits the consummation of such transactions solely as they relate to a Non-Material Subsidiary or Non-Material Subsidiaries;

(c) by written notice by the Company if a breach of any representation or warranty of the Purchaser or failure to perform any covenant or agreement on the part of the Purchaser set forth in this Agreement (including an obligation to consummate the Closing) shall have occurred that would, if occurring or continuing on the date on which the Closing should have occurred, cause the condition set forth in Section 7.01(a) not to be satisfied, and such condition is not cured, or is incapable of being cured, within twenty (20) days (but not later than the Termination Date) of receipt of written notice by the Company to the Purchaser of such breach or failure; provided that the Company is not then in breach of this Agreement so as to cause any of the conditions set forth in Section 7.02 not to be satisfied;

(d) by written notice by the Purchaser if a breach of any representation or warranty of the Company or failure to perform any covenant or agreement on the part of the Company set forth in this Agreement (including an obligation to consummate the Closing) shall have occurred that would, if occurring or continuing on the Closing Date, cause the condition set forth in Section 7.02(a) not to be satisfied, and such condition is not cured, or is incapable of being cured, within twenty (20) days (but not later than the Termination Date) of receipt of written notice by the Purchaser to the Company of such breach or failure; provided that the Purchaser is not then in breach of this Agreement so as to cause any of the conditions set forth in Section 7.01 not to be satisfied;

(e) by written notice by the Company in accordance with Section 5.08(d), provided that the Company pays to the Purchaser the amount due pursuant to Section 10.01(b) in accordance with the terms specified therein, and immediately following termination of this Agreement the Company enters into a definitive agreement with respect to a Superior Proposal; or

(f) by the mutual written consent of the Company and the Purchaser.

SECTION 9.02 Effect of Termination. In the event of termination of this Agreement as provided in Section 9.01, this Agreement shall forthwith become void and have no effect, and there shall be no Liability on the part of any Party or its Affiliates or Representatives in respect thereof, except that (a) Section 5.03, this Section 9.02 and Article X shall survive any termination and (b) nothing herein shall relieve any Party from liability for any breach of this Agreement or any other Transaction Document occurring prior to such termination.

ARTICLE X

GENERAL PROVISIONS

SECTION 10.01 Expenses.

(a) Except as otherwise specified in this Agreement, all costs and expenses, including fees and disbursements of counsel, financial advisors and accountants, incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be borne by the Party incurring such costs and expenses, whether or not the Closing shall have occurred.

(b) If this Agreement is terminated by the Company pursuant to Section 9.01(e), then the Company shall pay to the Purchaser, by wire transfer of immediately available funds to an account designated by the Purchaser, the Termination Fee at the time of such termination. "Termination Fee" means an aggregate amount equal to five percent (5%) of the Purchaser Total Amount, plus the Purchaser's Expenses actually incurred by the Purchaser on or prior to the termination of this Agreement. In addition, if after the date of this Agreement:

(i) (x) an Acquisition Proposal shall have been made to the Company, or any Person shall have announced (or otherwise made known to the Board of Directors of the Company) an intention (whether or not conditional) to make an Acquisition Proposal, and (y) following the occurrence of an event described in the preceding clause (x), this Agreement shall have been terminated by the Purchaser pursuant to Section 9.01(d), and (z) within twelve (12) months of the date this Agreement is terminated as described in the preceding clause (y), the Company enters into one or more definitive acquisition agreements with respect to, or consummates a transaction contemplated by, any Acquisition Proposal (provided that for purposes of this clause (z), clause (C) of the definition of Acquisition Proposal shall be amended to refer to equity securities of the Company or any of its Subsidiaries representing 20% or more of the total voting power of, or outstanding equity interests in, the Company or any of its Subsidiaries);

(ii) then, in any such event under clause (i) of this Section 10.01(b), the Company shall promptly pay the Purchaser, by wire transfer of immediately available funds to an account designated by the Purchaser, an amount equal to the Termination Fee; provided that such payment is made to the Purchaser immediately prior to, and as a condition to the consummation of, the transaction contemplated by such Acquisition Proposal.

