**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(d) On August 1, 2011, Alimera Sciences, Inc. (the Company) issued a press release announcing that, based upon the recommendation of the Nominating/Corporate Governance Committee of the Company's Board of Directors (the Board), effective as of July 28, 2011 the Board had elected James R. Largent, age 61, to the Board as a Class I Director with his initial term expiring at the Company's 2014 annual meeting of stockholders. In connection with Mr. Largent's election, and pursuant to the Company's bylaws, the Board has increased the number of directors to nine. Mr. Largent has nearly 30 years of management experience in the medical device and pharmaceutical industries, including 28 years with Allergan, Inc., where he held various senior management positions, including Vice President, Strategic Planning. From 2002 to the present, Mr. Largent has been a consultant to the medical device and pharmaceutical industries. In addition to serving on the Company's Board, Mr. Largent serves on the board of directors of Tear Science, Inc., a privately held developer of diagnostic and therapeutic devices for the treatment of patients with dry eye disease. Mr. Largent holds a B.A. in chemistry and an M.B.A., both from the University of California, Irvine.

In connection with his election to the Board, pursuant to the Company's outside director compensation program, Mr. Largent was granted an option to purchase 20,000 shares of the Company's common stock at an exercise price of \$8.47, the closing price per share of the common stock on July 28, 2011, the date on which he joined the Board. Such option will vest and become exercisable with respect to 25% of the option shares after one year of service and an additional 6.25% of the option shares for each subsequent three-month period thereafter, except that in the event of a change of control of the Company or if Mr. Largent's service terminates due to his death the option will accelerate and become immediately exercisable. Mr. Largent will also receive a \$20,000 annual retainer for his service on the Board. In addition, beginning in 2012, he will be eligible to receive, upon the conclusion of each annual meeting of stockholders, an option to purchase 7,500 shares of the Company's common stock. The outside director compensation program is described in further detail in the Company's Proxy Statement for the 2011 annual meeting of stockholders, which was filed with the Securities and Exchange Commission (the SEC) on April 29, 2011.

Mr. Largent and the Company will also enter into an indemnification agreement requiring the Company to indemnify him to the fullest extent permitted under Delaware law with respect to his service as a director. The indemnification agreement will be in the form entered into with the Company's other directors and executive officers. This form is filed as Exhibit 10.1 to the Company's Registration Statement on Form S-1 (SEC File No. 333-162782), as filed with the SEC on October 30, 2009.
