PROXY STATEMENT

SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD ON FEBRUARY __, 2005

This Proxy Statement and the accompanying proxy card and notice are first being mailed to stockholders on or about January , 2005 in connection with the solicitation by the Board of Directors of Chefs International, Inc. (the "Company") of proxies for use at the Special Meeting of Stockholders to be held on _____, February __, 2005, at 10:00 a.m. local time at the Company's Jack Baker's Wharfside Restaurant at 101 Channel Drive, Point Pleasant Beach, New Jersey 08742. At the Special Meeting, stockholders will be asked to approve and adopt the Merger Agreement dated December 22, 2004 between the Company and the Lombardi Restaurant Group, Inc. ("Acquisition Co.") and the Merger contemplated by the Merger Agreement. Acquisition Co. was founded in 2003 by Anthony M. Lombardi, Joseph S. Lombardi, Michael F. Lombardi, Robert M. Lombardi and Stephen F. Lombardi (the "Lombardi Brothers") for the sole purpose of effecting the Merger. The Lombardi Brothers hold five of the eight seats on the Company's Board of Directors and collectively with their related entities and their affiliates own approximately 66% of the Company's outstanding Common Stock. One of the Lombardi Brothers, Robert M. Lombardi, also serves as the Company's Chairman and President. Consummation of the merger will result in:

- o Acquisition Co. merging with and into the Company with the Company being the surviving corporation;
- o Each share of the Company's Common Stock that is issued and outstanding immediately prior to the Effective Time of the Merger, other than shares owned by the Lombardi Brothers and their affiliates or by stockholders who have properly exercised their dissenters' rights, being canceled and converted into the right to receive a cash payment of \$3.12 per share without interest; and
- o The Company no longer being a publicly owned corporation.

The Merger may be a taxable transaction for stockholders who receive a cash payment for their shares. See "THE MERGER AGREEMENT AND THE MERGER- Federal Income Tax Consequences" for a discussion of the United States federal income tax consequences of the Merger. Stockholders, other than the Lombardi Brothers and their

affiliates, will have no equity interest in the Company after completion of the Merger. A copy of the Merger Agreement is included as Appendix A to this Proxy Statement.

The Board of Directors has fixed the close of business on Friday, January 14, 2005 as the Record Date for the Special Meeting. As of the Record Date, the Company had 3,926,105 shares of Common Stock, par value \$.01 per share,

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

outstanding. Only stockholders of record of the Company's Common Stock at the close of business on the Record Date are entitled to notice of and to vote at the Special Meeting or at any adjournment or postponement of the Special Meeting. Each stockholder is entitled to one vote for each share of Common Stock owned of record on the Company's transfer books and records at the close of business on the Record Date. Approval of the Merger Agreement and the Merger requires the affirmative vote of a majority of our Common Stock entitled to vote at the Special Meeting.

All proxies duly submitted will be voted on all business properly presented at the Special Meeting. Only such business that is brought before the Special Meeting by or at the direction of the Board of Directors will be conducted at the Special Meeting. Proxies that specify a vote on a proposal will be voted in accordance with such specification. Proxies that do not specify a vote on a proposal will be voted in accordance with the recommendation of the Board of Directors and "FOR" approval and adoption of the Merger Agreement and the Merger. The Board of Directors knows of no other business to be brought before the Special Meeting. However, if other business is properly brought before the Special Meeting, the holders of the proxies will vote on those proposals at their discretion. A stockholder voting by means of a proxy has the power to revoke it at any time before it is exercised by submitting another proxy bearing a later date, by notifying the Company in writing of such revocation (in the manner described in this Proxy Statement), or by voting in person at the Special Meeting.

Our Board of Directors, after careful consideration, and based upon the recommendation of a Special Committee composed of the three directors who are not Lombardi Brothers nor their affiliates, and who hold no interests in Acquisition Co., has recommended the approval and the adoption of the Merger Agreement and the Merger, has declared the Merger Agreement and the Merger fair to our stockholders, and recommends that the holders of our Common Stock vote "FOR" approval and adoption of the Merger Agreement and the Merger.

We will bear the costs of printing this Proxy Statement. We will pay the expense of soliciting proxies. Proxies will be solicited by mail. Proxies may also be solicited by telephone calls or personal calls by officers, directors, or employees of the Company, none of whom will be specially compensated for soliciting proxies, other than reimbursement for actual expenses incurred.

Please carefully read the detailed information about the Merger contained in this Proxy Statement. To obtain additional information about Chefs International, Inc., see the disclosures under the heading "INFORMATION ABOUT THE COMPANY" at page 15.

THE PROPOSED MERGER HAS NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION OR ANY STATE SECURITIES COMMISSION. NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS PASSED UPON THE FAIRNESS OR MERITS OF THE MERGER OR UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED IN THIS DOCUMENT. ANY REPRESENTATION TO THE CONTRARY IS UNLAWFUL.

No persons have been authorized to give any information or to make any representation other than that contained in this Proxy Statement in connection with the solicitation of proxies made hereby and, if given or made, such information or representation must not be relied upon as having been authorized by the Company or any of its affiliates. SUMMARY INFORMATION IN QUESTION AND ANSWER FORMAT

The following information in question and answer format, summarizes many of the material terms of the Company's proposed Merger with Acquisition Co. This summary may not contain all of the information that you believe is important for you to consider before voting on the proposed Merger. For a complete description of the terms and conditions of the Merger, you are advised to carefully read this entire Proxy Statement and the other documents referred to herein. The actual terms and conditions of the Merger are contained in the Merger Agreement. The Merger Agreement is included as Appendix A to this Proxy Statement.

WHAT IS THE PURPOSE OF THE MEETING?

At the Special Meeting, the Company's stockholders will vote on the proposed merger (the "Merger") of the Company with Lombardi Restaurant Group, Inc. ("Acquisition Co.") pursuant to the terms of the Agreement and Plan of Merger dated as of December 22, 2004 (the "Merger Agreement").

WHAT VOTE IS REQUIRED TO APPROVE THE MERGER?

Approval of the Merger will require the affirmative vote of the holders of not less than a majority of the Company's outstanding Common Stock, \$.01 par value (the "Common Stock"), as of the January 14, 2005 record date (the "Record Date") for the Meeting.

WHAT CONSTITUTES A MAJORITY OF THE COMPANY'S OUTSTANDING COMMON STOCK?

On the Record Date, the Company had 3,926,105 shares of Common Stock issued and outstanding. Even if 1,963,053 shares of Common Stock (representing a majority of the outstanding Common Stock) vote in favor of the Merger, the Merger will not take place unless the other terms and conditions to the Merger described in this Proxy Statement and the Merger Agreement are fulfilled.

WHO ARE THE OWNERS OF ACQUISITION CO?

Lombardi Restaurant Group, Inc. ("Acquisition Co.") was formed in November 2003 as a Delaware corporation to merge with and into the Company. Acquisition Co. was formed by Michael F. Lombardi and his four brothers, Robert M. Lombardi, Joseph S. Lombardi, Anthony M. Lombardi and Stephen F. Lombardi, the law firm of Lombardi & Lombardi, P.A. and the Lombardi & Lombardi, P.A. Defined Benefit Pension Plan (collectively, the "Lombardi Group"). Each of the five Lombardi Brothers is a director of the Company and Robert M. Lombardi also serves as the Company's Chairman and President. The Lombardi Group together with two Maschler Brothers who are unrelated to the Lombardi Group, but who are also stockholders of the Company, namely Lee Maschler and Matthew H. Maschler (the "Maschler Group") are the sole owners of the outstanding shares of capital stock of Acquisition Co. The Lombardi Group and the Maschler Group are collectively referred to as the "Continuing Stockholders."

WHAT PERCENTAGES OF THE COMMON STOCK ARE OWNED BY THE CONTINUING STOCKHOLDERS?

The members of the Lombardi Group are the collective beneficial owners (through Acquisition Co.) of approximately 61% and the members of the Maschler Group are the collective beneficial owners (through Acquisition Co.) of approximately 5% of the outstanding Common Stock so that the Continuing Stockholders collectively own approximately 66% of the outstanding Common Stock. The Continuing Stockholders have sufficient votes to approve the Merger regardless of the votes of the Company's other stockholders (the "Public Stockholders").

DO THE CONTINUING STOCKHOLDERS CURRENTLY INTEND TO VOTE AT THE MEETING TO APPROVE THE MERGER?

Yes. The Continuing Stockholders (as well as the two members of the Special Committee who are stockholders but not Continuing Stockholders) currently intend to vote at the Meeting to approve the Merger.

IS APPROVAL OF A MAJORITY OF THE SHARES OF COMMON STOCK OWNED BY THE PUBLIC STOCKHOLDERS REQUIRED TO APPROVE THE MERGER?

No. The affirmative vote of a majority of the issued and outstanding shares of Common Stock is a sufficient vote to approve the Merger even if a majority of the shares of Common Stock owned by the Public Stockholders are not voted in favor of the Merger.

SINCE THE CONTINUING STOCKHOLDERS HAVE SUFFICIENT VOTES TO APPROVE THE MERGER, WHY IS THE MEETING BEING HELD?

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

Management has determined that holding the Meeting is in the best interests of all of the Company's stockholders as it will promote a full discussion of the arguments for and against the Merger and the conversion of the Company into a privately owned entity.

WHAT ARE THE BASIC TERMS OF THE MERGER AGREEMENT?

The Merger Agreement provides that, subject to stockholder approval and the satisfaction or waiver of certain other conditions contained in the Merger Agreement, Acquisition Co. will merge with and into the Company at the Effective Time of the Merger. The Company will be the surviving corporation and is expected to continue to operate its existing restaurants under their current names.

If the Merger is approved and consummated, each share of Common Stock owned at the Effective Time of the Merger by the "Public Stockholders", namely the stockholders of the Company other than the Continuing Stockholders and those stockholders who properly exercise dissenters' rights, will be canceled and converted into the right to receive a cash payment of \$3.12, without interest. As a result, upon consummation of the Merger, the Continuing Stockholders (the Lombardi Group and the Maschler Group) will own all of the Company's outstanding Common Stock and the Public Stockholders will have no equity interest in the Company.

WHY IS THE MERGER BEING PROPOSED?

The Merger is being proposed in order to convert the Company from a publicly owned corporation, with the attendant costs of a publicly owned entity, to a private company. If the Merger is consummated, the Continuing Stockholders will own all of the Company's outstanding Common Stock and the Public Stockholders will be afforded the opportunity to receive a cash payment for their shares of Common Stock that represents a substantial premium (215%) over the market price at which the shares were trading prior to the initial announcement of the proposed Merger.

7

WHAT WILL HAPPEN TO THE COMPANY AFTER THE MERGER?

Assuming consummation of the Merger, the Company, as the surviving corporation, is expected to continue to operate its existing restaurants under their current names, and will no longer be a publicly owned corporation.

WHY IS THE COMPANY'S BOARD OF DIRECTORS RECOMMENDING THAT STOCKHOLDERS VOTE TO APPROVE THE MERGER AND THE MERGER AGREEMENT?

For the past several years, the Board of Directors has attempted to enhance the Company's value for its stockholders through the opening of additional restaurants and the repurchase by the Company of outstanding shares of its Common Stock. The Board has determined that these methods have not enhanced value to a satisfactory degree and have concluded that a "going private" transaction was the best method to enhance value. By converting to a private company, the Company will reduce its operating expenses as it will no longer need to incur the professional fees and stock transfer fees required of a public company. The Board of Directors believes that the proposed "going private" transaction represents the best opportunity at the present time for the Public Stockholders to maximize the value for their shares of Common Stock. For these and other reasons described in this Proxy Statement, the Board of Directors, after taking into account the recommendation of the Special Committee appointed by the Board to review and evaluate the Merger proposal, recommends

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

that stockholders vote for the Merger because it believes the Merger terms are in the best interests of the Company and the Public Stockholders.

WHAT STEPS HAS THE BOARD OF DIRECTORS TAKEN TO ASSURE THAT THE MERGER TERMS ARE FAIR TO THE PUBLIC STOCKHOLDERS?

The Lombardi Brothers, who hold five of the eight seats on the Board of Directors, will be Continuing Stockholders. In an attempt to avoid actual or potential conflicts of interest, the Board of Directors appointed a Special Committee to review and make a recommendation to the Board of Directors regarding the fairness of the proposed transaction to the Public Stockholders. The Special Committee is comprised of Kenneth Cubelli M.D. as chairman, Nicholas B. Boxter C.P.A. and Raymond L. Dademo, Esq. who hold the remaining three seats on the Board of Directors.

ARE THERE RELATIONSHIPS BETWEEN THE LOMBARDI BROTHERS AND THE MEMBERS OF THE SPECIAL COMMITTEE, OUTSIDE THE COMPANY?

Kenneth Cubelli's wife and Joseph S. Lombardi's wife are sisters. The Lombardi Brothers' mother, who passed away in 2003, was the sister of Raymond L. Dademo's mother. Dr. Cubelli owns 100,000 shares and Mr. Dademo owns 2,000 shares of the Company's Common Stock. If the Merger is consummated, neither of them will be Continuing Stockholders as they will each exchange their stock for the right to receive a cash payment of \$3.12 per share. Nicholas B. Boxter has no family relationship with the

8

Lombardi Brothers and does not own shares of Common Stock. However, he does render accounting services to the Lombardi Brothers and their affiliated entities.

WHAT ACTIONS HAVE BEEN TAKEN BY THE SPECIAL COMMITTEE?

The original proposal made by the Lombardi Group through Acquisition Co. and announced by the Company on November 21, 2003, proposed a purchase price of \$1.75 per share for the shares of Common Stock owned by the Public Stockholders. The Special Committee retained its own legal counsel to advise it with respect to its obligations and duties and on January 30, 2004, the Company announced that the Special Committee had retained the investment banking firm of Houlihan Lokey Howard & Zukin Financial Advisors, Inc. ("Houlihan Lokey") to render an opinion to the Special Committee as to the fairness from a financial point of view, of the consideration offered by the Lombardi Group to the Public Stockholders. On March 8, 2004, the Company announced that the Special Committee had voted unanimously to recommend the rejection of the offered purchase price of \$1.75 per share as being inadequate. On March 15, 2004, the Company announced that the Lombardi Group had increased the offered purchase price to \$2.50 per share. On April 19, 2004, the Company announced that the Special Committee had voted to recommend the rejection of the increased offered purchase price of \$2.50 per share as inadequate. On April 21, 2004, the Company announced that the offered purchase price had been increased to \$3.00 per share. The Special Committee continued to find the price inadequate. On June 1, 2004, the Company announced that the Lombardi Group had once again increased the offered purchase price to the Public Stockholders to \$3.12 per share and that the Special Committee had determined that in its judgment, the proposed increased purchase price of \$3.12 per share was fair to the Public Stockholders. As a result, the Special Committee recommended to the Board of Directors that the Board accept the proposal of a purchase price of \$3.12 per share for the shares of the Public Stockholders. The Board of Directors has accepted the recommendation of the Special Committee.

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

The recommendation of the Special Committee was based upon its own deliberations and its consultations with its professional advisors as well as on the written opinion of Houlihan Lokey described below.

WHAT OPINION HAS BEEN DELIVERED BY HOULIHAN LOKEY?

