### ELECTION OF DIRECTORS

#### BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors has nominated Kathleen M. Evans and Timothy R. Pestotnik to serve three-year terms as directors. Ms. Evans and Mr. Pestotnik have each expressed an intention to serve, if elected, and the Board of Directors knows of no reason why either of them might be unavailable to serve. If Ms. Evans or Mr. Pestotnik is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute nominee as the Board of Directors may recommend. There are no arrangements or understandings between Ms. Evans or Mr. Pestotnik and any other person pursuant to which they were selected as nominees. The election of a director requires the affirmative vote of a plurality of the shares present in person or represented by proxy at the Annual Meeting and entitled

## Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

to vote. Consequently, votes withheld and broker nonvotes with respect to the election of directors will have no impact on the election of directors. Proxies submitted pursuant to this solicitation will be voted, unless specified otherwise, for the election of Ms. Evans and Mr. Pestotnik. THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF MS. EVANS AND MR. PESTOTNIK.

The table below sets forth certain information regarding the directors of the Company. The Company does not maintain a long-term incentive plan or pension plan (as defined in Item 402 of SEC Regulation S-K) for the Named Officers and has not repriced any options or SARs for any Named Officer during the last fiscal year.

### EMPLOYMENT AGREEMENTS

The Company has entered into employment agreements with William F. Wright, the Chairman of the Board, and Kathleen M. Evans, President of the Company. Each such agreement has a term expiring on December 31, 2003 and is automatically extended each December 31 for one additional year unless either the Company or the executive delivers a notice of non-extension at least 90 days prior to the scheduled automatic renewal date. Each agreement provides for the payment of a base salary in each year during the term thereof and provides that the executive shall be eligible to receive a bonus based upon performance in an amount determined by the Compensation Committee of the Board. Should the Board elect to terminate the agreements upon such executive's disability or death, such executive or his or her personal representative shall be entitled to receive the executive's base salary for a period of six months following the termination. Should the Board elect to terminate the agreements for a reason other than serious misconduct (as

9

defined in the agreements), such executive shall be entitled to receive a severance package equal to such executive's current base salary plus his or her previous year's bonus. Each executive will also be eligible to participate in the Company's 1994 Stock Option Plan and in other employee benefit plans maintained by the Company, including health and life insurance plans. Each agreement contains provisions under which the executive has agreed to maintain the confidentiality of information concerning the Company and its affairs and a covenant not to compete with the Company for a period of one year after such executive's employment with the Company terminates.

### REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

THIS REPORT IS NOT DEEMED TO BE "SOLICITING MATERIAL" OR TO BE "FILED" WITH THE SECURITIES AND EXCHANGE COMMISSION (THE "SEC") OR SUBJECT TO THE SEC'S PROXY RULES OR TO THE LIABILITIES OF SECTION 18 OF THE SECURITIES EXCHANGE ACT OF 1934 (THE "1934 ACT"), AND THIS REPORT SHALL NOT BE DEEMED TO BE INCORPORATED BY REFERENCE INTO ANY PRIOR OR SUBSEQUENT FILINGS BY THE COMPANY UNDER THE SECURITIES ACT OF 1933 OR THE 1934 ACT.

EXECUTIVE OFFICER COMPENSATION. The Company's Compensation Committee (the "Committee") consists only of directors who are not officers or employees of the Company. The Committee endeavors to establish total compensation packages for each executive officer that fairly reflects the value of that executive officer's services to the Company and that will permit the Company to attract and retain high quality individuals in its key executive positions, taking into consideration both the prevailing competitive job market and the current size and expected growth of the Company.

## Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

Executive officer compensation contains three principal components: (i) a base salary, (ii) a cash bonus and (iii) grants of options to purchase Common Stock under the Company's 1994 Stock Option Plan. Mr. Wright's and Ms. Evans' base salaries are set forth in their employment agreements and are subject to annual increases as recommended by the Committee. The base salaries of other officers are determined as a function of their prior base salaries and the Committee's view of base salary levels for executive officers with comparable positions and responsibilities in other companies and are not a function of any specific performance criteria. The Committee periodically compares base salaries paid to the Company's executive officers with those paid by other public companies engaged in similar industries and that generate revenues in the same range as the Company. These companies are not necessarily the same companies that are included in the peer group index (Standard & Poors 600 Food Distributors Index) used in the Performance Graph included in this Proxy Statement. In general, the Committee determined that the base salaries paid to the Company's executive officers fell within the median range of base salaries paid by such comparable companies.

