CO (Delaware corporation)

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by the reporting person that it is the beneficial owner of any of the common stock of Superior Well Services, Inc. referred to herein for purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended, or for any other purpose, and such beneficial ownership is expressly disclaimed.

Item 1. Security and Issuer.

This statement relates to shares of common stock, par value \$0.01 per share (the Shares), of Superior Well Services, Inc., a Delaware corporation (Superior or the Issuer). The address of the principal executive offices of the Issuer is 1380 Rt. 286 East, Suite #121, Indiana, Pennsylvania 15701.

Item 2. Identity and Background.

This statement on Schedule 13D is being filed by Nabors Industries Ltd., a Bermuda exempt company (Nabors), and Diamond Acquisition Corp., a Delaware corporation and wholly owned subsidiary of Nabors (Merger Sub or Offeror and, together with Nabors, the Reporting Persons).

The address of the principal executive offices for (i) Nabors and each person listed on Section 1 of Schedule A is Mintflower Place, 8 Par-La-Ville Road, Hamilton, HM08, Bermuda, and (ii) Merger Sub and each person listed on Section 2 of Schedule A is 515 West Greens Road, Suite 1200, Houston, Texas 77067, and the telephone number for each such person above is (441) 292-1510.

Nabors is a Bermuda exempt company, and its companies own and operate approximately 534 land drilling and approximately 763 land workover and well-servicing rigs in North America. Nabors actively marketed offshore fleet consists of 39 platform rigs, 13 jackup units and three barge rigs in the United States and multiple international markets. In addition, Nabors manufactures top drives and drilling instrumentation systems and provides comprehensive oilfield hauling, engineering, civil construction, logistics and facilities maintenance, and project management services. Nabors participates in most of the significant oil, gas and geothermal markets in the world.

Merger Sub is a Delaware corporation and wholly owned subsidiary of Nabors formed solely for the purposes of consummating the Offer and the Merger (each as defined below in Item 4), and therefore has not conducted any business to date.

The name, present principal occupation and employment history for the past five years of each of the directors and executive officers of each of the Reporting Persons are set forth in Schedule A, and such information is incorporated herein by reference. Each such person is a United States citizen.

None of the persons listed in Schedule A has, during the past five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors). None of the persons listed in Schedule A has, during the past five years, been a party to any civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

None of the Reporting Persons expended any funds to acquire beneficial ownership of the Shares upon execution of the Tender Agreement (as defined in Item 4). Nabors will have sufficient cash and/or available credit facilities to acquire the Shares pursuant to the terms and conditions of the Merger Agreement (as defined in Item 4) and Tender Agreement.

Item 4. Purpose of the Transaction.

On August 6, 2010, the Issuer, Nabors and Merger Sub, entered into an Agreement and Plan of Merger (the Merger Agreement), pursuant to which Merger Sub will commence a cash tender offer (the Offer) to purchase all of the issued and outstanding Shares, at a price per share equal to \$22.12, net to sellers in cash (the Offer Price).

The Offer is the first step of Nabors' acquisition of Superior and is intended to facilitate Nabors' acquisition of all of the issued and outstanding Shares. Following the consummation of the Offer, Offeror will merge with and into Superior (the Merger), with Superior continuing as the surviving corporation (the Surviving Corporation) after the Merger. At the effective time of the Merger (the Effective Time), the bylaws of Offeror will become the bylaws of Superior. In the Merger, each outstanding Share not tendered and accepted in the Offer that is not directly owned by Superior, Nabors or Offeror or any of their subsidiaries (other than Shares held by Superior stockholders that perfect their appraisal rights under the Delaware General Corporation Law) will be converted into the right to receive the Offer Price. In addition, each share of the 4% Series A Convertible Preferred Stock, without par value, of Superior (the Superior Series A Preferred Stock) that is issued and outstanding immediately prior to the Effective Time will remain outstanding as a share of Superior Series A Preferred Stock of the Surviving Corporation. The Superior Series A Preferred Stock will be unaffected by the Merger other than, from and after the Effective Time and pursuant to the terms of the Certificate of Designations of such stock in effect immediately prior to the Effective Time, each share of Superior Series A Preferred Stock will be convertible into, in lieu of Shares, the Offer Price that would have been received in the Merger if such share of Superior Series A Preferred Stock had been converted into Shares immediately prior to the Merger.

