Who is Entitled to Vote?

We have fixed the close of business on September 12, 2006 as the record date for shareholders entitled to notice of and to vote at the Southern Missouri Bancorp annual meeting. Only holders of record of Southern Missouri Bancorp common stock on that record date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Southern Missouri Bancorp common stock you own. On September 12, 2006, 2,236,331 shares of Southern Missouri Bancorp common stock were outstanding and entitled to vote at the annual meeting.

What if My Shares are Held in "Street Name" by a Broker?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to "discretionary" items, but will not be permitted to vote your shares with respect to "non-discretionary" items, pursuant to current industry practice. In the case of non-discretionary items, the shares not voted will be treated as "broker non-votes." The proposals to elect directors and ratify auditors described in this proxy statement are considered "discretionary" items under the Nasdaq Stock Market rules.

How Will My Shares of Common Stock Held in the Employee Stock Ownership Plan be Voted?

We maintain an employee stock ownership plan ("ESOP") which owns 6.22% of Southern Missouri Bancorp common stock. Employees of Southern Missouri Bancorp and Southern Missouri Bank and Trust participate in the ESOP. Each ESOP participant instructs the trustee of the plan how to vote the shares of Southern Missouri Bancorp common stock allocated to his or her account under the ESOP. If an ESOP participant properly executes the voting instruction card distributed by the ESOP trustee, the ESOP trustee will vote the participant's shares in accordance with the participant's instructions. Shares of Southern Missouri Bancorp common stock held in the ESOP but not allocated to any participant's account, and allocated shares for which no voting instructions are received from participants, will be voted by the trustee in the same proportion as shares for which the trustees have received voting instructions.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Southern Missouri Bancorp common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What If a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the adjourned meeting is set to be held after November 15, 2006. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal I: Election of Directors.

Directors are elected by a majority of the votes cast, in person or by proxy, at the annual meeting by holders of Southern Missouri Bancorp common stock. Pursuant to our Articles of Incorporation, stockholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld and broker non-votes for a particular nominee will have the same effect as a vote against the respective nominee. **Our Board of Directors unanimously recommends that you vote "FOR" the election of each of management's director nominees.**

Vote Required to Approve Proposal II: Ratification of the Appointment of Our Independent Auditors.

Ratification of the appointment of BKD, LLP as our independent auditors for the fiscal year ending June 30, 2007 requires the affirmative vote of the majority of shares cast, in person or by proxy, at the annual meeting by holders of Southern Missouri Bancorp common stock. Abstentions and broker non-votes on the proposal to ratify the appointment of BKD, LLP as our independent auditors, will have the same effect as a vote against the proposal. **Our Board of Directors unanimously recommends that you vote "FOR" the proposal to ratify BKD, LLP as our independent auditors for the fiscal year ending June 30, 2007.**

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. Shares of Southern Missouri Bancorp common stock can only be voted if the shareholder is present in person at the annual meeting or by proxy. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting.

Voting instructions are included on your proxy card. Shares of Southern Missouri Bancorp common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to Southern Missouri Bancorp with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares "FOR" the election of each of management's director nominees and "FOR" ratification of the appointment of BKD, LLP as our independent auditors for the fiscal year ending June 30, 2007. Should any other matters be properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. No other matters are currently expected by the Board of Directors to be properly presented at the Annual Meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children -- in which case you will receive three separate proxy cards to vote.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- ◆ submitting a new proxy with a later date;
- ◆ notifying the Corporate Secretary of Southern Missouri Bancorp in writing before the annual meeting that you have revoked your proxy; or
- ◆ voting in person at the annual meeting.

meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

Proxy Solicitation Costs.

We will pay the cost of soliciting proxies. In addition to this mailing, our directors, officers and employees may also solicit proxies personally, electronically or by telephone. We will also reimburse brokers and other nominees for their expenses in sending these materials to you and obtaining your voting instructions.

STOCK OWNERSHIP OF SOUTHERN MISSOURI BANCORP COMMON STOCK

Stock Ownership of Directors and Executive Officers and 5% Owners.

