PART II INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. *Indemnification of Directors and Officers*

The following summary is qualified in its entirety by reference to the complete text of the statutes referred to below and to our Amended and Restated Certificate of Incorporation, as amended (the Certificate), and by-laws.

The Certificate provides that we shall indemnify, to the fullest extent permitted by Section 145 of the Delaware General Corporation Law (the DGCL), each person who is involved in any litigation or other proceeding because such person is or was a Republic director or officer or was serving at our request as a director, officer, employee or agent of another enterprise, against all expense (including attorney's fees), loss or liability reasonably incurred or suffered in connection therewith. The Certificate provides that a person entitled to indemnification under the Certificate shall be paid expenses incurred in defending any proceeding in advance of its final disposition upon our receipt of an undertaking, by or on behalf of the director or officer, to repay all amounts so advanced if it is ultimately determined that such director or officer is not entitled to indemnification.

Section 145 of the DGCL permits a corporation to indemnify any director or officer of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any action, suit or proceeding brought by reason of the fact that such person is or was a director or officer of the corporation, if such person acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if he had no reason to believe his conduct was unlawful. In a derivative action (i.e., one brought by or on behalf of the corporation), however, indemnification may be made only for expenses, actually and reasonably incurred by any director or officer in connection with the defense or settlement of such action or suit, if such person acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made if such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the Delaware Court of Chancery or the court in which the action or suit was brought shall determine that the defendant is fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Pursuant to Section 102(b)(7) of the DGCL, the Certificate eliminates the liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liabilities arising (i) from any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) from acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) from any transaction from which the director derived an improper personal benefit.

We may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of Republic or another corporation, partnership, joint venture, trust or other enterprise. Under an insurance policy maintained by us, our directors and officers and the directors and officers of each of the co-registrants are insured, within the limits and subject to the limitations of the policy, against certain expenses in connection with the defense of certain claims, actions, suits or proceedings, and certain liabilities which might be imposed as a result of such claims, actions, suits or proceedings, which may be brought against them by reason of being or having been such directors or officers.

Alabama Registrants:

(a) Alabama Recycling Services, Inc. and GEK, Inc. are incorporated under the laws of Alabama.

Division E of Article 8 of the Alabama Business Corporation Act authorizes a court to award, or a corporation's board of directors to grant, indemnity to an officer, director, employee or agent of the corporation under certain circumstances and subject to certain limitations.

Section 10-2B-8.42(d) of the Alabama Business Corporation Act provides that an officer of a corporation shall not be liable for any action taken as an officer or any failure to take any action if such officer performed the duties of his or her office (i) in good faith, (ii) with the care an ordinarily prudent person in a like position would exercise under similar circumstances and (iii) in a manner he or she reasonably believes to be in the best interests of the corporation.

The bylaws of each of the Alabama corporation registrants provide that the corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

The bylaws of each of the Alabama corporation registrants also provide that any indemnification (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct. Such determination shall be made (i) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion or (iii) by the stockholders. Expenses incurred by a director or officer in defending or investigating a threatened or pending action, suit or proceeding shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation according to the bylaws of the corporation. The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

The bylaws of each of the Delaware corporation registrants listed in the preceding paragraph also provide that any indemnification (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct. Such determination shall be made (i) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion or (iii) by the stockholders. Expenses incurred by a director or officer in defending or investigating a threatened or pending action, suit or proceeding shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation according to the bylaws of the corporation. The corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise against any liability asserted against or incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power or the obligation to indemnify him or her against such liability under the bylaws of the corporation.

penalties and amounts paid or to be paid in settlement) actually and reasonably incurred by such person. Expenses incurred by a director or officer of the corporation shall be paid in advance to the fullest extent permitted by law upon an undertaking by such person to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to indemnification. Expenses incurred by a director or officer of the corporation shall be paid in advance to the fullest extent permitted by law upon an undertaking by such person to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to indemnification. The corporation may procure insurance or other arrangement on behalf of any such person described in this paragraph.

The bylaws of NationsWaste, Inc. provide that each person who was or is made a party to or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceedings by reason of the fact that he or she is or was a director or officer of the corporation or is or was serving at the request of the corporation as director or officer or trustee of another entity or other enterprise shall be indemnified and held harmless by the corporation to the fullest extent permitted by law.

Each person who is or was an employee or agent of the corporation, and each person who serves or has served at the request of the corporation as an employee or agent of another entity or other enterprise, may be similarly indemnified at the discretion of the board of directors. Expenses incurred by an officer or director in defending a civil or criminal action, suit or proceeding may be paid by the corporation in advance of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined

that he is not entitled to be indemnified by the corporation as authorized in the bylaws of the corporation. Such expenses incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the board of directors deems appropriate.

The bylaws of each of the Utah corporation registrants also provide that any indemnification (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct. Such determination shall be made (i) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion or (iii) by the stockholders. Expenses incurred by a director or officer in defending or investigating a threatened or pending action, suit or proceeding shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation according to the bylaws of the corporation. The corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise against any liability asserted against or incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power or the obligation to indemnify him or her against such liability under the bylaws of the corporation.