In accordance with the terms of the Merger Agreement, upon the payment by Offeror for the Shares pursuant to the Offer representing a number of shares as shall satisfy the Minimum Condition (as defined below) and prior to the Effective Time, Nabors will be entitled to designate such number of new directors, rounded up to the next whole number, on Superior's board of directors as is equal to the product of the total number of directors on Superior's board of directors (determined after giving effect to the new directors elected pursuant to this sentence) multiplied by the percentage that the aggregate number of Shares beneficially owned by the Reporting Persons and any of their affiliates bears to the total number of Shares then outstanding, and, subject to applicable law, Superior shall promptly take all actions necessary to cause Nabors' designees who qualify as directors under applicable law to be so elected. As a result, Nabors will have the ability to designate a majority of Superior's board of directors.

As a result of the Offer and the Merger, the Reporting Persons intend to cause the Shares to be delisted from the Nasdaq Global Select Market and to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended.

Concurrently with the execution of the Merger Agreement, David E. Wallace, Jacob B. Linabarger, Rhys R. Reese, David E. Snyder, Mark A. Snyder and other significant stockholders of Superior (collectively, the Stockholders), solely in their capacity as Superior stockholders, entered into a Tender and Voting Agreement with Nabors and Offeror (the Tender Agreement). Pursuant to the Tender Agreement, the Stockholders have agreed to tender all Shares owned by them and have also granted Nabors an irrevocable proxy to vote the Shares on the foregoing matters. The Tender Agreement will automatically terminate upon the termination of the Merger Agreement in accordance with its terms.

The Merger Agreement provides that the Offer will commence within 10 business days of the date of the Merger Agreement. The Offer will remain open for at least 20 business days, subject to possible extension in accordance with the terms set forth in the Merger Agreement (the latest time and date as the Offer may be extended, the Expiration Date).

Nabors expressly reserves the right to extend the Offer (1) from time to time for additional successive periods of time up to 20 business days per extension if, on any Expiration Date, any of the conditions of the Offer will not have been satisfied or waived, and (2) for any period required by any rule, regulation, interpretation or position of the U.S. Securities and Exchange Commission (the SEC) or the staff of the SEC applicable to the Offer. Nabors and Offeror are not required to complete the Offer, unless certain conditions as set forth in the Merger Agreement are satisfied, including:

the number of Shares tendered in the Offer when added to the Shares owned by the Reporting Persons and their subsidiaries, represents a majority of the Shares outstanding on a fully diluted basis (the Minimum Condition); and

expiration or termination of the waiting period (and any extension thereof) imposed by the U.S. Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, has occurred.

If all of the conditions of the Offer are satisfied but the number of Shares validly tendered and not withdrawn in the Offer, together with any Shares then owned by the Reporting Persons and their subsidiaries, is less than 90% of the outstanding Shares, Nabors and Merger Sub may, without the consent of Superior, commence one or more subsequent offering periods for up to 20 business days in the aggregate for the remaining outstanding Shares. In addition, Superior granted to Nabors and Offeror an irrevocable option to purchase, at the Offer Price, a number of Shares that, when added to the number of Shares already owned by the Reporting Persons and their subsidiaries immediately following consummation of the Offer, equals one Share more than 90% of the Shares then outstanding on a fully diluted basis.

The foregoing descriptions of the Merger Agreement and Tender Agreement do not purport to be complete and are qualified by reference in their entirety to the full text of each of the Merger Agreement and Tender Agreement, copies of which are attached as Exhibits 1 and 2, respectively, to this Schedule 13D, each of which is incorporated herein by reference.

Item 5. Interest in Securities of the Issuer.

(a), (b): As a result of entering into the Tender Agreement, the Reporting Persons beneficially own 10,453,985 Shares, which Shares represent in the aggregate approximately 33.9% of the currently outstanding Shares. The Reporting Persons share voting and dispositive power over such Shares.

(c): Except as otherwise disclosed herein, neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any person listed on Schedule A has effected any transaction in Shares during the past 60 days.

(d): Except as otherwise disclosed herein, neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any person listed on Schedule A has the right to receive or the power to direct the receipt of dividends from, or the proceeds of sale of, securities covered by this statement.

(e): Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth in Item 4 above is hereby incorporated by reference.

Item 7. Material to be Filed as Exhibits.
