To holders of the company's Ordinary Shares of 25p each, holders of the company's American Depositary Shares, and the holder of the Special Voting Share of 25p

DEAR FELLOW SHAREHOLDERS,

ANNUAL GENERAL MEETING

I am writing to invite you to join us at this year's Annual General Meeting of the company, to be held at 11:00 am on Thursday, April 28, 2005, on the 7th Floor of our corporate headquarters at 30 Finsbury Square, London EC2A 1AG (the "AGM"), and to explain the proposals which shareholders are invited to approve at the AGM. The formal Notice of Meeting and resolutions to be proposed are set out on pages 6 to 7 of this document.

DIRECTORS' POWER TO ALLOT SHARES

At the AGM, Resolution 12 will be proposed in order to effect a renewal of the directors' authority to allot the present unissued share capital of the company up to a maximum of 239,000,000 Ordinary Shares (which would constitute approximately 29.5 percent of the company's issued ordinary share capital as of March 8, 2005 (excluding any future treasury shares), such being the latest practicable date prior to publication of the enclosed Notice of Annual General Meeting). As of that date, the company did not hold any shares in treasury.

Resolution 13 will be proposed as a Special Resolution to renew the directors' authority to allot equity securities for cash otherwise than strictly pro-rata to existing shareholders, up to a maximum of 40,500,000 Ordinary Shares (which would constitute approximately 5.0 percent of the issued ordinary share capital as of March 8, 2005). Resolution 13 would also empower the Directors to issue shares otherwise than strictly pro-rata to existing shareholders in connection with a rights issue, and to take certain practical steps to facilitate such an issue. For this purpose, allotments of equity shares for cash will include sales by the company of any shares held by it which it has repurchased and held in treasury.

Although the directors have no present intention of utilizing these authorities, they believe that it is appropriate that they have such flexibility. The directors would take into account the best interests of shareholders generally in reviewing any future actions which would result in the issuance of shares.

The authorities conferred by Resolutions 12 and 13 will, unless renewed prior to such time, lapse on April 27, 2010.

POWER TO PURCHASE SHARES

Resolution 14 will be proposed as a Special Resolution to enable the company to purchase in the market up to a maximum of 81,076,000 Ordinary Shares for cancellation or to be held in treasury, (which number would constitute approximately 9.9 percent of the issued ordinary share capital as of March 8, 2005) at a minimum price of 25p per share and a maximum price per share of not more than 5 percent above the average of the middle market quotation for an ordinary share as derived from the London Stock Exchange Daily Official List for

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

the five business days immediately prior to the date of such purchase.

If approved, the directors will use the authority conferred by Resolution 14 with discretion and with a view to enhancing shareholder value. Purchases will only be made in the light of market conditions prevailing at the time, where the directors consider this will result in an increase in earnings per share, and where the directors have concluded that such action will be in the best interests of shareholders generally. Any purchases made by the company will be announced by no later than 8:30 am (London time) on the business day following the transaction.

There are a total of 130,233,757 Ordinary Shares over which options to subscribe for equity shares outstanding as of March 8, 2005, have been granted under the AMVESCAP No. 3 Executive Share Option Scheme and the AMVESCAP 2000 Share Option Plan. Such number represents approximately 16.1 percent of the issued ordinary share capital as of such date. Such

options would represent approximately 17.8 percent of the issued ordinary share capital of the company if the full authority to buy back shares given by Resolution 13 of the Annual General Meeting of April 30, 2003, had been used, and approximately 17.8 percent of the issued ordinary share capital of the company if the full authority being sought pursuant to Resolution 14 is used.

AMENDMENTS TO THE MEMORANDUM AND ARTICLES OF ASSOCIATION

Under new legislation embodied in the Companies (Audit, Investigations and Community Enterprise) Act 2004, the company is permitted to indemnify its directors against any liability incurred by a director to any person (other than the company or any associated company) in connection with any negligence, default, breach of duty or breach of trust in relation to the company. The legislation also allows the company to advance to its directors funds to cover the costs incurred by a director in defending certain legal proceedings against him or her. Previously, a company incorporated in England had only been able to fund a director's defence costs once final judgement in the director's favour had been reached. Since directors are increasingly being added as defendants in actions against companies, and litigation is often very lengthy and expensive, the Board believes that the risk of directors being placed under significant financial strain is increasing.

