This Amendment No. 37 (this "AMENDMENT") amends the Statement on Schedule 13D dated August 9, 2001, as amended (as previously amended, the "SCHEDULE 13D") filed by Edizione Holding S.p.A., a company incorporated under the laws of the Republic of Italy, Edizione Finance International S.A., a company incorporated in the Duchy of Luxembourg, and Ragione S.a.p.a. di Gilberto Benetton e C., a partnership organized under the laws of the Republic of Italy ("RAGIONE") with respect to the ordinary shares, euro 0.55 par value per share ("TELECOM SHARES"), of Telecom Italia S.p.A., a company incorporated under the laws of the Republic of Italy ("TELECOM ITALIA"). Capitalized terms used in this Amendment without definition have the meanings ascribed to them in the Schedule 13D.

This Amendment is being filed by each of Sintonia S.p.A., Sintonia S.A. (formerly known as Edizione Finance International S.A.) and Ragione. By virtue of the demerger of Edizione Holding S.p.A., effective on March 2, 2007, Sintonia S.p.A. became member of a group, together with and Sintonia S.A. and Ragione, with Pirelli & C. S.p.A. ("PIRELLI") and Olimpia S.p.A. ("OLIMPIA") with respect to the Telecom Shares.

INTRODUCTION.

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

On October 25, 2007, Sintonia S.p.A. and Sintonia S.A. (together, the "SINTONIA SELLERS") and Pirelli sold the entire share capital of Olimpia, the entity which currently holds approximately 18% of the ordinary share capital of Telecom Italia, to a group of investors (the "SALE"). The group of investors that purchased the Olimpia share capital includes Sintonia S.A. (in such capacity, the "SINTONIA BUYER"). The following summarizes the sale and purchase of such share capital and certain agreements related thereto.

On April 28, 2007, a group of investors made up of Assicurazioni Generali S.p.A. ("AG" and, together with the AG group companies (Alleanza Assicurazioni S.p.A., INA Assitalia S.p.A., Volksfursorge Deutsche Lebensversicherung A.G., Generali Vie S.A.) that became investors on October 25, 2007 pursuant to the Amendment (as defined below), "GENERALI"), the Sintonia Buyer, Intesa Sanpaolo S.p.A. ("INTESA SANPAOLO"), Mediobanca S.p.A. ("MEDIOBANCA" and, together with Generali, the Sintonia Buyer and Intesa Sanpaolo, the "ITALIAN INVESTORS") and Telefonica S.A., the Spanish-based telecommunications operator ("TELEFONICA" and, together with the Italian Investors, the "INVESTORS"), entered into a co-investment agreement (as subsequently amended by an amendment agreement on October 25, 2007 (the "AMENDMENT"), the "CO-INVESTMENT AGREEMENT") to establish the terms and conditions for their participation in Centotrenta 4/6 S.r.l., an Italian company with registered office at Galleria del Corso 2, Milan, Italy, fiscal code n. 05277610969 subsequently transformed into an Italian joint stock company and renamed Telco S.p.A. ("TELCO"), an Italian corporation through which they have purchased the entire share capital of Olimpia from Pirelli and the Sintonia Sellers as indicated above (the "TRANSACTION"). The Co-Investment Agreement also covers the capitalization and funding of Telco in connection with the Transaction and the general framework of the investment obligations of each of the Investors. Among other things, pursuant to the Amendment, the AG group companies became Investors for purposes of the Co-Investment Agreement and the Shareholders' Agreement (as hereinafter defined). In addition to Telco's participation in Telecom Italia's ordinary share capital through its interest in Olimpia, pursuant to the Co-Investment Agreement, on October 25, 2007 Generali and Mediobanca

(Page 5 of 23)

contributed to Telco ordinary shares of Telecom Italia they held on that date. These shares amount to 5.6% of Telecom Italia's ordinary share capital, with the individual contributions of Generali and Mediobanca amounting to 4.06% and 1.54%, respectively, of Telecom Italia's ordinary share capital, bringing Telco's direct and indirect participation in Telecom Italia's ordinary share capital to approximately 23.6%. A copy of the Co-Investment Agreement was previously filed on Schedule 13D as Exhibit 85 and a copy of the Amendment is filed as Exhibit 92 hereto.