On December 16, 2004, Houlihan Lokey delivered its written opinion to the Special Committee that, based upon and subject to the limitations, qualifications and assumptions stated therein, the \$3.12 per share price to be paid to the Public Stockholders for their shares of Common Stock is fair to them from a financial point of view. Houlihan Lokey's written opinion is included as Appendix B to this Proxy Statement.

9

WHAT FACTORS WERE CONSIDERED BY THE SPECIAL COMMITTEE AND THE BOARD OF DIRECTORS IN RECOMMENDING THE \$3.12 PER SHARE PURCHASE PRICE FOR THE COMMON STOCK OWNED BY THE PUBLIC STOCKHOLDERS?

The Special Committee and the Board of Directors considered a number of factors before recommending the \$3.12 per share purchase price for the Common Stock owned by the Public Stockholders, including but not limited to, the following:

- o the nature of the restaurant business in the areas where the Company's restaurants are located
- o the Company's financial condition and operating results
- o the relative lack of growth in the Company's revenues over the past four years
- o the Company's limited ability to expand the number of its seafood restaurant units due to the difficulties in acquiring additional waterfront sites at reasonable cost
- o the required future capital investment in order to maintain certain restaurants
- o the departure (at the end of June 2004) of the Company's long-time chief executive and chief financial officer, Anthony C. Papalia
- o the costs to continue to operate as a publicly owned entity
- o the relatively low market prices for the Common Stock in the over-the-counter market over the past three years
- o the decline in market conditions for low-priced stocks
- o the lack of positive impact on the market price for the Common Stock following the Company's various stock repurchases
- o the lack of liquidity in the market for the Common Stock as reflected by the low average trading volume in the stock in the over-the-counter market over the past three years
- o the terms and conditions of the proposed Merger
- o the belief that after several increases in the offered purchase price,

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

the \$3.12 per share offered purchase price was the highest price that the Lombardi Group was willing to offer

- o the fact that the offered price of \$3.12 per share represents a premium of approximately 215% over the \$1.45 per share last sale price for the Common Stock in the over-the-counter market on November 17, 2003, the last trading day on which a last sale price was available immediately preceding the date on which the original \$1.75 per share purchase proposal was publicly announced
- o the presentation and the opinion of Houlihan Lokey delivered to the Special Committee on December 16, 2004.
- o the requirements of the Delaware General Corporation Law (the "Delaware Law") that the affirmative vote of at least a majority of the shares of Common Stock present in person or by proxy at the Special Meeting is required for approval and adoption of the Merger and the Merger Agreement, and that stockholders who properly assert dissenters' rights in accordance with Section 262 of the Delaware Law are entitled to demand and be paid the fair value for their shares of Common Stock as determined pursuant to an appraisal by the Delaware Court of Chancery.

10

HOW IS THE MERGER BEING FINANCED?

Acquisition Co. estimates that the total amount of funds required to purchase all of the shares of Common Stock owned by the Public Stockholders will be approximately \$4,120,000 and that it will incur approximately \$150,000 in related fees and expenses. The Lombardi Group and the Maschler Group will pay these amounts with personal funds and through anticipated bank borrowings. See "THE MERGER AGREEMENT AND THE MERGER - Expenses of the Merger and Sources of Funding."

WHAT RIGHTS DO STOCKHOLDERS HAVE TO DISSENT FROM THE MERGER?

As a stockholder, you have the right to dissent from the Merger and demand a judicial determination as to the fair value of your shares of Common Stock. The determination could result in your being paid an amount per share which is more than, the same as, or less than the \$3.12 per share offered price. Your right to dissent and demand an appraisal is governed by Section 262 of the Delaware Law, a copy of which is attached as Appendix C hereto.

In order to dissent from the Merger, a stockholder (i) must NOT vote his or her shares for the Merger Agreement and the Merger and (ii) must deliver to the Company BEFORE the vote on the Merger is taken at the Special Meeting, a written demand for appraisal of his or her shares (the "Appraisal Demand"). The Appraisal Demand will be sufficient if it is in writing and reasonably informs the Company of the stockholder's identity and that the stockholder intends thereby to demand the appraisal for a specified number of his or her shares. A PROXY OR VOTE AGAINST THE MERGER SHALL NOT CONSTITUTE SUCH A DEMAND. FURTHERMORE, A STOCKHOLDER ELECTING TO DEMAND AN APPRAISAL MUST DO SO BY AN APPRAISAL DEMAND SEPARATE FROM ANY PROXY OR BALLOT. THE APPRAISAL DEMAND MUST BE DELIVERED TO THE COMPANY ON A TIMELY BASIS AT 62 BROADWAY, POINT PLEASANT BEACH, NJ 08742; ATT: CORPORATE SECRETARY.

Within ten days after the Effective Time of the Merger, the Company, as the surviving corporation will send notice of the effectiveness of the Merger to each person who prior to the Effective Time of the Merger satisfied the foregoing conditions. Any stockholder entitled to appraisal rights may, within

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

20 days after the date of the mailing of such notice, demand in writing from the Company, the appraisal of his or her shares of Common Stock. Such demand must reasonably inform the Company of the name and mailing address of the holder of record and of such stockholders' intention to demand appraisal of such holder's shares of Common Stock.

Within 120 days after the Effective Time of the Merger, the Company as the surviving corporation or any stockholder who has satisfied the foregoing conditions and who is otherwise entitled to appraisal rights, may file a petition in the Delaware Court of Chancery demanding a determination of the value of the stock held by all stockholders

11

entitled to appraisal. The Company does not currently intend to file an appraisal petition and stockholders seeking to exercise appraisal rights should not assume that the Company will file a petition to appraise the value of their stock or that the Company will initiate any negotiations with respect to the "fair value" of such stock. Accordingly, holders of the Common Stock should initiate all necessary action to perfect their appraisal rights within the time periods prescribed in Section 262 of the Delaware Law.

Within 120 days after the Effective Time of the Merger, any stockholder who has complied with the requirements for exercise of appraisal rights, as discussed above, is entitled, upon written request, to receive from the Company, a statement setting forth (i) the aggregate number of shares of Common Stock not voted in favor of the Merger and with respect to which demands for appraisal have been received and (ii) the aggregate number of holders of such shares of stock. The Company is required to mail such statement within ten days after it receives a written request to do so, or within ten days after expiration of the period for delivery of demands for appraisal under Section 262, whichever is later.

If a petition for an appraisal is timely filed and a copy is delivered to the Company as the surviving corporation, the Company must within 20 days after receipt of such petition file with the Delaware Court of Chancery in which the petition was filed a list of the names and addresses of all stockholders who have demanded appraisal rights and with whom agreements as to the value of their shares has not been reached by the Company. After notice to the Company and those stockholders, the Court can conduct a hearing to determine the stockholders entitled to appraisal rights. The Court may require stockholders who have demanded appraisal rights for their shares to submit their stock certificates to the Court for a notation thereon, and if any stockholder fails to comply with this requirement, the Court may dismiss the proceedings as to such stockholder.

At a hearing on the petition, the Court will determine the stockholders entitled to appraisal rights and will appraise the shares of stock owned by such stockholders, determining their "fair value" exclusive of any element of value arising from the accomplishment or expectation of the Merger and will determine the amount of interest, if any, to be paid upon the value of the shares of stock of the stockholders entitled to appraisal. In determining such "fair value," the Court shall take into account all relevant factors. Any such judicial determination of the "fair value" of stock could be based on considerations other than or in addition to the price paid in the Merger and the market value of the Common Stock, including asset values, the investment value of the Common Stock and any other valuation considerations generally accepted in the investment community. The value so determined for the Common Stock could be more than, less than or the same as the consideration paid pursuant to the Merger Agreement. The Court may, in its discretion, order that all or a portion of any

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

stockholder's expenses incurred in connection with an appraisal proceeding, including, without limitation, reasonable attorney's fees and fees and expenses of experts, be charged pro rata against the value of all the shares of the Common Stock entitled to an appraisal, but a dissenting stockholder must be prepared to pay his or her own expenses in connection with the proceeding.

12

Any stockholder who has demanded an appraisal in compliance with Section 262 will not, from and after the Effective Time of the Merger, be entitled to vote the shares subject to such demand for any purpose or be entitled to dividends or other distributions on those shares (other than those payable or deemed to be payable to stockholders of record at a date which is prior to the Effective Time of the Merger).

Holders of Common Stock lose the right to appraisal if no petition for appraisal is filed within 120 days after the Effective Time of the Merger, or if a stockholder delivers a written withdrawal of such stockholder's demand for an appraisal to the Company, except that any such attempt to withdraw made more than 60 days after the Effective Time of the Merger requires the Company's written approval. If appraisal rights are not perfected or a demand for appraisal rights is withdrawn, a stockholder will be entitled to receive the \$3.12 per share cash consideration otherwise payable pursuant to the Merger Agreement.

If an appraisal proceeding is timely instituted, such proceeding may not be dismissed without the approval of the Delaware Court of Chancery as to any stockholder who has perfected a right of appraisal.

Failure by a stockholder to take any required step to perfect appraisal rights may result in termination of his or her appraisal rights. BECAUSE THE APPRAISAL PROVISIONS OF THE DELAWARE LAW ARE COMPLEX, STOCKHOLDERS WHO ARE CONSIDERING EXERCISING THEIR APPRAISAL RIGHTS UNDER SECTION 262 SHOULD CONSULT WITH THEIR OWN LEGAL ADVISORS.

The Merger Agreement provides that Acquisition Co. will not be obligated to complete the merger if the number of shares of Common Stock held by stockholders who comply with all the provisions of Section 262 and demand appraisal rights exceeds 10% of the aggregate number of shares of the Company's Common Stock outstanding on the closing date of the Merger.

VOTING AGAINST THE MERGER AND THE MERGER AGREEMENT WILL NOT PROTECT YOUR RIGHT TO DISSENT IN THE ABSENCE OF YOUR DELIVERING A SEPARATE WRITTEN APPRAISAL DEMAND ON A TIMELY BASIS. APPENDIX C TO THIS PROXY STATEMENT CONTAINS SECTION 262 OF THE DELAWARE LAW REGARDING DISSENTERS' RIGHTS. STOCKHOLDERS WHO INTEND TO DISSENT SHOULD CAREFULLY REVIEW THIS PROXY STATEMENT AND APPENDIX C AND ARE URGED TO CONSULT WITH THEIR OWN LEGAL ADVISORS.

WHAT ARE THE CONDITIONS TO THE MERGER?

There are a number of conditions that must be satisfied before either the Company or Acquisition Co. is obligated to complete the Merger. The following are certain of the most important of these conditions, all of which must be satisfied at the time of the Merger:

13

- o stockholders owning at least a majority of the outstanding shares of

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

Common Stock must approve and adopt the Merger and the Merger Agreement.

- o there are no legal restraints rendering the Merger unlawful or preventing the consummation of the transactions contemplated thereunder and no pending litigation that could have a material adverse effect on the Company.
- o the Houlihan Lokey fairness opinion issued to the Special Committee and attached hereto as Appendix B shall not have been withdrawn or revoked.
- o all authorizations, consents and waivers required for the consummation of the Merger shall have been obtained.
- o the respective representations and warranties made in the Merger Agreement by each of the parties to the Merger Agreement shall be true and correct.
- o stockholders shall not have exercised appraisal rights under the Delaware Law with respect to more than 10% of the outstanding shares of Common Stock (392,610 shares).
- o neither the Special Committee nor the Board of Directors shall have withdrawn, modified or otherwise changed its recommendation concerning the terms of the Merger.

SHOULD YOU SEND IN YOUR STOCK CERTIFICATES NOW?

No. If the Merger is consummated, you will be sent written instructions on how to forward your certificates for payment.

IF YOUR SHARES OF COMMON STOCK ARE HELD IN "STREET NAME" BY A BROKER, WILL THE BROKER BE ABLE TO VOTE YOUR SHARES?

Your broker will vote your shares only if you provide instructions on how to vote. Your broker should provide you with directions on how to instruct your broker to vote your shares.

CAN YOU CHANGE YOUR VOTE AFTER YOU MAIL IN YOUR SIGNED PROXY CARD?

Yes. You can send in a signed proxy card dated at a later date or a written revocation of your proxy prior to the Special Meeting or attend the Special Meeting and vote in person.

WHEN WILL YOU RECEIVE PAYMENT FOR YOUR SHARES?

If the Merger Agreement is approved and adopted and the other conditions to the Merger are satisfied, the Company intends to consummate the Merger shortly thereafter. As soon as practicable after consummation of the Merger, the Company's Payment Agent will send a letter to stockholders instructing them on how to exchange certificates for their shares of Common Stock for the \$3.12 per share cash payment. Payment will be made promptly upon compliance with the exchange procedures. See "THE MERGER AGREEMENT AND THE MERGER - Exchange Procedures."

14

WHAT ARE THE INCOME TAX CONSEQUENCES OF THE MERGER?

Receipt of the \$3.12 per share cash payment upon completion of the Merger may be a taxable event for federal income tax purposes, depending on the

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

recipient's cost basis for the shares exchanged. A review of the tax consequences to stockholders appears commencing on page 48 of this Proxy Statement. Each stockholder is urged to consult with his or her tax advisor concerning the tax consequences of the Merger to him or to her.

CAUTIONARY STATEMENT AND RISKS CONCERNING FORWARD-LOOKING STATEMENTS

Except for historical information, the matters discussed in this Proxy Statement contain forward-looking statements within the meaning of Section 27A of the Securities

18

Act of 1933 and Section 21E of Exchange Act. Such statements are intended to be covered by the safe harbor created by such provisions. These statements include, but are not limited to: management's beliefs regarding the Company's future operations, operating results and any plans or objectives of management regarding the future of the Company.

No assurances can be given that future results or events anticipated by the forward looking statements will be achieved. Important factors which may affect the Company's future results include, but are not limited to, changing market conditions; weather (Florida hurricanes in the third quarter of fiscal 2004 caused the closing of the Company's three Florida restaurants for approximately ten days in the case of one restaurant, and for approximately two months and two and one-half months in the case of the other two restaurants); the state of the economy; substantial increases in insurance costs; the impact of competition to the Company's restaurants; pricing; and the acceptance of the Company's food products. In addition, the Company's future performance could be adversely affected if it is unable to find a satisfactory successor to its former President and Chief Executive Officer, Anthony C. Papalia, who left the Company's employ at the end of June 2004. Although Robert M. Lombardi currently serves in these positions, he is doing so on a part-time basis, his principal occupation being that of a physician and orthopedic surgeon.

The above discussion together with discussions contained elsewhere in this Proxy Statement, highlight some of the more important risks to the Company's future performance identified by its management. Such risks should not be assumed to be the only risks that can adversely affect the Company's future performance. Certain risk factors may also be identified by the Company from time to time in filings with the Securities and Exchange Commission, press releases and other communications.

In light of the significant uncertainties inherent in the forward-looking statements included in this Proxy Statement, the inclusion of such forward-looking statements should not be regarded as a representation by the Company, its management or any other person that such future objectives will

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

be achieved.

