A copy of the Bonus Plan is attached hereto as Exhibit 10.1 and is incorporated herein in its entirety by this reference.

The Company performance component of the Bonus Plan for 2010 is based on the Company's achievement of financial results, determined by reference to a 2010 earnings per share, or EPS, range of \$2.18 to \$2.43, as publicly guided by the Company to the investment community in February 2010. The EPS goals are targeted on a sliding scale that allows for possible payouts of between 50% and 200% of the Company performance component percentage based on actual 2010 EPS results. No bonus will be payable under the Company performance component of the Bonus Plan for 2010 EPS below \$2.18 and the maximum 200% percentage payout will be at a 2010 EPS level above \$2.43. For each of Messrs. Huebner, Morris, and Tulloch, the business unit performance component of the Bonus Plan for 2010

will be based on business unit earnings before interest,

taxes, depreciation, and amortization; business unit selling, general, and administrative expense; and on certain other membership and operational objectives, including health plan member satisfaction criteria. The individual performance component of the Bonus Plan for 2010 will be determined by the Committee, based on the subjective discretion of, and recommendation to the Committee for approval by, the Chief Executive Officer or President, as applicable.

All payments made pursuant to the Company and business unit performance components of the Bonus Plan for 2010 are intended to be Performance Awards under the Company's 2006 Equity Incentive Plan, as amended from time to time (the 2006 Plan), and are governed by the terms of the 2006 Plan.

In addition, pursuant to the terms of the HealthSpring, Inc. Amended and Restated 2008 Management Stock Purchase Plan, executives may elect to receive all or a portion of their respective bonuses in the form of shares of restricted stock.