On April 28, 2007, the Investors also entered into a shareholders' agreement (as subsequently amended by the Amendment, the "SHAREHOLDERS' AGREEMENT"), pursuant to which the Investors set out, among other things, the principles of corporate governance of Telco and Olimpia, respectively, the transfer of Telco's shares and any Olimpia Shares or Telecom Shares (each as defined below) directly or indirectly owned by Telco and the principles of designation, among the Investors, of candidates to be included in a common list for the appointment of directors of Telecom Italia under the voting list mechanism provided for by Telecom Italia's by-laws. A copy of the Shareholders' Agreement was previously filed on Schedule 13D as Exhibit 87 and a copy of an unofficial English translation of the by-laws of Olimpia is filed as Exhibit 93 hereto (such translation incorporates all recent amendments and amendments described previously on Schedule 13D and therefore supercedes the prior version

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

filed on Schedule 13D as Exhibit 19).

On May 4, 2007, the Investors entered into a sale and purchase agreement with Pirelli and the Sintonia Sellers (the "SHARE PURCHASE AGREEMENT") to purchase the entire share capital of Olimpia of euro 4.6 billion divided into 4,630,233,510 ordinary shares (the "OLIMPIA SHARES"). Olimpia in turn owns 2,407,345,359 ordinary voting shares of Telecom Italia, or approximately 18% of the ordinary share capital of Telecom Italia. A copy of the Share Purchase Agreement was previously filed on Schedule 13D as Exhibit 90.

In summary, the result of the Sale and the Co-Investment and Purchase and related transactions on the Sintonia Sellers' and Ragione's respective interests in the ordinary voting shares of Telecom Italia is as follows:

- o the Sintonia Sellers no longer hold interests in the ordinary voting shares of Telecom Italia through a common entity (Olimpia) with Pirelli;
- o the Shareholders' Agreement (as defined in Schedule 13D filed on August 9, 2001) and the 2006 Shareholders' Agreement (as defined in Amendment No. 33 to Schedule 13D on November 8, 2006) have been terminated;
- o the Sintonia Buyer holds approximately 8.4% of Telco and thus remains an indirect holder of the ordinary voting shares of Telecom Italia through Olimpia's approximately 23.6% interest therein;
- o Sintonia S.p.A., through its interest in the Sintonia Buyer, and Ragione, through its interest in Sintonia S.p.A., likewise remain indirect holders of ordinary voting shares of Telecom Italia; and

(Page 6 of 23)

- o in addition, Sintonia S.p.A. directly holds 30,084,650 Telecom Shares and may be deemed to have sole power to vote or direct the vote and sole power to dispose or direct the dispositions of such Telecom Shares.

The closing of the purchase of the Olimpia Shares pursuant to the Share Purchase Agreement occurred on October 25, 2007, following the receipt of the announcement of forthcoming governmental approvals from the Brazilian antitrust authority on October 23, 2007 (the "Announcement"), an unofficial English translation of which is attached here as Exhibit 94. Pursuant to the Amendment, the Investors acknowledged the content of the Announcement and each of the Investors undertook to implement the content thereof through appropriate actions.

Items 2, 3, 4, 5, 6 and 7 of Schedule 13D are hereby amended and supplemented to add the following:

ITEM 2. IDENTITY AND BACKGROUND

This Amendment is being filed by each of Sintonia S.p.A., Sintonia S.A., and Ragione.

