INFORMATION STATEMENT PURSUANT TO SECTION 14(f) OF THE
SECURITIES EXCHANGE ACT OF 1934 AND RULE 14f-1 THEREUNDER

GENERAL

This information statement ("Information Statement"), which is being mailed on or about March 1, 2001 to holders of record of shares of common stock, no par value (the "Guest Supply common stock"), of Guest Supply, Inc., a New Jersey corporation ("Guest Supply"), is being furnished in connection with the designation by Sysco Corporation, a Delaware corporation ("SYSCO"), of persons to the Board of Directors of Guest Supply (the "Board of Directors"). Such designation is to be made pursuant to a Merger Agreement and Plan of Reorganization, dated January 22, 2001, among Guest Supply, SYSCO and Sysco Food Services of New Jersey, Inc., a Delaware corporation and a wholly-owned subsidiary of SYSCO ("SFS of New Jersey").

Pursuant to the preliminary prospectus of SYSCO dated February 5, 2001 (the "Prospectus"), and the related Letter of Transmittal, each of which were previously mailed to the holders of record of the Guest Supply common stock, SYSCO has caused SFS of New Jersey to make an exchange offer to exchange shares of common stock, par value \$1.00 per share, of SYSCO (the "SYSCO common stock"), for all outstanding shares of Guest Supply common stock, including the associated preferred stock purchase rights, that are validly tendered and not properly withdrawn, subject to the conditions set forth in the Prospectus. Subsequent to the completion of the offer, SYSCO will cause SFS of New Jersey to merge with and into Guest Supply. As a result of the offer and the merger, Guest Supply will become a wholly-owned subsidiary of SYSCO.

The number of shares of SYSCO common stock that you will receive in the offer in exchange for each share of Guest Supply common stock validly tendered and not properly withdrawn will be based on an exchange ratio. The exchange ratio will be determined based upon the average of the closing prices per share of SYSCO common stock on The New York Stock Exchange ("NYSE") for each of the fifteen consecutive trading days ending on the trading day that is five trading days prior to the expiration date of the offer, as it may be extended from time to time as set out in the Prospectus, which we refer to as the SYSCO average trading price. If the SYSCO average trading price is:

- at least \$22.00, but less than or equal to \$30.00, you shall receive for each share of Guest Supply common stock a number of shares of SYSCO common stock equal to \$26.00 divided by the SYSCO average trading price;
- less than \$22.00, you shall receive for each share of Guest Supply common stock approximately 1.1818 shares of SYSCO common stock; or
- more than \$30.00, you shall receive for each share of Guest Supply common stock approximately 0.8667 shares of SYSCO common stock.

The SYSCO average trading price cannot be determined at this time.

On February 27, 2001, the closing price of the SYSCO common stock was

Edgar Filing: GUEST SUPPLY INC - Form SC 14F1

\$27.07. If the SYSCO average trading price were equal to this closing price, Guest Supply shareholders would receive approximately 0.9605 shares of SYSCO common stock for each share of Guest Supply common stock.

SFS of New Jersey commenced the offer on Monday, February 5, 2001. The expiration date of the offer is currently 11:59 p.m., New York City time, on Monday, March 5, 2001, but may be extended by SYSCO under certain circumstances as described under the caption "The Offer -- Extension, Subsequent Offering Period, Termination and Amendment" in the Solicitation/Recommendation Statement on Schedule 14D-9 of Guest Supply dated February 5, 2001 (the "Schedule 14d-9"), which was previously mailed to the holders of

2

record of the Guest Supply common stock. SYSCO is also required to extend the expiration date of the offer in increments of up to 10 business days until the earlier of April 30, 2001, or such time as all conditions, including the minimum tender condition, have been satisfied or waived. Finally, SYSCO may extend the offer as required to comply with SEC rules and regulations. In addition, SYSCO may also elect to provide a subsequent offering period as described in the Schedule 14d-9. SYSCO intends, promptly after completion of the offer, to merge SFS of New Jersey with and into Guest Supply. Each share of Guest Supply common stock which has not been exchanged or accepted in the offer will be converted in the merger at the same exchange ratio as in the offer.