INFORMATION ABOUT THE SPECIAL MEETING

DATE, TIME AND PLACE OF THE SPECIAL MEETING

This Proxy Statement is being furnished to the holders of the outstanding shares of the Company's Common Stock as of the Record Date in connection with the solicitation of proxies by the Board of Directors for use at the Special Meeting to be held on _____, February __, 2005, at 10:00 a.m. local time, at the Company's Jack Baker's Wharfside Restaurant at 101 Channel Drive, Point Pleasant Beach, New Jersey 08742, and at any adjournments or postponements thereof.

19

PURPOSE OF THE SPECIAL MEETING

At the Special Meeting, the Company's stockholders will be asked (i) to consider and vote upon a proposal to approve and adopt the Merger Agreement and the transactions contemplated thereby, and (ii) to transact such other business as may properly come before the Special Meeting. Additional information concerning the Special Meeting, the Merger and the Merger Agreement is set forth below, and a copy of the Merger Agreement is attached hereto as Appendix A.

TAKING INTO ACCOUNT THE RECOMMENDATION OF A SPECIAL COMMITTEE APPOINTED BY THE BOARD OF DIRECTORS, THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL AND ADOPTION OF THE MERGER AGREEMENT AND THE TRANSACTIONS CONTEMPLATED THEREBY.

RECORD DATE; SHARES ENTITLED TO VOTE; QUORUM

The Board of Directors has fixed the close of business on January 14, 2005 as the Record Date for the Special Meeting. Only stockholders of record of the Company's Common Stock on the Record Date are entitled to notice of and to vote at the Special Meeting. Stockholders are entitled to one vote for each share held on the Record Date on matters properly presented at the Special Meeting. At the close of business on the Record Date, there were 3,926,105 shares of Common Stock issued and outstanding. The holders of a majority of the outstanding shares of Common Stock entitled to vote at the Special Meeting will constitute a quorum for the transaction of business at the Special Meeting.

VOTE REQUIRED

Pursuant to Delaware Law, the affirmative vote of not less than a majority of the outstanding shares of Common Stock whose holders are entitled to notice of and to vote at the Special Meeting is required to approve and adopt the Merger Agreement and the Merger. The affirmative vote of a majority of the issued and outstanding shares of Common Stock is a sufficient vote to approve and adopt the Merger Agreement and the Merger even if a majority of the shares of Common Stock owned by the Public Stockholders are not voted in favor of such approval and adoption. Each share of Common Stock is entitled to one vote on all matters presented to the Special Meeting. Failure to return an executed proxy card (including broker non-votes) or to vote in person at the Special Meeting or voting to abstain will constitute, in effect, a vote against approval and adoption of the Merger Agreement and the Merger.

VOTING OF PROXIES

All proxies that are properly executed and returned to the Company's

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

transfer agent, Continental Stock Transfer & Trust Company, 17 Battery Place, New York, New York 10004 on or before the date of the Special Meeting, and not subsequently revoked, will be voted at the Special Meeting or any adjournments or postponements thereof in

20

accordance with any instructions thereon, or, if no instructions are provided, will be voted FOR approval and adoption of the Merger Agreement and the transactions contemplated thereby. Any stockholder who has given a proxy pursuant to this solicitation may revoke it by attending the Special Meeting and giving oral notice of his or her intention to vote in person, without compliance with any other formalities. In addition, any proxy given pursuant to this solicitation may be revoked prior to the Special Meeting by delivering an instrument to the Secretary of the Company revoking it or by delivering a duly executed proxy bearing a later date. A vote in favor of the Merger Agreement and the transactions contemplated thereby means that a Stockholder will NOT have the right to dissent and seek payment of the fair value of his or her shares of Common Stock.

Management of the Company does not know of any matters other than those set forth herein which may come before the Special Meeting. If any other matters are properly presented to the Special Meeting for action, it is intended that the persons named in the enclosed form of proxy and acting thereunder will vote in accordance with their best judgment on such matters. Such matters may include an adjournment or postponement of the Special Meeting from time to time in the event the Board of Directors determines to adjourn or postpone the Special Meeting. If any such adjournment or postponement is made, additional proxies may but will not necessarily be solicited during such adjournment period.

PROXY SOLICITATION

The expense of preparing, printing and mailing this Proxy Statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers and directors and regular employees of the Company, without additional remuneration, by personal interviews, written communication, telephone, telegraph or facsimile transmission. The Company has requested brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of the Company's Common Stock held of record on the Record Date and will provide reimbursement for the cost of forwarding the material in accordance with customary charges.

STOCKHOLDERS SHOULD NOT SEND ANY CERTIFICATES REPRESENTING SHARES OF COMMON STOCK WITH THEIR PROXY CARD. IF THE MERGER IS CONSUMMATED, THE PROCEDURE FOR THE EXCHANGE OF CERTIFICATES REPRESENTING SHARES OF COMMON STOCK, WILL BE AS SET FORTH IN THIS PROXY STATEMENT.

SPECIAL FACTORS

PURPOSE

The purpose of the Merger is to convert the Company into a non-public corporation owned by the Continuing Stockholders. At the same time, the Public Stockholders are being given the opportunity to receive a cash payment of \$3.12 per

21

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

share owned which represents a substantial premium over the \$1.45 last sale price per share at which the Company's Common Stock was trading in the over-the-counter market prior to the announcement of the Merger proposal.

BACKGROUND

PURCHASE OF CONTROL BY THE LOMBARDI GROUP - On May 20, 1999, the five Lombardi Brothers purchased an aggregate 1,722,445 shares of the Company's Common Stock for an aggregate \$4,306,113 or \$2.50 per share from the Chapter 11 Trustee for the bankruptcy estate of the Company's former principal stockholder. On May 25, 1999, the Company received notice that the five Lombardi Brothers and their related entities (the "Lombardi Group") owned in excess of 50% of the Company's issued and outstanding Common Stock and as a result, owned voting control of the Company. On that date, Robert M. Lombardi was elected as a director of the Company and chairman of the board at the request of the Lombardi Group.

On July 7, 1999, the four remaining Company directors resigned as directors and four Lombardi Group nominees, namely Anthony M. Lombardi, Joseph S. Lombardi, Michael F. Lombardi and Stephen F. Lombardi were elected as directors in their place. In December 1999, Nicholas Boxter, Kenneth Cubelli and Raymond L. Dademo were elected as directors bringing the number of the Company's directors to a total of eight. In June 2004, Robert M. Lombardi was elected as President and Chief Executive Officer of the Company to succeed Anthony C. Papalia who resigned from those positions effective June 28, 2004.

EVENTS LEADING TO THE PROPOSAL FOR AND THE ACCEPTANCE OF THE MERGER OFFER

During the third and fourth quarters of fiscal 2004, Robert M. Lombardi and his brother Michael F. Lombardi, Chairman of the Board and Secretary, respectively, of the Company, had a number of conversations with their Lombardi Brothers, Anthony M. Lombardi, Joseph S. Lombardi and Stephen F. Lombardi concerning whether the Company should remain a public company. The Lombardi Brothers concluded that based on the Company's relatively small size, the fact that substantial stock repurchases made by the Company had not had a significant positive effect on the market price for the Common Stock, the illiquidity of the Common Stock, the Company's lack of growth and the costs inherent in remaining a public company, it would be in all of the stockholders' interests to "take the Company private" at a fair price. At the time, the five Lombardi Brothers comprised five of the Company's eight directors and the Lombardi Brothers and their related entities (collectively the "Lombardi Group") were the beneficial owners of in excess of 60% of the Common Stock.

The Lombardi Brothers organized Lombardi Restaurant Group, Inc. ("Acquisition Co.") in November 2003. Acquisition Co. is a Delaware corporation formed to merge into the Company. The present stockholders of Acquisition Co. are the Lombardi Group and the Maschler Group. It is anticipated that as a result of the Merger, the Company will

acquire the shares of the Public Stockholders, thereby converting the Company into a private corporation owned solely by the stockholders of Acquisition Co.

On November 21, 2003, the Company announced that it had received a proposal made by the Lombardi Group through Acquisition Co., to acquire all of the outstanding shares of the Company's Common Stock not owned by the Lombardi Group for a cash purchase price of \$1.75 per share. The proposal contemplated that the acquisition would take the form of a Merger pursuant to which

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

Acquisition Co. would be merged into the Company and the Company's stockholders other than the members of the Lombardi Group would receive a \$1.75 per share cash payment for their shares of the Company's Common Stock.

The Company also announced that the proposal was subject to various conditions including the requirement that the Company's Board of Directors determine and recommend the \$1.75 per share acquisition price to be fair to the Company's minority stockholders ("Public Stockholders"). At the same time, the Company announced that the Board of Directors had appointed a Special Committee consisting of the three non-Lombardi brother directors, namely Nicholas Boxter, C.P.A., Kenneth Cubelli M.D. and Raymond Dademo, Esq., to review and analyze the proposal and to determine whether the Special Committee, in its judgment, deemed the proposed acquisition price fair to the Public Stockholders.

On December 17, 2003, the Special Committee engaged the New York City law firm of Ellenoff Grossman & Schole LLP to serve as independent counsel to the Special Committee to advise the members with respect to their legal responsibilities.

On January 30, 2004, the Company announced that the Special Committee had retained the investment banking firm of Houlihan Lokey Howard & Zukin Financial Advisors, Inc. ("Houlihan Lokey") to render an opinion to the Special Committee as to the fairness, from a financial point of view, of the consideration offered by the Lombardi Group to the Public Stockholders.

On March 8, 2004, the Company announced that after review with its financial and legal advisors, the Special Committee had voted unanimously to reject the offered cash purchase price of \$1.75 per share concluding that the offer price did not adequately reflect the Company's value.

On March 15, 2004, the Company announced that the Lombardi Group had increased the offered purchase price to \$2.50 per share. Although the offer had an initial termination date of March 19, 2004, it was extended after discussions between counsel to the Special Committee and counsel to the Lombardi Group.

On April 19, 2004, the Company announced that after further review with its financial and legal advisors, the Special Committee had voted unanimously to recommend rejection of the increased offered purchase price of \$2.50 per share. In making its recommendation, the Committee took into account the possible departure of

23

the Company's chief executive and chief financial officer, Anthony C. Papalia, but concluded that the revised offered purchase price was still inadequate from a financial point of view as it did not adequately reflect the Company's value.

On April 21, 2004, the Company announced that the Lombardi Group had once again increased the offered purchase price, this time to \$3.00 per share. Counsel to the Special Committee, after conferring with the members of the Committee, informed counsel for the Lombardi Group that the \$3.00 offer appeared to be inadequate. At this point, counsel for the Lombardi Group engaged in a number of telephone discussions with counsel to the Special Committee in which he indicated that the Lombardi Group did not wish to continue a pattern of offer and rejection and requested an indication from the Committee as to an acceptable price. A price was established after discussions among the members of the Special Committee as well as with Houlihan Lokey and communicated by counsel to the Special Committee to counsel to the Lombardi Group.

In May 2004, counsel to the Lombardi Group advised counsel to the

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

Special Committee that the Lombardi Group's "final" offer was \$3.12 per share. On June 1, 2004, the Company announced that the Special Committee, after review with its financial and legal advisors, had advised the Board of Directors that in the Committee's judgment, the proposed increased purchase price of \$3.12 per share was fair to the Public Stockholders, and recommended that the Board accept the proposal.

Houlihan Lokey subsequently updated its analysis with respect to the Merger and, on December 16, 2004, provided the Special Committee with a written opinion as of the date thereof that based on the matters described in its opinion, the consideration to be received by the Public Stockholders in the Merger (\$3.12 per share) is fair to them from a financial point of view.

On December 16, 2004, after a review of the proposed Merger Agreement and the Plan of Merger and taking into account the recommendation of the Special Committee, the Board of Directors unanimously approved the proposal as well as the form of Merger Agreement and the Plan of Merger. The Merger Agreement was executed on December 22, 2004.

On December 17, 2004, the Continuing Stockholders, namely the Lombardi Group and the Maschler Group, executed a Contribution Agreement pursuant to which each member of each Group agreed to contribute his or its Common Stock to Acquisition Co. prior to the Merger in exchange for an identical number of shares of Acquisition Co. stock. If the Merger is consummated, the Common Stock contributed by the Continuing Stockholders to Acquisition Co. will be canceled as will their shares of Acquisition Co. stock and they will each be issued new shares of Common Stock identical in number to the shares he or it agreed to contribute to Acquisition Co. Matthew H. Maschler had initially contacted the Company in February 2004 after the Company's announcement of the Merger proposal with an offered cash purchase price of \$1.75 per share to the Public Stockholders. Mr. Maschler advised that he and his family owned a significant number of shares of Common Stock and wanted to be certain that the Board of Directors would act

24

independently when evaluating the proposal. After a subsequent series of discussions between Michael F. Lombardi on behalf of the Lombardi Group and Matthew H. Maschler on behalf of the Maschler Group, it was agreed that in consideration for the Maschler Group executing the Contribution Agreement and assuming its proportionate share of the Merger expenses (7.6% or approximately \$320,000), the Maschler Group would join the Lombardi Group as Continuing Stockholders and Matthew H. Maschler would be elected as a director of Acquisition Co. and after the Merger, as a director of the Company.

RECOMMENDATION OF THE SPECIAL COMMITTEE AND THE BOARD OF DIRECTORS

The Special Committee and the Board of Directors have each unanimously determined that the Merger Agreement and the Merger are fair to and in the best interests of the Company's Public Stockholders. The Special Committee and the Board recommend that you vote "For" approval and adoption of the proposed Merger pursuant to the terms and conditions of the Merger Agreement. See "Interests of Certain Persons in the Merger - Actual or Potential Conflicts of Interest" as to actual or potential conflicts of interest between the members of the Board and the Public Stockholders.

The Special Committee and the Board believe that the Merger is a more desirable alternative for the Public Stockholder than continuing to hold equity interests in the Company. In reaching the determination that the Merger Agreement and the Merger are fair to the Public Stockholders, the Special Committee consulted with its financial consultant, Houlihan Lokey and with its

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

legal advisors and the Board consulted with its legal advisors. Each member also relied on his knowledge of the Company's business operations, properties, financial condition, operating results, and prospects in the restaurant business. Also reviewed were trading prices for and trading volume of the Company's Common Stock in the over-the-counter market. Each of the following factors, in the opinion of the Special Committee and the Board, supported the determination.

- o the relative lack of growth in the Company's revenues over the past four years as follows:

Fiscal 2001	Fiscal 2002	Fiscal 2003	Fiscal 2004
-----	-----	-----	-----
\$20,156,890	\$20,798,333	\$22,953,925	\$22,283,169

- o the Company's limited ability to expand the number of its seafood restaurants due to the difficulties in acquiring additional waterfront sites at reasonable cost
- o the required future capital investment to maintain certain of the Company's existing restaurants. Restaurant maintenance expense including property and equipment replacement costs in fiscal 2004 aggregated approximately \$450,000.
- o the costs to operate the Company as a publicly owned entity. In fiscal 2004, these costs, including legal, auditing and transfer agent fees aggregated approximately \$160,000.

