**PROXY STATEMENT**

March 22, 2010

**INTRODUCTION**

This Proxy Statement is furnished to the stockholders of Landstar System, Inc. (the Company) in connection with the solicitation of proxies on behalf of the Board of Directors of the Company (the Board) to be voted at the Annual Meeting of Stockholders to be held on Thursday, April 29, 2010 at 9:00 a.m., local time (the 2010 Annual Meeting). The 2009 Annual Report to Stockholders (which does not form a part of the proxy solicitation material relating to this Proxy Statement), including the financial statements of the Company for fiscal year 2009, is enclosed herewith (the 2009 Annual Report). The mailing address of the principal executive offices of the Company is 13410 Sutton Park Drive South, Jacksonville, Florida 32224. This Proxy Statement, accompanying form of proxy, Notice of 2010 Annual Meeting and 2009 Annual Report are being mailed to the stockholders of the Company on or about March 22, 2010.

**RECORD DATE**

The Board has fixed the close of business on March 9, 2010 as the record date for the 2010 Annual Meeting. Only stockholders of record on that date will be entitled to vote at the 2010 Annual Meeting in person or by proxy.

**PROXIES**

Shares cannot be voted at the 2010 Annual Meeting unless the owner thereof is present in person or by proxy. The proxies named on the enclosed proxy card were appointed by the Board to vote the shares of Common Stock of the Company, par value \$0.01 per share (Common Stock) represented by the proxy card. If a stockholder does not return a signed proxy card, his or her shares cannot be voted by proxy. Stockholders are urged to mark the boxes on the proxy card to show how their shares are to be voted. All properly executed and unrevoked proxies in the accompanying form that are received in time for the meeting will be voted at the meeting or any adjournment thereof in accordance with any specification thereon, or if no specification is made, will be voted FOR each of the following proposals: (i) the election of the named nominees and (ii) the ratification of KPMG LLP as the independent registered public accounting firm for the Company. Each of these proposals is more fully described in this Notice of 2010 Annual Meeting. The proxy card also confers discretionary authority on the proxies to vote on any other matter not presently known to management that may properly come before the 2010 Annual Meeting.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same (i) upon receipt by the Company before the proxy is voted of a duly executed proxy bearing a later date, (ii) by written notice of revocation to the Secretary of the Company received before the proxy is voted or (iii) by such person(s) voting in person at the 2010 Annual Meeting.

The Board has selected BNY Mellon Shareowner Services as Inspectors of Election (the Inspectors) pursuant to Article I of the Company's Bylaws, as amended and restated (the Bylaws). The Inspectors shall ascertain the number of shares of Common Stock outstanding, determine the number of shares represented at the 2010 Annual Meeting by proxy or in person and count all votes and ballots. Each stockholder shall be entitled to one vote for each share of Common Stock and such votes may be cast either in person or by written proxy.

**PROXY SOLICITATION**

The cost of the preparation of proxy materials and the solicitation of proxies will be paid by the Company. The Company has engaged Georgeson Shareholder Communications, Inc. as the proxy solicitor for the meeting for a fee of approximately \$7,500 plus reasonable expenses. In addition to the use of the mails, certain directors, officers or employees of the Company may solicit proxies by telephone or personal contact. Upon request, the Company will

reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares.

### **STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS**

A description of the procedures as to how stockholders may send communications to the Board or individual Board members is included on the Company's website at [www.landstar.com](http://www.landstar.com) under Investor Relations/Corporate Governance.

### **VOTING SECURITIES**

Shares of the Company's Common Stock are the only class of voting securities of the Company which are outstanding. On March 9, 2010, 50,175,911 shares of Common Stock were outstanding. At the 2010 Annual Meeting, each stockholder of record at the close of business on March 9, 2010 will be entitled to one vote for each share of Common Stock owned on that date as to each matter properly presented to the 2010 Annual Meeting. The holders of a majority of the total number of the issued and outstanding shares of Common Stock shall constitute a quorum for purposes of the 2010 Annual Meeting.

### **PROPOSAL NUMBER ONE ELECTION OF DIRECTORS**

The Board is divided into three classes (Class I, Class II and Class III), with directors of the Board (collectively, Directors) in each class serving staggered three-year terms. At each annual meeting of stockholders, the terms of Directors in one of these three classes expire. At that annual meeting of stockholders, Directors are elected in a class to succeed the Directors whose terms are then expiring, with the terms of that class of Directors so elected to expire at the third annual meeting of stockholders thereafter. Pursuant to the Bylaws, new Directors elected by the remaining Board members to fill a vacancy on the Board shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class of which they have been elected expires and until such Director's successors shall have been duly elected and qualified. There are currently six members of the Board: two Class II Directors to be elected at the 2010 Annual Meeting of Stockholders (whose terms will expire at the 2013 Annual Meeting of Stockholders), three Class III Directors whose terms will expire at the 2011 Annual Meeting of Stockholders and one Class I Director whose term will expire at the 2012 Annual Meeting of Stockholders. The Board may decide to expand the size of the Board and appoint a new director or directors in the future in accordance with the Bylaws.

The Board has nominated William S. Elston and Diana M. Murphy for election as Class II Directors. It is intended that the shares represented by the accompanying form of proxy will be voted at the 2010 Annual Meeting for the election of nominees William S. Elston and Diana M. Murphy as Class II Directors, unless the proxy specifies otherwise. Each Class II Director's term will expire at the 2013 Annual Meeting of Stockholders. Each nominee has indicated his or her willingness to serve as a member of the Board, if elected. The Board has determined that, if he is elected to serve another term on the Board, Mr. Elston will continue to serve as the Lead Independent Director of the Board (the Lead Independent Director).

