Events of Default

Each of the following shall constitute an "Event of Default" under the relevant Indenture for each series of Notes:

- (i) failure to pay principal of any Note of that series within two business days after the date on which such amount is due and payable, upon optional redemption, acceleration or otherwise;
- (ii) failure to pay interest on any Note of that series within 30 days after the due date for such payment;
- (iii) failure to perform any other covenant or agreement of the Company or the relevant Issuer in the relevant Indenture, and such failure continues for 60 days after there has been given, by registered or certified mail, to the Company or the relevant Issuer, as the case may be, by the Trustee or by the holders of at least 25% in aggregate principal amount of the Notes of that series then outstanding (with a copy to the Trustee) a written notice specifying such failure and requiring it to be remedied and stating that such notice is a "Notice of Default" under the relevant Indenture;

- (iv) the Guarantees shall cease to be in full force or effect or the Company shall deny or disaffirm its obligations under the Guarantees;
- (v) (a) failure to pay upon final maturity (after giving effect to the expiration of any applicable grace period therefor) the principal of any Indebtedness of the Company, the relevant Issuer or any Principal Subsidiary, (b) acceleration of the maturity of any Indebtedness of the Company, the relevant Issuer or any Principal Subsidiary following a default by the Company, the relevant Issuer or such Principal Subsidiary, if such Indebtedness is not discharged, or such acceleration is not annulled, within 10 days after receipt by the Trustee of the written notice from the Company or the relevant Issuer as provided in the relevant Indenture, or (c) failure to pay any amount payable by the Company, the relevant Issuer or any Principal Subsidiary under any guarantee or indemnity in respect of any Indebtedness of any other Person if such obligation is not discharged or otherwise satisfied within 10 days after receipt of written notice as provided in the relevant Indenture; provided, however, that no such event set forth in (a), (b) or (c) shall constitute an Event of Default unless the aggregate outstanding Indebtedness to which all such events relate exceeds the greater of (x) US\$100,000,000 (or its equivalent in any other currency) and (y) 2% of the shareholders' equity of the Company as determined under IRFS IASB; and
- (vi) certain events in bankruptcy, insolvency or reorganization in respect of the Company, the relevant Issuer or any Principal Subsidiary as provided in the relevant Indenture.

If an Event of Default (other than an Event of Default described in (vi) above) with respect to the Notes of that series shall occur and be continuing, either the Trustee or the holders of at least 25% in aggregate principal amount of the Notes of that series then outstanding by written notice as provided in the relevant Indenture may declare the unpaid principal amount of such Notes and any accrued and unpaid interest thereon (and any additional amount payable in respect of any deduction or withholding for any present or future taxes of the applicable relevant taxing jurisdiction) to be due and payable immediately.

If an Event of Default described in (vi) above with respect to the Notes of that series shall occur, the unpaid principal amount of all the Notes of that series and any accrued and unpaid interest thereon (and any additional amount payable in respect of any deduction or withholding for any present or future taxes of the applicable relevant taxing jurisdiction) will automatically, and without any action by the Trustee or any holder of the Notes of that series, become immediately due and payable.

After any such acceleration but before a judgment or decree based on acceleration has been obtained, the holders of at least a majority in aggregate principal amount of the Notes of that series then outstanding may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the non-payment of accelerated principal, have been cured or waived as provided in the relevant Indenture.

Covenants

The Company has covenanted in the relevant Indenture, with certain exceptions, not to, and not permit the relevant Issuer or any Principal Subsidiary to, create, incur, assume or permit to exist certain liens upon any of its property or assets now owned or hereafter acquired, to secure any Indebtedness of the Company, the relevant Issuer or such Principal Subsidiary (or any guarantees or indemnity in respect thereof) unless certain conditions are satisfied. The Notes and the relevant Indenture do not otherwise restrict or limit the Company's ability to incur additional indebtedness by itself or its subsidiaries or its ability to enter into transactions with, or to pay dividends or make other payments to, affiliates.

Redemption

At any time, CNOOC Finance Australia and CNOOC Finance U.S.A. as the issuers or the Company as the guarantor may at its option redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the applicable premium as of, and accrued and unpaid interest, if any, to the redemption date.