The Committee has adopted an executive compensation plan which established performance goals and criteria relating to the amounts of cash bonuses paid to its executive officers in future years. Stock option awards will continue to be determined on an annual basis. The bonus portion of Mr. Wright's, Ms. Evans' and Mr. Hinkefent's compensation is paid based upon the performance goals established by the Compensation Committee and approved by

10

the Board of Directors. In addition to bonuses paid in accordance with the executive compensation plan, the Compensation Committee may award additional bonus amounts on a discretionary basis if the Committee deems it to be appropriate.

The bonus portion of other executive officer's compensation is paid on a discretionary basis based upon the Committee's assessment of the executive's individual performance and the overall performance of the Company during the most recently completed fiscal year with respect to stockholder value, stock price, sales growth and net income. In general, it has been the Company's practice to award cash bonuses to the executive officers with respect to a particular fiscal year in amounts consistent with cash bonuses awarded in prior fiscal years as long as the Company achieves stock price, sales and net income levels specified in the Company's budget for such fiscal year.

Because ownership of the Company's Common Stock serves to align the economic interests of its executive officers with those of its stockholders, executive officers who, in the opinion of the Committee, contribute to the growth, development and financial success of the Company may be awarded options to purchase Common Stock. Any grant of options to purchase Common Stock must be made with an exercise price no less than the closing sale price of the Common Stock on the date of grant. Therefore, the compensation value of these stock options is directly related to the long-term performance of the Company as measured by its future return to stockholders. The amount of stock option awards granted to executive officers are also determined on a discretionary basis by the Committee considering the same criteria used to award cash bonuses.

COMPLIANCE WITH SECTION 162(M) OF THE INTERNAL REVENUE CODE. The current tax law imposes an annual, individual limit of \$1 million on the deductibility of the Company's compensation payments to the Chairman and to the four most highly compensated executive officers other than the Chairman. Specified compensation is excluded for this purpose, including performance-based

## Edgar Filing: AMCON DISTRIBUTING CO - Form DEF 14A

compensation, provided that certain conditions are satisfied. The Committee has determined to preserve, to the maximum extent practicable, the deductibility of all compensation payments to the Company's executive officers.

COMPENSATION OF CHAIRMAN. Mr. Wright's base salary is set by his employment agreement and is subject to annual increases as recommended by the Committee. It is the view of the Committee, based upon its periodic review of base salaries paid to chief executive officers of similarly situated companies, that Mr. Wright's base salary is reasonable and within the median range paid by such other companies. Based on the performance criteria set forth in the executive compensation plan, Mr. Wright was awarded a cash bonus equal to 10% of his base salary (or \$40,000) for fiscal 2002. No stock option grants were awarded.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. There are no compensation committee interlocks and no insider participation in compensation decisions that are required to be reported under the rules and regulations of the Securities Exchange Act of 1934.

ACT OF 1934 (THE "1934 ACT"), AND THIS REPORT SHALL NOT BE DEEMED TO BE INCORPORATED BY REFERENCE INTO ANY PRIOR OR SUBSEQUENT FILINGS BY THE COMPANY UNDER THE SECURITIES ACT OF 1933 OR THE 1934 ACT.

The Audit Committee operates under a written charter and is comprised of Timothy R. Pestotnik, Allen D. Petersen and Stanley Mayer, each of whom was an independent director of the Company under the rules adopted by the American Stock Exchange (the "AMEX Rules") during fiscal 2002.

The Company's management is responsible for the preparation of the Company's financial statements and for maintaining an adequate system of internal controls and processes for that purpose. Deloitte & Touche LLP ("D&T") acts as the Company's independent auditors and they are responsible for conducting an independent audit of the Company's annual financial statements in accordance with auditing standards generally accepted in the United States of America and issuing a report on the results of their audit. The Audit Committee is responsible for providing independent, objective oversight of both of these processes.

12

The Audit Committee has reviewed and discussed the audited financial statements for the year ended September 27, 2002 with management of the Company and with representatives of D&T. As a result of these discussions, the Audit Committee believes that the Company maintains an effective system of accounting controls that allows it to prepare financial statements that fairly present the Company's financial position and results of its operations. Our discussions with D&T also included the matters required by the Statement on Auditing Standards No. 61 (Communications with Audit Committees).

In addition, the Audit Committee reviewed the independence of D&T. We received disclosures and a letter from D&T regarding its independence as required by Independence Standard Board Standard No. 1 and discussed this information with D&T.

Based on the foregoing, the Audit Committee recommended to the full Board of Directors that the audited financial statements of the Company for the year ended September 27, 2002 be included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission.