If, for any reason not presently known, either of William S. Elston or Diana M. Murphy is not available for election at the time of the 2010 Annual Meeting, the shares represented by the accompanying form of proxy may be voted for the election of one or more substitute nominee(s) designated by the Board or a committee thereof, unless the proxy withholds authority to vote for such substitute nominee(s).

Assuming the presence of a quorum, to be elected, a nominee must receive the affirmative vote of a plurality of the Common Stock, present, in person or by proxy, at the 2010 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

**THE BOARD RECOMMENDS A VOTE *FOR* THIS PROPOSAL**

**INFORMATION REGARDING BOARD OF DIRECTORS AND COMMITTEES**

The business of the Company is managed under the direction of the Board. The Board meets on a regularly scheduled basis four times a year to review significant developments affecting the Company and to act on matters requiring Board approval. It also holds special meetings and acts by written consent when important matters require Board action between scheduled meetings.

**Attendance at Annual Meetings**

Each member of the Board is required to attend all meetings (whether special or annual) of the stockholders of the Company. In the case where a Director is unable to attend a special or annual stockholders meeting, such absence shall be publicly disclosed in the subsequent Proxy Statement on Schedule 14A filed by the Company with the Securities and Exchange Commission and an explanation for such absence shall be provided to the Company's Nominating and Corporate Governance Committee. Any consideration of additional Company action, as appropriate, with respect to such absence shall be solely within the discretion of the Nominating and Corporate Governance Committee. All Board members attended the Annual Meeting of Stockholders held on April 30, 2009.

**Attendance at Board Meetings**

During the 2009 fiscal year, the Board held four regularly scheduled meetings, seven telephonic meetings and did not act by unanimous written consent. During the 2009 fiscal year, each Director attended 75% or more of the total number of meetings of the Board and each committee of the Board on which such Director serves.

**Independent Directors**

Each of David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy is an independent director, as defined in Rule 4200(a)(15) of the Marketplace Rules of the NASDAQ Stock Market (such Directors are, collectively, the Independent Directors). The Independent Directors of the Board held five meetings during fiscal year 2009 without the presence of management or any non-Independent Directors.

**Structure and Committees of the Board**

The Board has established an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, a Safety and Risk Committee and a Strategic Planning Committee to devote attention to specific subjects. The functions of these committees and the number of meetings held during 2009 are described below. The Board does not have an Executive Committee. In addition, the Board has established a Disclosure Committee comprised of members of management, including one employee member of the Board, to establish and maintain certain disclosure controls and procedures to ensure accurate and timely disclosure in the Company's periodic reports filed with the Securities and Exchange Commission.

Each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee consist of the four Independent Directors, with a different Independent Director serving as the Chair

## **Table of Contents**

for each such committee. In addition, Mr. Henning, also an Independent Director, serves as the Chair of the two other committees of the Board, the Strategic Planning Committee and the Safety and Risk Committee, each of which is comprised of all six members of the Board. Moreover, the typical practice for each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee is to invite Messrs. Crowe and Gerkens, the two directors who do not serve on those committees, to attend all regular meetings of these three committees, excluding, in the case of Mr. Gerkens, any meetings of the Compensation Committee concerning his executive compensation arrangements.

The Independent Directors previously elected William S. Elston to serve as Lead Independent Director for such term as the Independent Directors may determine. The duties and responsibilities of the Lead Independent Director include: (i) to serve as a liaison between the Independent Directors and the other members of the Board; (ii) to preside as the chairperson at all meetings of the Independent Directors; (iii) to coordinate with the other Independent Directors of the Board to develop the agenda with respect to all meetings of the Independent Directors; (iv) to have the authority to call meetings of the Independent Directors; (v) to provide input to the Chairman of the Board on the preparation of meeting agendas and related materials for meetings of the Board; (vi) to approve the annual schedule of meetings of the Board; (vii) to ensure that the Independent Directors have adequate resources, including full, timely information necessary to enable them to perform their duties; and (viii) to communicate to management, as appropriate, the results of private discussions among Independent Directors.

On January 4, 2010, the Board elected Henry H. Gerkens as Chairman of the Board in addition to his continuing service as President and Chief Executive Officer of the Company. Mr. Gerkens succeeded the Company's prior Chairman of the Board, Jeffrey C. Crowe, who resigned his position as Chairman of the Board on January 4, 2010 but remains a Director.

The leadership structure of the Board consists of: (i) a Chairman of the Board, who is also the Company's President and Chief Executive Officer; (ii) a Lead Independent Director; (iii) an Independent Director serving as chair of each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, with each such committee consisting solely of Independent Directors; and (iv) an Independent Director serving as chair of each of the other two committees of the Board, the Strategic Planning Committee and the Safety and Risk Committee.

The Board believes this leadership structure is appropriate for the Company as Mr. Gerkens is responsible for leading the overall strategic direction of the enterprise; however, the Independent Directors retain the decision making authority of the Board. In particular, the Independent Directors consist of (i) a majority of the members of the Board, (ii) the sole members of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee and (iii) a majority of members of the Strategic Planning Committee and the Safety and Risk Committee. The Board also believes that its leadership structure is supported by each of the Independent Directors serving as the chair of at least one committee of the Board, as the chair of each committee of the Board has responsibility for setting the agenda for each meeting of that committee. Mr. Elston, as Lead Independent Director, sets the agenda for the meetings of the Independent Directors. Further, the Company's internal audit function reports directly to the Audit Committee. Finally, the Board believes that as there are no meetings of the Board or any committee of the Board at which each Independent Director is not an invited member and the Independent Directors meet regularly in executive session without Messrs. Crowe or Gerkens present, the Independent Directors have significant input regarding the Board's agenda and information flow.