The Board therefore proposes in Resolution 16 that the Memorandum and Articles of Association be amended to expand the terms of the indemnities currently included in the Articles of Association in order to take advantage of the new provisions relating to the advance of defence costs. Individual directors would still be liable to repay their defence costs to the extent funded by AMVESCAP if their defence against criminal proceedings or proceedings brought by the company is unsuccessful. Resolution 16 will be proposed as a Special Resolution.

The Board proposes in Resolution 15 to make an additional change to the Articles of Association in order to bring the company in line with current corporate governance best practice. Resolution 15 would effect an amendment to Article 127 of the company's Articles of Association to reflect principle A.2 of the Combined Code in relation to the division of responsibilities between the Chairman and Chief Executive Officer. Resolution 15 will be proposed as Special Resolution.

A summary of the principal differences between the proposed new and the current texts of these portions of the Memorandum and Articles of Association is set out in Appendix 1.

ELECTION OF DIRECTORS

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

The company's Articles of Association require each director to retire from office at the Annual General Meeting held in the third calendar year following the year in which he was last elected or re-elected. Each of Messrs. Rex Adams, Sir John Banham, Charles Brady and Denis Kessler was last re-elected at the Annual General Meeting in 2002 and therefore offers himself for re-election at the AGM.

The company's Articles of Association require any director appointed to the Board during the year to stand for election at the next Annual General Meeting. Each of Mr. Edward Lawrence and Mr. John D. Rogers was both appointed to the Board since the last Annual General Meeting and thus offers himself for election by shareholders at the AGM.

Special notice has been given in respect to the resolution to propose the re-election of Mr. Bevis Longstreth (who has served as a director on the board since 1993) and who is over the age of 70 years. Mr. Longstreth offers himself for re-election.

VOTING

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

I would ask you to note that this year, for the first time, all resolutions to be put to a vote at the AGM will be decided by a way of a poll rather than by show of hands. This is in accordance with the recommendations by the Myners Report issued in January 2004 and with emerging best practice. It will allow shareholders who are not able to come to the meeting, but who have appointed proxies, to have their votes taken into account. I will invite each shareholder and proxy present at the AGM to complete a poll card indicating how they wish to cast their votes in respect of each resolution. In addition, I will cast the votes for which I have been appointed proxy. Poll cards will be collected at the end of the meeting. Once the results have been verified by the Registrar, they will be notified to the London Stock Exchange and published on the company's website.

DOCUMENTS AVAILABLE FOR INSPECTION

Copies of the amended Memorandum and Articles of Association of the company, together with copies of the directors' service contracts (and /or letters of appointment) with the company and any of its subsidiaries, and the register of directors' interests are available for inspection by any person at the company's registered office, 30 Finsbury Square, London EC2A 1AG, during normal business hours on any weekday (Saturdays and public holidays excepted) and will also be available at the venue of the AGM to any person for at least 15 minutes prior to, and until the conclusion of, the AGM.

RECOMMENDATION

The Board of Directors believes that the resolutions contained in the Notice of Meeting are in the best interests of the company and its shareholders as a whole and recommends you to vote in favour of them, as your directors intend to do in respect of their beneficial shareholdings.

ACTION TO BE TAKEN

If you are able to attend the AGM, we will be delighted to see you. There will be an opportunity for you to ask questions on each resolution being put to the AGM and on the company's business in general. If you are unable to attend, I would encourage you to submit your voting instructions in advance of the AGM as each vote is important, regardless of the number of shares you hold.