25

- o the relatively low market prices for the Common Stock in the over-the-counter market over the past three years. See "Common Stock" herein.
- o the lack of positive impact on the market price for the Common Stock following the Company's various stocks repurchases. See "Common Stock" herein.
- o the lack of liquidity in the market for the Common Stock as reflected by the low average trading volume in the stock in the over-the-counter market over the past three years. See "Common Stock" herein.
- o the limited public float in the market for the Common Stock. At the date of this Proxy Statement, the Public Stockholders own an aggregate of approximately 1,350,000 shares of the Common Stock.
- o the fact that the \$3.12 per share cash price to be offered to the Public Stockholders if the Merger is effected represents a premium of approximately 215% over the \$1.45 per share last sale price for the Common Stock in the over-the-counter market on November 17, 2003, the last trading day on which a last sale price was available immediately preceding the date (November 21, 2003) on which the original \$1.75 per share purchase proposal was publicly announced.
- o the written opinion of Houlihan Lokey, delivered to the Special Committee on December 16, 2004, that based upon and subject to the limitations, qualifications and assumptions stated therein, the \$3.12 per share price to be received by the Public Stockholders for their shares of Common Stock is

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

fair to them from a financial point of view. See the information under the caption "Opinion of Houlihan Lokey" hereunder. A copy of Houlihan Lokey's written opinion is included as Appendix B to this Proxy Statement.

- o the belief that after several increases in the offered purchase price, the \$3.12 per share offered purchase price was the highest price that the Lombardi Group was willing to offer.
- o the fact that stockholders who properly assert dissenters' rights in connection with the Merger in accordance with Section 262 of the Delaware Law are entitled to demand and be paid the fair value for their shares of Common Stock as determined pursuant to an appraisal by the Delaware Court of Chancery. See "Dissenters' Rights" herein. A copy of Section 262 of the Delaware Law is attached as Appendix C to this Proxy Statement.

In concluding that the Merger is fair to the Public Stockholders, the Special Committee and the Board also considered the following factors, each one of which they considered to be a negative factor.

26

- o the fact that consummation of the Merger will preclude the Public Stockholders from having the opportunity to participate in any future growth of the Company.
- o the fact that if the Merger is consummated, the Lombardi Group and the Maschler Group, who currently own the controlling interest in the Company, will have the sole opportunity to benefit from any increases in the value of the Company as a result of their increased equity ownership in the Company (from 66% to 100%) and therefore could receive a substantial economic benefit from the transaction.
- o the fact that the Company's net book value per share and net tangible book value per share (\$3.75 and \$3.53 per share, respectively, as of April 25, 2004, the last day of the Company's fiscal quarter immediately preceding the date on which the Special Committee initially determined to recommend acceptance of the Merger offer) exceeds the \$3.12 per share cash price being offered to the Public Stockholders in connection with the Merger by \$.63 and \$.41 per share (20% and 13% respectively).
- o the conflicts of interest of the Lombardi Group who may realize substantial benefits if the Merger is consummated. The five Lombardi Brothers comprise five of the eight directors of the Company. One brother, Robert M. Lombardi, also serves as the Company's Chairman and President. The Lombardi Brothers, their related entities and the Maschler Group own approximately 66% of the outstanding Common Stock and if the Merger is consummated, will own 100% of the outstanding Common Stock. The Company also leases two buildings in Freehold, New Jersey in which it operates restaurants and a parking lot used for the two restaurants from an entity affiliated with the Lombardi Group. Two members of the Special Committee have family relationships with the Lombardi Brothers and the third member renders accounting services to the Lombardi Brothers and their affiliated entities. See "Interests of Certain Persons in the Merger - Actual or Potential Conflicts of Interest" herein. The Special Committee and the Board, being fully aware of these conflicts, believe that the procedures followed in considering the Merger proposal including the appointment of the Special Committee and the retention of Houlihan Lokey resulted in a negotiated transaction that is fair to the Public Stockholders despite these conflicts.

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

The above listing of the factors considered by the Special Committee and the Board is not meant to be exhaustive, but includes the material factors considered by them as part of their determination that the Merger and the Merger Agreement are fair to the Public Stockholders and their recommendation that Stockholders approve the Merger and the Merger Agreement. In addition to considering the above factors, the Special Committee and the Board reviewed the analysis and conclusions of Houlihan Lokey as described below before making the determination that the Merger and the Merger Agreement are fair to the Public Stockholders. Based on the above engagement of

27

Houlihan Lokey and of separate legal counsel to negotiate on its behalf, the Board and the Special Committee also believe that the Merger is procedurally fair to the Public Stockholders. The members of the Special Committee and the Board have not assigned relative weights or quantifiable values to the above positive and negative factors and each has based his recommendation on the totality of the information presented to and considered by him. In the opinion of the Special Committee and the Board of Directors, the positive factors set forth above outweigh the negative factors set forth above.

OPINION OF HOULIHAN LOKEY HOWARD & ZUKIN FINANCIAL ADVISORS, INC.

On January 30, 2004, we announced that the Special Committee had engaged the investment banking firm of Houlihan Lokey Howard & Zukin Financial Advisors, Inc. ("Houlihan Lokey") to render an opinion as to the fairness, from a financial point of view, of the consideration to be received by our public stockholders, excluding the Lombardi Group, (the "Public Stockholders") in connection with the Merger.

The Special Committee selected Houlihan Lokey based on its reputation, experience and expertise in the valuation of businesses, and their securities in connection with mergers and acquisitions, particularly within the restaurant sector. Houlihan Lokey is a nationally recognized investment banking firm that is continually engaged in providing financial advisory services for business and securities valuations and rendering fairness opinions in connection with mergers and acquisitions and leveraged buyouts for a variety of regulatory and planning purposes, recapitalizations, financial restructurings and private placements of debt and equity securities.

In May 2004, Houlihan Lokey advised the Special Committee that based on the information received and analysis performed through that point that, if asked by the Special Committee, Houlihan Lokey could opine favorably that, as of that date and subject to the matters orally described to the Special Committee, the consideration to be received by the Public Stockholders in connection with the Merger is fair to them from a financial point of view. Houlihan Lokey subsequently updated its analysis with respect to the Merger and, on December 16, 2004, provided the Special Committee with a written opinion as of the date thereof that based on the matters described in its opinion, the consideration to be received by the Public Stockholders in the Merger is fair to them from a financial point of view. Houlihan Lokey's written opinion neither addresses any other aspect of the Merger, nor the relative merits of the Merger as compared to any alternative business strategies that might exist for us or the effect of any other transaction in which we might engage.

The summary of Houlihan Lokey's written opinion set forth below is qualified in its entirety by reference to the full text of the opinion attached as Appendix B to this Proxy Statement. Houlihan Lokey provided its written opinion for the information and assistance of the Special Committee in connection with its consideration of the Merger. Houlihan Lokey's written

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

opinion is not a recommendation as to how any stockholder should vote or otherwise act (including with respect to dissenting) at the Special Meeting. Stockholders are encouraged to read the written opinion carefully in its entirety for a

28

description of the assumptions made, matters considered and limitations on the review undertaken.

No limitations were imposed by the Special Committee upon Houlihan Lokey with respect to the investigations made or procedures followed by it in rendering its written opinion. The opinion speaks only as of its date. Events that could affect the fairness of the Merger to the Public Stockholders from a financial point of view include adverse changes in industry performance or market conditions and changes to our business, financial condition and results of operations.

There were no material relationships or transactions between Houlihan Lokey and us, our affiliates or any other party to the Merger prior to or at the time that Houlihan Lokey and the Special Committee entered into the engagement letter with respect to Houlihan Lokey's written opinion, none has since developed and none is mutually understood to be contemplated other than the matters contemplated by the engagement letter.

In arriving at the conclusions expressed in Houlihan Lokey's written opinion, among other things, Houlihan Lokey undertook the following actions:

- o met with certain members of our senior management to discuss our operations, financial condition, future prospects and projected operations and performance;
- o visited certain of our restaurants and business offices;
- o reviewed our publicly traded stock price history and trading volume;
- o reviewed a draft of the Merger Agreement dated December 16, 2004;
- o reviewed our certificate of incorporation, as amended;
- o reviewed our Annual Report to shareholders on Form 10-KSB for the fiscal years ended January 25, 1998 through January 25, 2004;
- o reviewed our Form 10-QSB for the quarterly period ended October 24, 2004;
- o reviewed our tax assessments of our owned properties;
- o reviewed our restaurant lease agreements;
- o reviewed certain publicly available financial data for certain companies that Houlihan Lokey deemed appropriate; and
- o conducted such other studies, analyses and inquiries, as Houlihan Lokey has deemed appropriate.

ANALYSES

In connection with rendering its written opinion, Houlihan Lokey performed a variety of financial and comparative analyses (including those

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

described below) to assess the fairness of the consideration per share to be received in the Merger. The summary of these analyses is not a complete description of the analyses underlying Houlihan Lokey's opinion. The preparation of a financial opinion is a complex analytical process involving

29

various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to summary description. Houlihan Lokey arrived at its written opinion based on the results of all analyses undertaken by it and assessed as a whole and did not draw, in isolation, conclusions from or with regard to any one factor or analysis or method of analysis. Accordingly, Houlihan Lokey believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying its analyses and opinion.

PUBLIC MARKET PRICING: Houlihan Lokey reviewed the historical market prices and trading volume for our publicly held Common Stock and reviewed news articles and press releases relating to us. For the 52-week period prior to the Lombardi Group's initial proposal of \$1.75 per share, our publicly traded Common Stock traded at a low of \$1.36 per share and high of \$1.50 per share. Prior to the announcement of the revised offer of \$3.12 per share, our stock price had not traded above \$3.00 per share since May 5, 1995. Since the announcement, our stock price has traded slightly below the revised offer price of \$3.12 per share. Additionally, our daily trading volume has been very thin averaging less than 1,500 shares per day over the past year, and there are days in which it does not trade at all.

MARKET MULTIPLE METHODOLOGY: Houlihan Lokey reviewed certain financial information of publicly traded comparable companies which were similar to us in terms of operations and product mix. The comparable companies included:

- | | |
|----------------------------------|--|
| o Buca, Inc. | o Landry's Restaurant, Inc. |
| o Champps Entertainment, Inc. | o O'Charley's Inc. |
| o Darden Restaurants, Inc. | o Total Entertainment Restaurant Corporation |
| o Famous Dave's of America, Inc. | |

Houlihan Lokey calculated certain financial ratios of the comparable companies based on the most recent publicly available information. These financial ratios include the multiples of: (i) enterprise value (the equity value of the comparable company plus all interest-bearing debt less all cash and cash equivalents) to latest twelve months earnings before interest, taxes, depreciation and amortization ("EBITDA") and (ii) enterprise value to latest twelve months earnings before interest, taxes, depreciation, amortization and rent expense ("EBITDAR"). Houlihan Lokey derived enterprise value indications of the Company by applying selected EBITDA and EBITDAR multiples to certain adjusted operating results for the last twelve months ended October 24, 2004. Based on the above,

30

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

the resulting indications of the enterprise value of our operations ranged from approximately \$8.3 million to \$9.3 million (after incorporating a 20.0% premium).

After determining our enterprise value from operations, Houlihan Lokey made certain adjustments to determine our equity value including adjustments to reflect current holdings of cash, cash equivalents, equity in certain life insurance policies, equity in a liquor license at Escondido's Monmouth Mall and the fair market value of certain nonoperating real property we own and subtracting debt obligations, as applicable for each valuation indication. The resulting indicated range of value from the market multiple methodology was \$3.09 per share to \$3.37 per share.

COMPARABLE MERGER METHODOLOGY: Houlihan Lokey reviewed the consideration paid in fifteen restaurant sector acquisitions that occurred between January 1, 2001 and December 10, 2004. Specifically, Houlihan Lokey reviewed the following transactions:

TARGET	ACQUIROR
Quality Dining, Inc.	Quality Dining, Inc./Management
Mimi's Cafe	Bob Evans Farm, Inc.
Garden Fresh Restaurants	Fairmont Capital, Inc.
Ninety Nine Restaurant & Pub	O'Charley's, Inc.
Tumbleweed, Inc.	Private Group
Dave & Busters, Inc.	Management Group
Morton's Restaurant Group, Inc.	Castle Harlan, Inc.
Chart House Enterprise, Inc.	Landry's Restaurants, Inc.
Shoney's, Inc.	Lone Star Funds
Interfoods of America, Inc.	Management
Mexican Restaurants, Inc.	Wyndcrest Holdings, Inc.
Santa Barbara Restaurant Group, Inc.	CKE Restaurants, Inc.
Panchos Mexican Buffet, Inc.	Private Group
McCormick & Schmicks	Castle Harlan
Vicorp Restaurant	BancBoston Capital & Goldner Hawn

In performing its analysis, Houlihan Lokey considered that the merger and acquisition transaction environment varies over time because of, among other things, interest rate and equity market fluctuations and industry results and growth expectations. No company or transaction used in the analysis was directly comparable to us. All fifteen acquisitions reviewed represent controlling interest purchases. Accordingly, Houlihan Lokey reviewed these transactions to understand the range of multiples of EBITDA and EBITDAR paid for companies in the restaurant industry.

Houlihan Lokey derived enterprise value indications of the Company by applying selected EBITDA and EBITDAR multiples to certain adjusted operating results for the last twelve months ended October 24, 2004. Based on the above, the resulting indications of the enterprise value of our operations ranged from approximately \$8.1 million to \$9.0 million.

After determining our enterprise value, Houlihan Lokey made certain adjustments to determine our equity value including adjustments to reflect current holdings of cash, cash equivalents, equity in certain life insurance policies, equity in a liquor license at Escondido's Monmouth Mall and the fair market value of certain nonoperating real property we own and subtracting debt

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

obligations, as applicable for each valuation indication. The resulting indicated range from the comparable transaction methodology was \$3.06 per share to \$3.29 per share.

BOOK VALUE ANALYSIS: Houlihan Lokey also took into account that the consideration being offered in the Merger is less than the net book value per share and net tangible book value per share of our Common Stock as of October 24, 2004. Houlihan Lokey noted that the net book value per share and net tangible book value per share of our Common Stock do not take into account:

- o the inherent uncertainty and contingencies associated with realizing those values, many of which are beyond our control;
- o the extended time that it would typically take for us to actually sell our properties and related assets, if at all, in order to realize any such value; or
- o the transaction costs which we would incur in order to realize any such value.

Houlihan Lokey also performed additional financial analysis of our book value to determine an estimation of our value if we were to liquidate. Houlihan Lokey did not make, and we did not obtain, any independent appraisal of any of our properties or assets. Houlihan Lokey's financial analysis assumed an orderly liquidation of our assets and satisfaction of our liabilities. With the exception of our property, plant and equipment, Houlihan Lokey relied on the book value of our assets discounted at customary recovery rates. With respect to the real estate and related restaurants and equipment, Houlihan Lokey relied on (i) market rents quoted by local real estate agents for comparable restaurant space, assuming triple-net lease terms, multiplied by regional capitalization rates from a national real-estate publication, (ii) comparable real estate listings, (iii) estimated recovery rates based on discussions with liquidation professionals, and (iv) tax assessments. Houlihan Lokey assumed a nominal value with respect to our equipment. Additionally, they deducted transaction costs estimated at 5.0% of gross proceeds from asset sales to account for expenses (in other words, real estate commissions and other professional fees) typically incurred in an orderly liquidation.

