**Litigation Settlement**

On November 11, 2010, we entered into settlement agreements with each of our former employees in Toulon, France who had filed claims to challenge the economic justification for their dismissal following the closure of our Toulon, France facility. Under the settlement agreements, we will pay the former employees an aggregate amount of approximately \$4.5 million, plus any additional amounts that may be payable under French law, including payments for unemployment and social security. We have previously paid approximately \$1.3 million of this amount. The remaining \$3.2 million is expected to be paid during the fourth quarter of 2010.

Management previously recorded a provision related to this litigation. The remaining provision for these cases totaled approximately \$3.4 million, which will be sufficient to pay the remaining amount under the settlement agreements, as well as the additional amounts payable under French law. Therefore, the settlement of this litigation will not have a material impact to our results of operations.

These settlements close all outstanding litigation related to the closure of our facility in Toulon, France, and reflect the completion of activity associated with our French restructuring efforts.