You will find enclosed a form of proxy. Whether or not you intend to be present at the AGM, you are requested to complete the form of proxy and return it so as to reach Capita Registrars, Proxy Department, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU (the "Registrar"), as soon as possible, and in any event not later than 48 hours before the time appointed for the AGM. Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM. The company also offers shareholders the opportunity to cast their votes electronically in respect of the forthcoming AGM, either through the CREST proxy system or via the website of the Registrar, Capita Registrars, at www.capitaregistrars.com. Your proxy card, enclosed with the Notice of Meeting, will contain your own personal investor code, which you will need in order to register your vote via the Internet.

Yours faithfully,

Charles W. Brady, Executive Chairman

Appendix 1

SUMMARY OF PROPOSED CHANGES TO THE MEMORANDUM AND ARTICLES OF ASSOCIATION

The principal change to be made to the Memorandum is as follows:

CURRENT PARAGRAPH NO. -----	NEW PARAGRAPH NO. -----	CHANGE -----
	LLL	Following the Companies (Audit, Investigations and Community Enterprise) Act 2004, companies are permitted to: indemnify directors and others against liability incurred to third parties in connection with any negligence, default, breach of duty or breach of trust; purchase and maintain insurance against such liability; and fund a director's expenditure in defending civil or criminal proceedings against them. The proposed new paragraph LLL specifically empowers the company to adopt and implement these provisions.

The principal changes to be made to the Articles are as follows:

CURRENT ARTICLE NO -----	NEW ARTICLE NO -----	CHANGE -----
86	86	This Article currently restricts the rights of proxies to speak at general meetings of the company. The Myners Report recommends that proxies should be permitted to speak, and therefore the proposed amendment brings the Articles in line with this recommendation.
96.5(g)	96.5(g)	This Article, which lists exceptions to the general rule that a director may not vote in respect of contracts, arrangements or proposals in which he or she has an interest, is proposed to be expanded so as to allow an interested director to vote in connection with any proposal relating to the new indemnification, insurance or funding powers of the company.
--	127.2	This new Article is being separately proposed as Resolution 15 to recognise Combined Code principle A.2 in relation to the division of responsibilities between the Chairman and Chief Executive Officer. The new Article will read: "The Board shall adopt terms of reference setting out the division of responsibilities between the roles of Chairman and Chief Executive Officer from time to time to reflect legal and corporate governance developments."
161	161	This Article currently deals with the indemnification of directors, officers and auditors. It is proposed

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

that this Article be amended so as to apply to indemnification of auditors only, and that the indemnification of directors and officers be dealt with in a new Article 162. The scope of the existing indemnity for auditors is unchanged.

- 162.1 This new Article replaces Article 161 in relation to the indemnification of directors and officers, in terms permitted by the new legislation.
- 162.2 This Article implements the new provisions of the Memorandum in respect of the advancement of directors' defence costs as they are incurred.

- (b) upon the passing of this Resolution, the Resolution passed as Resolution 11 at the Annual General Meeting on April 29, 2004, shall be of no further force or effect (without prejudice to any previous exercise of the authorities granted thereby).

SPECIAL RESOLUTIONS

13. THAT, subject to the passing of Resolution 12 above:

- (a) the directors of the Company be, and are hereby, empowered pursuant to section 95 of the Companies Act 1985 to allot equity securities (as defined in section 94 of the Companies Act 1985) for cash as if section 89(1) of that Act did not apply to such allotment, provided that the power conferred by this Resolution shall be limited to:
 - (i) any allotment of equity securities in connection with a rights issue, being an offer of equity securities to (1) the holders (other than the Company) of Ordinary Shares in the capital of the Company on the relevant register on a fixed record date in proportion (as nearly as may be) to their respective holdings of Ordinary Shares (for which purpose holdings in certificated and uncertificated form may be treated as separate holdings) and (2) other persons so entitled by virtue of the rights attaching to any other securities held by them, but subject in both cases to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to fractional entitlements or record dates or legal or practical problems under the laws of any territory or the requirements of any recognized regulatory body or stock exchange); and

16. THAT, the Memorandum and Articles of Association of the Company be amended so as to be in the form of the Memorandum and Articles of Association produced to the AGM and initialled by the Executive Chairman for the purposes of identification.