The following table sets forth, as of the September 12, 2006 voting record date, information regarding share ownership of:

- ◆ those persons or entities (or groups of affiliated person or entities) known by management to beneficially own more than five percent of Southern Missouri Bancorp common stock other than directors and executive officers;
- ◆ each director and director nominee of Southern Missouri Bancorp Inc.;

In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after September 12, 2006 are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. Meetings of the Board of Directors of Southern Missouri Bank and Trust are also generally held on a monthly basis. Director Independence

Each of our directors other than Mr. Steffens, President of the Company, qualify as "independent" in accordance with the published listing requirements of the Nasdaq. The Nasdaq independence definition includes a series of objective tests, such as that the director is not an employee of the company and has not engaged in various types of business dealings with the company. As further required by the Nasdaq rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and its management.

Committees and Charters

The Board of Directors of Southern Missouri Bancorp has standing Executive, Audit, Compensation and Nominating Committees.

The Board of Directors updated and adopted new written charters for its Audit Committee in June 2005 and for its Nominating Committee in September 2005, as well as a written Code of Business Conduct and Ethics that applies to all our directors, officers, and employees.

You may obtain a copy of these documents free of charge by writing to: Corporate Secretary, Southern Missouri Bancorp, Inc., 531 Vine Street, Poplar Bluff, Missouri 63901, or by calling (573) 778-1800. In addition, our Code of Business Conduct and Ethics were filed with the SEC as Exhibit 14 to the Company's Annual Report on Form 10-KSB for the fiscal year ended June 30, 2005. Our Audit Committee, and Nominating Committee charters were attached to last year's proxy statement as Appendices A and B, respectively, and were filed with the SEC accordingly.

The Executive Committee generally acts in lieu of the full Board of Directors between board meetings. This committee is responsible for formulating and implementing policy decisions, subject to review by the entire Board of Directors. The Executive Committee is composed of Directors Steffens, Tatum, Smith and Bagby. The Executive Committee did not meet in fiscal 2006.

The Audit Committee of Southern Missouri Bancorp operates under a written charter adopted by the full Board of Directors. The Audit Committee currently has eight members, including directors Love, Tatum, Smith, Bagby, Black, Schalk, Moffitt and Brooks, each of whom is an "independent director" under the standards established by the United States Securities and Exchange Commission (the "SEC") for members

This committee is responsible for the review of the company's annual audit report prepared by our independent auditors. The functions of the Audit Committee include:

- ◆ reviewing significant financial information including all quarterly reports and press releases containing financial information for the purpose of giving added assurance that the information is accurate and timely and that it includes all appropriate financial statement disclosures;
- ◆ reviewing and assessing the adequacy of the Audit Committee charter on an annual basis;
- ◆ approving non-audit and audit services to be performed by the independent auditors;
- ◆ ascertaining the existence of effective accounting and internal control systems; and
- ◆ overseeing the entire audit function, both internal and independent, including reviewing all reports received from the independent auditor.

In fiscal 2006, this committee met six times.

The Nominating Committee is responsible for identifying and recommending director candidates to serve on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendations of the Nominating Committee. The nominees for election at the Meeting identified in this Proxy Statement were recommended to the Board by the newly appointed Nominating Committee.

Nominating Committee has the following responsibilities:

- (i) recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;

This Committee met three times

during the fiscal year ended June 30, 2006.

Although the Company does not have a formal policy regarding director attendance at annual stockholder meetings, directors are expected to attend these meetings absent extenuating circumstances. Every director of the company attended last year's annual meeting of stockholders.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Employment Agreements

Mr. Steffens has an employment agreement with Southern Missouri Bank and Trust. The agreement provides for an annual base salary in an amount not less than Mr. Steffens' current salary and has an initial term of one year. The agreement also provides for annual extensions of one year on each anniversary of the effective date of the agreement (*i.e.*, each June 30). The agreement terminates upon the named executive officer's death, upon Mr. Steffens' termination for cause, or upon 90 days notice to us by Mr. Steffens.

The employment agreement provides for payment to the named executive officer of the greater of his salary for the remainder of the term of the agreement, or 299% of his base compensation, in the event there is a "change in control" of Southern Missouri Bancorp or the Bank, where employment terminates involuntarily in connection with the change in control or within twelve months thereafter. This termination payment is subject to reduction by the amount of all other compensation to the employee deemed for purposes of the Internal Revenue Code of 1986, as amended, to be contingent on a "change in control," and may not exceed three times the employee's average annual compensation over the most recent five year period or be non-deductible by the Bank for federal income tax purposes. For purposes of the employment agreement, a "change in control" is defined to include any event which would qualify as a change in control under (i) the Home Owners Loan Act of 1933 with respect to Southern Missouri Bancorp; or (ii) the Change in Bank Control Act with respect to Southern Missouri Bank and Trust; or (iii) where the current members of the Board of Directors of either Southern Missouri Bancorp or Southern Missouri Bank and Trust cease for any reason to constitute at least a majority thereof. These events are generally triggered prior to the acquisition of control of 10% of Southern Missouri Bancorp's common stock. The agreements also guarantee participation in an equitable manner in employee benefits applicable to executive personnel.