Sintonia S.p.A., owns approximately 100% of the share capital of Sintonia S.A., which owns directly approximately 10.62% of the equity of Olimpia. Sintonia S.p.A. owns directly approximately 9.38% of the equity of Olimpia (and, together with its control of Sintonia S.A., 20% of Olimpia) and 0.23% of the share capital of Telecom Italia. On September 28, 2007, Sintonia S.p.A., GS Infrastructure Partners I (an infrastructure fund managed by Goldman

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

Sachs, "GSIP") and Mediobanca signed a share purchase agreement pursuant to which GSIP and Mediobanca agreed to acquire, respectively, 3% and 1% of Sintonia S.A. Under the terms of the transaction, GSIP and Mediobanca also agreed to subscribe to a capital increase in Sintonia S.A. to reach fully diluted stakes of approximately 16.3% and 5.5%, respectively. The closing of this transaction is subject to customary regulatory approvals.

Sintonia S.p.A., through its subsidiaries and affiliates (including Sintonia S.A.), is a holding company that manages both majority and minority investments in publicly traded and privately owned companies. Sintonia S.p.A. is principally engaged in the utilities and infrastructure sector. 100% of the share capital of Sintonia S.p.A. is beneficially owned by Ragione. Ragione is a holding company principally engaged in managing its participations in two sub-holdings, Edizione Holding S.p.A. and Sintonia S.p.A., through which it holds interests in companies operating in the following business areas: (i) textiles and clothing, (ii) food and beverages, (iii) services and infrastructures for transportation and communication, (iv) real estate and agriculture and (v) certain other investments. The registered office of Sintonia S.p.A. is located at Corso di Porta Vittoria 16, Milan, Italy. The registered office of Sintonia S.A. is located at 1, Place d'Armes, Luxembourg. The registered office of Ragione is located at Calmaggione 23, Treviso, Italy.

The name, business address, citizenship, present principal occupation or employment of each director and executive officer of Sintonia S.p.A., Sintonia S.A. and Ragione is set forth on Annexes A-1, A-2 and A-3.

(Page 7 of 23)

During the past five years, neither Sintonia S.p.A., Sintonia S.A., Ragione, nor any of their respective directors or executive officers has been (i) convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activity subject to, federal or state securities laws or fining any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The closing of the purchase of the Olimpia Shares pursuant to the Share Purchase Agreement occurred on October 25, 2007, following the issuance of the Announcement on October 23, 2007. At the closing of the Share Purchase Agreement Telco paid total consideration of euro 2.82 per Telecom Share held by Olimpia multiplied by 2,407,345,359 Telecom Shares, less Olimpia's total net debt (as defined under the Share Purchase Agreement) as of the closing date. The purchase price for 100% of Olimpia's share capital was approximately euro 4.161 billion. Telco paid 80% of the consideration to Pirelli and 20% of the consideration to the Sintonia Sellers. It is expected that the Investors will merge Olimpia into Telco.

Pursuant to the Co-Investment Agreement, Telco has been initially capitalized with euro 5.145 billion, in the following manner:

- o Generali contributed to Telco 543.4 million Telecom Shares for total consideration of euro 1.375 billion, based on a share price of euro 2.53 per Telecom Share;
- o Mediobanca contributed to Telco 206.5 million Telecom Shares for total consideration of euro 522 million, based on a share price of euro 2.53 per Telecom Share;

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

- o Intesa Sanpaolo contributed to Telco euro 522 million in cash;
- o the Sintonia Buyer contributed to Telco euro 412 million in cash; and
- o Telefonica contributed to Telco euro 2.314 billion in cash.

In addition, prior to the closing of the Share Purchase Agreement, Telco borrowed from Mediobanca and Intesa Sanpaolo approximately euro 925 million (the "FACILITY"). Such Facility was made available on an arm's length basis. Immediately after the closing of the Share Purchase Agreement, Telco resolved to increase its share capital by euro 900 million (the "FIFTH CAPITAL Increase") for purposes of financing the repayment of the Facility. Telco shareholders look favorably on the potential for further contributions of Telecom Shares in Telco (up to an amount not exceeding 30% of the ordinary share capital of Telecom Italia), provided that in such an event the right to subscribe further capital increases in cash shall be granted to the other existing shareholders in order to avoid possible dilution. See the joint press release announcing the closing of the Transaction, dated October 25, 2007, issued by Generali, Intesa Sanpaolo, Mediobanca, Sintonia S.A. and Telefonica filed as Exhibit 95.

