GENERAL INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement and the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the board of directors of Arbor Realty Trust, Inc., a Maryland corporation, for use at the annual meeting of stockholders to be held on May 30, 2007, at 1:00 p.m., local time, and any adjournments or postponements thereof. We, our, us, and the Company each refers to Arbor Realty Trust, Inc. The Company conducts substantially all of its operations through Arbor Realty Limited Partnership, which we refer to as our operating partnership, and its subsidiaries. References to operating partnership units refer to partnership interests in Arbor Realty Limited Partnership.

The mailing address of our executive office is 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York 11553. This proxy statement, the accompanying proxy card and the notice of annual meeting are first being mailed to holders of our common stock, par value \$0.01 per share, and special voting preferred stock, par value \$0.01 per share, on or about April 26, 2007. Our common stock and special voting preferred stock are the only securities entitled to vote at the annual meeting, and we refer to those securities together as our voting securities. Along with this proxy statement, we are also sending our Annual Report to Stockholders for fiscal year ended December 31, 2006.

A proxy may confer discretionary authority to vote with respect to any matter presented at the annual meeting. As of the date of this proxy statement, management has no knowledge of any business that will be presented for consideration at the annual meeting and that would be required to be set forth in this proxy statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the annual meeting for consideration, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with their discretion on any such matter.

Matters to be Considered at the Annual Meeting

At the annual meeting, our stockholders will act upon:

- (1) a proposal to elect four Class I directors, each to serve until the 2010 annual meeting of stockholders and until their respective successors are duly elected and qualify;
- (2) a proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2007;
- (3) a proposal to amend the Company's Articles of Incorporation (together with the Articles Supplementary, the Charter) to lower each of the aggregate stock ownership limit and the common stock ownership limit from 8.3% to 7.0%; and
- (4) any other business that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

This proxy statement, form of proxy and voting instructions are being mailed starting on or about April 26, 2007.

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our board of directors. The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone, telegraph or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of voting securities held of record on April 13, 2007 and will provide reimbursement for the cost of forwarding the material. In addition, we have engaged The Altman Group to assist in soliciting proxies from brokers, banks and other nominee holders of our common stock at a cost of approximately \$5,000, plus reasonable out-of-pocket expenses.

Table of Contents

Stockholders Entitled To Vote

As of the close of business on April 13, 2007, there were 17,349,475 shares of our common stock and 3,776,069 shares of our special voting preferred stock outstanding and entitled to vote. Each share of our common stock and special voting preferred stock entitles the holder to one vote. Stockholders of record at the close of business on April 13, 2007 are entitled to vote at the annual meeting or any adjournment or postponement thereof.

Required Quorum/ Vote

A quorum will be present if stockholders entitled to cast a majority of all the votes entitled to be cast at the annual meeting are present, in person or by proxy. If you have returned a valid proxy or if you hold your shares of our voting securities in your own name as holder of record and you attend the annual meeting in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting may be adjourned by the chairman of the meeting or the stockholders entitled to vote at the annual meeting, present in person or by proxy, to a date not more than 120 days after the record date without notice other than announcement at the meeting.

Abstentions and broker non-votes will be counted in determining the presence of a quorum. Broker non-votes occur when a bank, broker or other nominee holding shares for a beneficial owner returns a properly executed proxy but does not vote on a particular proposal because it does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange, banks, brokers and other nominees who hold shares in street name may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Banks, brokers and other nominees that do not receive instructions are entitled to vote on the election of directors and the ratification of the appointment of the independent registered public accounting firm.

Election of each of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the votes cast in the election of directors at the annual meeting by holders of our voting securities. The candidates receiving the highest number of affirmative votes of the shares entitled to be voted will be elected directors. Shares represented by properly executed and returned proxies will be voted, if authority to do so is not withheld, for the election of the board of directors nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Abstentions will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors. A vote withheld from a director nominee will have no effect on the outcome of the vote because a plurality of the votes cast at the annual meeting is required for the election of each director.

Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2007, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities. If this selection is not ratified by holders of our voting securities, the audit committee and board may reconsider its appointment and endorsement, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the selection is ratified, the audit committee of the Company's board of directors in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Approval of the amendment to the Company's Charter, as specified in Proposal No. 3 requires the affirmative vote of a majority of the votes entitled to be cast on the proposal at the annual meeting by holders of our voting securities. For

purposes of the vote on the Charter, abstentions and broker non-votes will have the same effect as votes against the proposal.

If the enclosed proxy is properly executed and returned to us in time to be voted at the annual meeting, it will be voted as specified on the proxy unless it is properly revoked prior thereto. If no specification is made on the proxy as

Table of Contents

to any one or more of the proposals, the shares of our voting securities represented by the proxy will be voted as follows:

- (1) **FOR** the election of four Class I directors, each to serve until the 2010 annual meeting of stockholders and until their respective successors are duly elected and qualify;
- (2) **FOR** the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2007;
- (3) **FOR** the amendment to the Company's Charter to lower each of the aggregate stock ownership limit and the common stock ownership limit from 8.3% to 7.0%; and
- (4) in the discretion of the proxy holder on any other business that properly comes before the annual meeting or any adjournment or postponement thereof.

As of the date of this proxy statement, we are not aware of any other matter to be presented at the annual meeting.

Voting

If you hold your shares of our voting securities in your own name as a holder of record, you may instruct the proxies to vote your shares by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our voting securities in person at the annual meeting.

If your shares are held on your behalf by a broker, bank or other nominee, you will receive instructions from such individual or entity that you must follow in order to have your shares voted at the annual meeting.

Right to Revoke Proxy

If you hold shares of our voting securities in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

send written notice of revocation, prior to the annual meeting, to our General Counsel and Corporate Secretary, at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York 11553;

sign and mail a new, later dated proxy card to our General Counsel and Corporate Secretary at the address specified above; or

attend the annual meeting and vote your shares in person.

If your shares are held on your behalf by a broker, bank or other nominee, you must contact it to receive instructions as to how you may revoke your proxy instructions.

Copies of Annual Report to Stockholders

A copy of our Annual Report to Stockholders for fiscal year ended December 31, 2006 will be mailed to stockholders entitled to vote at the annual meeting with this proxy statement and is also available without charge to stockholders upon written request to: Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, Attn: Investor Relations.

Corporate Governance Profile

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines govern, among other things, board member qualifications, responsibilities, education and management succession. A copy of the corporate governance guidelines may be found at the corporate website at www.arborrealtytrust.com under the heading Investor Relations Corporate Governance.

The board of directors met on six occasions and acted by written consent on 23 occasions during 2006. No incumbent director attended fewer than 75 percent of all meetings of our board of directors and the committees on which such director served during 2006.

Senior Officer Code of Ethics and Code of Business Conduct and Ethics

We have adopted a senior officer code of ethics applicable to our Chief Executive Officer, Chief Financial Officer, Chief Credit Officer and Controller (or persons performing similar functions to the aforementioned officers regardless of whether such persons (1) are employed directly by the Company or (2) are employed by Arbor Commercial Mortgage, our manager pursuant to a management agreement). We have also adopted a code of business conduct and ethics applicable to all employees, officers and directors. Both codes are available on our website at www.arborrealtytrust.com under the heading Investor Relations Corporate Governance. You may also obtain these documents, as well as our corporate governance guidelines, in print free of charge by writing the Company at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553: Attention: Investor Relations. Amendments to, and waivers from, the senior officer code of ethics and the code of business conduct and ethics for a director or officer will be disclosed at the same website address and heading provided above. We have filed our 2006 Domestic Company Section 303A CEO Certification with the NYSE without any qualifications. Our Sarbanes-Oxley Section 302 Certification was filed as an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2006.