The Company acknowledges that the agreements contained in this Section 10.01(b) are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the Purchaser would not enter into this Agreement. Accordingly, if the Company fails promptly to pay any amount due to the Purchaser pursuant to this Section 10.01(b), it shall also pay any costs and expenses incurred by the Purchaser in connection with a legal action to enforce this Agreement that results in a judgment against the Company for such amount, together with interest on the amount of any unpaid fee, cost or expense at the publicly announced prime rate of Citibank, N.A. from the date such fee, cost or expense was required to be paid to (but excluding) the payment date. The Company agrees that, upon any termination of this Agreement under circumstances where the Termination Fee is payable by the Company pursuant to this Section and such Termination Fee is paid in full, except in the case of fraud, the Purchaser shall be precluded from any other remedy against the Company, at law or in equity or otherwise, and the Purchaser shall not seek to obtain any recovery, judgment, or damages of any kind, including consequential, indirect, or punitive damages, against the Company or any of the Company's Subsidiaries or any of their respective directors, officers, employees, partners, managers, members, shareholders or Affiliates or their respective representatives in connection with this Agreement or the transactions contemplated hereby.

SECTION 10.02 Notices. All notices, requests, claims, demands and other communications required or permitted to be given under any Transaction Document shall be in writing and will be delivered by hand or telecopied, e-mailed or sent, postage prepaid, by registered, certified or express mail or reputable overnight courier service and will be deemed given when so delivered by hand or telecopied (confirmed electronically or telephonically from the receiving facsimile machine), when e-mail confirmation is received if delivered by e-mail, or three Business Days after being so mailed (one Business Day in the case of express mail or overnight courier service). All such notices, requests, claims, demands and other communications will be addressed as set forth below, or pursuant to such other instructions as may be designated in writing by the Party to receive such notice in accordance with this Section 10.02; if the delivery deadline date for any item under this Agreement is a day that is not a Business Day, the applicable delivery deadline date for such item shall be the immediately following Business Day:

SECTION 10.03 Public Announcements. The initial press release with respect to this Agreement and the transactions contemplated hereby shall be a release mutually agreed to by the Company and the Purchaser and shall be issued promptly after the execution hereof at a time mutually agreed to by the Company and the Purchaser. Thereafter, none of the Parties shall make, or cause to be made, any press release or public announcement in respect of this Agreement or the other Transaction Documents or the transactions contemplated hereby or thereby or otherwise communicate with any news media without the prior written consent of the other Party unless such press release or public announcement is required by Law or applicable stock exchange regulation, in which case the Parties shall, to the extent practicable, consult with each other as to the timing and contents of any such press release, public announcement or communication.

SECTION 10.04 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to either Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement are consummated as originally contemplated to the greatest extent possible.

SECTION 10.05 Entire Agreement. This Agreement and the other Transaction Documents constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof and supersede all prior agreements and undertakings, both written and oral, among the Parties with respect to the subject matter hereof and thereof.

SECTION 10.06 Assignment. This Agreement may not be assigned by operation of Law or otherwise without the express written consent of the Company and the Purchaser (which consent may be granted or withheld in the sole discretion of the Company or the Purchaser), as the case may be, and any such purported assignment shall be void ab initio; provided, however, that notwithstanding the foregoing, the rights, interests and obligations of the Purchaser hereunder may be assigned, without the prior written consent of the Company, to one or more of the Purchaser's or Guarantors' Affiliates as designated by the Purchaser or such Guarantor; provided, that no such assignment shall relieve the Purchaser or any of the Guarantors of any of its obligations hereunder.

SECTION 10.07 Amendment. This Agreement may not be amended or modified except (a) by an instrument in writing signed by Company and the Purchaser that expressly references the Section(s) of this Agreement to be amended or (b) by a waiver in accordance with Section 10.08. Any amendment or modification to the Guaranty in Section 10.17 shall be governed by Section 10.17(d).

SECTION 10.08 Waiver. (a) The Purchaser may (i) extend the time for the performance of any of the obligations or other acts of the Company, (ii) waive any inaccuracies in the representations and warranties of the Company contained herein or in any document delivered by such Party pursuant hereto or (iii) waive compliance with any of the agreements of the Company or conditions to such Party's obligations contained herein and (b) the Company may (i) extend the time for the performance of any of the obligations or other acts of the Purchaser, (ii) waive any inaccuracies in the representations and warranties of the Purchaser contained herein or in any document delivered by the Purchaser pursuant hereto or (iii) waive compliance with any of the agreements of the Purchaser or conditions to the Purchaser's obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of any Party to assert any of its rights hereunder shall not constitute a waiver of any of such rights. Any waiver of any term or condition in Section 10.17 shall be governed by Section 10.17(e).