(Page 8 of 23)

ITEM 4. PURPOSE OF THE TRANSACTION

For the Investors, the principal objective of the transaction is the creation of value over time for all shareholders, by accompanying Telecom Italia's business growth strategies which will be defined in full autonomy by the board of directors and the management of Telecom Italia. A fundamental assumption of the Co-Investment Agreement and the Shareholders' Agreement is that the Telecom Italia and Telefonica groups will be managed autonomously and independently. See the joint press release, dated April 28, 2007, issued by Generali, Intesa Sanpaolo, Mediobanca, the Sintonia Buyer and Telefonica, previously filed on Schedule 13D as Exhibit 88 and incorporated herein by reference, and the joint press release requested by Consob (the Italian financial market authority), dated May 2, 2007, issued by Generali, Intesa Sanpaolo, Mediobanca, the Sintonia Buyer and Telefonica, previously filed on Schedule 13D as Exhibit 89 and incorporated herein by reference, and the joint press release announcing the closing of the Transaction, dated October 25, 2007, issued by Generali, Intesa Sanpaolo, Mediobanca, Sintonia S.A. and Telefonica filed as Exhibit 95. In addition, the information contained in Items 5 and 6 below is incorporated herein by reference.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

The Investors purchased Olimpia through Telco pursuant to the Share Purchase Agreement. Olimpia currently holds 2,407,345,359 ordinary Telecom Shares, or approximately 18% of the ordinary share capital of Telecom Italia. In addition to this purchase by Telco, pursuant to the Co-Investment Agreement, Generali and Mediobanca contributed Telecom Shares they previously owned directly to Telco totaling approximately 5.6% of Telecom Italia's ordinary share capital (4.06% of which was owned by Generali, and 1.54% of which was owned by Mediobanca), bringing Telco's total participation in Telecom Italia's ordinary share capital to 23.6%.

As a result of the Transaction, the Italian Investors currently hold a total of 57.7% of Telco's share capital, divided in the following manner:

- o Generali, 28.0%;

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

- o Mediobanca, 10.6%;
- o Intesa Sanpaolo, 10.6%; and
- o Sintonia Buyer, 8.4%.

Telefonica holds the remaining 42.3% of Telco's share capital.

In connection with the Fifth Capital Increase, in accordance with the Co-Investment Agreement and the Shareholders' Agreement, Intesa Sanpaolo may select new Italian investors, other than telecom operators, to subscribe newly issued shares in Telco for cash consideration of up to 5% of Telco's share capital for each new investor, provided that such selection is made in agreement with the other Italian Investors and is accepted by Telefonica, such agreement and acceptance not to be unreasonably withheld.

The preceding summary of certain material provisions of the Share Purchase Agreement, the Co-Investment Agreement and the Shareholders' Agreement does not purport to be a full and complete description of such documents and is entirely qualified by reference to the full text of

(Page 9 of 23)

such documents previously filed as Exhibits 90, 85 and 87 to Schedule 13D, respectively, and incorporated herein by reference.

According to publicly available information reported by Consob (the Italian financial market authority), as of October 25, 2007, 13,380,751,344 Telecom Shares were outstanding (the "Outstanding Telecom Shares").

Sintonia S.p.A. may be deemed to beneficially own 3,187,277,273 Telecom Shares, representing approximately 23.8% of the Outstanding Telecom Shares. Sintonia S.p.A. directly holds 30,084,650 Telecom Shares and has sole power to vote or direct the vote and sole power to dispose or direct the dispositions of such Telecom Shares. Sintonia S.p.A. no longer holds its indirect interest in Telecom Shares through Olimpia but remains an indirect holder, through its ownership of 100% of the share capital of Sintonia S.A., of 3,157,172,623 Telecom Shares held by Telco and indirectly held by Sintonia S.A. Sintonia S.p.A. may be deemed to have shared power to vote or to direct the vote and shared power to dispose or direct the disposition of such shares.