### ***Audit Committee***

The members of the Audit Committee are David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy, each an Independent Director.

The charter of the Audit Committee was amended and restated by the Board at the January 28, 2009 board meeting. The Charter of the Audit Committee more fully describes the purposes, membership, duties and responsibilities of the Audit Committee described herein. A copy of the Charter of the Audit Committee is available on the Company's website at [www.landstar.com](http://www.landstar.com) under Investor Relations/Corporate Governance.

## **Table of Contents**

The Audit Committee (i) appoints the independent registered public accounting firm for the Company and monitors the performance of such firm, (ii) reviews and approves the scope and results of the annual audits, (iii) evaluates with the independent registered public accounting firm the Company's annual audit of the consolidated financial statements and audit of internal control over financial reporting, (iv) monitors the performance of the Company's internal audit function, (v) reviews with management the annual and quarterly financial statements, (vi) reviews with management and the internal auditors the status of internal control over financial reporting, (vii) reviews and maintains procedures for the anonymous submission of complaints concerning accounting and auditing irregularities and (viii) reviews problem areas having a potential financial impact on the Company which may be brought to its attention by management, the internal auditors, the independent registered public accounting firm or the Board. In addition, the Audit Committee preapproves all non-audit related services provided by the independent registered public accounting firm and approves the independent registered public accounting firm's fees for services rendered to the Company. During the 2009 fiscal year, the Audit Committee held four meetings and five telephonic meetings.

### ***Compensation Committee***

The members of the Compensation Committee are David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy, each an Independent Director.

The Compensation Committee functions include (i) reviewing and making determinations with respect to matters having to do with the compensation of executive officers and Directors of the Company and (ii) administering certain plans relating to the compensation of officers and Directors. During the 2009 fiscal year, the Compensation Committee held three meetings and one telephonic meeting.

The charter of the Compensation Committee was approved and adopted by the Board at the August 1, 2007 board meeting. The Charter of the Compensation Committee more fully describes the purposes, membership, duties and responsibilities of the Compensation Committee described herein. A copy of the Charter of the Compensation Committee is available on the Company's website at [www.landstar.com](http://www.landstar.com) under Investor Relations/Corporate Governance.

The Compensation Committee has full and complete discretion to establish the compensation payable to the Company's Chief Executive Officer and the other executive officers and oversees the compensation payable to other employees of the Company. With regard to the executive officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer. The Compensation Committee following authorization by the Board has delegated to the Company's Chief Executive Officer authority with respect to (i) management annual salary decisions up to \$150,000 per employee, (ii) the grant of up to 1,000 stock options per employee (other than Executive Officers) and (iii) the grant of up to 5,000 stock options per employee (other than Executive Officers) following consultation with the Chairman of the Compensation Committee. The Compensation Committee has otherwise not delegated to management any of its responsibilities with respect to the compensation of the executive officers of the Company, except in respect to the day to day operations of the Company's compensation plans.

The Compensation Committee has the authority to hire and negotiate the terms of compensation for its advisers, including compensation consultants. The Compensation Committee periodically reviews the Company's compensation programs, and when it last conducted such a review process in 2004, it retained Mercer Consulting to assist it in this process.

### **Compensation Committee Interlocks and Insider Participation**

As noted above, the members of the Compensation Committee are David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy. All members of the Compensation Committee are Independent Directors, and no member is or has been an employee of the Company. ### ***Nominating and Corporate Governance Committee***

The members of the Nominating and Corporate Governance Committee are David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy, each an Independent Director.

The Nominating and Corporate Governance Committee functions include identifying persons for future nomination for election to the Board. During the 2009 fiscal year, the Nominating and Corporate Governance Committee held two meetings. Stockholders who wish to submit names to the Nominating and Corporate Governance Committee for consideration should do so in writing addressed to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, Landstar System, Inc., 13410 Sutton Park Drive South, Jacksonville, Florida 32224.

The Charter of the Nominating and Corporate Governance Committee was approved and adopted by the Board at the February 27, 2004 Board meeting. The Charter more fully describes the purposes, membership, duties and responsibilities of the Nominating and Corporate Governance Committee described herein. A copy of the Charter of the Nominating and Corporate Governance Committee is available on the Company's website at [www.landstar.com](http://www.landstar.com) under Investor Relations/Corporate Governance. Following the recommendation of the Nominating and Corporate Governance Committee, the Board approved revised Corporate Governance Guidelines at its December 2, 2009 meeting. The Corporate Governance Guidelines set forth, among other things, guidelines with respect to Director qualification standards and Board membership criteria, limitations on the number of public company boards on which a Director may serve, attendance of Directors at Board meetings, Director compensation, Director education, evaluation of the Company's Chief Executive Officer and Board self-assessment. A copy of the Corporate Governance Guidelines is available on the Company's website at [www.landstar.com](http://www.landstar.com) under Investor Relations/Corporate Governance.

