PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Koger Equity, Inc. for use at the 2004 Annual Meeting of shareholders to be held on Thursday, June 3, 2004 at 9:00 a.m. local time, and at any adjournments or postponements of the Annual Meeting. The meeting will take place at the Boca Raton Marriott, 5150 Town Center Circle, Boca Raton, Florida. This proxy statement, accompanying proxy card and the Koger Equity 2003 Annual Report, which includes our financial statements, are first being mailed to holders of our common shares on or about April 28, 2004.

This proxy statement summarizes the information you need to know to vote at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may follow the voting instructions on the enclosed proxy card. In this proxy statement, Koger Equity, Inc. is generally referred to as We, Koger Equity or the Company.

The attached proxy card indicates the number of shares of common stock of Koger Equity that you own. In this proxy statement, outstanding shares of Koger Equity common stock are sometimes referred to as the Shares.

**QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING
AND RELATED PROXY MATERIALS**

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because you owned Shares at the close of business on the March 26, 2004 record date for the Annual Meeting. This proxy statement describes matters on which we would like you, as a shareholder, to vote. It also gives you information on these matters so that you can make an informed decision.

When you sign and return the proxy card or vote by telephone or over the Internet, you appoint Thomas J. Crocker, Victor A. Hughes, Jr. and James C. Teagle, and each of them individually, as your representatives at the meeting. Messrs. Crocker, Hughes and Teagle will vote your Shares at the Annual Meeting as you have instructed them on the proxy card or via the telephone or Internet vote. This way, your Shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return the enclosed proxy card in advance of the Annual Meeting just in case your plans change. Returning the proxy card will not affect your right to attend the Annual Meeting and vote.

If a matter comes up for vote at the Annual Meeting that is not described in this proxy statement or listed on the proxy card, Messrs. Crocker, Hughes and Teagle will vote your Shares, under your proxy, in their discretion.

Table of Contents

What is being voted on at the Annual Meeting?

At the Annual Meeting, shareholders entitled to vote will act upon the following matters as set forth in the accompanying notice of meeting:

the election of all of the Directors;

the ratification of Deloitte & Touche LLP as the Company's independent accountants;

the proposed amendment to the Company's amended and restated articles of incorporation to effect the change of the Company's name to CRT Properties, Inc.; and

any other matters that may properly come before the meeting.

Who is entitled to vote?

All holders of record of Shares at the close of business on March 26, 2004 are entitled to receive notice of the Annual Meeting and to vote the Shares held by them on the record date. Each outstanding Share entitles its holder to cast one vote for each matter to be voted upon. Holders of our 8 1/2% Series A Cumulative Redeemable Preferred Stock are not entitled to vote at the Annual Meeting.

May I attend the meeting?

All holders of record of the Shares at the close of business on the record date, or their designated proxies, are entitled to attend the Annual Meeting.

What constitutes a quorum in order to hold and transact business at the Annual Meeting?

Consistent with state law and the Company's by-laws, the presence, in person or by proxy, of holders of at least a majority of the total number of Shares entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. As of the record date, there were 26,837,085 Shares outstanding and entitled to vote at the Annual Meeting. Shares held of record by shareholders or their nominees who do not vote by proxy or attend the Annual Meeting in person will not be considered present or represented at the Annual Meeting and will not be counted in determining the presence of a quorum. Proxies that withhold authority or reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present. Broker non-votes are proxies received from brokerage firms or other nominees holding Shares on behalf of their clients who have not been given specific voting instructions from their clients and that are not voted or are not permitted to be voted by brokerage firms or nominees. See "Will my Shares be voted if I do not sign and return my proxy card?"

How do I vote?

Voting by Holders of Shares Registered in the Name of a Brokerage Firm, Bank or Other Nominee. If your Shares are held by a brokerage firm, bank or other nominee (i.e., in street name), you will receive directions from your nominee that you must follow in order to have your Shares voted. Street name shareholders who wish to vote in person at the Annual Meeting will need to obtain a proxy form from the brokerage firm or other nominee that holds their Shares of record.

Voting by Holders of Shares Registered Directly in the Name of the Shareholder. If you hold your Shares in your own name as a holder of record, you may vote in person at the Annual Meeting or instruct the proxy holders named in the enclosed proxy card how to vote your Shares by:

Internet: You can go to the website address shown on the proxy card and vote over the Internet;

Telephone: You can use the toll-free telephone number shown on the proxy card; or

Edgar Filing: KOGER EQUITY INC - Form PRE 14A

Mail: You can mark, sign, date and return the proxy card in the postage-paid envelope that we have provided to you. Please note that if you vote over the Internet or by telephone, you do not need to return your proxy card.

Table of Contents

All valid proxies received and not revoked prior to the Annual Meeting will be voted in accordance with the shareholders' instructions.

What are the Board's recommendations?

If no instructions are indicated on your valid proxy, the representatives holding proxies will vote in accordance with the recommendations of the Board of Directors. In summary, the Board of Directors recommends a vote:

FOR the election of each of the seven nominees for Director;

FOR the ratification of Deloitte & Touche LLP as the Company's independent accountants; and

FOR the adoption of the proposed amendment to the Company's amended and restated articles of incorporation to effect the change of the Company's name to CRT Properties, Inc.

Will other matters be voted on at the Annual Meeting?

We are not aware of any other matters to be presented at the Annual Meeting other than those described in this proxy statement. If any other matters not described in the proxy statement are properly presented at the meeting, proxies will be voted in accordance with the best judgment of your proxy holders.

Will my vote be confidential?