Sintonia S.A. may be deemed to beneficially own 3,157,172,623 Telecom Shares through its indirect interest in Telecom Shares held by Telco, representing approximately 23.6% of the Outstanding Telecom Shares. Sintonia S.A. may be deemed to have shared power to vote or direct the vote and shared power to dispose or direct the dispositions of such Telecom Shares.

Ragione may be deemed to beneficially own, through its ownership of 100% of the share capital of Sintonia S.p.A., 3,187,277,273 Telecom Shares, representing approximately 23.8% of the Outstanding Telecom Shares. Ragione has sole power to vote or direct the vote and sole power to dispose or direct the dispositions of the 30,084,650 Telecom Shares held directly by Sintonia S.p.A. In addition, Ragione may be deemed to have shared power to vote or to direct the vote and shared power to dispose or direct the disposition of 3,157,172,623 Telecom Shares indirectly held by Sintonia S.p.A. through Telco.

The beneficial ownership of Telecom Shares by the persons listed in Annexes A-1, A-2 and A-3 to this Amendment, if any, is indicated next to such person's name in such Annex. To the best of Sintonia S.p.A., Sintonia S.A. and Ragione's knowledge, as applicable, such persons have sole voting and

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

dispositive power over the Telecom Shares that they beneficially own, if any. Over the last sixty days, the persons listed in Annexes A-1, A-2 and A-3 have not effected proprietary transactions in Telecom Shares.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

SHARE PURCHASE AGREEMENT

The following summary of certain material provisions of the Share Purchase Agreement does not purport to be a full and complete description of such document and is entirely qualified by reference to the full text of such document, previously filed on Schedule 13D as Exhibit 90 and incorporated herein by reference.

(Page 10 of 23)

The Investors, Pirelli and the Sintonia Sellers entered into the Share Purchase Agreement to establish the terms and conditions for the transfer of the ordinary share capital of Olimpia from Pirelli and the Sintonia Sellers to the Investors. The Share Purchase Agreement required, among other things, that the Olimpia Shares be purchased and sold with the right of the Investors to receive any dividends distributed by Olimpia after the closing of the transaction, even if accrued prior to the closing. The Share Purchase Agreement also required Olimpia, Pirelli, the Sintonia Sellers and the relevant Investors to terminate all existing shareholders' agreements concerning Olimpia and Telecom Italia upon the closing of the Sale and such existing shareholder agreements among themselves have been terminated as of October 25, 2007.

The description of the Share Purchase Agreement in the Introduction and Item 3 are incorporated herein by reference.

CO-INVESTMENT AGREEMENT

The following summary of certain material provisions of the Co-Investment Agreement does not purport to be a full and complete description of such document and is entirely qualified by reference to the full text of such document, previously filed on Schedule 13D as Exhibit 85 and incorporated herein by reference.

The Investors entered into the Co-Investment Agreement to establish the terms and conditions for (i) their participation in Telco, (ii) the acquisition through Telco from Pirelli and the Sintonia Sellers of 100% of the share capital of Olimpia, which in turn holds a stake of approximately 18% of the ordinary share capital of Telecom Italia, (iii) the capitalization and funding of Telco in connection with the acquisition, (iv) the division of Telco's share capital into two classes of shares ("Class A" and "Class B" shares), (v) the corporate scope of Telco, and (vi) the general framework of the respective obligations of the Investors under the Co-Investment Agreement.

The description of the Co-Investment Agreement in the Introduction and Item 3 are incorporated herein by reference.