### RATIFICATION OF APPOINTMENT OF AUDITOR

Deloitte & Touche LLP ("D&T") has been appointed by the Board of Directors as auditors for the Company and its subsidiaries for fiscal 2003. This appointment is being presented to the stockholders for ratification. The ratification of the appointment of auditor requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote. Abstentions and broker nonvotes will not be considered shares entitled to vote with respect to ratification of the appointment and will not be counted as votes for or against the ratification.

On September 4, 2001, the Company's Board of Directors, upon recommendation from the Company's Audit Committee, approved a change in the Company's independent accountants for the fiscal year ended September 28, 2001 from PricewaterhouseCoopers LLP to D&T. The change was due to the closure of the PricewaterhouseCoopers offices in Omaha and Lincoln, Nebraska. The reports of PricewaterhouseCoopers for the fiscal years ended September 29, 2000 and September 24, 1999 contained no adverse opinion, disclaimer of opinion or qualification or modification as to uncertainty, audit scope or accounting principles. During the fiscal years ended September 29, 2000 and September 24, 1999, and the interim period from September 30, 2000 through September 4, 2001, there were no disagreements between the Company and PricewaterhouseCoopers on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PricewaterhouseCoopers, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on the financial statements for such years. No reportable event as described in paragraph (a) (1) (v) of Item 304 of Regulation S-K has occurred within the Company's fiscal years ended September 29, 2000 and September 24, 1999, or the period from September

30, 2000 through September 4, 2001.

The Company did not consult with D&T during the fiscal years ended September 29, 2000 and September 24, 1999, or during the interim period from September 30, 2000 through September 4, 2001, on any matter which was the subject of any disagreement or any reportable event as defined in Regulation S-K Item 304 (a) (1) (iv) and Regulation S-K Item 304 (a) (1) (v), respectively, or on the application of accounting principles to a specified transaction, either

completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, relating to which either a written report was provided to the Company or oral advice was provided that D&T concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue.

### AUDIT FEES

D&T billed the Company a total \$110,000 in fees for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended September 27, 2002 and to review the Company's financial statements included in the Company's Quarterly Reports on Form 10-Q filed with the SEC during that year.

### FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

D&T did not perform any professional services for the Company during the fiscal year ended September 27, 2002, either directly or indirectly, in connection with the operation, or supervising the operation, of the Company's information system or managing the Company's local area network, or designing or implementing a hardware or software system that aggregates source data underlying the Company's financial statements or that generates information that is significant to the Company's financial statements taken as a whole. Accordingly, no fees were paid by the Company to D&T during fiscal 2002 for these types of services.

### ALL OTHER FEES

D&T billed the Company \$42,185 for services rendered to the Company, other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees," for the fiscal year ended September 27, 2002, including audit related services of \$12,680 and non-audit services of \$29,505. Audit related services generally include fees for the audits of the Company's employee benefit plans and fees incurred in connection with acquisitions and compliance with the Sarbanes-Oxley Act. The Audit Committee has determined that the provision of non-audit services listed above by D&T does not adversely affect their independence in providing audit services.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S AUDITORS FOR FISCAL 2003.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting and will be provided an opportunity to make a statement and to respond to appropriate inquiries from stockholders.

The enclosed proxy for the Annual Meeting confers discretionary authority on the Board of Directors to vote on any matter proposed by shareholders for consideration at the Annual Meeting if the Company did not receive written notice of the matter on or before December 31, 2002.

The Company will bear the cost of soliciting proxies. To the extent necessary, proxies may be solicited by directors, officers and employees of the Company in person, by telephone or through other forms of communication, but such persons will not receive any additional compensation for such solicitation. The Company will reimburse brokerage firms, banks and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Company's shares. In addition to solicitation by mail, the Company will supply banks, brokers, dealers and other custodian nominees and fiduciaries with proxy materials to enable them to send a copy of such materials by mail to each beneficial owner of shares of the Company's Common Stock which they hold of record and will, upon request, reimburse them for their reasonable expenses in so doing.

The Company's Annual Report, including financial statements, is being mailed, together with this Proxy Statement, to all stockholders entitled to vote at the Annual Meeting. However, such Annual Report is not to be considered part of this proxy solicitation material. IN ADDITION, ANY STOCKHOLDER WHO WISHES TO RECEIVE A COPY OF THE FORM 10-K FILED BY THE COMPANY WITH THE SECURITIES AND EXCHANGE COMMISSION MAY OBTAIN A COPY WITHOUT CHARGE BY WRITING TO THE COMPANY. Requests should be directed to Mr. Michael D. James at the Company's principal executive office.