The merger agreement provides that, upon the completion of the offer, Guest Supply will use commercially reasonable efforts to cause to be placed on the Board of Directors a number of directors designated by SYSCO (the "SYSCO Designees"). If, however, the merger agreement is terminated or if SFS of New Jersey does not accept shares of the Guest Supply common stock tendered for exchange, then SYSCO will not have any right to designate directors for election to the Board of Directors.

THIS INFORMATION STATEMENT IS REQUIRED BY SECTION 14(F) OF THE SECURITIES EXCHANGE ACT OF 1934, AND RULE 14F-1 PROMULGATED THEREUNDER. YOU ARE URGED TO READ THIS INFORMATION STATEMENT CAREFULLY. YOU ARE NOT, HOWEVER, REQUIRED TO TAKE ANY ACTION IN CONNECTION WITH THIS INFORMATION STATEMENT.

The information contained in this Information Statement concerning SYSCO and SFS of New Jersey has been furnished to Guest Supply by such persons, and Guest Supply assumes no responsibility for the accuracy or completeness of such information. The Prospectus indicated that the principal executive offices of SYSCO and SFS of New Jersey are located at 1390 Enclave Parkway, Houston, Texas 77077-2099.

Upon acceptance for exchange of the Guest Supply common stock by SFS of New Jersey in the offer, we will use commercially reasonable efforts, subject to applicable law, to cause to be placed on the Board of Directors the SYSCO Designees. SYSCO will be entitled to designate that number of directors, rounded up to the next whole number, such that the percentage of the total number of directors designated by SYSCO will be equal to the percentage of the total outstanding Guest Supply common stock then held by SYSCO, and Guest Supply will use commercially reasonable efforts to cause the SYSCO Designees to be elected or appointed to the Board of Directors, including, without limitation, increasing the number of directors, or seeking and accepting resignations of incumbent directors, or both. However, following such designation and until the merger has been consummated, SYSCO and Guest Supply shall use best efforts to ensure that the Board of Directors shall always have at least two members who were directors of Guest Supply prior to completion of the offer. The merger agreement provides that, prior to the effective time of the merger, if the SYSCO Designees are elected to the Board of Directors, the affirmative vote of a majority of the continuing Guest Supply directors will be required to:

Edgar Filing: GUEST SUPPLY INC - Form SC 14F1

- amend or terminate the merger agreement;
- exercise or waive any of Guest Supply's rights, benefits or remedies under the merger agreement if such exercise or waiver materially and adversely affects Guest Supply shareholders, other than SYSCO or SFS of New Jersey;
- take action with respect to the retention of counsel and other advisors in connection with the transactions contemplated by the merger agreement; or
- approve any other action under or in connection with the merger agreement which materially and adversely affects the interests of Guest Supply shareholders, other than SYSCO or SFS of New Jersey.

It is expected that the SYSCO Designees may assume office following the acceptance for exchange by SFS of New Jersey of the specified minimum number of shares of the Guest Supply common stock pursuant to the offer, which cannot be earlier than March 5, 2001.

As of February 23, 2001, there were 6,895,675 shares of Guest Supply common stock issued and outstanding. The Guest Supply common stock is the only class of voting securities of Guest Supply that would

2

3

be entitled to vote for directors at a shareholders' meeting if one were to be held, each share being entitled to one vote.

