CALCULATION OF REGISTRATION FEE

Title of securities to be registered	Amount to be registered(1)	Proposed maximum offering price per share(2)	Proposed maximum aggregate offering price	Amount of registration fee(3)
---	----------------------------------	--	---	-------------------------------------

Common Stock, par value \$0.0001 per share, issuable under the Long-Term Incentive Plan	280,000	\$6.52	\$1,825,600	\$71.75
---	---------	--------	-------------	---------

- (1) Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the "Securities Act"), this Registration Statement registers such indeterminate number of additional shares of Common Stock as may be issued in connection with shares splits, share dividends or similar transactions.
- (2) Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(h) promulgated under the Securities Act. The offering price per share and aggregate offering price are based upon the average of the high and low prices for the Common Stock as reported on the NASDAQ Capital Market on June 4, 2008, in accordance with Rule 457(c) of the Securities Act.
- (3) In accordance with Rule 457, the registration fee associated with 107,620 shares (as adjusted to reflect all stock splits and stock dividends to date) previously registered under the Amended 2001 Incentive Plan on Registration Statement No. 333-144474 filed with the Securities and Exchange Commission (the "Commission") on July 11, 2007 and the 2001 Incentive Plan on Registration Statement No. 333-121958 filed with the Commission on January 11, 2005 (the "Plan") is being carried forward from such Registration Statements. In connection with the Registration Statements, total registration fees of \$418.01 were previously paid with respect to 107,620 shares being registered hereunder. Pursuant to Interpretation 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Division of Corporation Finance of the Commission (July 1997) and Instruction E to the General Instructions to Form S-8, the registrant has carried forward such registration fees. As a result of the carry forward, no registration fee will be paid with this filing and the registrant will have \$346.26 of registration fees eligible for future registrations.

Concurrently with its filing of this registration statement, the registrant is filing a post-effective amendment to Registration Statement No. 333-144474 to deregister 107,620 shares of Common Stock registered under this Plan.

EXPLANATORY NOTE

This Registration Statement on Form S-8 is being filed for the purpose of registering 280,000 shares of Lime Energy Co.'s common stock to be issued pursuant to the Lime Energy Co. 2008 Long-Term Incentive Plan that was approved by our shareholders on June 4, 2008.

PART I

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

As permitted by the rules of the Securities and Exchange Commission (the "Commission"), this Registration Statement omits the information specified in Part I of Form S-8. The documents containing the information specified in Part I will be delivered to the participants in the plan as required by Rule 428(b)(1) under the Securities Act. Such documents are not being filed with the Commission as part of this Registration Statement or as a prospectus or prospectus supplement pursuant to Rule 424. These documents and the documents incorporated by reference in this Registration Statement pursuant to Item 3 of Part II hereof, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference

Lime Energy Co. ("Lime Energy" or the "Company") hereby incorporates by reference into this Registration Statement the following documents filed with the Commission:

- (a) The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007;
- (b) The Company's Quarterly Report of Form 10-Q for the quarter ended March 31, 2008;
- (c) The Company's Current Reports on Form 8-K filed on January 18, 2008; January 28, 2008; February 21, 2008, as amended; March 3, 2008; March 14, 2008, as amended; March 31, 2008; and May 15, 2008;
- (d) The description of the Company's Common Stock, \$0.0001 par value per share, contained in the Company's Registration Statement on Form 8-A filed on February 21, 2008 (file no. 001-16265), including any amendment or report filed for the purpose of updating such description.

In addition, all documents and reports subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered have been sold, or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The legal validity of the issuance of the shares of Common Stock offered under this Registration Statement has been passed upon by Reed Smith LLP.

Item 6. Indemnification of Directors and Officers.

Article VIII of our amended and restated by-laws specifies that we shall indemnify our directors, officers, employees and agents to the full extent that such right of indemnity is permitted by law. This provision of the By-laws is deemed to be a contract between Lime Energy and each director and officer who serves in such capacity at any time while such provision and the relevant provisions of the Delaware General Corporation Law are in effect, and any repeal or modification thereof shall not offset any right to indemnification in respect of action, suit or proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts. The amendment or repeal of such provision of the By-laws may be effected by the affirmative vote of the holders of a majority in interest of all outstanding shares of our capital stock entitled to vote, in person or by proxy, at any annual or special meeting in which a quorum is present. The By-laws may also be amended, adopted or repealed in whole or in part by actions of the majority of the whole board of directors.

Section 102(b)(7) of the Delaware General Corporation Law enables a corporation in its certificate of incorporation to limit the personal liability of members of its board of directors for violation of a director's fiduciary duty of care. This section does not, however, limit the liability of a director for breaching his or her duty of loyalty, failing to act in good faith, engaging in intentional misconduct or knowingly violating a law, authorizing unlawful payments of dividends or unlawful redemptions or stock purchases as contemplated by Section 174 of Delaware General Corporation Law, or from any transaction in which the director derived an improper personal benefit. This section also will have no effect on claims arising under the federal securities laws.

Our certificate of incorporation, as amended, limits the liability of our directors as authorized by Section 102(b)(7). To amend such provisions would require the affirmative vote of the holders of a majority of the voting power of all outstanding shares of our capital stock.

We have obtained liability insurance for the benefit of its directors and officers which provides coverage for losses of directors and officers for liabilities arising out of claims against such persons acting as our directors or officers (or any of our subsidiaries) due to any breach of duty, neglect, error, misstatement, misleading statement, omission or act done by such directors and officers, except as prohibited by law.

The limitation of liability and indemnification provisions in our certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against our directors and officers for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions. At present, there is no pending litigation or proceeding involving any of our

directors, officers or employees for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 8. Exhibits.

See Exhibit Index, which is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - i. To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - ii. To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;
 - iii. To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where

applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to officers, directors, and controlling persons of the registrant pursuant to the registrant's certificate of incorporation or by-laws, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