Director Independence

Of our ten directors, six have been determined by our board of directors to be independent for purposes of the New York Stock Exchange listing standards. In determining director independence, the board of directors reviewed, among other things, whether any transactions or relationships exist currently or, since our incorporation existed, between each

director and the Company and its subsidiaries, affiliates and equity investors or independent registered public accounting firm. In particular, the board reviewed current or recent business transactions or relationships or other personal relationships between each director and the Company, including such director's immediate family and companies owned or controlled by the director or with which the director was affiliated. The

Table of Contents

purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests promulgated by the New York Stock Exchange for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent.

The board also examined whether there were any transactions or relationships between each director and members of the senior management of the Company or their affiliates. In reviewing the independence of Dr. Helmreich, the board carefully reviewed whether (1) Mr. Kaufman's and Dr. Helmreich's current and prior participation on the boards of North Shore Hebrew Academy, North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc., all of which are not-for-profit organizations, (2) Dr. Helmreich's engagement since the summer of 2000 as an external consultant by North Shore Hebrew Academy in the capacity of chairman of Academic Affairs of North Shore Hebrew Academy and (3) Dr. Helmreich's prior receipt of consulting fees from Arbor Management, LLC should, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Dr. Helmreich is independent. The board, in particular, reviewed the materiality of the transactions to the parties involved, the compensation and timing of Dr. Helmreich's advisory role with North Shore Hebrew Academy and Arbor Management, LLC and the absence of any employment or compensatory capacity by Dr. Helmreich with NSH Affordable Housing of Indiana, Inc. In reviewing the independence of Mr. Kojaian, the board carefully reviewed whether Mr. Kaufman's and Mr. Kojaian's co-investment in an operating company and Mr. Kojaian's investment in 1,000,000 shares of common stock of the Company through Kojaian Ventures, L.L.C., should, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Mr. Kojaian is independent. The board, in particular, reviewed the materiality of the transactions to the parties involved. In reviewing the independence of Mr. Bishar, the board carefully reviewed whether Mr. Bishar's position as partner in the law firm of Cullen and Dykman LLP until 2002, based upon the totality of the circumstances, should be deemed to be material so as to preclude a finding that Mr. Bishar is independent. The Company uses the services of Cullen and Dykman LLP for real estate loan closings.

As a result of its review, the board affirmatively determined that Messrs. Bishar, Kojaian, Lazar, Dr. Dykes, Dr. Helmreich and Ms. Edwards were independent under the New York Stock Exchange listing standards.

Board Committees

Our board has established four standing committees, the principal functions of which are briefly described below. Matters put to a vote at any one of our four committees must be approved by a majority of the directors on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of the directors on that committee. Our board of directors may from time to time establish certain other committees to facilitate the management of the Company.

Audit Committee

Our board of directors has established an audit committee, which is composed of three of our independent directors, Mr. Lazar and Dr. Dykes and Ms. Edwards. Dr. Helmreich was a member of the audit committee during 2006 until he was replaced by Dr. Dykes. During 2006, the audit committee met on four occasions and acted by written consent on one occasion. The audit committee assists the board in overseeing (1) the integrity of the Company's financial statements, (2) the Company's independent registered public accounting firm's qualifications and independence, (3) the performance of the Company's independent registered public accounting firm and the Company's internal audit function and (4) the Company's compliance with legal and regulatory requirements.

Mr. Lazar currently serves as chairman of the audit committee. Stockholder and Interested Party Communications with Directors

The board of directors has established a process to receive communications from stockholders and other interested parties. Interested parties and stockholders may contact any member of the board (or all members), including non-management directors, by mail. To communicate with the board of directors, any individual director or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent in care of General Counsel and Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel and Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the office of the General Counsel and Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

Director Nomination Procedures

The nominating/corporate governance committee generally believes that, at a minimum, candidates for membership on the board of directors should have demonstrated an ability to make a meaningful contribution to the board of directors oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The nominating/corporate governance committee recommends director nominees to the board of directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to board responsibilities. In making its recommendations to the board of directors, the nominating/corporate governance committee also seeks to have the board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

In the future, the nominating/corporate governance committee intends to identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above, especially business and civic leaders in the communities in which we operate. The nominating/corporate governance committee also, from time to time, may engage firms, at our expense, that specialize in identifying director candidates. As described below, the nominating/corporate governance committee will also consider candidates recommended by stockholders.

The nominating/corporate governance committee anticipates that once a person has been identified by the committee as a potential candidate, the committee will collect and review publicly available information regarding the person to assess whether the person should be considered further. If the nominating/corporate governance committee determines that the candidate warrants further consideration, the chairman or another member of the committee will contact the person. If the person expresses a willingness to be considered and to serve on the board of directors, the nominating/corporate governance committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate. In certain instances, members of the nominating/corporate governance committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to stockholder proposals of director nominees submitted in accordance with our bylaws, as summarized below under Stockholder Proposals for 2008, the nominating/corporate governance committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the nominating/corporate governance committee in care of General Counsel and Corporate

Table of Contents

Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553.
Director recommendations submitted by stockholders should include the following:

the name, age, business address and residence address of the individual(s) recommended for nomination;

the class, series and number of any shares of our stock that are beneficially owned by the individual(s) recommended for nomination;

the date such shares of our stock were acquired by the individual(s) recommended for nomination and the investment intent of such acquisition; and

all other information relating to such candidate that would be required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the Exchange Act), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

Stockholder nominations and proposals submitted in accordance with our Bylaws must be delivered to the General Counsel and Corporate Secretary not earlier than the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; provided, however, that if the date of mailing of the notice for the annual meeting is advanced more than thirty days prior to or delayed by more than thirty days after the anniversary of the mailing of the notice for the preceding year's annual meeting, the stockholder recommendation and information described above must be delivered not earlier than the 120th day prior to the mailing of the notice for the upcoming annual meeting and not later than the close of business on the later of (1) the 90th day prior to the mailing of the notice for the upcoming annual meeting of stockholders and (2) the 10th day following the date on which public announcement of the mailing of the notice for the upcoming annual meeting is first made.

The nominating/corporate governance committee expects to use a similar process to evaluate candidates to the board of directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

Director Attendance at Annual Meeting

We do not currently maintain a policy requiring our directors to attend the annual meeting; however, attendance by our directors is encouraged. With the exception of Mr. C. Michael Kojaian, all of our directors who were directors at the time of the 2006 annual meeting attended the 2006 annual meeting.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Committee Composition and Responsibility

Our board of directors has established a compensation committee, which is comprised of four independent directors. The compensation committee is governed by a charter that has been adopted by the board of directors. The current compensation committee charter may be viewed on our website, www.arborrealtytrust.com, under the heading Investor Relations Corporate Governance .

The principal functions of the compensation committee are to (1) evaluate the performance of our officers; (2) review the compensation payable to our officers and non-employee directors; (3) evaluate the performance of Arbor Commercial Mortgage; (4) review the compensation and fees payable to Arbor Commercial Mortgage under our management agreement; (5) review and discuss with management the compensation discussion and analysis disclosure included in this proxy statement; and (6) administer the issuance of any stock to our employees or the employees of Arbor Commercial Mortgage who provide services to us.

Compensation Philosophy and Principles

The compensation committee acknowledges that the real estate finance industry is highly competitive and that experienced professionals have significant career mobility. The Company competes for executive talent with a large number of real estate investment companies and specialty finance companies, some of which are privately owned and some of which have significantly larger market capitalization than the Company. We are a specialized company in a highly competitive industry and our ability to attract, retain and reward our named executive officers and other key employees is essential to maintaining our competitive position in the real estate finance industry.

The compensation committee's goal is to maintain compensation programs that are competitive within our industry, reward executives if the Company achieves its operational, financial and strategic goals and build shareholder value. In determining the form and amount of compensation payable to the Company's named executive officers, the compensation committee is guided by the following objectives and principles:

Compensation levels should be sufficiently competitive to attract and retain key executives. The Company aims to ensure its executive compensation program attracts, motivates and retains high performance talent and rewards them for the Company achieving and maintaining a competitive position in its industry. Total compensation should increase with position and responsibility.

Compensation should relate directly to performance and incentive compensation should constitute a substantial portion of total compensation. The Company aims to promote a pay-for-performance culture, with a majority of total compensation being at risk . Accordingly, a substantial portion of total compensation should be tied to and vary with the Company's operational, financial and strategic performance, as well as individual performance. Executives with greater roles and the ability to directly impact the Company's strategic goals and long-term results should bear a greater proportion of the risk if these goals and results are not achieved.

Long-term incentive compensation should align executives' interests with the Company's stockholders. Awards of equity-based compensation encourage executives to focus on the Company's long-term growth and prospects and motivate executives to manage the Company from the perspective of owners with a meaningful stake in the Company, as well as to focus on long-term career orientation.

There is no specific policy, practice or formula regarding an allocation between cash and non-cash compensation.

The compensation committee reviews at least annually the goals and objectives of the Company's executive compensation plans, incentive compensation plans, equity-based plans and other compensation and employee benefit plans. The compensation committee believes that the Company's benefits are competitive with its peers and provide additional incentive for strong performance.

Compensation Setting Process

Management's Role in the Compensation-Setting Process

The compensation committee believes the Company's chief executive officer, Ivan Kaufman, is in the best position to determine the responsibilities of each executive officer and observe how well each executive performs his responsibilities. Mr. Kaufman provides recommendations to the compensation committee regarding base salary levels and the form and amount of the annual cash incentive award and restricted stock awards paid to all executive officers. The compensation committee may exercise its discretion in modifying any of the recommendations and is responsible for ultimately approving all compensation arrangements for the executive officers. Mr. Kaufman does not participate in any deliberations or approvals by the compensation committee with respect to his own compensation. Additionally, Mr. Kaufman and other officers of the Company will provide compensation and other information to the compensation committee upon their request.

Mr. Kaufman's recommendations are based on his evaluation of the executive officers' performance, their contribution toward achieving operational, financial and strategic goals, current and historical elements of each executive's compensation and the financial performance of the Company.

Compensation Consultant

The committee charter provides the compensation committee sole authority to retain and terminate any compensation consulting firm or other adviser it deems appropriate. For 2006, the compensation committee did not engage a compensation consulting firm.

Determining Compensation Levels

The compensation committee annually determines targeted total compensation levels, as well as the individual pay components of the named executive officers. In making such determinations, the compensation committee reviews and considers (1) recommendations of the Company's Chief Executive Officer, (2) historical compensation levels for each named executive officer, (3) industry and market conditions and the Company's future objectives and challenges, and (4) overall effectiveness of the executive compensation program. The compensation committee does not utilize specific performance-based goals in determining compensation levels, but reviews general industry trends as well as the overall performance of the Company.

Based upon discussions and recommendations of the chief executive officer, and upon its own judgment, the compensation committee approved the base salary, cash incentive award and restricted stock incentive award of each named executive officer, except Mr. Kaufman, in 2006. The compensation committee believes these approved forms and levels of compensation are reasonable, appropriate and in line with the Company's compensation philosophy and principles.

Compensation recommendations regarding director compensation are reported to, and approved by, the full Board.

Forms of Compensation

Total compensation for the named executive officers is comprised of one or more of the following components:

Base salary

Annual incentive awards

Retirement and other benefits

Our named executives do not have employment, severance or change-of-control agreements. Our named executives serve for a term of one year and until their respective successors are elected and qualify, which enables the company to terminate their employment with discretion as to the terms of any severance arrangement. This is consistent with the company's performance-based employment and compensation philosophy.

Table of Contents

Base Salary

Salaries provide executives with a base level of monthly income and help achieve the objectives outlined above by attracting and retaining strong talent. Base salaries are reviewed and approved annually by the compensation committee. Generally, base salaries are not based upon specific measures of corporate performance, but are determined by (1) tenure of service, (2) scope and complexity of the position, including current job responsibilities, and (3) upon the recommendations of the Chief Executive Officer, including an evaluation of each officer's individual performance and contribution to the Company's operational, financial and strategic goals and objectives. Consistent with compensation practices generally applied in the real estate finance industry, salaries generally form a lower percentage of total compensation, with a substantial portion of total compensation coming from incentive compensation that is tied to Company performance.

For a further description of the base salaries paid to the named executive officers in 2006, please refer to the 2006 Summary Compensation Table set forth below.

Annual Incentive Awards

The Company aims to promote a pay-for-performance culture, with a majority of total compensation being at risk. The annual incentive award may be in the form of cash, restricted stock or a combination thereof, at the discretion of the compensation committee. The Company does not have any specific policy, practice or formula regarding an allocation between the cash component and the restricted stock component. These awards are designed to help achieve the objectives of the compensation program and may vary significantly from year to year. The compensation committee has not established any specific performance-based goals that must be met in order to participate in the annual incentive award.

The compensation committee believes that the structure and ultimate payout amounts of the incentive awards are appropriate to attract, retain and reward the named executive officers, are competitive with those offered by our peers, provide a strong, long-term performance and retention incentive, support a pay-for-performance culture, and increase the named executive officers' vested interest in the Company.

Cash Award

In 2006, the compensation committee determined the cash amount each executive was eligible to receive relative to each individual's contributions and responsibilities. Individuals with increased ability to directly impact the Company's performance were allocated larger awards because they bear a greater proportion of the risk that compensation will decrease if the Company's goals are not attained. The Company paid cash incentive awards for 2006 performance in February 2007 to Messrs. Weber, Kilgore and Horn of \$200,000, \$500,000 and \$27,000, respectively.

Restricted Stock Award

Restricted stock awards are shares of Company stock with vesting provisions that require the continued employment of the executive. The compensation committee believes that restricted stock awards must be sufficient in size to provide a strong, long-term performance and retention incentive for executives, and to increase their vested interest in the Company. In determining the long-term component, the compensation committee considers all relevant factors, including the Company's performance and relative stockholder return, and the awards granted in past years. In February 2007, the compensation committee set the grant date for restricted stock awards for 2006 performance as April 2, 2007, with Messrs. Elenio, Weber, Kilgore and Horn receiving awards of 3,500, 50,000, 20,000 and 1,600 shares, respectively. All restricted stock incentive awards granted pursuant to the Stock Incentive Plan are

awarded from the shares reserved for issuance under the Stock Incentive Plan.

The Company does not have a formal policy with respect to whether equity compensation should be paid in the form of stock options or restricted stock. The compensation committee has to date granted restricted stock awards in lieu of stock options. The compensation committee believes restricted stock awards are more effective than stock options in achieving the Company's compensation objectives, as restricted stock has a greater retention value in a declining market and, because fewer shares are normally granted, is potentially less dilutive to the Company's

Table of Contents

stock. Employees realize immediate value as restricted stock awards vest, with the value increasing as the Company's stock performance increases. Additionally, cash dividends are paid on all outstanding awards of restricted stock as an additional element of compensation and to provide employees incentive to sustain or increase Company performance.

The Company also does not have a formal policy on timing equity compensation grants in connection with the release of material non-public information to affect the value of compensation. The compensation committee generally grants equity awards once a year on or about April 1st and sets the price as the closing market price of the Company's common stock on the grant date. The compensation committee will grant equity awards to new directors upon election to the board on a pro-rata basis. In March 2006, the compensation committee set the grant date for the named executive officers' restricted stock incentive awards as April 3, 2006. In February 2007, the compensation committee set the grant date for the named executive officers' restricted stock incentive awards as April 2, 2007.

Retirement and Other Benefits

The Company maintains a 401(k) Plan through an affiliate for all employees, including the named executive officers, as a source of retirement income by enabling participants to save on a pre-tax basis and by providing Company matching contributions. All of the named executive officers participated in the 401(k) Plan in 2006 and the Company made matching contributions equal to \$6,600 for each of Messrs. Horn, Weber and Kilgore.

The Company does not maintain any non-qualified deferred compensation plans that would allow executives to elect to defer receipt (and taxation) of their base salaries and bonuses.

The named executive officers are eligible to participate in the Company's active employee flexible benefits plans, which are generally available to all Company employees. Under these plans, all employees are entitled to medical, dental, vision, life insurance and long-term disability coverage. Additionally, all of the Company's employees are entitled to vacation, sick leave and other paid holidays. The compensation committee believes that the Company's commitment to provide the employee benefits summarized above recognizes that the health and well-being of the Company's employees contribute directly to a productive and successful work life that enhances results for the Company and its stockholders.

The Company provides all employees with (1) life insurance coverage equal to their annual salary and (2) long-term disability coverage equal to 60% of the employee's current base salary, up to a maximum annual benefit of \$120,000.

For further information for the premiums paid on the named executive officers insurance policy, please refer to the 2006 Summary Compensation Table set forth below.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code imposes a limitation on the deductibility of certain non-cash compensation in excess of \$1 million earned by each of the Chief Executive Officer and the four other most highly compensated officers of publicly held companies. In 2006, all compensation paid to the named executives was deductible to the Company. The compensation committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives. The Committee has not adopted a formal policy that requires all compensation paid to the named executives to be fully deductible.

Executive Compensation in 2007

In February 2007, the compensation committee approved the executive officers' 2007 salaries, including the named executive officers, with increases ranging from 4% to 28% to reflect their contribution toward achieving operational, financial and strategic goals.

The compensation committee intends to continue its strategy of compensating the Company's named executive officers through programs that emphasize incentive compensation, fostering a pay-for-performance

Table of Contents

culture. To that end, a majority of executive compensation will continue to be tied to Company and individual performance, while maintaining an appropriate balance between cash and non-cash compensation.

The foregoing discussion primarily describes the compensation philosophies, principles and practices the compensation committee utilized in setting executive compensation for the 2006 fiscal year. In the future, as the compensation committee continues to review each element of the executive compensation program, these philosophies, principles and practices may change.

Management Agreement

We are externally managed and advised by Arbor Commercial Mortgage, LLC (*ACM*), a national commercial real estate finance company which specializes in debt and equity financing for multi-family and commercial real estate, pursuant to the terms of a management agreement described below. We believe *ACM*'s experience and reputation positions it to originate attractive investment opportunities for us. Our management agreement with *ACM* was developed to capitalize on synergies with *ACM*'s origination infrastructure, existing business relationships and management expertise.

Because our management agreement provides that our manager, *ACM*, assumes principal responsibility for managing our affairs, certain of our executive officers, who are employees of our manager, do not receive compensation from us for serving as our executive officers. However, in their capacities as officers or employees of our manager or its affiliates, they devote such portion of their time to our affairs as is required for the performance of the duties of our manager under the management agreement. Mr. Ivan Kaufman, our chairman of the board of directors, president and chief executive officer, serves as the chief executive officer of Arbor Commercial Mortgage. Mr. Paul Elenio, our chief financial officer, also serves as chief financial officer of our manager. Each of Messrs. Kaufman and Elenio receives his compensation from our manager. Our manager has informed us that, because the services performed by its officers or employees in their capacities as such are not performed exclusively for us, it cannot segregate and identify that portion of the compensation awarded to, earned by or paid to our executive officers by the manager that relates solely to their services to us.

Since we currently employ only five executive officers and 29 employees in total, we rely to a significant extent on the facilities and resources of our manager to conduct our operations. For performing services under the management agreement, *ACM* receives a base management fee and incentive compensation based on our performance. Our manager uses the proceeds from its base management fee in part to pay compensation to its officers and employees who, notwithstanding that some of them are also our officers, receive no direct compensation from us, other than restricted stock that may be granted pursuant to the Stock Incentive Plan.

Base Management Fee

Our manager receives an annual base management fee based on the equity (as defined in the management agreement) of our operating partnership. The amount of the base management fee does not depend on the performance of the services provided by our manager or the types of assets it selects for our investment, but the value of our operating partnership's equity will be affected by the performance of these assets. The base management fee is payable monthly in arrears in cash, calculated monthly as a percentage of our equity and equal to 0.75% per annum of the equity up to \$400 million, 0.625% per annum of the equity between \$400 million and \$800 million and 0.50% per annum of the equity in excess of \$800 million. We incurred \$2.6 million in base management fees to Arbor Commercial Mortgage for management services rendered for the year ended December 31, 2006. All amounts incurred have been paid to date.

Incentive Compensation

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policy Regarding the Review, Approval or Ratification of Transactions with Related Persons

In recognition of the fact that transactions involving related parties can present potential or actual conflicts of interest or create the appearance that Company decisions are based on considerations other than the best interests of the Company and its stockholders, the board of directors has adopted a written policy, the Policy and Procedures With Respect to Related Person Transactions, which we refer to as our Related Persons Policy, which provides for the review and approval (or, if completed, ratification) by the Independent Director Committee (or, in certain circumstances, the Chair of the Independent Director Committee) of all transactions involving the Company in which a related party is known to have a direct or indirect interest, including transactions required to be reported under paragraph (a) of Item 404 of Regulation S-K promulgated by the SEC. All Related Persons are required to report to our secretary, who is required to submit to our Independent Director Committee any such related party transaction prior to its completion.

Our Related Persons Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant and the amount involved exceeds \$120,000, and in which any Related Person had, has or will have a direct or indirect material interest.

A Related Person, as defined in our Related Persons Policy, means any person who is, or at any time since the beginning of the Company's last fiscal year was, a director or executive officer of the Company or a nominee to become a director of the Company; any person who is known to be the beneficial owner of more than 5% of any class of the Company's voting securities; any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, nominee or more than 5% beneficial owner, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner; and any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

In reviewing any related person transaction, all of the relevant facts and circumstances must be considered, including (i) the related person's relationship to us and his or her interest in the transaction, (ii) the proposed aggregate value of the transaction, or, in the case of indebtedness, the amount of principal that would be involved, (iii) the benefits to us, (iv) the availability of comparable products or services that would avoid the need for a related person transaction and (v) the terms of the transaction and the terms available to unrelated third parties or to employees generally.

Conflicts of Interest with Our Manager

At the consummation of our private placement of units in July 2003, Arbor Commercial Mortgage contributed the majority of its structured finance portfolio and related liabilities to our operating partnership in exchange for 3,146,724 operating partnership units and 629,345 warrants to purchase additional operating partnership units for \$15 per operating partnership unit. Each of these warrants has since been exercised for an equal number of operating partnership units. Arbor Commercial Mortgage currently has an approximately 18% limited partnership interest in our operating partnership.

Mr. Ivan Kaufman, our chairman and chief executive officer, is also the chief executive officer of Arbor Commercial Mortgage. Mr. Kaufman and entities controlled by Mr. Kaufman collectively own 90% of the outstanding membership interests in Arbor Commercial Mortgage. Mr. Joseph Martello, one of our directors, currently serves as the chief operating officer of Arbor Management, LLC, the managing member of Arbor Commercial Mortgage. Mr. Martello owns a 1.3% interest in Arbor Commercial Mortgage and is also the sole trustee of the Ivan and Lisa Kaufman Family Trust for the benefit of Mr. Kaufman's family, which owns a 35% interest in Arbor Commercial Mortgage, and a co-trustee, along with Mr. Kaufman, of the Ivan Kaufman Grantor Retained Annuity Trust, which also owns an equity interest in Arbor Commercial Mortgage. Mr. Paul Elenio, our chief financial officer and treasurer, currently serves as the chief financial officer of Arbor Commercial Mortgage.

Formation Transactions

Asset Contribution and Guaranty

Arbor Commercial Mortgage contributed the majority of its structured finance portfolio to our operating partnership pursuant to a contribution agreement. The contribution agreement contains representations and warranties concerning the ownership and terms of the structured finance assets it contributed and other customary matters. Arbor Commercial Mortgage agreed to indemnify us and our operating partnership against breaches of those representations and warranties.

At the time of Arbor Commercial Mortgage's origination of three investments that it contributed to us on July 1, 2003, each of the property owners granted Arbor Commercial Mortgage participating interests that share in a percentage of the cash flows of the underlying properties. Arbor Commercial Mortgage also made one of the contributed bridge loans to a joint venture in which it had a 50% non-controlling interest. Upon contribution of the structured finance assets, Arbor Commercial Mortgage retained these participating and joint venture interests. In connection with its asset contribution, Arbor Commercial Mortgage agreed that if any portion of the outstanding amount of any of these four contributed assets is not paid at its maturity or repurchase date, Arbor Commercial Mortgage will pay us, subject to the limitation described below, the portion of the unpaid amount of the contributed asset up to the total amount then received by Arbor Commercial Mortgage due to the realization of any profits on its retained interests associated with any other of the four contributed assets. Arbor Commercial Mortgage will no longer be obligated to make such payments to us when the remaining accumulated principal amount of the four contributed assets, collectively, falls below \$5 million and none of the four contributed assets is in default. In 2004 and 2005, these four investments matured, the borrowers paid the amounts due in full, and Arbor Commercial Mortgage's guarantee on these investments has been satisfied.

Arbor Commercial Mortgage Registration Rights

We have granted Arbor Commercial Mortgage shelf registration rights, or, if such rights are not available, demand registration rights with respect to shares of our common stock that may be issued upon redemption of operating partnership units. Holders of our operating partnership units are entitled to participate in primary or secondary offerings of our common stock with respect to such shares. We have also agreed to certain restrictions on the registration rights that we may grant to any other holder or prospective holder of our securities without the prior written consent of the holders of the majority of the shares of common stock and common stock equivalents representing or underlying the then outstanding securities that are registrable under the registration rights agreements.

Special Voting Preferred Stock

Each of the 3,776,069 operating partnership units currently held by Arbor Commercial Mortgage are paired with one share of our special voting preferred stock, each of which entitles the holder to one vote on all matters submitted to a

vote of our stockholders. Combined with its ownership of shares of our common stock, Arbor Commercial Mortgage is currently entitled to a number of votes representing approximately 20.6% of the voting power of our outstanding voting securities.

Management and Services Agreements

We and our operating partnership have entered into a management agreement with Arbor Commercial Mortgage, pursuant to which Arbor Commercial Mortgage provides for the day to day management of our operations. Arbor Commercial Mortgage is also required to provide us with a right of first refusal with respect to all structured finance investment opportunities identified by Arbor Commercial Mortgage or its affiliates. We have agreed not to pursue, and to allow Arbor Commercial Mortgage to pursue, any real estate opportunities other than structured finance transactions. We are required to pay Arbor Commercial Mortgage a base management fee and an incentive management fee, as well as reimburse Arbor Commercial Mortgage for certain of its expenses. We incurred \$2.6 million in base management fees to Arbor Commercial Mortgage for management services rendered for the year ended December 31, 2006. All amounts incurred have been paid to date. Our manager earned \$10.2 million in incentive compensation for the year December 31, 2006.

We and our operating partnership have also entered into a services agreement with Arbor Commercial Mortgage pursuant to which our asset management group provides asset management services to Arbor Commercial Mortgage. In the event that the services provided by our asset management group pursuant to the agreement exceed by more than 15% per quarter the level of activity anticipated by our board of directors, we will negotiate in good faith with our manager an adjustment to our manager's base management fee under the management agreement, to reflect the scope of the services, the quantity of serviced assets or the time required to be devoted to the services by our asset management group. As of December 31, 2006, there have been no such adjustments pursuant to the services agreement.

Non-Competition Agreement

We have entered into a non-competition agreement with Mr. Kaufman pursuant to which he has agreed not to pursue any structured finance opportunities, unless our independent board members affirmatively approve the pursuit by Arbor Commercial Mortgage or one of its affiliates of such opportunities that the independent board members have rejected on our behalf.

Pursuant to his non-competition agreement with us, Mr. Kaufman has also agreed:

not to pursue any structured finance investment opportunities, except if our independent board members affirmatively approve the pursuit by Arbor Commercial Mortgage or one of its affiliates of structured finance opportunities that they have rejected on our behalf;

if he is no longer an affiliate of Arbor Commercial Mortgage and, within the first five years of the term of the management agreement, he is no longer our chief executive officer other than because of certain reasons, he will not engage in the structured finance lending business for a period of one year after the earlier of his departure from us or the regular expiration of the one year origination period; and

if there is a change of control of Arbor Commercial Mortgage within the first three years of the term of the management agreement, and he is no longer an affiliate of Arbor Commercial Mortgage and leaves us without good reason during that three year period, he will not engage in the structured finance lending business for one year after the date of his departure from us.

Mr. Kaufman's non-competition agreement also prohibits Mr. Kaufman from soliciting our customers or employees during its term.

Benefits Participation Agreement

We have also entered into a benefits participation agreement with Arbor Commercial Mortgage, pursuant to which our employees are able to participate in any employee benefit plans maintained by Arbor Management for the benefit of Arbor Commercial Mortgage employees. Arbor Management charges us an amount equal to its cost of providing benefits to each of our employees.

Related Party Loans and Investments

Arbor Commercial Mortgage has a 50% non-controlling interest in a joint venture, which was formed to acquire, develop and/or sell real estate assets. In 2005, Arbor Commercial Mortgage received all of its investment in this joint venture and retained its interest in the joint venture. All loans outstanding to this joint venture were repaid in full in 2004. At December 31, 2003, we had a \$16.0 million bridge loan outstanding to the joint venture, which was collateralized by a first lien position on a commercial real estate property. This loan was funded by Arbor Commercial Mortgage in June 2003 and was purchased by us in July 2003. The loan required monthly interest payments based on one month LIBOR and was repaid in full in 2004. We had agreed to provide the borrower with additional mezzanine financing in the amount of up to \$8.0 million. The mezzanine financing required interest payments based on one month LIBOR and was repaid in full in 2004.

At the time of Arbor Commercial Mortgage's origination of three of the structured finance assets that it contributed to us on July 1, 2003 at book value, which approximates fair value, each of the property owners related to these contributed assets granted Arbor Commercial Mortgage participating interests that share in a percentage of the cash flows of the underlying properties. Upon contribution of the structured finance assets, Arbor Commercial Mortgage retained these participating interests and its 50% non-controlling interest in the joint venture to which it had made the \$16.0 million bridge loan. Arbor Commercial Mortgage agreed that if any portion of the outstanding amount of any of these four contributed assets is not paid at its maturity or repurchase date, Arbor Commercial Mortgage will pay to us, subject to the limitation described below, the portion of the unpaid amount of the contributed asset up to the total amount then received by Arbor Commercial Mortgage due to the realization of any profits on its retained interests associated with any other of the four contributed assets. However, Arbor Commercial Mortgage will no longer be obligated to make such payments to us when the remaining accumulated principal amount of the four contributed assets, collectively, falls below \$5 million and none of the four contributed assets are in default. In 2004 and 2005, these four investments matured, the borrowers paid the amounts due in full, and Arbor Commercial Mortgage's guarantee on these investments has been satisfied.

In 2005, Arbor Commercial Mortgage received a brokerage fee for services rendered in arranging a loan facility for a borrower. We provided a portion of the loan facility. We were credited \$0.4 million of this brokerage fee, which was included in other income.

During the first quarter 2006, Arbor Commercial Mortgage originated permanent financing of \$31.5 million to a borrower to repay an existing \$30.0 million bridge loan with us. Pursuant to the terms of the bridge loan agreement, we had a right of first offer to provide permanent financing, a right of first refusal to match the terms and conditions from a third party lender and a potential prepayment fee of \$0.9 million. In August 2006, Arbor Commercial Mortgage received a \$0.5 million fee for the securitization of the \$31.5 million permanent financing. This fee was remitted to us in August 2006 in lieu of waving our right of first refusal and potential prepayment fee under the original terms of the bridge loan.

As of December 31, 2006 and 2005, \$0.1 million and \$0.2 million, respectively, of escrows received at loan closing were due to Arbor Commercial Mortgage and included in due to related party. These payments were remitted in January 2007 and January 2006, respectively. In addition, as of December 31, 2005, approximately \$0.1 million of net expenses due from Arbor Commercial Mortgage were included in due to related party. These payments were remitted in January 2006.

Every transaction entered into between us and an entity in which Arbor Commercial Mortgage holds equity interests raises a potential conflict of interest. Conflicts of interest with respect to these investments include, among others, decisions regarding (1) whether to waive defaults of such borrower, (2) whether to foreclose on the investment and

(3) whether to permit additional financing on the properties securing our investments other than financing provided by us.

As of December 31, 2006, we had a \$7.75 million first mortgage loan receivable that bore interest at a variable rate of one month LIBOR plus 4.25% and was scheduled to mature in March 2006. This loan was extended for one year with no other change in terms and was repaid in full in March 2007. The largest aggregate principal amount outstanding for this loan during the years ended December 31, 2006 and 2005 was \$7.75 million. Interest income recorded from this loan for the years ended December 31, 2006 and 2005 was approximately \$0.7 million and

Table of Contents

\$0.6 million, respectively. This loan was made to NSH Affordable Housing of Indiana, a not-for-profit corporation that holds and manages investment property from the endowment of North Shore Hebrew Academy High School. Two of our directors, Mr. Kaufman and Dr. Helmreich, are members of the board of trustees of North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc.

Arbor Commercial Mortgage may from time to time provide permanent mortgage loan financing to clients of ours, which will be used to refinance bridge financing provided by us. We and Arbor Commercial Mortgage may also make loans to the same borrower or to borrowers that are under common control. Additionally, our policies and those of Arbor Commercial Mortgage may require us to enter into intercreditor agreements in situations where loans are made by us and Arbor Commercial Mortgage to the same borrower.

In addition, we may enter into future transactions with Arbor Commercial Mortgage with the approval of our independent directors.

Equity Investments in Our Borrowers

In 2006, we invested \$2.0 million for 100% of the common shares of two newly-formed wholly-owned subsidiaries of our operating partnership, which were formed to facilitate the issuance of \$67.0 million of junior subordinated notes. In 2005, we invested \$4.7 million for 100% of the common shares of five newly-formed wholly-owned subsidiaries of our operating partnership, which were formed to facilitate the issuance of \$155.9 million of junior subordinated notes. These securities are unsecured, have a maturity of 29 to 30 years, pay interest quarterly at a floating rate of interest based on three-month LIBOR and, absent the occurrence of special events, are not redeemable during the first five years.

As of December 31, 2004, we had two mezzanine loans outstanding, totaling \$45 million, to 450 Partners Mezz III LLC, a wholly-owned subsidiary of 450 Westside Partners, LLC and the owner of 100% of the outstanding membership interests in 450 Partners Mezz II LLC, which used the proceeds to acquire and renovate an office building. In addition, as of December 31, 2004, we had a \$1.5 million equity interest in an affiliate of the borrower. We also have participating profit interests in several affiliates of the borrower aggregating approximately 29%. During the quarter ended March 31, 2005, the property was refinanced with new debt and our loans totaling \$45 million were repaid in full. In accordance with the refinancing, we were repaid our \$1.5 million investment, including approximately \$0.4 million of a preferred return which was recorded in income from equity affiliates. In addition, we received a structuring fee of \$0.4 million for arranging the financing, which was recorded in other income. We participated in \$45 million of new debt in the form of a mezzanine loan that matures in March 2015 with a fixed rate of 8.17%. In addition, we invested \$2.7 million in an affiliate of the borrower which entitles us to a preferred return of 12.5% in this limited liability corporation.