Option Grants in Fiscal 2000

The following table sets forth the grants of stock options to the executive officers named in the Summary Compensation Table during the fiscal year ended September 29, 2000. The amounts shown for each of the named executive officers as potential realizable values are based on arbitrarily assumed annualized rates of

Edgar Filing: GUEST SUPPLY INC - Form SC 14F1

stock price appreciation of five percent and ten percent over the exercise price of the options during the full terms of the options, which would result in stock prices of approximately \$23.11 and \$36.80, respectively. The amounts shown as potential realizable values for all shareholders represent the corresponding increases in the market value of 6,623,124 outstanding shares of the Common Stock held by all shareholders as of September 29, 2000, which would total approximately \$153,060,064, and \$243,722,353, respectively. No gain to the optionees is possible without an increase in stock price which will benefit all shareholders proportionately. These potential realizable values are based solely on arbitrarily assumed rates of appreciation required by applicable Securities and Exchange Commission regulations. Actual gains, if any, on option exercises and holdings of Common Stock are dependent on the future performance of the Common Stock and overall stock market conditions. There can be no assurance that the potential realizable values shown in this table will be achieved.

EMPLOYMENT ARRANGEMENTS

Employment Agreements. Effective August 1, 1997, Guest Supply entered into employment agreements with each of Clifford W. Stanley, R. Eugene Biber, Teri E. Unsworth and Paul T. Xenis at annual salaries subject to increases at the discretion of the Board of Directors. The term of each employment agreement is for a three-year period with automatic yearly extensions. Mr. Stanley is President, Chief Executive Officer and Chairman of the Board of Directors of Guest Supply, Mr. Biber is Vice President -- Operations, Ms. Unsworth is Vice President -- Market Development and a director of Guest Supply, and Mr. Xenis is Vice President -- Finance and Secretary. Each agreement also provides for a cash payment of up to three years' annual salary upon termination by Guest Supply of the employee's employment other than for cause and upon the employee's voluntary termination within one year following certain change of control events involving Guest Supply.

In connection with the negotiation of the merger agreement, SYSCO required that the employment agreements of Messrs. Stanley, Xenis and Biber be replaced with new employment agreements in order to help retain these officers following the earlier to occur of the completion of the offer or consummation of the merger. These new agreements have terms that last until ninety days following the end of SYSCO's 2006 fiscal year and will become effective only upon the earlier to occur of the completion of the offer or consummation of the merger, which we refer to as the effective date of the agreement. The agreements provide for initial base salaries of \$284,000 for Mr. Stanley, \$210,000 for Mr. Xenis and \$199,000 for Mr. Biber, subject to annual review for merit increases. On the effective date of the agreement with Mr. Stanley, he will be granted stock options pursuant to the Sysco Corporation 2000 Stock Incentive Plan to purchase 100,000 shares of SYSCO common stock, which vest in 33 1/3% increments over three years on each anniversary of the date of grant. The options may remain outstanding for 10 years from the date of grant so long as, during the first three years following the effective date, Mr. Stanley's employment is not terminated for cause and he does not resign (except for good reason). The term of the options may be shortened based on the circumstances surrounding the termination of his employment. The agreements with Messrs. Xenis and Biber provide that on the effective date thereof, Messrs. Xenis and Biber will be granted stock options pursuant to the Sysco Corporation 2000 Stock Incentive Plan to purchase 30,000 and 20,000 shares, respectively, of SYSCO common stock,

Edgar Filing: GUEST SUPPLY INC - Form SC 14F1

which vest in 20% increments over five years based upon achievement of targeted increases in pre-tax earnings of Guest Supply compared to prior years, but if any such options do not vest because the targets are not met, the options vest nine and one-half years after the date of grant provided that Mr. Xenis or Mr. Biber, as the case may be, is still employed by Guest Supply. In the event an employment agreement is terminated, each of the options granted has special vesting provisions depending upon the reason why the employment agreement is terminated. Each of the agreements also provides for certain restrictive covenants in favor of SYSCO, including noncompetition, nonsolicitation and nondisclosure of confidential information.

Waiver Agreements. Simultaneously with the execution of the merger agreement on January 22, 2001, Messrs. Stanley, Xenis and Biber each executed a waiver agreement and agreed to waive the change in control severance provisions of their existing employment agreements, effective as of the earlier of the completion of the offer or consummation of the merger.

