Item 1.01 Entry into a Material Definitive Agreement

On April 6, 2005, Progress Software Corporation entered into an agreement and plan of merger with Apama Inc., a Delaware corporation, PSC Merger Corp., a Delaware corporation and wholly owned subsidiary of Progress, and certain stockholders of Apama Inc.

The merger agreement was unanimously approved by the boards of directors of both companies and was also approved by the stockholders of Apama.

Pursuant to the merger agreement, Progress acquired Apama through a merger of PSC Merger Corp. with and into Apama for an aggregate purchase price of approximately \$25 million, net of cash acquired. The merger was completed on April 6, 2005 immediately after execution of the merger agreement. Apama is the surviving corporation of the merger and is now a wholly owned subsidiary of Progress. The purchase price was determined through arm's-length negotiation among the parties. The source of the funds for this acquisition was Progress' existing working capital.

Apama, which becomes part of Progress' s ObjectStore operating unit, is a technology provider that brings real-time technology or event stream processing to the financial industry.

In connection with the acquisition, Progress is granting stock options to purchase 135,000 shares of common stock of Progress to 16 Apama employees who joined Progress as a result of the acquisition. In addition, Progress is implementing an employee retention program by which payments will be made over the next twelve months to Apama employees, if they meet certain employment criteria. If all retention criteria are met, Progress will be obligated to pay a total of \$4.0 million in retention payments.

The description of the merger agreement contained in this current report on Form 8-K does not purport to be complete and is qualified in its entirety by reference to the merger agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated by reference in its entirety herein. A copy of the press release issued by Progress on April 6, 2005 announcing the completion of the acquisition is attached hereto as Exhibit 99.1.