The Nominating and Corporate Governance Committee oversees an annual self-evaluation conducted by the Board in order to determine whether the Board and its Committees are functioning effectively. The Nominating and Corporate Governance Committee also oversees individual Director self-assessments in connection with the evaluation of such Director every three years for purposes of making a recommendation to the Board as to the persons who should be nominated for election or re-election, as the case may be, at the upcoming annual meeting of stockholders.

The Nominating and Corporate Governance Committee considers candidates for the Board suggested by its members and other Board members, as well as management and stockholders. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for the Board based on whether or not the nominee is recommended by a stockholder. The Nominating and Corporate Governance Committee evaluates prospective nominees against a number of minimum standards and qualifications, including business experience and financial literacy. The Nominating and Corporate Governance Committee also considers such other factors as it deems appropriate, including the current composition of the Board, the balance of management and Independent Directors, the need for Audit Committee or other relevant expertise, the evaluations of other prospective nominees and other individual qualities and attributes that contribute to a broad spectrum of experience among members of the Board. The Committee then determines whether to interview the prospective nominees, and, if warranted, one or more of the members of Nominating and Corporate Governance Committee, and others as appropriate, interview such prospective nominees whether in person or by telephone. After completing this evaluation and, if warranted, interview, the Nominating and Corporate Governance Committee makes a recommendation to the Board as to the persons who should be nominated by the Board. The Board then determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

In addition, each of the Independent Directors was paid a retainer fee of \$25,000 upon election or re-election to the Board. In addition, prior to 2003, Directors who were elected or re-elected to the Board at an annual stockholders meeting were granted options to purchase Common Stock of the Company under the 1994 Director's Stock Option Plan. In 2003, the 1994 Director's Stock Option Plan was replaced by the Director's Stock Compensation Plan. Prior to the 2010 Annual Meeting, pursuant to the Director's Stock Compensation Plan, each Independent Director was awarded 6,000 shares of the Company's Common Stock, subject to certain restrictions on transfer, upon election or re-election to the Board.

Effective upon completion of the 2010 Annual Meeting, each of the Independent Directors will be paid an annual fee of \$75,000 with no additional fees payable for attendance at or participation in Board or committee meetings or service as a chair of a committee of the Board. Also, Independent Directors will no longer be paid a retainer fee upon election or re-election to the Board. Directors are reimbursed for expenses incurred in connection with attending Board meetings.

In addition, effective upon the completion of the 2010 Annual Meeting, upon election or re-election to the Board for a three year term, an Independent Director will receive a grant of such number of restricted shares of Common Stock equal to the quotient of (i) \$225,000 divided by the fair market value of a share of the Common Stock on the date immediately following the date of such Director's election or re-election to the Board. Each such grant of restricted stock will vest in three equal annual installments on the first three annual anniversary dates of the Director's election or re-election to the Board. The unvested shares of restricted stock are subject to forfeiture for the portion of the award that has not yet vested upon early departure of a Director from the Board for any reason prior to the expiration of his or her three year term.

Messrs. Crowe and Gerken, the two Directors who are not Independent Directors, did not receive any compensation for services as a Director, for services on committees of the Board or for attendance at meetings, other than the

respective compensation they each received as an employee of the Company, but both were eligible for reimbursement of expenses incurred in their capacities as Directors.

The consulting agreement provides, among other things, that Mr. Crowe shall provide consulting services to the Company for two years from the date of his retirement as an employee of the Company for fees of \$250,000 per year. The Company has the right to terminate the consulting agreement in the event Mr. Crowe performs services for a competitor of the Company. **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee has the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent registered public accounting firm. The Audit Committee is comprised of all of the Independent Directors. The Audit Committee operates under a written charter approved by the Board.

Management is responsible for the Company's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The independent registered public accounting firm is also responsible for auditing the Company's internal control over financial reporting. The Audit Committee is responsible for monitoring these processes. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to the independent registered public accounting firm's independence. The Audit Committee relies, without independent verification, on the information provided to it and on presentations and statements of fact made by management, the internal auditors and the independent registered public accounting firm.

In connection with these responsibilities, as discussed elsewhere in this Proxy Statement, the Audit Committee held four meetings and five telephonic meetings during 2009. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management, the internal auditors and the independent registered public accounting firm. The Audit Committee discussed with representatives of the independent registered public accounting firm the overall scope and plans for their audits. The Audit Committee also met with representatives of the independent registered public accounting firm, with and without management and the internal auditors present, to discuss the Company's fiscal 2009 financial statements and the Company's internal control over financial reporting. The Audit Committee also reviewed and discussed the December 26, 2009 financial statements with management and reviewed and discussed the status of the Company's internal control over financial reporting with management and the internal auditors. The Audit Committee also discussed with representatives of the independent registered public accounting firm the matters required by Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance) and also received written disclosures from the independent registered public accounting firm required by the Public Company Accounting Oversight Board regarding KPMG's independence from the Company. The Audit Committee had discussions with representatives of the independent registered public accounting firm concerning the independence of the independent registered public accounting firm under the rules and regulations governing auditor independence promulgated under the Sarbanes-Oxley Act. The Audit Committee had discussions with management and the internal auditors concerning the process used to support certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required by the Securities and Exchange Commission and the Sarbanes-Oxley Act to accompany the Company's periodic filings with the Securities and Exchange Commission.