Noncompetition Agreements. In connection with the negotiation of the merger agreement, SYSCO also required Mr. Stanley and Mr. Xenis to enter into new noncompetition agreements which provide that neither of them will during their employment with Guest Supply or thereafter for two years or until the exercise or surrender of the options granted under their new employment agreements, perform services, or own equity in, any competing business.

Employment Agreement Amendment and Acknowledgement. In connection with the merger agreement, Ms. Unsworth entered into an employment agreement amendment and acknowledgement with Guest Supply pursuant to which she waived the right under her employment agreement to receive the cash payment owed to her upon a change of control resulting from the completion of the offer or consummation of the merger and agreed that, except as aforesaid, the terms and conditions of her employment agreement will continue after the merger.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During Guest Supply's fiscal year ended September 29, 2000, Haythe & Curley (renamed Torys), a law firm of which Mr. Haythe was a member through January 31, 2000, provided general legal representation to Guest Supply.

Pursuant to an agreement dated August 6, 1997, as amended, between Guest Supply and Thomas M. Haythe, a director of Guest Supply, Mr. Haythe acts as general counsel for Guest Supply. The agreement provides for the payment of a monthly retainer of \$7,500, credited on a current basis against his fees for services rendered to Guest Supply, and the payment of up to three years of such retainer upon the termination of the agreement in the case of certain change-of-control events involving Guest Supply. The term of the agreement is for a three-year period with automatic yearly extensions. In connection with the execution of the merger agreement with SYSCO, Mr. Haythe entered into an amendment to the agreement with Guest Supply which will take effect on the earlier of the completion of the offer or consummation of the merger. Pursuant to the amendment, Mr. Haythe will continue to receive his monthly retainer through July 2004.

Each of the directors and officers of Guest Supply, including Messrs. Stanley, Xenis, Biber, Walsh, Zabrycki and Haythe and Ms. Unsworth, who hold options under Guest Supply's 1993 Stock Option Plan, agreed to waive all of their respective rights under Section 5(k) of such plan, which had provided for the issuance of reload options, effective from and after the date that the SYSCO Designees constitute a majority of the members of our board of directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Guest Supply's directors and executive officers, and persons who own more than ten percent of the Guest Supply common stock, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Common Stock. Officers, directors and greater than ten percent shareholders are required by Securities and Exchange Commission regulations to furnish Guest Supply with copies of all Section 16(a) reports they file.

To Guest Supply's knowledge, based solely on a review of the copies of such reports furnished to Guest Supply and representations that no other reports were required, during the fiscal year ended September 29, 2000 all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent shareholders were complied with.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The report of the Compensation Committee documents the Committee's policies regarding executive officer compensation. Guest Supply's philosophy and objectives in setting compensation are:

- to offer levels of compensation which are competitive with those offered by other companies in similar businesses;
- to compensate executives based on each executive's level of responsibility and contribution to Guest Supply's business goals;
- to link compensation with Guest Supply's financial performance; and
- to align the interests of Guest Supply's executives with the interests of Guest Supply's shareholders.

There are three components to executive compensation at Guest Supply: base salary, bonus and stock options.

Base Salary

Base salary is determined by level of responsibility, individual performance and Guest Supply performance, as well as by the need to provide a competitive package that allows Guest Supply to retain key executives. After reviewing individual and Guest Supply performance and market studies on salaries at other

companies of similar size, the Chief Executive Officer makes recommendations to the Compensation Committee concerning officers' salaries, other than his own. The Compensation Committee reviews and, with any changes it deems appropriate, approves these recommendations. Using the same review process, the Compensation Committee makes decisions pertaining to the Chief Executive Officer's salary.