SECTION 10.09 No Third Party Beneficiaries. Except as provided for in Sections 5.10, 8.02, 8.03 and 8.04, this Agreement shall be binding upon and inure solely to the benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

SECTION 10.10 Specific Performance. The Parties acknowledge and agree that the Parties would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached and that any nonperformance or breach of this Agreement by any Party could not be adequately compensated by monetary damages alone and that the Parties would not have any adequate remedy at Law. Accordingly, in addition to any other right or remedy to which the Parties may be entitled, at Law or in equity (including monetary damages), such Party shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement without posting any bond or other undertaking.

SECTION 10.11 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York, without regard to principles of conflict of laws thereof which may require the application of the law of another jurisdiction. All Actions arising out of or relating to this Agreement shall be heard and determined exclusively in any federal court sitting in the Borough of Manhattan of the City of New York; provided, however, that if such federal court does not have jurisdiction over such Action, such Action shall be heard and determined exclusively in any New York state court sitting in the Borough of Manhattan of the City of New York. Consistent with the preceding sentence, the Parties hereby (a) submit to the exclusive jurisdiction of any federal or state court sitting in the Borough of Manhattan of the City of New York for the purpose of any Action arising out of or relating to this Agreement brought by either Party and (b) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the transactions contemplated by this Agreement may not be enforced in or by any of the above-named courts. The Parties hereby agree that the mailing of process or other papers in connection with any such Action or proceeding in the manner provided in Section 10.02, or in such other manner as may be permitted by Law, shall be valid and sufficient service thereof and hereby waive any objections to service accomplished in the manner herein provided.

SECTION 10.12 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION OR LIABILITY DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH OF THE PARTIES HEREBY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY SUCH ACTION OR LIABILITY, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.12.

SECTION 10.13 Effect of Investigation. All representations, warranties, covenants and agreements made by the Company in this Agreement or in any other Transaction Document shall not be affected or deemed waived by (i) any investigation made by or on behalf of the Purchaser (whether before, on or after the date hereof or before, on or after the Closing Date), (ii) knowledge obtained (or capable of being obtained) as a result of such investigation or otherwise, or (iii) the Purchaser's participation in the preparation of the schedules pursuant to this Agreement.

SECTION 10.14 Counterparts. This Agreement may be executed and delivered (including by scanned or facsimile transmission) in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. A signed copy of this Agreement delivered by facsimile, portable document format, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement

SECTION 10.15 Currency. Unless otherwise specified in this Agreement, all references to currency, monetary values and dollars set forth herein shall mean United States (U.S.) dollars, "\$" refers to United States dollars and all payments hereunder shall be made in United States dollars by wire transfer in immediately available funds to such account as shall have been specified in writing by the recipient thereof to the Party making such payment.

SECTION 10.16 No Recourse. This Agreement may only be enforced against, and any Claim or Action based upon, arising out of, or related to this Agreement, or the negotiation, execution or performance of this Agreement, may only be brought against, the entities that are expressly named as parties hereto and then only with respect to the specific obligations set forth herein with respect to such party. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, Affiliate, agent, attorney or other representative of any Party hereto or of any Affiliate of any Party hereto, or any of their successors or permitted assigns, shall have any Liability for any obligations or Liabilities of any Party hereto under this Agreement or for any Claim or Action based on, in respect of or by reason of the transactions contemplated hereby.

SECTION 10.17 Guaranty.