This financial analysis is qualified by the limitations identified above. Therefore, there can be no assurance that the assumptions and estimates employed in performing this financial analysis resulted in an accurate estimate of the proceeds that would be realized were we to undergo an actual liquidation. This financial analysis does not purport to be a valuation of our assets and is not necessarily indicative of the values that may be realized in an actual liquidation. Actual valuations realized in a liquidation could vary materially from the estimates provided above.

Houlihan Lokey also took into account that, in the Merger Agreement, Acquisition Co. represented to us that Acquisition Co. did not have any present plans for

and was not presently considering any proposal that contemplates or would result in an extraordinary corporate transaction after the Merger involving our corporate structure, business or assets such as a merger, reorganization, liquidation, relocation or sale or transfer of a material amount of assets.

CONCLUSION

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

Houlihan Lokey delivered its written opinion dated December 16, 2004 to the Special Committee stating that, as of that date, based upon the assumptions made, matters considered and limitations on the review described in its written opinion, the consideration per share to be received by the Public Stockholders in the Merger is fair to them from a financial point of view.

Houlihan Lokey's written opinion is based on the business, economic, market and other conditions, as they existed as of December 16, 2004. In rendering its written opinion, Houlihan Lokey relied upon and assumed, without independent verification that the accuracy and completeness of the financial and other information provided to Houlihan Lokey by our management was reasonably prepared and reflects the best currently available estimates of our financial results and condition; and that no material changes have occurred in the information reviewed between the date the information was provided and the date of Houlihan Lokey's written opinion. Houlihan Lokey did not independently verify the accuracy or completeness of the information supplied to it with respect to us and does not assume responsibility for it. Houlihan Lokey did not make any independent appraisal of our specific properties, assets or liabilities.

Houlihan Lokey was not asked to opine and does not express any opinion as to: (i) the tax or legal consequences of the Merger; or (ii) the fairness of any aspect of the Merger not expressly addressed in its opinion.

Houlihan Lokey's written opinion neither addresses any other aspect of the Merger, nor the relative merits of the Merger as compared to any alternative business strategies that might exist for the Company or the effect of any other transaction in which we might engage; nor does it constitute a recommendation to any stockholder as to how they should vote or otherwise act (including with respect to dissenting) at the Special Meeting. Houlihan Lokey has no obligation to update its written opinion. Houlihan Lokey did not, and was not requested by us or any other person to solicit third party indications of interest in acquiring all or any part of the Company or to make any recommendations as to the form or amount of consideration in connection with the transaction. Furthermore, at the request of the Special Committee, Houlihan Lokey neither negotiated any portion of the Merger nor advised the Special Committee with respect to alternatives to it.

The summary set forth above describes the material points of more detailed analyses performed by Houlihan Lokey in arriving at its written opinion. The preparation of a fairness opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and application of those methods to the particular circumstances and is therefore not readily susceptible to summary description. In arriving at its opinion, Houlihan Lokey made qualitative

judgments as to the significance and relevance of each analysis and factor. Accordingly, Houlihan Lokey believes that its analyses and summary set forth herein must be considered as a whole and that selecting portions of its analyses, without considering all analyses and factors, or portions of this summary, could create an incomplete and/or inaccurate view of the processes underlying the analyses set forth in its opinion. In its analysis, Houlihan Lokey made numerous assumptions with respect to us, the Merger, industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of the respective entities. The estimates contained in such analyses are not necessarily indicative of actual values or predictive of future results or values, which may be more or less favorable than suggested by such analyses. Additionally, analyses relating to the value of our business or securities are not appraisals. Accordingly, such

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

analyses and estimates are inherently subject to substantial uncertainty. Furthermore, Houlihan Lokey assumed that the Merger would be consummated on the terms described in the Merger Agreement.

The full text of Houlihan Lokey's written opinion, which describes, among other things, the assumptions made, general procedures followed, matters considered and limitations on the review undertaken by Houlihan Lokey in rendering its written opinion is attached hereto as Appendix B and is incorporated herein by reference. The summary of Houlihan Lokey's written opinion in this Proxy Statement is qualified in its entirety by reference to the full text of Houlihan Lokey's written opinion. You are urged to read Houlihan Lokey's written opinion in its entirety.

Under our engagement letter with Houlihan Lokey, we have agreed to pay Houlihan Lokey an aggregate fee of \$225,000 as compensation for its services in connection with the Merger, as well as reimbursement of its out-of-pocket expenses incurred in connection with its engagement. No portion of Houlihan Lokey's fee is contingent upon the successful completion of the Merger, any other related transaction, or the conclusions reached in Houlihan Lokey's written opinion. We also agreed to indemnify Houlihan Lokey and related persons against certain liabilities, including liabilities under federal securities laws that arise out of the engagement of Houlihan Lokey, or, if such indemnification is not available to Houlihan Lokey or insufficient to hold it harmless, we have agreed to contribute to the amount paid or payable by Houlihan Lokey as a result of such liabilities in proportion to the relative benefits received by and the fault of the parties, with the amount of Houlihan Lokey's contribution being capped at its fee amount.

CERTAIN EFFECTS OF THE MERGER

Assuming approval and adoption of the Merger Agreement and subject to the fulfillment or waiver of certain conditions, Acquisition Co. will be merged with and into the Company and the Company will continue to operate its current business as the surviving corporation of the Merger. Each share of Common Stock (other than shares owned by the Continuing Stockholders or owned by Dissenting Stockholders) will be canceled and converted into the right to receive a cash payment of \$3.12 without interest, as a result of the Merger. The shares of Common Stock owned by the Continuing Stockholders will be transferred to Acquisition Co. prior to the Merger, and canceled as a

34

result of the Merger as will their shares of Acquisition Co. stock. In exchange, each Continuing Stockholder will receive one "new" share of Common Stock for each "old" share of Common Stock he owned prior to the Merger. Each "new" share of Common Stock will be identical to each "old" share of Common Stock. As a result, upon consummation of the Merger, the Continuing Stockholders will own all of the outstanding Common Stock.

If the Merger is consummated, the Public Stockholders will no longer be stockholders of, and will no longer have any equity or other interest in the Company. As a result, they will be unable to benefit from future growth or earnings of the Company, if any, or any increase in the market price for their Common Stock that might have occurred if the Merger had not been consummated. Conversely, the Public Stockholders will no longer bear the risk of any decreases in the value of the Company or in the market price for their Common Stock that might have occurred had the Merger not been consummated.

The Company is currently subject to the reporting requirements imposed by the Exchange Act and its Common Stock is currently listed for trading on the

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

OTC Bulletin Board(R) under the symbol "CHEF". After consummation of the Merger, the shares will be delisted from trading on the OTC Bulletin Board(R). In addition, based upon the reduced number of record holders of its Common Stock after the Merger, the Company intends to file the necessary certification with the Securities and Exchange Commission to terminate the registration of its Common Stock under the Exchange Act thereby suspending its duty to comply with the Exchange Act reporting requirements.

Upon consummation of the Merger, the Company's Board of Directors will be reduced from eight to six directors. The following five persons, all of whom currently serve as directors of the Company, namely Anthony M. Lombardi, Joseph S. Lombardi, Michael F. Lombardi, Robert M. Lombardi and Stephen F. Lombardi, and Matthew H. Maschler who will be added to the Board after the Merger, will then comprise all of the directors of the Company and will serve until such time as their successors are elected and qualified. The current officers of the Company will continue to serve in such capacities as officers of the surviving corporation. See INFORMATION ABOUT THE COMPANY - Management" herein. Matthew H. Maschler is and for more than the past five years has been principally engaged as a practicing attorney in New Jersey.

OPERATION OF THE COMPANY AFTER THE MERGER

Following consummation of the Merger, it is anticipated that the business and operations of the Company, as the surviving corporation of the Merger, will continue to be conducted substantially in the same manner as they are now being conducted. The Company's management contemplates that the Company will continue to operate its six New Jersey and three Florida restaurants at their present locations under their current names. See "INFORMATION ABOUT THE COMPANY".

35

Neither the Company nor the Continuing Stockholders have any present plans for or are presently considering any proposals that contemplate or would result in an extraordinary corporate transaction after the Merger involving the Company's corporate structure, business or assets such as a merger, reorganization, liquidation, relocation or closing of existing restaurants or opening of additional restaurants, or sale or transfer of a material amount of assets. However, management will continue to evaluate the Company's business and operations after the Merger and may develop new proposals which it considers to be in the best interests of the Company and its then stockholders.

OPERATION OF THE COMPANY IF THE MERGER IS NOT CONSUMMATED

If the Merger is not consummated for any reason, it is anticipated that the Company's business and operations will continue to be conducted by the Company's current management, subject to the direction of the Board of Directors, substantially in the same manner as they are currently being conducted. No other transaction is currently being considered by management as an alternative to the Merger.

If the Merger is not consummated, the Company may, from time to time, repurchase outstanding shares of its Common Stock on terms more or less favorable to the Public Stockholders than the terms of the Merger, or offer to sell shares of its Common Stock, from time to time, in each case subject to availability and at prices it deems acceptable, pursuant to open market or privately negotiated transactions, a merger transaction, a tender offer or otherwise.

Consummation of the Merger is subject to various conditions more fully

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

described herein under the caption "THE MERGER AGREEMENT AND THE MERGER" including the condition that stockholders shall not have exercised appraisal rights under the Delaware Law with respect to more than 10% of the outstanding shares of Common Stock (392,610 shares). Accordingly, even if the requisite stockholder approval is obtained, there can be no assurance that the Merger will be consummated.

INTERESTS OF CERTAIN PERSONS IN THE MERGER

Actual or Potential Conflicts of Interest - In considering the recommendations of the Special Committee and the Board of Directors with respect to the Merger, stockholders should be aware that members of the Board of Directors, including members of the Special Committee, have certain interests in the Merger as well as certain relationships, including those referred to below, that can be considered as giving rise to divided interests in considering the Merger. The members of the Special Committee and the Board of Directors were aware of these potential or actual conflicts of interest and considered them in addition to other factors before concluding to recommend the Merger to stockholders.

Directorships and Officerships - The Company's Board of Directors currently consists of the following eight persons, namely the five Lombardi Brothers (Anthony M., Joseph S., Michael F., Robert M. and Stephen F.), and Nicholas B. Boxter, Kenneth

36

Cubelli and Raymond Dademo. Messrs. Boxter, Cubelli and Dademo also comprise the three members of the Special Committee. Robert M. Lombardi also serves as Chairman of the Board and President, and Michael F. Lombardi serves as Secretary of the Company. Assuming the Merger is consummated, the three members of the Special Committee will resign from their positions as directors and the Board of Directors will then consist of the five Lombardi Brothers and Matthew H. Maschler who will be added to the Board after the Merger.

Certain relationships between the members of the Special Committee and the Lombardi Brothers - The three members of the Special Committee have certain relationships with the Lombardi Brothers. The Lombardi Brothers' mother, who passed away in 2003, was the sister of Raymond L. Dademo's mother. Kenneth Cubelli's wife and Joseph S. Lombardi's wife are sisters. Although Nicholas B. Boxter has no family relationship with the Lombardi Brothers, he has in the past and will continue to render accounting services after the Merger to the Lombardi Brothers and their affiliated entities. See "Stock Transactions" as to transactions in the Company's Common Stock by members of the Board of Directors (including members of the Special Committee) since the beginning of the Company's 2003 fiscal year and by the two Maschler Brothers since becoming affiliates of the Lombardi Group.

Stock Ownership - The following table sets forth (a) the number of shares of the Company's Common Stock beneficially owned by each of the Company's eight directors as well as the Lombardi Group's affiliate, the Maschler Group, as of the January 14, 2005 Record Date; (b) the percentage such shares comprise of the total outstanding shares of Common Stock as of the Record Date; (c) the number of shares of Common Stock that will be beneficially owned by each of the eight individuals and the Maschler Group after the Merger (assuming it is consummated) and (d) the percentage such shares will constitute of the total outstanding shares of Common Stock after the Merger.

(a) If the Merger is consummated, Dr. Cubelli's stock will be canceled and converted into the right to receive a cash payment of \$3.12 per share.

(b) If the Merger is consummated, Mr. Dademo's stock will be canceled and converted into the right to receive a cash payment of \$3.12 per share.

(c) Includes with respect to each of Michael F. Lombardi and Stephen F. Lombardi, only one-half of the 111,668 shares owned by the Lombardi & Lombardi, P.A. Defined Benefit Pension Plan and only one-half of the 49,000 shares owned by the law firm of Lombardi & Lombardi P.A., although each has voting and dispositive power with respect to all 111,668 shares owned by the Pension Plan and all 49,000 shares owned by the law firm.

(d) The Maschler Group is comprised of two Lombardi Brothers, Lee Maschler and Matthew H. Maschler, who each own 98,469 shares of Common Stock. They will be responsible for their proportional share of Acquisition Co.'s expenses necessary to finance the Merger.

The Lombardi Group and the Maschler Group will each own the identical percentages of the capital stock of Acquisition Co. as they will own in the Company as reflected in the above table if the Merger is consummated. Prior to the Merger, the Continuing Stockholders will transfer all of their shares of Common Stock to Acquisition Co. Upon consummation of the Merger, Acquisition Co. will be merged into the Company with the Company being the surviving corporation. As a result of the Merger, the shares of Common Stock owned by the Continuing Stockholders will be canceled as will their shares of Acquisition Co. stock and in exchange, each Continuing Stockholder will receive one "new" share of Common Stock for each "old" share of Common Stock owned immediately prior to the Merger. Each "new" share of Common Stock will be identical to each "old" share of Common Stock. As a result, upon consummation of the Merger, the Continuing Stockholders will own all of the Company's outstanding Common Stock.

Stock Transactions - Since January 28, 2002 (the commencement of the Company's 2003 fiscal year), through the date of this Proxy Statement, certain of the Continuing Stockholders (and one member of the Special Committee), while affiliates of the Company, engaged in certain transactions in the Common Stock, as follows:

- o Kenneth Cubelli - On July 23, 2002, Dr. Cubelli acquired 100,000 shares of Common Stock from Joseph S. Lombardi as consideration for cancellation of a \$250,000 loan previously extended by Dr. Cubelli to Joseph S. Lombardi.

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

- o Joseph S. Lombardi - In February 2002, Joseph S. Lombardi purchased an aggregate 3,000 shares of Common Stock in open market purchases at prices ranging from \$1.99 to \$2.30 per share.
 - In March 2002, Joseph S. Lombardi purchased 1,000 shares of Common Stock in an open market purchase at \$1.50 per share.
 - On July 23, 2002, Joseph S. Lombardi transferred 100,000 shares of Common Stock to Kenneth Cubelli as consideration for cancellation of a \$250,000 loan previously extended by Dr. Cubelli to Joseph S. Lombardi.
- 38
- On March 25, 2003, Joseph S. Lombardi purchased 12,000 shares of Common Stock in an open market purchase at \$1.35 per share.
- In view of the fact that Joseph S. Lombardi's purchases of an aggregate 4,000 shares of Common Stock in February and March 2002 occurred within six months of his July 2002 transfer of 100,000 shares to Dr. Cubelli and therefore resulted in a matching short-swing profit of \$1,990, Joseph S. Lombardi reimbursed the Company for the \$1,990 short-swing profit.
- o Michael F. Lombardi - In March 2002, Michael F. Lombardi purchased 500 shares of Common Stock in an open market purchase at \$1.45 per share.
- o Robert M. Lombardi - In February 2002, Robert M. Lombardi purchased 600 shares of Common Stock in an open market purchase at \$2.00 per share.
 - In September 2002, Robert M. Lombardi purchased an aggregate 2,500 shares of Common Stock in open market purchases at \$1.40 per share.
- o On November 24, 2004, Lee Maschler and Matthew H. Maschler each purchased 32,823 shares of Common Stock in a private purchase from their brother Erik Maschler at a purchase price of \$3.03 per share.