SHAREHOLDERS' AGREEMENT

The following summary of certain material provisions of the by-laws of Telco and the Shareholders' Agreement does not purport to be a full and complete description of such documents and is entirely qualified by reference to the full text of such documents, respectively, filed as Exhibit 96 hereto (such Exhibit superceding the proposed by-laws of Telco previously filed on Schedule 13D as Exhibit 86) and previously filed on Schedule 13D as 87, and incorporated herein

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

by reference. The 30,084,650 Telecom Shares for which the Sintonia S.p.A. maintains sole voting power are not currently expected to be contributed to Telco and are not generally subject to the Shareholders Agreement or the Co-Investment Agreement, although the Shareholders' Agreement does prevent the Sintonia Buyer from acquiring additional Telecom Shares if such acquisition would cause the holdings of the Investors taken as a whole to exceed 30% of the Telecom Shares. See "-PROVISIONS RELATING TO TELECOM ITALIA."

(Page 11 of 23)

CLASSES OF SHARES

The share capital of Telco is divided into Class A and the Class B shares. Telefonica holds and will acquire (through share capital increases or exercise of the pre-emption right set forth in the Telco's by-laws and as described below) only Class B shares or Class A shares to be converted into Class B shares, while the Italian Investors hold Class A shares, and have the possibility to acquire Class B shares in case of exercise of the pre-emption right to be converted into Class A shares, which is described more fully below. Class B shares will have exactly the same economic and administrative rights as the Class A shares, save as provided for in the Shareholders' Agreement and in the Telco by-laws.

In the event of an increase of capital of Telco, the shareholders who hold Class A shares shall have the right to receive and subscribe Class A shares and the shareholders of Telco who hold Class B shares shall have the right to receive and subscribe for Class B shares.

In the event that any holders of Class A shares have not fully exercised their pre-emption right, the other holders of Class A shares shall have the preferred right to exercise the pre-emption of the Class A shares that have not been opted for by the other shareholders. Similarly, in the event that any holders of Class B shares have not fully exercised their pre-emption right, the other holders of Class B shares shall have the preferred right to exercise the pre-emption of Class B shares that have not been opted for by the other shareholders. In the event that after the offer of such Class A shares has been made to the holders of Class A shares (whether or not such pre-emption rights have been exercised), there remain Class A shares not purchased by the other Class A shareholders, such shares will be offered to the holders of Class B shares in proportion to their shareholding of the total number of Class B shares issued by Telco, subject to the automatic conversion of the aforesaid Class A shares at the rate of one newly issued Class B share (having the same characteristics as the Class B shares in circulation) for each Class A share purchased. In the event that after the offer of such Class B shares has been made to the holders Class B shares (whether or not such pre-emption rights have been exercised), there remain Class B shares not purchased by the other Class B shareholders, such shares will be offered to holders of Class A shares in proportion to their shareholding of the total number of Class A shares issued by Telco, subject to the automatic conversion of the aforesaid Class B shares at the rate of one newly issued Class A share (having the same characteristics as the Class A shares in circulation) for each Class B share purchased.

SHAREHOLDERS MEETINGS

The shareholders' meeting of Telco will resolve with the vote of (i) at least 75% of the entire share capital on (x) share capital increases with the exclusion of the option right pursuant to article 2441, 4th and 5th paragraph of the Italian Civil Code, (y) mergers and de-mergers (except for the merger between Olimpia and Telco) determining a dilution of the shareholders, and (z) amendments to the provisions of the Telco by-laws regarding the appointment of the board of directors and the quorum of board of directors and shareholders

Edgar Filing: TELECOM ITALIA S P A - Form SC 13D/A

meetings; and (ii) at least 65% of the entire share capital on the following matters:

- o any other matter pertaining to the extraordinary shareholders meeting of Telco; and

(Page 12 of 23)

- o the dividend policy of Telco.

However, in cases where one or more shareholders holding more than 30% of the entire share capital abstain from voting or remain absent from the relevant meeting, the quorum will be reduced to the vote of at least 50% plus one share of the entire share capital.

In accordance with Telco's by-laws, acceptance by Telco's board of directors of any tender offers having as their subject the shares of Telecom Italia will be subject to the approval of the shareholders meeting.