Based on his current compensation, if Mr. Steffens had been terminated as of June 30, 2006, under circumstances entitling him to severance pay as described above, he would have been entitled to receive a lump sum cash payment of approximately \$469,119.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Southern Missouri Bancorp, Inc. specifically incorporates it by reference in such filing.

General. The Board of Directors of the Company and the Bank have delegated the authority and responsibility to the Compensation Committee to oversee the general compensation policies of the Company and Bank, to establish compensation plans and salary levels for executive officers, and review the recommendations of management on compensation for other officers and employees of the Bank. The members of the Compensation Committee are independent directors. The Committee's responsibilities are described in a written charter adopted by the Board of Directors.

When the Bank converted from a mutually owned to a publicly owned company, the Compensation Committee developed an executive compensation plan designed to (i) attract, motivate, reward and retain executive officers who are key to the long term success of the bank; and (ii) encourage decision making that maximized shareholder value. The Committee's ongoing compensation objective is to ensure that such compensation reflects the achievement of both long term and short-term goals as they relate to the Company's overall strategic planning process.

Executive Compensation Policy. The compensation package given to executive officers of the Bank is comprised of a base salary and an annual incentive bonus. Executive officers are also provided with other benefit plans available to all eligible employees, including the employee stock ownership plan. The Compensation Committee reviews the compensation plan elements available to executive officers periodically as they relate to the policies described above. The Committee met one time in fiscal 2006 to review general compensation and benefit levels for the Bank, including consideration and administration of the Equity Incentive Plan, and to review and recommend the base salary and bonus of the Chief Executive Officer.

Base Salary. It is the policy of the Compensation Committee to annually review executive compensation packages, including base salaries paid or proposed to be paid, using information derived primarily from third party sources that provide compensation data and analysis from publicly held companies in the Company's market area. Using this and asset size, the Committee compares the positions under consideration with similar jobs in other financial institutions. Specific factors considered include the level of responsibility delegated to a particular officer, the complexity of the job being evaluated, the position's impact on both short and long term corporate objectives, the expertise and skill level of the individual under consideration, the degree to which the officer has achieved his or her management objectives for the plan year, and the officer's overall performance in managing his or her area of responsibility. The Compensation Committee's decisions are discretionary, and no quantifiable formula is used in arriving at a decision. For fiscal 2007, a merit increase of 4.0% was awarded to the base salary of the executive officer.

Annual Incentive Bonus. All officers of the Bank, including the named executive officers, are eligible to participate in bonuses awarded at the discretion of the Bank's Board of Directors. The annual incentive bonuses are awarded based on quantitative criteria related to the actual operating results for the prior year relative to the established goals set for net income, loan growth and deposit growth. In addition, qualitative criteria related to customer satisfaction and compliance, audit and examination results, deposit growth, loan originations and portfolio growth, as well as delinquency ratios, are also factors considered. There is also a discretionary component factored in that is based upon the Committee's evaluation of the individual

Next Page

contributions towards the success of the Company. The discretionary bonuses for 2006 and 2007 did not exceed 4% of the after-tax net income.

Benefit Plans. The Compensation Committee believes that a competitive benefit package is essential to attract and maintain highly qualified employees. The Compensation Committee's policy regarding employee benefit plans is to provide competitive benefits including health, life and disability insurance to the employees of the Bank, including executive officers. The executive officers participate at the same level as all employees in general. The employee stock ownership plan will provide executive officers and employees with an additional equity-based incentive to maximize long-term shareholder value.

Long Term Incentives

Chief Executive Officer. Total compensation paid to the Chief Executive Officer during 2006 was a base salary of \$171,485 plus an ESOP award of stock valued at \$14,623. In determining total compensation paid to the Chief Executive Officer, the Compensation Committee considered factors relating to the performance of the Bank including deposit growth, the success of the branch facilities, the level of profits from operations, goals relating to loan volume, asset quality, increase in asset size and commensurate responsibilities with bank growth, Bank compliance and other qualitative factors.

The foregoing report is furnished by the Compensation Committee:
