[Global Med Letterhead]

Re: Notice of Right to Exercise Vested Option

Dear [Optionee]:

This letter is intended to notify you of certain rights you may have with respect to any stock option awards granted to you under any Global Med Technologies, Inc. (the Company) stock plan or otherwise and outstanding as of the date of this notice (the Options). The Options provide for the right to purchase a designated number of shares of Global Med common stock at a specified per-share exercise price, subject to the terms and conditions of the award agreement and, if applicable, the Company stock plan under which it was granted.

***Cash Out and Termination of Options.*** The Company has entered into an Agreement and Plan of Merger with Haemonetics Corporation and Atlas Acquisition Corp., as of January 31, 2010 (the Merger Agreement), which provides for the merger (the Merger) of the Company and Atlas Acquisition Corp. following which the Company will be a wholly-owned subsidiary of Haemonetics Corporation. The Merger Agreement provides that all outstanding options that are vested and have not been exercised prior to the date of the Merger will be canceled in exchange for the right to receive the Cashout Amount. The Cashout Amount, with respect to each Option, refers to a lump sum cash payment, *less* any applicable tax withholding, equal to (1) \$1.22, representing the per-share price of the Company's common stock under the Merger Agreement, *minus* (2) the exercise price for such Option, *multiplied by* (3) the number of vested and exercisable shares subject to such Option. Options that are unvested or not exercisable on the date of the Merger, as well as any Options having a per-share exercise price equal to or greater than \$1.22 will be terminated without any payment.

***Right to Exercise Options.*** In lieu of receiving the Cashout Amount, you are entitled to exercise your vested Options for a period of at least 30 days prior to the date such Options will be converted into the right to receive the Cashout Amount, or otherwise canceled in connection with the Merger. This letter is to notify you of your right to exercise your vested Options for a period of 30 calendar days from the date of this letter. Accordingly, the exercise period provided under this notice will end on **March 10, 2010**. Following March 10, 2010, all outstanding and unexercised Options will be canceled in exchange for the right to receive the Cashout Amount or, to the extent such Options are not vested, they will be canceled and terminated. This exercise period does not apply to any Options or portion of any Options that are not vested and exercisable under the applicable terms of the Options or any other agreement between you and the Company.

If you wish to exercise your vested Options instead of receiving the Cashout Amount, you must provide your notice of exercise (in a form approved by or otherwise acceptable to the Company) and payment of the applicable exercise price (and any related tax withholding) by **March 10, 2010**. Please note that it is expected that all outstanding shares of the Company's stock (including any shares acquired on exercise of any Options) will be purchased in connection with the Merger at the \$1.22 per-share price.

If you wish to receive payment of the Cashout Amount with respect to your vested Options, you do not have to do anything at this time. You will receive additional information regarding the cashout of your vested Options and the payment of the Cashout Amount in the near future.

As noted above, if you wish to exercise your vested Option rather than receiving the Cashout Amount, **we must receive your signed exercise notice and payment of the aggregate exercise price for the**

**shares being exercised (and any applicable tax withholding) no later than March 10, 2010.**

Please note that the conversion of your vested Options into the right to receive the Cashout Amount and the cancellation and termination of any unvested Options as described in this notice is conditioned on the occurrence of the Merger. In the event that the Merger does not occur, your Options (both vested and unvested) will continue in effect in accordance with their terms.

If you need any additional information or have any questions, please feel free to contact Darren Craig at (916) 404-8159.

Sincerely,

GLOBAL MED TECHNOLOGIES, INC.