The Board has determined that Mr. Bannister and Mr. Henning, each an independent director as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Securities and Exchange Act of 1934 (the '34 Act'), meet the SEC criteria of an audit committee financial expert under the standards established by Item 401(h)(2) of Regulations S-K under the Securities Act. Mr. Bannister's background and experience includes serving as a Managing Director of Deutsche Bank Alex Brown Incorporated, a General Partner of Grotech Capital Group, and currently as Executive Vice President and Chief Administrative Officer and Chief Development Officer of FTI Consulting, Inc., a global business consulting firm listed on the New York Stock Exchange. In addition, Mr. Bannister was a certified public accountant employed

as an audit manager at the firm of Deloitte, Haskins and Sells. Mr. Henning's background and experience includes serving in various capacities with Ernst & Young from 1961 to 2000, including Deputy Chairman of Ernst & Young from December 1999 to October 2000 and Chief Executive Officer of Ernst & Young International from September 1993 to December 1999.

During 2009, the Audit Committee preapproved the continuation of all non-audit services to be rendered to the Company by the independent registered public accounting firm in 2009 (which services are disclosed elsewhere in

**Table of Contents**

this Proxy Statement) and concluded that these services were compatible with maintaining the independence of the registered public accounting firm.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 26, 2009, filed with the Securities and Exchange Commission on February 23, 2010. The Audit Committee has also selected KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 25, 2010 and has recommended to the Board that this selection be presented to the stockholders for ratification.

**Compensation Discussion and Analysis****Overall Policy**

The Company's executive compensation philosophy is designed to attract and motivate executive talent best suited to develop and implement the Company's business strategy. These objectives are attained by tying a significant portion of each executive's compensation to the Company's success in meeting specified annual corporate financial performance goals and, through the grant of stock-based awards, to appreciation in the Company's stock price. The Company's philosophy is to recognize individual contributions while supporting a team approach in achieving overall business

objectives and increasing shareholder value.

The key elements of the Company's executive compensation consist of base salary, annual incentive payments and stock-based awards. The Company's policies with respect to each of these elements, including the basis for the compensation awarded, are discussed below.

## **Table of Contents**

The Company's philosophy is to pay annual compensation generally in cash, with long-term incentive compensation paid in the form of stock-based awards. Base salary is intended to constitute a modest percentage of total compensation. The annual incentive compensation plan is designed to pay substantial compensation for superior performance. Stock options have historically accounted for a significant portion of each Executive Officer's total compensation. The Company awards stock options and restricted stock to its Executive Officers as a reward for the achievement of overall business objectives and to help align management's future interests with that of the Company's stockholders. The Company believes this approach both rewards for performance and is generally aligned with the Company's variable cost business model.

The Compensation Committee of the Company's Board is solely responsible for decisions with respect to the compensation of the Company's President and Chief Executive Officer, Henry H. Gerkens. The Compensation Committee is also responsible, taking into consideration recommendations of the President and Chief Executive Officer, for decisions with respect to the compensation awarded to the other individuals whose compensation is detailed below (collectively herein referred to as the "Named Executives"), subject to review by the entire Board.

The executive compensation program is reviewed annually by the Compensation Committee. Periodically, at the Compensation Committee's sole discretion, an independent review of the executive compensation program may be performed by outside consultants. The last such review took place during the Company's 2004 fiscal year.

## **Base Salaries**

Base salaries for Executive Officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual. Salary adjustments are determined by evaluating the performance of the Company and of each Executive Officer, and also take into account the assumption of new responsibilities. The financial results of the operating functions which report into an Executive Officer or for which an Executive Officer otherwise has responsibility are also considered. The base salaries of the five Named Executives are detailed in the Summary Compensation Table that follows.

## **Annual Incentive Compensation**

The Company's objective with respect to its Incentive Compensation Plan (the "ICP") is to encourage the Company's Executive Officers to achieve various financial goals linked to operating objectives for the Company's upcoming fiscal year. These annual goals are developed as part of the Company's budgeting process and in general are aligned with the Company's long-term objectives with respect to earnings growth. Prior to the beginning of each annual fiscal period, the Compensation Committee reviews and approves budgeted amounts for consolidated operating income and diluted earnings per share. Once the annual budgeted goals are approved, the ICP is designed to incent management to meet and when possible to exceed their goals. An executive's incentive compensation payment continues to increase as actual results for the fiscal year exceed budgeted amounts. As further described below, actual payments under the ICP are calculated based upon how much actual results exceed budgeted amounts, using a predetermined formula, up to the maximum annual payment per eligible participant as per the Company's executive incentive compensation plan as approved by the Company's stockholders. For the 2009 fiscal year, the maximum annual payment per eligible participant was \$3 million.

The ICP targets for the 2009 fiscal year for Messrs. Gerkens, Gattoni and Kneller were set to a specific diluted earnings per share amount related to the Company's annual operating budget. With respect to Patrick J. O'Malley, Vice President and Co-Chief Operating Officer and Jim M. Handoush, Vice President and Co-Chief Operating Officer, one-half of their ICP payment was based upon the Company's achievement of a specific diluted earnings per share target. The other half of their ICP payment was based upon the achievement of budgeted consolidated operating income. The Company has met or exceeded the budgeted amount for diluted earnings per share in three of the

preceding five fiscal years. The Company has met or exceeded the budgeted amount for consolidated operating income in three of the preceding five fiscal years.