Restaurant Transactions between the Company and the Lombardi Group - At the time of the acquisition in May 1999 of voting control of the Company by the Lombardi Group, the Company was operating seven free-standing seafood restaurants in New Jersey (four) and in Florida (three) and one Mexican theme restaurant located in a New Jersey shopping mall. In February 2000, the Company commenced the operation of an existing restaurant in Freehold, New Jersey which was being operated by Moore's Inn, Inc., an entity affiliated with the Lombardi Group, under the name "Moore's Inn." The Company changed the name of the restaurant to "Moore's Tavern and Restaurant" and began restaurant operations featuring an eclectic American food menu pursuant to a lease from Moore's Realty Associates, a New Jersey partnership ("Moore's Realty") whose partners are members of the Lombardi Group and other Lombardi family members.

The lease, which currently expires in February 2007, contains three consecutive five-year renewals at the Company's option. It provides for a minimum annual rental of \$90,000 during each year through February 2007; increasing to \$100,000 during each year of the first five-year renewal period; further increasing to \$112,500 during each year of the second five-year renewal period; and finally increasing to \$125,500 during each year of the third five-year renewal period. The Company is also required to pay as additional rent in each year, an amount equal to (i) 6% of the total gross sales of food and

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

beverages at the restaurant for the year (excluding taxes and gratuities) (the "gross annual rental") less (ii) the minimum annual rental for that year. The lease is a "net net" lease so that the Company pays the real estate taxes, insurance and heating and air conditioning costs with respect to the restaurant. Moore's Realty can terminate the lease upon twelve months prior written notice if, for the preceding year, the gross annual rental did not exceed the minimum annual rental for that year.

39

In connection with the lease, the Company purchased a New Jersey state liquor license from Moore's Inn, Inc. for \$350,000 and agreed to sell the license back to the Seller or to Moore's Realty upon termination of the lease for the same \$350,000. In addition, the Company purchased the existing furniture, fixtures and equipment at Moore's Inn from Moore's Inn, Inc. for \$250,000 and agreed to leave them at the premises upon the termination of the lease.

In January 2002, the Company opened a Mexican theme restaurant under the name "Escondido's Mexican Restaurant" in a free-standing vacant structure next to Moore's Tavern and Restaurant in Freehold, New Jersey pursuant to a second lease with Moore's Realty. The terms of this second lease are identical to the terms of the lease for Moore's Tavern and Restaurant. It provides for identical renewal options, minimum annual rental payments and additional rent.

The Company expended approximately \$1,300,000 to renovate, decorate and equip this restaurant. The Company is permitted to use the same liquor license at this restaurant that it uses at Moore's Tavern and Restaurant.

The Company also leases an adjacent pad site from Moore's Realty for use as a parking lot for its two Freehold, New Jersey restaurants. The site can accommodate approximately sixty five (65) automobiles. The lease, executed in September 2002, expires in February 2007 and contains provisions for three consecutive five-year renewals at the Company's option. Either party has the right to terminate the lease upon twelve months prior written notice after February 2007 provided that if Moore's Realty elects to terminate the lease, it must offer the Company the right to lease an adjoining paved parking area sufficient to park at least fifty (50) automobiles on terms and conditions similar to those contained in the lease.

The terms of the lease for the pad site are identical to the terms of the lease for the two Freehold, New Jersey restaurants except that the minimum annual rental during the initial term is \$40,000; increasing to \$44,000 during each year of the first five-year renewal period; to \$50,000 during each year of the second five-year renewal period; and to \$55,000 during each year of the third five-year renewal period and that the additional rent in each year is equal to 1% of the total gross food sales and beverages (excluding taxes and gratuities) from the two Freehold, New Jersey restaurants in that year less the minimum annual rental for that year.

During fiscal 2003, the Company installed curbing, paving and other improvements to the pad site at a cost of approximately \$134,000. Moore's Realty has agreed to reimburse the Company's costs by applying credits against the Company's rent obligations under the lease.

The three Freehold, New Jersey lease transactions and the Company's purchases of the liquor license and the existing furniture, fixtures and equipments at Moore's Inn cannot be deemed "arms length" transactions due to the interests in each transaction of

the Lombardi Group and members of the Lombardi family. At the time of each transaction, the Lombardi Group was in control of the Company through its ownership of a majority of the Company's outstanding Common Stock and the fact that the Lombardi Brothers comprised five of the eight directors of the Company. Each transaction was negotiated on behalf of the Company by Anthony C. Papalia, its then president and chief executive officer. Mr. Papalia and the non-Lombardi brother directors concluded that each of the transactions were fair and in the best interests of the Company.

Regardless of whether the Merger is consummated, management intends that the Company will continue to operate Moore's Tavern and Restaurant and Escondido's Mexican Restaurant.

COMMON STOCK - MARKET PRICES, TRADING VOLUME, STOCK REPURCHASES, DIVIDENDS, BOOK VALUE

Three of the factors cited by the Special Committee and by the Board of Directors in supporting their recommendation of the Merger terms to the Public Stockholders were;

- o the relatively low market price for the Common Stock in the over-the-counter market over the past three years
- o the lack of liquidity in the market for the Common Stock as reflected by the low average trading volume in the stock in the over-the-counter market over the past three years
- o the lack of positive impact on the market price for the Common Stock following the Company's various stock repurchases

Market prices and trading volume - The Common Stock currently trades in the over-the-counter market and is quoted on the OTC Bulletin Board(R) under the symbol "CHEF". The following chart sets forth the range of high and low closing bid price quotations and the trading volume for the Common Stock in the over-the-counter market for the periods indicated, as obtained from Pink Sheets LLC.

The price quotations represent prices between dealers and do not include retail mark-ups, mark-downs or commissions. They do not necessarily represent actual transactions.

October 24, 2004	3.05	3.03	184,694

(a) During the quarter (on November 21, 2003), the Company publicly announced its receipt of the Merger offer from the Lombardi Group offering to purchase the outstanding Common Stock owned by the Public Stockholders for a cash purchase price of \$1.75 per share.

(b) During the quarter, after publicly announcing on March 8, 2004, the rejection of the \$1.75 per share offered purchase price, the Company, on March 15, 2004, publicly announced the increased offer by the Lombardi Group to a cash purchase price of \$2.50 per share. After publicly announcing on April 19, 2004, the rejection of the \$2.50 per share offered purchase price, the Company, on April 21, 2004, publicly announced the increased offer by the Lombardi Group to a cash purchase price of \$3.00 per share.

(c) During the quarter (on June 1, 2004), the Company publicly announced that the Special Committee had advised the Board of Directors that in the Committee's judgment, the proposed increased purchase price of \$3.12 per share (increased after discussions between counsel for the Special Committee and counsel for the Lombardi Group), was fair to the Company's Public Stockholders, and to recommend that the Board accept the proposal.

Stock Repurchases - On June 8, 2000, the Company announced a program authorized by the Board of Directors to repurchase up to 400,000 shares of its Common Stock over the following 24 months. In announcing the repurchase program, the Company stated that the Board of Directors believed that the Company's Common Stock was undervalued and that repurchases at then market prices could constitute an appropriate investment for the benefit of the Company's stockholders. Through the end of fiscal 2002, the Company repurchased an aggregate 28,191 shares of Common Stock in the over-the-counter market at prevailing per share market prices ranging from \$.73 to

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

\$1.20. In addition, on August 29, 2001, the Company repurchased an aggregate 262,603 shares of Common Stock from a limited group of unaffiliated stockholders in a block transaction at a repurchase price of \$2.10 per share. The block purchase was also authorized by the Board. During the third quarter of fiscal 2002 (July 30, 2001 through October 28, 2001) the bid price for the Common Stock in the over-the-counter market ranged from a high of \$1.41 to a low of \$1.07 per share. It was the opinion of the Board that although the repurchase price for the block transaction was greater than the then market price for the Common Stock, the size of the block and the fact that the per share repurchase price of \$2.10 was substantially below the net tangible per share book value of the Common Stock (approximately \$3.36 net tangible book value per share at July 29, 2001) rendered the repurchase an appropriate investment beneficial to the Company's stockholders. No additional share repurchases were made pursuant to the repurchase program announced on June 8, 2000.

On January 21, 2003, the Company announced that a second share repurchase program had been authorized by the Board of Directors to repurchase up to 100,000 shares of its Common Stock over the following twelve months. During the first quarter of fiscal 2004, the Company repurchased an aggregate 40,000 shares of Common Stock in the over-the-counter market at the then market price of \$1.49 per share. No other repurchases were made pursuant to the second share repurchase program which has since expired. No further repurchase programs are currently contemplated (other than the offered payment by the Company of \$3.12 per share to the Public Stockholders if the Merger is approved and adopted.)

Dividends - The Company has not paid any dividends with respect to its Common Stock and does not currently anticipate paying any dividends in the future.

Book Value - One factor which the Special Committee and the Board of Directors cited as being a negative factor in considering whether the \$3.12 per share cash payment to be offered to the Public Stockholders if the Merger is effected is fair to the Public Stockholders is the fact that the \$3.12 per share amount was exceeded by the Company's net book value per share.

The following are the net book values per share and net tangible book values per share of the Common Stock (a) as of April 25, 2004 (the last day of the Company's fiscal quarter immediately preceding the date on which the Special Committee determined to recommend acceptance of the \$3.12 per share offered price to the Public Stockholders), and (b) as of October 24, 2004 (the last day of the Company's most recently completed fiscal quarter).

As of	Net Book Value Per Share	Net Tangible Book Value Per Share
-----	-----	-----
April 23, 2004	\$3.75	\$3.53
October 24, 2004	\$3.91	\$3.69

Due to the seasonality of the Company's restaurant business, the net book value and the net tangible book value per share of the Common Stock has decreased in the

fourth quarter in each of the Company's last five fiscal years as compared to the net book value and net tangible book value per share at the end of the immediately preceding third quarter. Management believes this pattern will continue in the fourth quarter of fiscal 2005.

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

Although the Special Committee and the Board of Directors considered the per share book value to be a negative factor, they concluded that it was outweighed by the positive factors previously enumerated in determining that the \$3.12 per share price was fair to the Public Stockholders.

THE MERGER AGREEMENT AND THE MERGER

The following information describes certain material terms of the Merger Agreement and the Merger. The description does not purport to be complete. It is qualified in its entirety by the information contained in the appendices to this Proxy Statement including the Agreement and Plan of Merger (the "Merger Agreement") attached as Appendix A. 45

performed in all material respects its obligations required to be performed or complied with by the Company at or prior to the Effective Time.

Transactions, Amendments, Withdrawal of Recommendations - The Merger Agreement provides that it may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether before or after the requisite approval and adoption by the Company's stockholders at the Special Meeting: (i) by written mutual consent of the boards of directors of the Company and Acquisition Co.; (ii) by the Company or Acquisition Co. if (a) any court or competent jurisdiction or United States governmental authority shall have issued an order, decree, ruling or taken any other action restraining, enjoining or otherwise prohibiting or delaying the Merger and such order, decree, ruling or other action shall have become final and nonappealable, or (b) if the Company's Board of Directors or the Special Committee withdraws or modifies in a manner adverse to Acquisition Co., its approval or recommendation of the Merger Agreement or the Merger or recommends another merger, consolidation, business combination with, or acquisition, of the Company or its assets, or (c) if the requisite approval in accordance with Delaware law of the Company's stockholder necessary to consummate the Merger is not obtained. In addition, either party may terminate the Merger Agreement and the Merger may be abandoned in the event of the breach by the other party of any representation, warranty or covenant

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

contained in the Merger Agreement which breach is not cured within fifteen days after notice. The Purchaser may also elect to terminate the Merger Agreement and the prospective Merger if stockholders exercise their dissenters' rights of appraisal pursuant to the Delaware Law with respect to more than an aggregate 392,610 shares of Common Stock.

The Merger Agreement further provides that it may be amended by written agreement of the parties at any time prior to the Effective Time provided that after approval and adoption by stockholders of the Merger Agreement and the Merger, no amendment can be made which would reduce or change the type of consideration into which each share of the Company's Common Stock will be converted upon consummation of the Merger.

The Merger Agreement permits the Company's Board of Directors or the Special Committee, at any time prior to the Effective Time, to withdraw, modify or change its recommendation regarding the Merger or the Merger Agreement, or recommend and declare advisable any other offer or proposal, if, in the opinion of the Board of Directors or the Special Committee, after consultation with their respective counsel and advisors, such withdrawal, modification or change is required by the exercise of its fiduciary duties to the stockholders of the Company under applicable law.

STRUCTURE OF THE MERGER

Pursuant to the Merger Agreement, Acquisition Co. will merge with and into the Company. As a result of the Merger, Acquisition Co.'s corporate existence will cease and the Company will continue as the surviving corporation. At the Effective Time of the Merger, each share of Common Stock that is issued and outstanding immediately prior

46

thereto, other than shares owned by the Continuing Stockholders or by stockholders who have properly exercised their dissenters' rights, will be canceled and converted into the right to receive a cash payment of \$3.12 per share. The amounts payable with respect to such shares is referred to as the "Common Stock Merger Consideration". The shares of Common Stock owned by the Continuing Stockholders will be transferred to Acquisition Co. and canceled as a result of the Merger as will their shares of Acquisition Co. stock. In exchange, each Continuing Stockholder will receive one "new" share of Common Stock for each "old" share of Common Stock he owned prior to the Merger. Each "new" share of Common Stock will be identical to each "old" share of Common Stock. As a result, upon consummation of the Merger, the Continuing Stockholders will own all of the outstanding Common Stock.

EFFECTIVE TIME OF THE MERGER

The Merger Agreement provides that the Merger shall be consummated "...as promptly as practicable ..." after the satisfaction or, if permitted, the waiver of the conditions set forth in Article V of the Merger Agreement. The Merger will be consummated by the filing of a Certificate of Merger with the Secretary of State of the State of Delaware, in such form as is required by, and executed in accordance with the relevant provisions of Delaware law. The date and time of such filing are referred to as the "Effective Time".