Executive Bonus Plan

The Executive Bonus Plan provides the opportunity for participating executive officers to earn additional compensation by achieving specific net income goals. Under the Executive Bonus Plan, Guest Supply will pay a percentage of each participant's annual base salary as an annual bonus, provided Guest Supply achieves specific net income objectives. These objectives are established by the Board of Directors at the beginning of each fiscal year based on recommendations from the Chief Executive Officer. For the fiscal year ended

Edgar Filing: GUEST SUPPLY INC - Form SC 14F1

September 29, 2000, the following bonuses were earned under this plan: Mr. Stanley -- \$113,610; Mr. Biber -- \$79,600; and Mr. Xenis -- \$75,200.

Stock Options

Guest Supply periodically grants stock options to its executive officers and other key employees. The primary purpose of stock option grants is to align the interests of Guest Supply's executive officers more closely with the interests of Guest Supply's shareholders by offering the executives an opportunity to benefit from increases in the market price of the Guest Supply common stock. Stock options provide long-term incentives that have enabled Guest Supply to attract and retain key employees by encouraging their ownership of the Guest Supply common stock. The stock option plans are administered by the Stock Option Committee of the Board of Directors, which determines the persons who are to receive options and the number of shares to be subject to each option. In selecting individuals for options and determining the terms thereof, the Stock Option Committee may take into consideration any factors it deems relevant, including present and potential contributions to the success of Guest Supply.

Compensation of Executive Officers

Guest Supply has employment agreements with each of Clifford W. Stanley, President and Chief Executive Officer, R. Eugene Biber, Vice President -- Operations, Teri E. Unsworth, Vice President -- Market Development and Paul T. Xenis, Vice President -- Finance. Pursuant to these agreements, the annual base salary of each executive is subject to increases at the discretion of the Board of Directors based upon performance of Guest Supply and performance of the executive. In July 2000, the Board of Directors approved an increase of approximately 6% in the base salary payable to Clifford W. Stanley.

APPENDIX A

CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF GUEST SUPPLY, INC.

This charter governs the operations of the audit committee. The committee shall review and reassess the charter at least annually and obtain the approval of the board of directors. The committee shall be appointed by the board of directors and shall comprise at least three directors, each of whom are independent of management and the Company. Members of the committee shall be considered independent if they have no relationship that may interfere with the exercise of their independence from management and the Company. The Board may appoint one director who is not independent if the board determines that their membership on the committee is in the best interests of the Company and its shareholders. All committee members shall be financially literate (able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement). At least one member shall have past employment experience in finance or accounting, requisite professional certification in accounting, or related management expertise including being, or having been a CEO, CFO, or other senior officer with financial oversight responsibilities.

STATEMENT OF POLICY

The audit committee shall provide assistance to the board of directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by management and the board. In so doing, it is the responsibility of the committee to maintain free and open communication between the committee, independent auditors and management of the Company. In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose.

Edgar Filing: GUEST SUPPLY INC - Form SC 14F1

RESPONSIBILITIES AND PROCESSES

The primary responsibility of the audit committee is to oversee the Company's financial reporting process on behalf of the board and report the results of their activities to the board. Management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. The committee in carrying out its responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The committee should take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The following shall be the principal recurring processes of the audit committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the committee may supplement them as appropriate.

- The committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the board and the audit committee, as representatives of the Company's shareholders. The committee shall have the ultimate authority and responsibility to evaluate and, where appropriate, replace the independent auditors. The committee shall discuss with the auditors their independence from management and the Company and the matters included in the written disclosures required by the Independence Standards Board. Annually, the committee shall review and recommend to the board the selection of the Company's independent auditors, subject to ratification by the shareholders.

16

- The committee shall discuss with management and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation. Also, the committee shall discuss with management and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor and manage business risk, and legal compliance programs. Further, the committee shall meet separately with the independent auditors, with and without management present, to discuss the results of their examinations.
- The committee shall review the interim financial statements with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards. The chair of the committee may represent the entire committee for the purposes of this review.
- The committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

This Charter has been established and approved by the Audit Committee and

recommended to the Board of Directors for approval.