In December 2003, we invested approximately \$2.1 million in exchange for a 50% non-controlling interest in Prime Outlets Member, LLC (POM), which owns 15% of a real estate holding company that owns and operates factory outlet shopping centers. We account for this investment under the equity method. As of December 31, 2005, we had a mezzanine loan outstanding to an affiliate entity of the joint venture for \$30.1 million. In addition, we had a \$10.0 million junior loan participation interest outstanding to an affiliate entity of the joint venture as of December 31, 2005. The loans required monthly interest payments based on one month LIBOR and matured in January 2006. Additionally, we have a 16.7% carried profits interest in the borrowing entity. We received \$1.2 million of distributions from this investment in 2004 as a result of the 16.7% carried profits interest which was recorded in interest income. In addition, we received \$0.5 million from its 50% non-controlling interest in this joint venture, which was recorded as income from equity affiliates. In June 2005, POM refinanced the debt on a portion of the assets in its portfolio, receiving proceeds in excess of the amount of the previously existing debt. The excess proceeds were distributed to each of the partners in accordance with POM's operating agreement of which we received \$36.5 million.

In accordance with this transaction, the joint venture members of POM agreed to guarantee \$38 million of the new debt. The guarantee expires at the earlier of maturity or prepayment of the debt and would require performance by the members if not repaid in full. This guarantee was allocated to the members in accordance with their ownership percentages. Of the distribution we received, \$17.2 million was recorded as interest income, representing the portion attributable to the 16.7% carried profits interest, \$2.1 million was recorded as a return of our equity investment, \$8.0 million was recorded as income from equity affiliates, representing the

Table of Contents

portion attributable to the 7.5% equity interest, and \$9.2 million was recorded as deferred revenue, representing our portion of the \$38 million guarantee. In January 2006, POM refinanced the debt on a portion of the assets in its portfolio and repaid in full the debt that was added in June 2005 and the \$30.1 million mezzanine loan and the \$10.0 million junior loan participating interest that we had outstanding as of December 31, 2005. As a result, the \$38 million guarantee was removed and we recorded the \$9.2 million of deferred revenue, \$6.3 million as interest income and \$2.9 million as income from equity affiliates. In 2006, POM refinanced the debt on a portion of the assets in its portfolio, receiving proceeds in excess of the amount of the previously existing debt. The excess proceeds were distributed to each of the partners in accordance with POM's operating agreement. In December 2006, we received a \$6.0 million distribution from POM and recorded \$4.1 million as interest income, representing the portion attributable to the 16.7% carried profits interest, and \$1.9 million as income from equity affiliates, representing the portion attributable to the 7.5% equity interest.

In June 2003, Arbor Commercial Mortgage invested approximately \$0.8 million in exchange for a 12.5% preferred interest in a joint venture, which owns and operates two commercial properties located at 80 Evergreen and 930 Flushing Avenue in New York City. We purchased this investment from Arbor Commercial Mortgage in August 2003. We subsequently contributed an additional \$0.3 million and \$0.4 million in 2004 and 2005, respectively. We account for this investment under the equity method. We had a \$4.8 million bridge loan and a \$3.5 million mezzanine loan outstanding to affiliated entities of the joint venture. The loans required monthly interest payments based on one month LIBOR and matured in November 2006 and June 2006, respectively. In August 2005, the joint venture refinanced one of these properties with a \$25 million bridge loan that we provided which matures in August 2010 with a fixed rate of 6.45%. Proceeds from this loan were used to pay off senior debt as well as our \$3.5 million mezzanine loan. Excess proceeds were distributed to each of the members in accordance with the operating agreement of which we received \$1.3 million. We recorded this amount as a return of our equity investment. In October 2006, the \$4.8 million bridge loan was extended for one year with no other change in terms. In December 2006, we contributed an additional \$0.1 million to the joint venture, increasing our equity investment to approximately \$0.3 million at December 31, 2006.

During the first quarter 2005, we invested \$6.1 million in 200 Fifth LLC, which as part of an investor group used these proceeds to make a deposit on the potential purchase of a property in New York City. In April 2005, this joint venture closed on the purchase of the property and we invested additional capital that, combined with our deposit, represented a \$10 million equity investment, in exchange for a 20% ownership interest in a limited liability company owned by this joint venture. It is intended that the property, with over one million square feet of space, will be converted from an office property into condominium units. In addition, we provided loans to three partners in the investor group totaling \$13 million, of which \$10.5 million is outstanding as of December 31, 2006. The loans are secured by their ownership interest in the joint venture and mature in April 2008. In 2005, we purchased three mezzanine loans totaling \$137 million from the primary lender. These loans are secured by the property, require monthly interest payments based on one month LIBOR and mature in April 2008. We sold a participating interest in one of the loans for \$59 million, which was recorded as a financing and is included in notes payable. In 2005, we capitalized \$0.5 million of interest on its equity investment which was approximately \$10.5 million as of December 31, 2005. For the years ended December 31, 2006 and 2005, we capitalized \$0.9 million and \$0.5 million, respectively, of interest on our equity investment. During 2006, we contributed an additional \$4.2 million to the joint venture, increasing our equity investment to approximately \$15.6 million. During the first quarter of 2007, we contributed an additional \$3.0 million to the joint venture, increasing our equity investment to approximately \$18.6 million.

In October 2004, we invested \$0.5 million in exchange for an 8.7% non-managing preferred interest in LBREP Yoric Avenue Holdings LLC that was formed to operate as a real estate business, to acquire, own, manage, develop, and sell real estate assets. We account for this investment under the equity method. In December 2005, the joint venture issued new debt on an existing property. The proceeds were distributed to each of the partners in accordance with the

operating agreement of which we received \$0.5 million which was recorded as a return of our equity investment.

However, the board is submitting the appointment of Ernst & Young to the stockholders for ratification as a matter of good corporate governance. Ratification of the selection of Ernst & Young as our independent registered public accounting firm for fiscal year 2007 requires the affirmative vote of a majority of the shares of our voting securities cast on the proposal at the annual meeting.

If this appointment is not ratified by our stockholders, the audit committee and the board may reconsider its recommendation and endorsement, respectively. Abstentions will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the appointment is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Arbor and its stockholders.

Audit Committee Pre-Approval Policy

In accordance with applicable laws and regulations, the audit committee reviews and pre-approves any non-audit services to be performed by Ernst & Young to ensure that the work does not compromise its independence in performing audit services. The audit committee also reviews and pre-approves all audit services. In some cases, pre-approval of a particular category or group of services, such as tax consulting services and audit services, is provided by the full audit committee for up to a year and is subject to a specific budget. In other cases, the chairman of the audit committee has the delegated authority from the full audit committee to pre-approve additional services, and such pre-approvals are then communicated to the full audit committee.

The policy contains a de minimis provision that operates to provide retroactive approval for permissible non-audit services under certain circumstances. No services were provided by Ernst & Young during 2005 and 2006 under such provision.