The ICP targets for Messrs. Gerkens, Kneller and Gattoni for 2009 solely related to budgeted diluted earnings per share whereas the ICP targets for Messrs. O Malley and Handoush for 2009 related in part to budgeted consolidated operating income. This is because (1) Messrs. Gerkens, Gattoni and Kneller were in positions of responsibility with respect to all of the components that affect the Company's diluted earnings per share amounts,

**Table of Contents**

(2) the Compensation Committee believes that diluted earnings per share is the primary financial measure reflecting the performance of the Company's overall strategic direction and on that basis evaluates the performance of the Company's Chief Executive Officer, Chief Financial Officer and General Counsel, (3) consolidated operating income reflects the performance of the functions over which each of Messrs. O Malley and Handoush had responsibility and, as a result, achievement of budgeted consolidated operating income is considered an important component in the performance evaluation of each such Named Executive and (4) the Compensation Committee believes it is appropriate to compensate Named Executives upon achievement of Company-wide, rather than division or function specific, budgeted targets in order to focus executive management on Company-wide strategic and financial performance goals.

The ICP for the 2009 fiscal year was designed such that in the event the Company exceeded budgeted amounts of diluted earnings per share and operating income, the amount of compensation potentially payable for exceeding budgeted diluted earnings per share amounts would be greater as compared to the amount of compensation potentially payable for exceeding budgeted operating income, as further discussed herein. With respect to the portion of the ICP tied to diluted earnings per share, if the Company's actual diluted earnings per share amount for the fiscal year had equaled budgeted diluted earnings per share after giving effect to the incentive payment, the incentive payment would have equaled 100% of the executive's ICP percentage multiplied by such executive's base salary (the target). If the Company's actual diluted earnings per share amount for the fiscal year would have been less than the target amount of diluted earnings per share, no incentive payment would have been made to the Named Executives under this portion of the ICP. If actual results had exceeded the target amount, the ICP payment would have been calculated by multiplying each executive's base salary by such executive's ICP percentage multiplied by one plus a predetermined factor. In the event actual diluted earnings per share would have exceeded the target amount, this factor would have equaled 331/3 percent for each one percent actual diluted earnings per share (after giving effect to a one-time payout) exceeded target diluted earnings per share. For Named Executives whose ICP payment was only partially based on diluted earnings per share (Messrs. O Malley and Handoush), the amount determined as described above was multiplied by 50% to reflect the weighting of that objective. With respect to the portion of the ICP for the 2009 fiscal year tied to consolidated operating income, if actual consolidated operating income for a specific fiscal quarter was equal to or greater than 90% of budgeted consolidated operating income for that quarter and greater than the actual consolidated operating income from the corresponding prior year quarter, the executive's ICP payment would be calculated pursuant to a three-step formula: (1) actual consolidated operating income is divided by budgeted consolidated income, (2) this quotient is multiplied by the product of the executive's base salary multiplied by such executive's ICP percentage and (3) the resulting product is multiplied by 50% to reflect the weighting of that objective. The portion of the ICP for the 2009 fiscal year tied to consolidated operating income also includes a component tied to budgeted consolidated operating income for the fiscal year. If actual consolidated operating income for the fiscal year was equal to or greater than 90% of budgeted consolidated operating income for the fiscal year and greater than the actual consolidated operating income from the prior year, the executive's ICP payment would be calculated pursuant to a four-step formula: (1) actual consolidated operating income is divided by budgeted consolidated income, (2) this quotient is multiplied by the product of the executive's base salary multiplied by such executive's ICP percentage, (3) the resulting product is multiplied by 50% to reflect the weighting of that objective and (4) amounts paid to the executive under the ICP with respect to the results of a specific fiscal quarter are deducted.

The ICP percentages for the Named Executives in 2009 were as follows: Mr. Gerken, 100%, Mr. Gattoni, 65%, Mr. Kneller, 40%, Mr. Handoush, 60% and Mr. O Malley, 60%. The target amount of diluted earnings per share under the ICP with respect to the 2009 fiscal year was \$2.20. The target amount of consolidated operating income under the ICP (i) with respect to each quarter of the 2009 fiscal year were, respectively, \$41,246,000, \$53,059,000, \$53,889,000 and \$46,828,000 and (ii) with respect to the full 2009 fiscal year was \$195,022,000. As none of the target amounts were achieved with respect to either the portion of the plan tied to diluted earnings per share or the portion of the plan tied to consolidated operating income, no payments were made to any of the Named Executives under the ICP for the 2009 fiscal year.

Under the Company's sales incentive plan, Mr. Handoush and Mr. O Malley, as Co-Chief Operating Officers, were eligible for an additional incentive compensation payment based upon achievement of budgeted revenue

## **Table of Contents**

goals. The budgeted revenue goal with respect to the 2009 fiscal year was \$2,827,539,000. As the budgeted revenue goal was not achieved, no payments were made under the Company's sales incentive plan for the 2009 fiscal year.

## **Stock-based Awards**

Under the Company's Amended and Restated 2002 Employee Stock Option and Stock Incentive Plan (the "ESOSIP"), stock awards may be granted to the Company's Executive Officers and certain other key employees. The Compensation Committee determines the type and number of equity awards to be granted to a Named Executive based on such Named Executive's job responsibilities, the individual performance evaluation of such Named Executive and overall Company performance. Stock options are granted with an exercise price equal to the fair market value of the Common Stock on the date of grant. Stock options are typically granted to Named Executives once a year. In 2009, consistent with the prior year, awards to Named Executives were made on January 2, 2009, the first business day of the calendar year. The grant to Mr. Gerkens made in 2009 vests as described below. Grants to the other Named Executives made in 2009 vest on January 2, 2014, the fifth anniversary of the date of grant. Executive Officers have been granted stock options that vest 100% after a period that may range from three to five years from the date of grant or in three or five pro rata installments commencing on the first anniversary of the date of grant. Shares of restricted stock have also been granted to Named Executives under the ESOSIP. Restricted stock has been granted that vests in three or five pro rata installments commencing on the first anniversary of the date of grant or 100% after a period that may range from three to five years from the date of grant. In 2009, 10,000 shares of restricted stock were issued in the aggregate to Named Executives that vest 100% on the fifth anniversary of the date of grant. The Company believes this approach to the granting of stock awards is designed to encourage the creation of long-term stockholder value as no benefit can be realized from stock options unless the stock price exceeds the exercise price over the vesting period and the benefit realized from restricted stock varies directly with the Company's stock price.

