ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

## Edgar Filing: LINDSAY MANUFACTURING CO - Form 8-K

On September 7, 2004, Lindsay Manufacturing Co. (the "Company") issued a press release updating its outlook for fiscal 2004 ended August 31, 2004. A copy of the press release is furnished herewith as Exhibit 99.1.

The information contained in this Current Report under Item 2.02, including the exhibit referenced in Item 9.01 below, is being "furnished" pursuant to "Item 2.02. Results of Operations and Financial Condition" of Form 8-K and, as such, shall not be deemed to be "filed" for the purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in Item 2.02 of this Current Report shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

### ITEM 2.06. MATERIAL IMPAIRMENTS.

The Company will report a charge against earnings of approximately \$850,000 (pretax) in the quarter ended August 31, 2004 resulting from the insolvency and liquidation of a Kansas irrigation equipment dealer in which the Company held a minority interest.

On August 31, 2004, the Company concluded that it will incur bad debt expense of approximately \$600,000 (pretax) on trade receivables due to it from the dealership. This impairment represents the amount of trade receivables in excess of bad debt reserves previously established by the Company. On August 30, 2004, assets of the dealership were sold at auction and the proceeds were applied in part to the Company's trade receivables and, in part, to the dealership's obligations under bank loans. Results of the auction were available on August 31, 2004, at which time the Company determined the magnitude of the impairment charge on its trade receivables. The impairment charge on trade receivables will not result in future cash expenditures by the Company.

In addition to the impairment of these trade receivables, the Company expects to make cash payments of approximately \$250,000 (pretax) on its guarantee of certain bank loans relating to the dealership.

The Company did not recognize an impairment charge on its minority interest in the dealership since it had previously eliminated its investment in the dealership to reflect the Company's allocable share of losses incurred by the dealership.

### ITEM 9.01. FINANCIAL STATEMENTS AND EXHIBITS.