(a) Each of the Guarantors hereby irrevocably and unconditionally guarantees severally to the Company in accordance with their Guaranteed Percentage the full and punctual payment of the Purchase Price and any liability of the Purchaser arising from a breach of the Agreement prior to termination as contemplated by Section 9.02(b) when due in accordance with the terms of this Agreement (the "Guaranteed Obligation") (collectively, the "Guaranty"). Each of the Guarantors hereby acknowledges and agrees that the Guaranty constitutes an absolute, present, primary, continuing and unconditional guaranty of payment by the Purchaser of the Guaranteed Obligation when due under this Agreement and not of collection only and is in no way conditioned or contingent upon any attempt to enforce such payment by a guaranteed party upon any other condition or contingency. Each of the Guarantors hereby waives any right to require a proceeding first against the Purchaser. The Guaranteed Obligation shall not be subject to any reduction, limitation or impairment for any reason (other than by indefeasible payment or performance in full of the Guaranteed Obligation) and shall not be subject to (i) any discharge of the Purchaser from the Guaranteed Obligation in a bankruptcy or similar proceeding (except by indefeasible payment or performance in full of the Guaranteed Obligation) or (ii) any other circumstance whatsoever which constitutes, or might be construed to constitute an equitable or legal discharge of either of the Guarantors as guarantor under this Section 10.17. This Guaranty shall be subject to the provisions of Section 10.02, Section 10.09, Section 10.11, Section 10.12 and Section 10.14.

(b) Each Guarantor hereby severally represents and warrants to the Company as follows:

(i) **Organization and Authority of the Guarantors.** Such Guarantor is duly organized, validly existing and in good standing under the Laws of the jurisdiction where it was organized and has all necessary power and authority to enter into this Agreement (solely for the purposes of this Section 10.17), to carry out its obligations under this Section 10.17 and to consummate the transactions contemplated by the Guaranty. The execution and delivery by such Guarantor of this Agreement (solely for the purposes of this Section 10.17), the performance by such Guarantor of its obligations under this Section 10.17 and the consummation by such Guarantor of the transactions contemplated by this Section 10.17 have been duly authorized by all requisite action on the part of such Guarantor. This Agreement has been duly executed and delivered by such Guarantor, and (assuming due authorization, execution and delivery by the other Parties) this Agreement constitutes the legal, valid and binding obligations of such Guarantor, enforceable against such Guarantor in accordance with the terms of this Section 10.17, subject to the effects of the Bankruptcy and Equity Exception.

(ii) **No Conflicts; Consents.** The execution, delivery and performance by such Guarantor of this Agreement (solely for the purposes of this Section 10.17), and the consummation of the transactions contemplated by this Section 10.17, does not and will not (a) violate, conflict with or result in the breach of any provision of such Guarantor's Organizational Documents, (b) conflict in any material respect with or violate in any material respect any material Law or material Governmental Order applicable to such Guarantor, or (c) require the consent, notice or other action by any Person under, conflict with, result in any breach of, constitute a default or event that, with or without notice or lapse of time or both, would constitute a default under, result in the acceleration of or create in any party the right to accelerate, terminate, suspend, revoke, modify or cancel, any Contract to which such Guarantor is a party or by which such Guarantor is otherwise bound, except, in the case of clause (c), as would not materially and adversely affect the ability of such Guarantor to carry out its obligations under, and to consummate the transactions contemplated by this Section 10.17. No consent, approval, Permit, Governmental Order, declaration or filing with, or notice to, any Governmental Authority is required by or with respect to such Guarantor in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated by this Section 10.17.

(iii) **Litigation.** No Action by or against such Guarantor is pending or, to the knowledge of such Guarantor, threatened, which could affect the legality, validity or enforceability of this Guaranty or the consummation of the transactions contemplated by this Section 10.17.

(c) This Guaranty and all of the Guarantors' obligations under this Section 10.17 shall terminate and expire on the earlier of (i) the date this Agreement is terminated in accordance with Article IX; provided, however, that the Guarantors' obligations under this Guaranty with respect to any liability of the Purchaser for a breach of this Agreement or any other Transaction Document occurring prior to the termination of the Agreement as described in Section 9.02(b) shall not terminate or expire and shall continue notwithstanding termination of this Agreement or (ii) the Closing Date ("Expiration Date"). No claims may be made under this Guaranty after the Expiration Date.

(d) This Guaranty may not be amended or modified except by an instrument in writing signed by the Company and the Guarantors. This Guaranty constitutes the entire agreement and understanding of the Guarantors and the Company relating to the subject matter hereof.

(e) Any waiver of any term or condition of this Guaranty must be in writing and signed by the Party against whom such waiver is sought to be enforced. Any waiver of any term or condition of this Guaranty shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Guaranty.