## **Stock Ownership Guidelines**

The Company believes that equity interests held by management help to align the interests of stockholders and management and maximizes stockholder returns over the long term. To that end, the Compensation Committee of the Board has established stock ownership guidelines applicable to the Executive Officers of the Company. These guidelines recommend that the Chief Executive Officer of the Company hold a minimum of 50,000 shares of the Company's Common Stock and each of the other Executive Officers of the Company hold a minimum of 15,000 shares of the Company's Common Stock, in each case to be achieved within specified time periods.

## **Deferred Compensation**

The Company maintains an Internal Revenue Service Code Section 401(k) Savings Plan (the "401(k) Plan") for all eligible employees. The Company maintains a Supplemental Executive Retirement Plan (the "SERP") for all officers, including the Named Executives, of the Company and its subsidiaries. The SERP is designed to provide officers with the option to receive the benefits - tax deferred investment of a certain percentage of the executive's salary and a Company matching contribution on a certain portion of the executive's contribution - that are offered under the Company's 401(k) Plan on the portion of the executive's salary that is not eligible to be included under the Company's 401(k) Plan, because it is above the various limitations established in the Internal Revenue Code. Except for the elimination of the maximum salary limitations, the benefits and the investment options of the SERP are the same as the 401(k) Plan. Messrs. Gerkens, Handoush, Kneller and O'Malley have elected to participate in the SERP.

## **Key Executive Employment Protection Agreements and Other Severance Arrangements**

The Board has approved the execution of Key Executive Employment Protection Agreements for each of the Executive Officers, to assure that each of these officers will have a minimum level of personal financial security in the

context of a change in control transaction to avoid undue distraction due to the risks of job security, and to enable such officer to act in the best interests of stockholders without being influenced by such officer's economic interests. Each agreement provides certain severance benefits in the event of a change of control of the Company. Generally, i) if on or before the second anniversary of a change in control (x) the Company terminates the covered executive's employment for any reason other than for cause or disability or (y) the covered executive voluntarily terminates

**Table of Contents**

his employment for good reason , (ii) if the covered executive voluntarily terminates his employment for any reason at any time within the 60-day period beginning on the 181st day following the change in control or (iii) if the covered executive's employment is terminated by the Company for any reason other than death, disability or cause or by the covered executive for good reason , after the execution of a definitive agreement with respect to a change in control transaction but prior to the consummation thereof and the transaction contemplated by such definitive agreement is subsequently consummated, such executive will be entitled to severance benefits consisting of a lump sum cash amount equal to a multiple of the sum of (A) the executive's annual base salary and (B) the amount that would have been payable to the executive as an annual incentive compensation bonus for the year in which the change of control occurs, determined by multiplying his annual base salary by his total participant's percentage participation established for such year under the ICP (or any successor plan thereto). The applicable multiples are: three times for Mr. Gerkens, two times for Messrs. Gattoni and Kneller, and one time for Messrs. Handoush, O Malley and Thomas. Under his agreement, Mr. Beacom is entitled to receive one-half times his annual base salary and one time the amount that would have been payable to him as an annual incentive compensation bonus. We believe that the terms of our Key Executive Employment Protection Agreements are consistent with market practice and assist us in retaining the services of our Executive Officers. We set the severance multiples for our Executive Officers based on their position and the potential impact to their continued employment in the event of a change of control and to remain competitive within our industry. Each agreement also provides for continuation of medical benefits and for certain tax gross-ups to be made to a covered executive in the event payments to the executive are subject to the excise tax on parachute payments imposed under Section 4999 of the Internal Revenue Code of 1986.

The Company agreed, in a letter dated July 2, 2002, to provide Mr. Gerkens with the right to receive a cash payment in settlement of his outstanding stock options in the event his employment is involuntarily or constructively terminated by the Company in connection with a change in control. The Company entered into this agreement with Mr. Gerkens to provide Mr. Gerkens with additional personal financial security in the event of a change in control of the Company which results in or is likely to result in a termination of his employment and his ability to influence the strategic direction of the Company. A copy of this letter was attached as Exhibit 10.17 to the Annual Report on Form 10-K for the fiscal year ended December 28, 2002 and is incorporated by reference to the Company's Annual Report on Form 10-K for the year ending December 26, 2009 as Exhibit 10.11.