**PROPOSAL NO. 3: APPROVAL OF AN AMENDMENT TO THE COMPANY'S
CHARTER TO LOWER EACH OF THE AGGREGATE STOCK OWNERSHIP LIMIT AND THE
COMMON STOCK OWNERSHIP LIMIT FROM 8.3 PERCENT TO 7.0 PERCENT**

The Company's Board of Directors has determined that the proposal to amend the Articles of Incorporation of the Company (together with the Articles Supplementary of the Company, the Charter) to lower each of the aggregate stock ownership limit and the common stock ownership limit contained in the Charter from 8.3 percent to 7.0 percent is advisable and in the best interests of the Company and its stockholders, and has directed that the proposed Articles of Amendment to lower such limits, the form of which is attached hereto as Appendix A (the Charter Amendment), be submitted for consideration and approval by the Company's stockholders. The relevant provisions of, and the proposed amendments to, the Charter are summarized below.

Current REIT Stock Ownership Limitations in the Charter

The Charter provides for limitations on the transfer and ownership of the Company's stock. Such restrictions are intended to assist the Company in maintaining and monitoring its qualification as a real estate investment trust (a REIT) for federal income tax purposes, as well as that of its subsidiary REIT, Arbor Realty SR, Inc. (SR Inc.). The requirements under the Internal Revenue Code of 1986, as amended (the Code), for qualification as a REIT, include certain rules relating to the ownership of the REIT's stock. One such requirement is that, in general, no five or fewer individuals, which term includes certain types of entities, may directly or constructively own more than 50% of the value of a REIT's stock.

In order to ensure compliance with the foregoing tax law requirement by us and by SR Inc., the Charter currently includes an aggregate stock ownership limit, which generally restricts any individual, corporation or any other entities, and includes a group as such term is defined under the SEC's beneficial ownership rules (each, a Person), from beneficially owning or constructively owning, as each term is defined in the Charter, more than 8.3% of the aggregate value of the Company's stock. The Charter also contains a common stock ownership limit, which generally restricts a Person from beneficially owning or constructively owning more than 8.3% of either the number or value, whichever is more restrictive, of shares of the Company's common stock. Purported transfers or ownership of our stock in violation of these limits may result in the affected shares being transferred to a trust for a charitable beneficiary and not to the intended transferee or owner, or otherwise being void.

The REIT stock ownership limitations under the Code and in the Charter involve technical and complex attribution rules, pursuant to which shares of stock may be treated as owned by persons having specified relationships to the stockholder of record. In addition, shares of stock underlying outstanding options and warrants may, in certain circumstances, be treated for purposes of these rules as owned by the holder of the option or warrant.

The Company's Board of Directors is vested with broad discretion to interpret and apply the ownership limitations contained in the Charter, including the application of the attribution rules and the determination of values, and to resolve any ambiguities. In addition, the Board of Directors has authority to grant, and has granted, exemptions for certain of the Company's stockholders from the ownership limitations contained in the Charter, upon determining that granting such exemption will not adversely affect the Company's ability to maintain its qualification as a REIT, and subject to such terms and conditions as prescribed by Charter or that the Board of Directors has deemed appropriate. Such terms and conditions may include establishing a special excepted holder limit that applies to the recipient of the exemption.

Effect of Manager's Ownership of the Company's Stock on the Company's REIT Stock Ownership Limitations

The Company's management agreement with its manager, Arbor Commercial Mortgage, provides for the payment of incentive fees if specified conditions are met. Arbor Commercial Mortgage may elect to receive up to 100% of its incentive fee, if any, in the form shares of the Company's common stock to the extent that payment in stock would not adversely affect our qualification as a REIT. Arbor Commercial Mortgage and Ivan Kaufman, its controlling owner, through their ownership of shares of our stock and units of our operating partnership, beneficially own, at present, approximately 21% of SR Inc.'s stock. Their ownership at that level significantly constrains their ability to acquire additional interests in the stock of the Company or SR Inc., in light of the existing ownership

Table of Contents

limitations and the ability of other stockholders to own up to that threshold of stock, without jeopardizing the REIT qualification of the Company and/or SR Inc. The Company believes that direct or beneficial ownership of our stock by Arbor Commercial Mortgage and Ivan Kaufman serves to align their interests with those of the Company's other stockholders, and is therefore generally in the Company's best interests. In addition, the payment of incentive fees in the form of stock preserves capital and liquidity within the Company, which may also benefit the Company.

In order to preserve the flexibility to pay further incentive fees to Arbor Commercial Mortgage in the form of shares of our common stock, the Company's stockholders are asked to consider an amendment to the Company's Charter that would reduce the aggregate stock ownership limit from 8.3% to 7.0% of the aggregate value of the Company's stock, and the common stock ownership limit from 8.3% to 7.0% of the number or value of the Company's common stock. These reduced ownership limitations would apply generally to the Company's other stockholders, apart from Ivan Kaufman, Arbor Commercial Mortgage and Mr. Kojaian, which have previously been granted exemptions, and would therefore serve to facilitate the acquisition of additional shares of our stock by Ivan Kaufman, Arbor Commercial Mortgage or Mr. Kojaian while limiting, to some extent, the ability of other Persons to do so. While the exemptions granted to Ivan Kaufman and Arbor Commercial Mortgage eliminate the reduced ownership limitations as it applies to them, the exemption granted to Mr. Kojaian sets the ownership limitations at 8.3% for Mr. Kojaian.

To the extent that any Person's current beneficial ownership or constructive ownership of the Company's stock exceeds the new aggregate or common stock ownership limits that would apply if the Charter Amendment is approved by the Company's stockholders, the Company expects to work with such persons to determine whether granting any such Persons an exemption from the new limitations would not adversely affect the Company's or SR Inc.'s qualification as a REIT and, if the Board of Directors makes a favorable determination in that regard, to grant exemptions to such Persons from the new limitations prior to the effective date of the amendment of the Charter, subject to such terms and conditions prescribed by the Charter or that the Board of Directors otherwise deems appropriate.

If the REIT stock ownership limitations contained in the Charter are reduced in the manner described above following approval of the Charter Amendment, this may make it more difficult for a stockholder other than Arbor Commercial Mortgage, Ivan Kaufman or Mr. Kojaian (all of whom have been granted exemptions from the ownership limitation) to accumulate substantial stock holdings of the Company, and may thereby delay, defer or prevent a change in control of the Company, or other transactions by a third party, in each case without the consent of our Board of Directors.

The Board of Directors has determined that the proposed reduction of the aggregate stock ownership limit and the common stock ownership limit in the Charter pursuant to the Charter Amendment are advisable and in the best interests of the Company and its stockholders, in light of the desire to maintain the flexibility to issue additional shares of common stock to Arbor Commercial Mortgage to pay the incentive fee, while maintaining the Company's and SR Inc.'s qualification as a REIT.

Vote Required for Approval of the Charter Amendment

Approval of the Charter Amendment requires the affirmative vote of a majority of the votes entitled to be cast on the proposal at the annual meeting by holders of our voting securities. For purposes of the vote on the Charter Amendment, abstentions and broker non-votes will have the same effect as votes against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT TO THE COMPANY'S CHARTER TO LOWER EACH OF THE AGGREGATE STOCK OWNERSHIP LIMIT AND THE COMMON STOCK OWNERSHIP LIMIT FROM 8.3 PERCENT TO 7.0 PERCENT.