EXCHANGE PROCEDURES

Acquisition Co. has designated the Company's transfer agent, Continental Stock Transfer & Trust Company, 17 Battery Place, New York, New York 10004, to act as the Paying Agent for those holders of shares of Common Stock who become

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

entitled to receive payment of the Common Stock Merger Consideration pursuant to the Merger. At the Effective Time, Acquisition Co. will cause immediately available funds to be deposited with the Paying Agent sufficient in amount to pay the aggregate Common Stock Merger Consideration upon surrender of the certificates representing the Common Stock. Promptly after the Effective Time, the Company (through the Paying Agent) will mail a notice and letter of transmittal to each record holder of the Company's Common Stock advising such holder of the effectiveness of the Merger and providing the holder with instructions on how to surrender his or her certificates of Common Stock in order to be paid the \$3.12 per share cash payment to which the holder is entitled to receive as a result of the Merger. You will also receive instructions for handling certificates which have been lost, stolen or destroyed. YOU SHOULD NOT SUBMIT CERTIFICATES FOR SHARES OF COMMON STOCK UNTIL YOU HAVE RECEIVED WRITTEN INSTRUCTIONS TO DO SO.

After the Effective Time of the Merger, the Company's stock transfer books will be closed and no further transfers of Common Stock will be recorded.

47

Any portion of the Common Stock Merger Consideration delivered to the Paying Agent by Acquisition Co. that remains unclaimed by the Company's stockholders for one year after the Effective Time of the Merger will be transferred to the Company as the surviving corporation. Any Company stockholder who has not exchanged his or her certificates for payment within one year of the Effective Time may look only to the Company, as the surviving corporation, for payment of his or her share of the Common Stock Merger Consideration.

NONE OF ACQUISITION CO., THE COMPANY, THE PAYING AGENT, THEIR AFFILIATES, OR ANY OTHER PARTY TO THE MERGER AGREEMENT SHALL BE LIABLE TO ANY COMPANY STOCKHOLDER FOR ANY AMOUNTS PAID TO A PUBLIC OFFICIAL PURSUANT TO APPLICABLE ABANDONED PROPERTY, ESCHEAT OR SIMILAR LAWS.

The Company, as the surviving corporation, or the Paying Agent, as the case may be, is entitled to deduct and withhold from the consideration otherwise payable to holders of the Company's Common Stock, any amounts which it is required to deduct and withhold with respect to such payment under the Internal Revenue Code or any provision of state, local or foreign tax law.

FEDERAL INCOME TAX CONSEQUENCES

The following is a general discussion of the material federal income tax consequence of the Merger based upon the Internal Revenue Code of 1986, as amended, (the "Code"); regulations promulgated or proposed by the Treasury Department, judicial authorities, and rulings and interpretations by the Internal Revenue Service, as currently in effect. All of these are subject to change at any time, possibly with retroactive effect. The discussion assumes that you hold shares of Common Stock as a capital asset (within the meaning of Code Section 1221), and does not address aspects of federal income taxation that might be relevant to you if you are subject to special circumstances (e.g., a dealer in securities, a bank, an insurance company, a financial institution, a tax-exempt organization, a person that holds Common Stock as part of a straddle, hedge, constructive sale, or conversion transaction, a holder subject to the alternative minimum tax, or a United States person whose functional currency is not the United States dollar, a person who elects to treat gains from a disposition of shares as investment income for purposes of the limitation on the deduction for investment interest expense, a person who acquired his or her shares through the exercise of employee stock options or otherwise as compensation for services, a foreign person, etc.). In addition, the discussion does not address state, local or foreign tax consequences of the Merger.

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

Finally, this discussion applies only to United States persons. A United States person is an individual U.S. citizen or resident alien; a corporation (or entity taxable as a corporation) that was created or organized in or under the laws of the United States, any state thereof, or the District of Columbia; an estate the worldwide income of which is subject to U.S. federal income tax regardless of its source; or a trust if both a court within the United States is able to exercise primary supervision over its administration and one or more United States persons have the authority to control all of its substantial decisions (or if the trust

48

otherwise has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a United States person). If a partnership holds Common Stock, the tax treatment of a partner will generally depend upon both the status of the partner and the activities of the partnership.

Generally, the receipt of cash in exchange for shares of Common Stock in the Merger will be a taxable transaction for federal income tax purposes. Your gain or loss will be equal to the difference between the cash consideration you receive for your shares of Common Stock pursuant to the Merger and your adjusted tax basis in such shares. Your gain or loss from the exchange will be characterized as capital gain or capital loss if your shares of Common Stock are held as a capital asset. The gain or loss will be long-term if your holding period for the shares is longer than twelve months. Under current law, net long-term capital gains recognized by individuals are subject to a maximum federal income tax rate of 15%. There are limitations on the deductibility of capital losses for federal income tax purposes.

You may be subject to backup withholding at the rate of 28% on cash amounts payable to you pursuant to the Merger in exchange for your stock certificates, unless you (a) provide a correct taxpayer identification number ("TIN") in the manner required or (b) are exempt from such withholding and certify this fact, when required. To prevent the possibility of backup withholding, you must provide the Paying Agent (or the Company if payment is being made to you by the Company more than one year after the Effective Time), with your correct TIN by completing and transmitting a duly completed Form W-9. This form will be provided with the letter of transmittal which will be forwarded to stockholders of record at the Effective Time of the Merger by the Paying Agent shortly thereafter. If you do not provide the Paying Agent with your correct TIN, you may be subject to backup withholding as well as penalties imposed by the Internal Revenue Service.

The foregoing discussion of the federal income tax consequences to the Public Stockholders is for general information only. Your particular tax consequences will depend upon the facts and circumstances applicable to you. Accordingly, we urge you to consult with your own tax advisor to determine the tax consequences of the Merger to you in light of your particular circumstances, including the applicability and effect of state, local, foreign and other tax laws and any possible changes in those laws.

REGULATORY REQUIREMENTS

To effectuate the Merger, the Company and Acquisition Co. will be required to file a Certificate of Merger with the Delaware Secretary of State in compliance with the Delaware General Corporation Law after the approval and adoption by stockholders of the Merger Agreement and the transactions contemplated thereby is obtained pursuant to Delaware law. Other than compliance with Delaware law and federal securities laws, neither the Company nor Acquisition Co. is aware of any material federal, state or foreign governmental

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

regulatory requirement necessary to be complied with in connection with the Merger.

49

These cash advances will be provided from personal funds and from an aggregate of approximately \$4,000,000 in five year bank loans to members of the Lombardi Group from Enterprise Bank, Kenilworth, New Jersey. No formal loan agreements have been executed as of the date of this Proxy Statement. These bank loans, which will be repayable with annual interest of approximately 6.25% to 6.50% will be collateralized by approximately 16 acres of real estate owned by the Lombardi Group and their affiliates in Freehold, New Jersey. Included as part of the collateral are approximately six acres containing the two restaurants and the pad site utilized for

parking by the two restaurants which have been leased to the Company by an affiliate of the Lombardi Group. See "SPECIAL FACTORS - Interests of Certain Persons in the Merger." The Lombardi Group has not formulated any financing plans or made any financing arrangements at this date to repay the bank loans.

DISSENTERS' RIGHTS OF APPRAISAL

As a stockholder of the Company, you have a right to dissent from the Merger and demand a determination by the Delaware Court of Chancery as to the fair value of your shares of Common Stock. Exercising this right to dissent as a Dissenting Stockholder could result, in the event the Merger is consummated, in your receiving an amount per share which is more than, the same as, or less than the amount per share (\$3.12) payable in cash to the Public Stockholders pursuant to the Merger Agreement.

Notwithstanding any provision of the Merger Agreement to the contrary, any shares of Common Stock held by a stockholder who does not vote to approve the Merger and complies with all of the provisions of Section 262 of the General Corporation Law of the State of Delaware (the "Delaware Law") concerning the right to dissent from the Merger and require payment of fair value shall not be converted into the right to receive \$3.12 per share pursuant to the Merger Agreement. Instead, such dissenting holder shall only be entitled to receive such consideration as may be determined to be due to the holder pursuant to the Delaware Law. However, if the holder of shares of Common Stock who has demanded an appraisal of his or her shares under the Delaware Law withdraws the demand or fails to perfect or otherwise loses his or her right to an appraisal, his or her shares will be deemed to be canceled and converted at the Effective Time of the Merger into the right to receive \$3.12 per share pursuant to the Merger Agreement.

The following is a summary of the principal provisions of Section 262 of the Delaware Law and does not purport to be a complete description. A copy of Section 262 is attached to this Proxy Statement as Appendix C. Failure to take any action required by Section 262 will result in a termination or waiver of a stockholder's rights under Section 262. Perfecting your appraisal rights can be complicated and costly.

Only a holder of record of the Company's Common Stock is entitled to demand appraisal rights for Common Stock registered in that holder's name. The demand must be executed by or for the holder of record, fully and correctly, as the holder's name appears on the holder's stock certificates. If stock is owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, the demand should be executed in that capacity. If stock is owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all owners. An authorized agent, including one of two or more joint owners, may execute the demand for appraisal for a holder of record; however, the agent must identify the owner or owners of record and expressly disclose the fact that, in executing the demand, the agent is acting as agent for the owner or owners of record. A holder of record, such as a broker, who holds stock as nominee for beneficial owners may exercise a holder's right of appraisal with respect to stock held for all or less than all of such beneficial owners. In such case, the written demand should set forth the number of shares of stock covered by the demand. Where no

51

number of shares of stock is expressly mentioned, the demand will be presumed to cover all shares of stock standing in the name of the holder of record.

In order to dissent from the Merger, a stockholder (i) must NOT vote his

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

or her shares for the Merger Agreement and the Merger and (ii) must deliver to the Company BEFORE the vote on the Merger is taken at the Special Meeting, a written demand for appraisal of his or her shares (the "Appraisal Demand"). The Appraisal Demand will be sufficient if it is in writing and reasonably informs the Company of the stockholder's identity and that the stockholder intends thereby to demand the appraisal for a specified number of his or her shares. A PROXY OR VOTE AGAINST THE MERGER SHALL NOT CONSTITUTE SUCH A DEMAND. FURTHERMORE, A STOCKHOLDER ELECTING TO DEMAND AN APPRAISAL MUST DO SO BY AN APPRAISAL DEMAND SEPARATE FROM ANY PROXY OR BALLOT. THE APPRAISAL DEMAND MUST BE DELIVERED TO THE COMPANY ON A TIMELY BASIS AT 62 BROADWAY, POINT PLEASANT BEACH, NJ 08742; ATT: CORPORATE SECRETARY.

Within ten days after the Effective Time of the Merger, the Company, as the surviving corporation, will send notice of the effectiveness of the Merger to each person who prior to the Effective Time of the Merger satisfied the foregoing conditions. Any stockholder entitled to appraisal rights may, within 20 days after the date of the mailing of such notice, demand in writing from the Company, the appraisal of his or her shares of Common Stock. Such demand must reasonably inform the Company of the name and mailing address of the holder of record and of such stockholders' intention to demand appraisal of such holder's shares of Common Stock.

Within 120 days after the Effective Time of the Merger, the Company as the surviving corporation or any stockholder who has satisfied the foregoing conditions and who is otherwise entitled to appraisal rights, may file a petition in the Delaware Court of Chancery demanding a determination of the value of the stock held by all stockholders entitled to appraisal. The Company does not currently intend to file an appraisal petition and stockholders seeking to exercise appraisal rights should not assume that the Company will file a petition to appraise the value of their stock or that the Company will initiate any negotiations with respect to the "fair value" of such stock. Accordingly, holders of the Common Stock should initiate all necessary action to perfect their appraisal rights within the time periods prescribed in Section 262.

Within 120 days after the Effective Time of the Merger, any stockholder who has complied with the requirements for exercise of appraisal rights, as discussed above, is entitled, upon written request, to receive from the Company, a statement setting forth (i) the aggregate number of shares of Common Stock not voted in favor of the Merger and with respect to which demands for appraisal have been received and (ii) the aggregate number of holders of such shares of stock. The Company is required to mail such statement within ten days after it receives a written request to do so, or within ten days after expiration of the period for delivery of demands for appraisal under Section 262, whichever is later.

If a petition for an appraisal is timely filed and a copy is delivered to the Company as the surviving corporation, the Company must within 20 days after receipt of such petition file with the Delaware Court of Chancery in which the petition was filed a list of the names and addresses of all stockholders who have demanded appraisal rights and with whom agreements as to the value of their shares have not been reached by the Company. After notice to the Company and those stockholders, the Court can conduct a hearing to determine the stockholders entitled to appraisal rights. The Court may require stockholders who have demanded appraisal rights for their shares to submit their stock certificates to the Court for a notation thereon, and if any stockholder fails to comply with this requirement, the Court may dismiss the proceedings as to such stockholder.

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

At a hearing on the petition, the Court will determine the stockholders entitled to appraisal rights and will appraise the shares of stock owned by such stockholders, determining their "fair value" exclusive of any element of value arising from the accomplishment or expectation of the Merger and will determine the amount of interest, if any, to be paid upon the value of the shares of stock of the stockholders entitled to appraisal. In determining such "fair value," the Court shall take into account all relevant factors. Any such judicial determination of the "fair value" of stock could be based on considerations other than or in addition to the price paid in the Merger and the market value of the Common Stock, including asset values, the investment value of the Common Stock and any other valuation considerations generally accepted in the investment community. The value so determined for the Common Stock could be more than, less than or the same as the consideration paid pursuant to the Merger Agreement. The Court may, in its discretion, order that all or a portion of any stockholder's expenses incurred in connection with an appraisal proceeding, including, without limitation, reasonable attorney's fees and fees and expenses of experts, be charged pro rata against the value of all the shares of the Common Stock entitled to an appraisal, but a dissenting stockholder must be prepared to pay his or her own expenses in connection with the proceeding..

Any stockholder who has demanded an appraisal in compliance with Section 262 will not, from and after the Effective Time of the Merger, be entitled to vote the shares subject to such demand for any purpose or be entitled to dividends or other distributions on those shares (other than those payable or deemed to be payable to stockholders of record at a date which is prior to the Effective Time of the Merger).

Holders of Common Stock lose the right to appraisal if no petition for appraisal is filed within 120 days after the Effective Time of the Merger, or if a stockholder delivers a written withdrawal of such stockholder's demand for an appraisal to the Company, except that any such attempt to withdraw made more than 60 days after the Effective Time of the Merger requires the Company's written approval. If appraisal rights are not perfected or a demand for appraisal rights is withdrawn, a stockholder will be entitled to receive the \$3.12 per share cash consideration otherwise payable pursuant to the Merger Agreement.

53

If an appraisal proceeding is timely instituted, such proceeding may not be dismissed without the approval of the Delaware Court of Chancery as to any stockholder who has perfected a right of appraisal.

Failure by a stockholder to take any required step to perfect appraisal rights may result in termination of his or her appraisal rights. BECAUSE THE APPRAISAL PROVISIONS OF THE DELAWARE LAW ARE COMPLEX, STOCKHOLDERS WHO ARE CONSIDERING EXERCISING THEIR APPRAISAL RIGHTS UNDER SECTION 262 SHOULD CONSULT WITH THEIR OWN LEGAL ADVISORS.

The Merger Agreement provides that Acquisition Co. will not be obligated to complete the merger if the number of shares of Common Stock held by stockholders who comply with all the provisions of Section 262 exceeds 10% of the aggregate number of shares of the Company's Common Stock outstanding on the closing date of the Merger.