The Company has also entered into an agreement with Mr. Gerkens, in various letters dated April 27, 2004, June 8, 2007, and January 2, 2008, to provide Mr. Gerkens with certain compensation and benefits in the event of his termination of employment under certain specified circumstances. The Company and Mr. Gerkens determined to amend the letter agreement on January 2, 2008 because the Company wanted to ensure that Mr. Gerkens would continue to serve as the Company's Chief Executive Officer for five years. Under the revised agreement, Mr. Gerkens was granted 400,000 stock options on January 2, 2008 with an additional 100,000 granted on January 2, 2009. These stock options are intended to reward Mr. Gerkens for his significant contributions to the Company and to provide an incentive to Mr. Gerkens for his continued services to the Company. These 500,000 stock options will vest, subject to Mr. Gerkens' continued employment with the Company, in three equal annual installments, on January 2, 2011, January 2, 2012 and January 2, 2013. Notwithstanding the foregoing, these 500,000 options shall also become immediately vested and exercisable in the event that the Company appoints someone other than Mr. Gerkens as its Chief Executive Officer at a time when Mr. Gerkens is employed by the Company, Mr. Gerkens resigns his employment for good reason (as defined in the letter agreement), or Mr. Gerkens' employment is terminated by the Company for any reason other than for cause.

The agreement provides that in the event the Company terminated Mr. Gerkens' employment other than for cause or disability or Mr. Gerkens terminated his employment for good reason prior to January 2, 2013, in each case at any time that Mr. Gerkens' rights to receive severance was not governed by his Key Executive Employment Protection Agreement, the Company would pay Mr. Gerkens a lump sum severance benefit equal to two times the sum of his annual base salary and the annual bonus that would have been payable to him for the relevant period under the

Company's Executive Incentive Compensation Plan. In addition, Mr. Gerkens would be entitled to continue to receive health and welfare benefits. The agreement also provides that if Mr. Gerkens' employment with the Company ended due to his disability or death, he, or his beneficiary, would be entitled to receive a pro rata portion of the annual bonus that would have been payable to him for the relevant period under the Company's Executive Incentive Compensation Plan. Further, the agreement provides that in the event the Company appointed someone other than Mr. Gerkens as

## **Table of Contents**

Chief Executive Officer prior to January 2, 2013 at a time when Mr. Gerken was employed by the Company or in the event Mr. Gerken's service to the Company as Chief Executive Officer ended on or after January 2, 2013 for any reason other than a termination as a result of which he was entitled to receive severance benefits under either his Key Executive Employment Protection Agreement or the letter agreement, a termination for cause or his death, he would provide the Company with certain consulting and advisory services during the two-year period following the end of his employment, for which he would be paid \$300,000 and would be entitled to continue to receive health and welfare benefits. The agreement further provides that Mr. Gerken would work exclusively for the Company while in its employ and not compete with the Company or solicit or hire any of its employees for a two-year period following the end of his employment as Chief Executive Officer for any reason. A copy of the letter agreement between the Company and Mr. Gerken as in effect on December 27, 2008, dated January 2, 2008, was attached as Exhibit 99.1 to a Current Report on Form 8-K, filed by the Company on January 4, 2008.

The Company and Mr. Gerken determined to amend this letter agreement on December 31, 2008 to comply with Section 409A of the Internal Revenue Code and to clarify and fulfill the intent of certain compensation arrangements in light of such Section 409A changes. Specifically, to effect the original intent of the letter agreement, the Company modified the terms of the 400,000 stock options granted to Mr. Gerken on January 2, 2008, to provide that they may be exercised, in all events other than a cause termination, for two years following termination of Mr. Gerken's employment. The 100,000 stock options granted to Mr. Gerken on January 2, 2009 were granted inclusive of the two year exercise provision. A copy of the letter agreement between the Company and Mr. Gerken, dated December 31, 2008, was attached as Exhibit 99.1 to a Current Report on Form 8-K, filed by the Company on January 7, 2009, and is incorporated by reference to the Company's Annual Report on Form 10-K for the year ending December 26, 2009 as Exhibit 10.12.

## **Other Benefits and Arrangements**

The Company provides the Named Executives with certain other benefits and arrangements that the Company believes are reasonable and consistent with its overall compensation program to enable the Company to continue to attract and maintain highly qualified individuals in key positions. The Company pays the premium associated with term life insurance policies covering each of the Named Executives. The dollar value paid by the Company on behalf of each of the Named Executives with respect to these policies is included in the Summary Compensation Table below. The Board has approved and the Company has entered into indemnification agreements with each of the Named Executives providing each such Named Executive with a contractual obligation from the Company to indemnify such individual in connection with such individual's service as an employee of the Company (and in the case of Mr. Gerken, his service as a member of the Board) to the fullest extent permitted by applicable law. The Company retains discretion to provide Named Executives with the use of certain equipment in connection with their job responsibilities, including, cell phone, blackberry and other computer and communications equipment and maintenance of hook-ups for such equipment in the Named Executive's home.

## **Tax Considerations**

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a publicly traded company a federal income tax deduction for compensation in excess of \$1 million paid to certain of its Executive Officers unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial components of the incentive compensation it makes available to its Executive Officers for the performance exception to non-deductibility. Stock option award grants under the Company's ESOSIP currently meet these requirements. At the 2007 Annual Meeting, the Company received stockholder approval for the executive incentive compensation plan so that any annual awards payable thereunder (subject to certain limits) would qualify for the performance exception under Section 162(m). Under the plan as approved, the maximum annual bonus payment per participant that could be awarded is \$3 million. The Company believes that tax deductibility of

compensation is an important factor, but not the sole factor, to be considered in setting executive compensation policy. Accordingly, the Company generally intends to take such reasonable steps as are required to avoid the loss of a tax deduction due to Section 162(m), but the Compensation Committee reserves the right to pay amounts which are not deductible in appropriate circumstances.