Part 18 of the Utah Revised Limited Liability Company Act authorizes a court to award, or a limited liability company to grant, indemnity to a member, manager, employee, fiduciary or agent of the company under certain circumstances and subject to certain limitations.

Section 48-2c-807(a) of the Utah Revised Limited Liability Company Act provides that a member or manager shall not be liable or accountable in damages or otherwise to the company or the members for any action taken or failure to act on behalf of the company unless the act or omission constitutes (i) gross negligence, (ii) willful misconduct or (iii) a breach of a higher standard of conduct that would result in greater exposure to liability for the member or manager that is established in the company's articles of organization or operating agreement.

The articles of organization of Frontier Waste Services (Utah), LLC provide that the company shall indemnify to the fullest extent permitted by the Utah Limited Liability Company Act any person or entity who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil,

Virginia Registrants:

(a) 623 Landfill, Inc. is incorporated under the laws of Virginia.

Article 10 of the Virginia Stock Corporation Act authorizes a court to award, or a corporation's board of directors to grant, indemnity to officers and directors of the corporation under certain circumstances and subject to certain limitations.

Section 13.1-690(C) of the Virginia Stock Corporation Act provides that a director shall not be liable for any action taken as a director or any failure to take any action if such director performed the duties of the office in accordance with his or her good faith business judgment of the best interests of the corporation.

The articles of incorporation of 623 Landfill, Inc. provide that every person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding of any kind or was or is the subject of any claim by reason of his being or having been a director or officer of the corporation or by reason of his serving or having served at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise shall be indemnified by the corporation against expenses (including attorneys' fees), judgments, fines, penalties, awards, costs, amounts paid in settlement and liabilities of all kinds, actually and reasonably incurred by such person in connection with, or resulting from, such action, suit, proceeding or claim. Such indemnification is only allowed if such person acted in good faith and in the manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, provided that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudicated to be liable to the corporation for negligence or misconduct in the performance of his duty to the corporation unless, and only to the extent that, the court in which such action, suit or proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity. Any indemnification under the preceding paragraph (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of such person is proper in the circumstances because he or she had met the applicable standard of conduct set forth in said paragraph. Such determination may be made either (i) by the board of directors of the corporation by a majority vote of a quorum consisting of directors who were not parties to such action, suit, or proceeding, (ii) if such a quorum is not obtainable or, even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion or (iii) by the stockholders. Expenses incurred by or in respect of any such person in connection with any such action, suit or proceeding, whether criminal, administrative, arbitral or investigative, may be paid by the corporation in advance of the final disposition thereof upon receipt of an undertaking by, or on behalf of, such person to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the corporation. The board of directors shall have the power to indemnify its other employees and agents to the same extent as provided in the articles of incorporation with respect to its directors and officers.

The bylaws of 623 Landfill, Inc. provide that the corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

The bylaws of 623 Landfill, Inc. also provide that any indemnification (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct. Such determination shall be made (i) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion or (iii) by the stockholders. Expenses incurred by a director or officer in defending or investigating a threatened or pending action, suit or proceeding shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation according to the bylaws of the corporation. The corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise against any liability asserted against or incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power or the obligation to indemnify him or her against such liability under the bylaws of the corporation.

West Virginia Registrant: Sandy Hollow Landfill Corp. is organized as a corporation under the laws of West Virginia.

Part 5 of Article 8 of the West Virginia Business Corporation Act authorizes a court to award, or a corporation's board of directors to grant, indemnity to officers and directors of the corporation under certain circumstances and subject to certain limitations.

Section 31D-8-831(a) of the West Virginia Business Corporation Act provides that a director of a corporation shall not be liable to the corporation or its shareholders for any decision to take or not to take action or any failure to take any action as a director unless the party asserting liability establishes that the articles of incorporation and other law do not preclude liability and the challenged conduct consisted of or was the result of (i) action not in good faith, (ii) a decision (1) which the director did not reasonably believe to be in the best interests of the corporation or (2) as to which the director was not informed to an extent the director reasonably believed appropriate in the circumstances, (iii) a lack of objectivity or independence, (iv) a sustained failure of the director to devote attention to ongoing oversight of the business and affairs of the corporation or (v) receipt of a financial benefit to which the director was not entitled.

The bylaws of Sandy Hollow Landfill Corp. provide that the corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

The bylaws of Sandy Hollow Landfill Corp. also provide that any indemnification (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct. Such determination shall be made (i) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion or (iii) by the stockholders. Expenses incurred by a director or officer in defending or investigating a threatened or pending action, suit or proceeding shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation according to the bylaws of the corporation. such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power or the obligation to indemnify him or her against such liability under the bylaws of the corporation.

Item 21. Exhibits and Financial Statement Schedules

A list of exhibits filed with this registration statement is contained in the index to exhibits, which is incorporated by reference.

Item 22. Undertakings

Each of the undersigned co-registrants hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(6) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(7) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

(8) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
