### INFORMATION STATEMENT

#### ----- INTRODUCTION

This Information Statement is furnished by the Board of Directors of Consumers Energy Company ("Consumers") in connection with the Annual Meeting of Shareholders to be held on May 25, 2001.

As of December 31, 2000, Consumers' outstanding Common Stock (\$10 par value) and Preferred Stock (\$100 par value) consisted of 84,108,789 shares of Common Stock held by CMS Energy Corporation ("CMS Energy") and 441,599 shares of Preferred Stock. Holders of Preferred and Common Stock are entitled to 1 vote for each share and shareholders have cumulative voting rights for the election of directors; that is, holders of preferred and common shares are entitled to as many votes as equal the number of shares held multiplied by the number of directors to be elected, and they may cast all of such votes for a single nominee or distribute them among any two or more nominees as they choose.

While all shareholders are cordially invited to attend the annual meeting, WE ARE NOT ASKING YOU FOR A PROXY. We have been advised that all 84,108,789 Consumers common shares held by CMS Energy (99.5% of the Consumers shares entitled to vote) will be voted in favor of the proposed directors and in favor of the appointment of the auditor, thus assuring the adoption of these proposals.

To the knowledge of management, no person or entity except CMS Energy owns beneficially more than 5% of any class of Consumer's outstanding voting securities.

The determination of approval of corporate action by the shareholders is based on votes "for" and "against". Abstentions and broker non-votes are not counted as "against" votes but are counted in the determination of a quorum.