VOTING AGAINST THE MERGER AND THE MERGER AGREEMENT WILL NOT PROTECT YOUR RIGHT TO DISSENT IN THE ABSENCE OF YOUR DELIVERING A SEPARATE WRITTEN APPRAISAL DEMAND ON A TIMELY BASIS. APPENDIX C TO THIS PROXY STATEMENT CONTAINS SECTION 262 OF THE DELAWARE LAW REGARDING DISSENTERS' RIGHTS. STOCKHOLDERS WHO INTEND TO DISSENT SHOULD CAREFULLY REVIEW THIS PROXY STATEMENT AND APPENDIX C AND ARE

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

URGED TO CONSULT WITH THEIR OWN LEGAL ADVISORS.

"AGREEMENT") between Lombardi Restaurant Group, Inc., a Delaware corporation ("PURCHASER"), and Chefs International, Inc., a Delaware corporation (the "COMPANY").

WHEREAS, prior to organizing Purchaser, the shareholders of Purchaser (the "CONTINUING SHAREHOLDERS") owned, in the aggregate, 2,605,467 shares of Common Stock, par value \$.01 per share (the "COMMON STOCK" and the "SHARES"), of the Company, representing approximately 66% of the shares of Common Stock outstanding (excluding treasury stock); and

WHEREAS, the Continuing Shareholders have transferred all of their Shares to the Purchaser in exchange for all the issued and outstanding shares of capital stock of the Purchaser; and

WHEREAS, it is proposed that Purchaser be merged with and into the Company (the "MERGER") upon the terms and subject to the conditions set forth in this Agreement and in the certificate of merger (the "CERTIFICATE OF MERGER"), in substantially the form attached hereto as Exhibit A, and in accordance with Delaware Law (as hereafter defined); and

("HOULIHAN") has advised the Special Committee (the "SPECIAL COMMITTEE") of the Board of Directors of the Company (the "BOARD"), that, subject to various assumptions and limitations, the cash consideration to be received in the Merger by the stockholders of the Company other than Purchaser or its affiliates is fair to such stockholders from a financial point of view; and

WHEREAS, the Special Committee, in May 2004, (A) unanimously determined that \$3.12 is a fair price for a share of Common Stock, (B) determined that this Agreement and the transactions contemplated by this Agreement (the "TRANSACTIONS") are fair to the stockholders of the Company (other than Purchaser and its affiliates), and (C) on the basis of the foregoing and the oral opinion of Houlihan, unanimously recommended that the Board approve and authorize the Merger and this Agreement (such opinion confirmed in writing as of December 16, 2004); and

Prior to such filing, a closing shall be held at the offices of Brown Rudnick Berlack Israels LLP, 120 West 45th Street, New York, New York, 10036, or such other place as the parties shall agree, for the purpose of confirming the satisfaction or waiver, as the case may be, of the conditions set forth in Article V.

Such stockholders shall be entitled to receive payment of the appraised value of such Shares held by them in accordance with the provisions of such Section 262, except that all Dissenting Shares held by stockholders who shall have failed to perfect or who effectively shall have withdrawn or lost their rights to appraisal of such Shares under such Section 262 shall thereupon be deemed to have been converted into and to have become exchangeable for, as of the Effective Time, the right to receive the Common Stock Merger Consideration, without any interest thereon, upon surrender, in the manner provided in Section 1.09, of the certificate or certificates that formerly evidenced such Shares.

SECTION 1.09 SURRENDER OF SHARES; STOCK TRANSFER BOOKS. (a) Prior to the Effective Time, Purchaser shall designate a bank or trust company to act as agent (the "PAYING AGENT") for the holders of Shares in connection with the Merger to receive the funds to which holders of Shares shall become entitled pursuant to Section 1.06(a). At the Effective Time, Purchaser shall cause to be deposited with the Paying Agent in immediately available funds the aggregate amount of the Merger Consideration. Such funds shall be invested by the Paying Agent as directed by the Surviving Corporation, provided that such investments shall be in obligations of or guaranteed by the United States of America or of any agency thereof and

backed by the full faith and credit of the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Services, Inc. or Standard & Poor's Corporation, respectively, or in deposit accounts, certificates of deposit or banker's acceptances of, repurchase or reverse repurchase agreements with, or Eurodollar time deposits purchased from, commercial banks with capital surplus and undivided profits aggregating in excess of \$50 million (based on the most recent financial statements of such bank which are then publicly available at the SEC or otherwise).

(b) Promptly after the Effective Time, the Surviving Corporation shall cause to be mailed to each person who was, at the Effective Time, a holder of record of Shares entitled to receive Common Stock Merger Consideration pursuant to Section 1.06(a) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the certificates evidencing such Shares (the "CERTIFICATES") shall pass, only upon proper

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

delivery of the Certificates to the Paying Agent) and instructions for use in effecting the surrender of the Certificates pursuant to such letter of transmittal. Upon surrender to the Paying Agent of a Certificate, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the holder of such Certificate shall be entitled to receive in exchange therefor the Common Stock Merger Consideration for each Share formerly evidenced by such Certificate, and such Certificate shall then be canceled. No interest shall accrue or be paid on the Common Stock Merger Consideration payable upon the surrender of any Certificate for the benefit of the holder of such Certificate. If payment of the Common Stock Merger Consideration is to be made to a person other than the person in whose name the surrendered Certificate is registered on the stock transfer books of the Company, it shall be a condition of payment that the Certificate so surrendered shall be endorsed properly or otherwise be in proper form for transfer and that the person requesting such payment shall have paid all transfer and other taxes required by reason of the payment of the Common Stock Merger Consideration, to a person other than the registered holder of the Certificate surrendered or shall have established to the satisfaction of the Surviving Corporation that such taxes either have been paid or are not applicable.

(c) At any time following one year after the Effective Time, the Surviving Corporation shall be entitled to require the Paying Agent to deliver to it any funds which had been made available to the Paying Agent and not disbursed to holders of Shares (including, without limitation, all interest and other income received by the Paying Agent in respect of all funds made available to it), and thereafter such holders shall be entitled to look to the Surviving Corporation (subject to abandoned property, escheat and other similar laws) only as general creditors thereof with respect to any Common Stock Merger Consideration that may be payable upon due surrender of the Certificates held by them. Notwithstanding the foregoing, neither the Surviving Corporation nor the Paying Agent shall be liable to any holder of a Share for any Common Stock Merger Consideration delivered in respect of such Share to a public official pursuant to any abandoned property, escheat or other similar law.

(d) At the close of business on the day of the Effective Time, the stock transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers of Shares on the records of the Company. From and after the Effective Time, the holders of Shares outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Shares except as otherwise provided herein or by applicable law.

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

ARTICLE III

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

for any settlement effected without its written consent (which consent shall not be unreasonably withheld); and PROVIDED, FURTHER, that neither the Company nor the surviving Corporation shall be obligated pursuant to this Section 4.03(b) to pay the fees and expenses of more than one counsel for all Indemnified Parties in any single action except to the extent that two or more of such Indemnified Parties shall have conflicting interests in the outcome of such action; and PROVIDED, FURTHER, that, in the event that any claim for indemnification is asserted or made within such six-year period, all rights to indemnification in respect of such claim shall continue until the disposition of such claim.

In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and directors of each party to this Agreement shall use their reasonable best efforts to take all such action.

SECTION 4.09 NOTIFICATION OF CERTAIN MATTERS. Each of the parties hereto shall, promptly upon obtaining knowledge of any of the following occurring subsequent to the date of this Agreement and prior to the Effective Time, notify all other parties to this Agreement of: (a) any material claims, actions, proceedings, tax audits or investigations commenced or, to its knowledge, threatened in writing, involving or affecting such party or any of its subsidiaries or any of their properties or assets, that if adversely resolved could have a Material Adverse Effect on such party or could prevent, hinder or materially delay the ability of such party to

10

consummate the Merger or the transactions contemplated by this Agreement, (b) any notice of, or other communication relating to, a default or event that, with notice or lapse of time or both, would become a default, received by such party or any of its subsidiaries, under any agreement, lease, indenture or instrument to which such party or any of its subsidiaries is a party or is subject where such a default could have a Material Adverse Effect on such party, or (c) any notice or other communication from any third party alleging that the consent of such third party is or may be required in connection with the transactions contemplated by this Agreement. As used in this Section 4.09, with respect to the Company, the term "Material Adverse Effect" shall have the meaning given to it in Section 2.01, and, with respect to Purchaser, the term "Material Adverse Effect" shall mean any effect that is materially adverse to the business, assets, prospects, operations, properties, financial condition or results of operations of Purchaser.

During the term of this Agreement, the Board shall notify Purchaser immediately if any Acquisition Proposal is made and shall in such notice indicate in reasonable detail the identity of the offeror and the terms and conditions of such Acquisition Proposal and shall keep Purchaser promptly advised of all material developments that could culminate in the Board withdrawing, modifying or amending its recommendation of the Merger and the other transactions contemplated by this Agreement. During the term of this Agreement,

11

the Company shall not waive or modify any provisions contained in any confidentiality agreement entered into relating to a possible acquisition (whether by merger, stock purchase, asset purchase or otherwise) or recapitalization of the Company unless the Special Committee shall have determined in good faith based on reasonably concluded advice of counsel to the Special Committee that the taking of such action is necessary to discharge the Board's fiduciary duties under applicable law. Notwithstanding the foregoing, the Company may make the disclosure contemplated by Rule 14e-2(a) under the Exchange Act to the extent that such disclosure is required to be taken and made by such Rule; provided, that the Company may only recommend a tender offer giving rise to such obligation as contemplated by such Rule if the Special Committee has made the good faith determination described in the third preceding sentence.

APPENDIX B

[HOULIHAN LOKEY HOWARD & ZUKIN FINANCIAL ADVISORS, INC. LETTERHEAD]

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

December 16, 2004

To the Special Committee of the
Board of Directors
Chefs International, Inc.
62 Broadway
Point Pleasant Beach, New Jersey 08742

Gentlemen:

We understand that Chefs International, Inc., ("Chefs" or the "Company") has received a draft Merger Agreement dated December 16, 2004 (the "Agreement") from the Lombardi Restaurant Group, Incorporated ("Acquisition Co.") concerning a transaction to acquire all of the outstanding shares of the Company not owned by the Buyer Group (defined below), for a cash purchase price of \$3.12 per share. Acquisition Co. is a privately owned Delaware corporation formed for the sole purpose of effecting the merger and is owned by Robert Lombardi, Anthony Lombardi, Joseph Lombardi, Michael Lombardi, and Stephen Lombardi ("Lombardi Brothers") and two brothers unrelated to the Lombardi Brothers, the Maschler Group, (collectively the "Buyer Group"). The Agreement contemplates that the acquisition will take the form of a merger in which Acquisition Co. will be merged with Chefs, and Chefs will be the surviving corporation (the "Merger"). Additionally, Chefs' stockholders (the "Public Stockholders"), other than the Buyer Group, would receive in the Merger a cash payment for their shares of Chefs' common stock. Currently, the Lombardi Brothers own 2,408,529 shares or approximately 61% of Chefs' outstanding common stock and hold five of the eight seats on Chefs' Board of Directors (the "Board"). Additionally, the Buyer Group owns 2,605,467 shares, or approximately 66% of Chefs' outstanding common stock. Such transaction and all related transactions are referred to collectively herein as the "Transaction." The Board has appointed a Special Committee (the "Committee" hereinafter) consisting of the three non-Buyer Group directors to consider certain matters relating to the Transaction.

You have requested our opinion (this "Opinion") as to the matters set forth below. This Opinion does not address the Company's underlying business decision to effect the Transaction. We have not been requested to, and did not, solicit third party indications of interest in acquiring all or any part of the Company. Furthermore, at your request, we have not negotiated the Transaction or advised you with respect to alternatives to it.

In connection with this Opinion, we have made such reviews, analyses and inquiries as we have deemed necessary and appropriate under the circumstances. Among other things, we have:

1. met with certain members of the senior management to discuss the operations, financial condition, future prospects and projected operations and performance;
2. visited certain restaurants and business offices of the Company;

8

The Special Committee of the
Board of Directors
Chefs International, Inc.
December 16, 2004

3. reviewed the Company's publicly traded stock price history and

trading volume;

4. reviewed a draft of the Merger Agreement dated December 16, 2004;
5. reviewed the Company's certificate of incorporation, as amended;
6. reviewed the Company's Annual Reports to shareholders on Form 10-KSB for the fiscal years ended January 31, 1998 through January 31, 2004;
7. reviewed the Company's Form 10-QSB for the quarterly period ended October 24, 2004;
8. reviewed the Company's tax assessments of its owned properties;
9. reviewed the Company's restaurant lease agreements;
10. reviewed certain publicly available financial data for certain companies that we deemed appropriate; and
11. conducted such other studies, analyses and inquiries, as we have deemed appropriate.

We have not independently verified the accuracy and completeness of the information supplied to us with respect to the Company and do not assume any responsibility with respect to it. We have not made any physical inspection or independent appraisal of any of the properties or assets of the Company. Our opinion is necessarily based on business, economic, market and other conditions as they exist and can be evaluated by us at the date of this letter. We have assumed, for the purpose of this Opinion, that neither the Company, the Buyer Group, nor the Board has entered into any discussions or otherwise has any intentions to sell or liquidate the Company as of the date of this Opinion. We have also assumed that the Buyer Group's equity interests in the Company on the date hereof represent control of the Company. If the foregoing assumption is not correct then the conclusion set forth in this Opinion may be adversely effected. Furthermore, Houlihan Lokey is under no obligation to update, revise or reaffirm this Opinion.

This Opinion is furnished solely for your benefit and may not be relied upon by any other person without our express, prior written consent. This Opinion is furnished for your benefit and does not constitute a recommendation to any stockholder of the Company as to how such stockholder should vote or otherwise act at the special meeting of Chefs' stockholders to approve the Transaction. This Opinion is delivered to the Committee subject to the conditions, scope of engagement, limitations and understandings set forth in this Opinion and our engagement letter, and subject to the understanding that the obligations of Houlihan Lokey in the Transaction are solely corporate obligations, and no officer, director, employee, agent, shareholder or controlling person of Houlihan Lokey shall be subjected to any personal liability whatsoever to any person, nor will any such claim be asserted by or on behalf of you or your affiliates.

Based upon the foregoing, and in reliance thereon, it is our opinion that the consideration to be received by the Public Stockholders of the Company (other than the Buyer Group or any of its affiliates) in the Merger is fair to them from a financial point of view.

APPENDIX C

SECTION 262 OF THE DELAWARE GENERAL CORPORATION LAW -- APPRAISAL RIGHTS

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to ss.228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to ss.251 (other than a merger effected pursuant to ss.251(g) of this title), ss.252, ss.254, ss.257, ss.258, ss.263 or ss.264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of ss.251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to ss.251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

C-1

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under ss.253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of 1such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of 1such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of 1such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand.

C-2

A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to ss.228 or ss.253 of this title, each constituent corporation, either before the effective date of the merger or consolidation or within ten days thereafter, shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

include in such notice a copy of this section; provided that, if the notice is given on or after the effective date of the merger or consolidation, such notice shall be given by the surviving or resulting corporation to all such holders of any class or series of stock of a constituent corporation that are entitled to appraisal rights. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in

C-3

the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to

C-4

borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving

Edgar Filing: CHEFS INTERNATIONAL INC - Form PREM14A

or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded 1 appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
