**FOR IMMEDIATE RELEASE**

**COEUR SIGNIFICANTLY INCREASES OFFER TO WHEATON RIVER SHAREHOLDERS**

**Increased Offer Represents 23% Premium over Current Wheaton River Share Price  
and 13% Premium over IAMGold Proposal**

**Coeur Urges ALL Wheaton River Shareholders to Vote AGAINST  
IAMGold Proposal on Coeur's GREEN Proxy Card by Wednesday June 30th**

Coeur d'Alene, Idaho, June 29, 2004 Coeur d'Alene Mines Corporation (NYSE:CDE) today announced that it has increased its offer for Wheaton River Minerals Ltd. (TSX:WRM, AMEX:WHT). Under the offer, Wheaton River shareholders may elect to receive either:

C\$5.47 per Wheaton River common share in cash (as compared to the C\$5.00 per share previously offered), subject to the maximum cash consideration previously announced; or

0.796 shares of Coeur common stock or 0.796 exchangeable shares of a Canadian subsidiary of Coeur, for each Wheaton River common share tendered (as compared to the 0.731 shares previously offered).

Aside from the increase in consideration, the previously announced terms and conditions of Coeur's offer remain unchanged. The terms of the offer will be set forth in definitive tender offer documents.

Coeur offers Wheaton River shareholders superior value:

Coeur's offer represents a premium of 38% over Wheaton River's closing stock price, based upon closing stock prices on May 27, 2004, the date of Coeur's initial proposal.

Coeur's offer provides Wheaton River shareholders with C\$4.63 per Wheaton River share, representing a premium of 23% over Wheaton River's closing stock price of C\$3.76 per share, based upon closing stock prices on June 28, 2004.

Coeur's offer represents a premium of 35% and 13% over the IAMGold proposal based on closing stock prices as of May 27, 2004 and June 28, 2004, respectively.

Dennis E. Wheeler, Chairman and Chief Executive Officer of Coeur, said, "We have always believed that Coeur's offer is extremely compelling for all Wheaton River shareholders from both a strategic and financial perspective. Our offer includes a significant cash component, and today we are further enhancing the total value of our offer. We believe the choice for Wheaton River shareholders is now even clearer. Coeur's offer is without question the superior alternative to the IAMGold proposal."

---

<sup>1</sup> Assuming 568,220,638 Wheaton River common shares are outstanding and that holders of all of those shares elect to receive cash, proration would result in per share consideration of C\$1.00 in cash and 0.650 Coeur shares, or C\$4.63 per Wheaton River share based upon closing stock prices on June 28, 2004 and a currency exchange rate of C\$1.3476 per US\$.

Mr. Wheeler continued, "We have been meeting with and listening to Wheaton River's shareholders and we remain fully committed to making the Coeur-Wheaton River combination a reality. We intend to take our revised offer directly to Wheaton River shareholders following defeat of the IAMGold proposal at the July 6th Special Meeting of Wheaton River shareholders.

Coeur's increased offer provides Wheaton River shareholders with significantly greater value than the proposed IAMGold plan of arrangement, including a substantial cash component. Coeur also offers Wheaton River shareholders better growth prospects, significantly greater trading liquidity, higher operating synergies and significant management operational expertise.

Now is the time for the Wheaton River shareholders to act," added Mr. Wheeler. "Coeur's clearly superior offer will be available only if shareholders defeat the IAMGold proposal by voting AGAINST at the July 6th Special Meeting. We strongly recommend that Wheaton River shareholders vote AGAINST the proposed IAMGold transaction on Coeur's GREEN proxy card by Wednesday, June 30th.