We keep all the proxies, ballots and voting tabulations private as a matter of practice. We only let our Inspectors of Election, representatives of Wells Fargo Bank, N.A. and certain employees of our independent tabulating agent, Morrow & Co., Inc., examine these documents. The Inspectors of Election will not disclose your vote to management unless it is necessary to meet legal requirements. The Inspectors of Election will, however, forward to management any written comments you make, on the proxy card or elsewhere.

Can I revoke or change my proxy instructions?

You may revoke or change your proxy at any time before it has been exercised by:

voting by telephone or over the Internet at a later date or sending in another proxy card with a later date;

notifying the Secretary of the Company at 225 NE Mizner Boulevard, Suite 200, Boca Raton, Florida 33432 in writing before the Annual Meeting that you have revoked your proxy; or

appearing in person and voting by ballot at the Annual Meeting.

Any shareholder of record as of the record date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence of a shareholder at the Annual Meeting without further action will not constitute revocation of a previously given proxy.

What vote is required to elect the Directors?

The election of Directors will be determined by a plurality of the votes cast at the Annual Meeting if a quorum is present. This means that the seven nominees receiving the highest number of "yes" votes will be elected as Directors. Votes may be cast FOR or WITHHELD FROM each nominee. Votes cast FOR the nominees will count as "yes" votes; votes that are WITHHELD FROM the nominees will be excluded entirely from the vote and will have no effect.

Table of Contents

What vote is required to approve the other proposals?

Under state law and the Company's by-laws, the affirmative vote of a majority of all the votes cast at the Annual Meeting is required to approve proposals to (i) ratify Deloitte & Touche LLP as the Company's independent accountants and (ii) adopt the amendment to the Company's amended and restated articles of incorporation to effect the change of the Company's name to CRT Properties, Inc. This means that, assuming a quorum is present, the number of "yes" votes cast at the meeting for the proposal must exceed the number of "no" votes cast at the meeting in order for this proposal to be approved. Votes may be cast FOR or AGAINST this proposal. Votes cast FOR the proposal will count as "yes" votes and votes cast AGAINST the proposal will count as "no" votes. Both "yes" votes and "no" votes are counted as votes cast. Neither abstentions nor broker non-votes are treated as votes cast under Florida law.

Will my Shares be voted if I do not sign and return my proxy card?

If your Shares are held in "street name" and you fail to give instructions as to how you want your Shares voted, such failure is sometimes called a "non-vote," the brokerage firm, bank or other nominee who holds Shares on your behalf may in certain circumstances, but is not required to, vote your Shares in their discretion.

With respect to routine matters, such as the election of Directors, ratification of independent accountants and certain other matters, including the proposed amendment of the Company's amended and restated articles of incorporation to change the Company's name, a brokerage firm or other nominee has authority under the NYSE rules to vote its clients' Shares if the clients do not provide instructions. When a brokerage firm or other nominee votes its clients' Shares on routine matters without receiving voting instructions, these Shares are counted both for establishing a quorum to conduct business at the Annual Meeting and for determining the number of Shares voted FOR or AGAINST such routine matters.

If you do not vote your proxy, your brokerage firm or other nominee may either:

vote your Shares on the routine matters presented in Proposals 1, 2 and 3; or

leave your Shares unvoted altogether.

We encourage you to provide instructions to your brokerage firm or other nominee by voting your proxy. This action ensures that your Shares will be voted at the meeting.

What other information should I review before voting?

Our 2003 Annual Report, including financial statements for the fiscal year ended December 31, 2003, is included in the mailing with this proxy statement. The Annual Report, however, is not part of the proxy solicitation material. A copy of our Annual Report filed with the Securities and Exchange Commission (the "SEC") on Form 10-K, including the financial statements and the financial statement schedules, may be obtained without charge by:

writing to the Secretary of the Company at the following address: 225 NE Mizner Boulevard, Suite 200, Boca Raton, Florida 33432;

accessing the EDGAR database at the SEC's website at www.sec.gov;

going to Koger Equity's website at www.koger.com; or

contacting the SEC by telephone at (800) SEC-0330.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will publish the final results in our quarterly report on Form 10-Q for the second quarter of 2004. This quarterly report is required to be filed with the SEC by August 9, 2004. A copy of this quarterly report may be obtained without charge by any of the means outlined above for obtaining a copy of the Annual Report on Form 10-K.

Table of Contents

What is householding?

The SEC rules allow for householding, which is the delivery of a single proxy statement and annual report to shareholders to an address shared by two or more shareholders. This delivery method is referred to as householding. A single copy of the Annual Report and of the proxy statement will be sent to multiple shareholders who share the same address unless the Company has received contrary instructions from one or more of the shareholders.

If you prefer to receive a separate copy of the proxy statement or the Annual Report, please write to Investor Relations, Koger Equity, Inc., 225 NE Mizner Boulevard, Suite 200, Boca Raton, Florida 33432 or telephone our Investor Relations Department at (561) 395-9666, and we will promptly send you separate copies. If you are currently receiving multiple copies of the proxy statement and Annual Report at your address and would prefer to receive only a single copy of each to be delivered thereto, you may contact the Company at the address or telephone number provided above.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

The Board of Directors

The Board of Directors is currently comprised of seven members. The Board of Directors oversees the business and affairs of Koger Equity and monitors the performance of management. In accordance with corporate governance principles, the Board does not involve itself in day-to-day operations. The Directors keep themselves informed through discussions with the Chairman, key executive officers and the Company's principal external advisers (legal counsel, auditors, investment bankers and other consultants), by reading reports and other materials that are sent to them and by participating in Board and committee meetings.

The Board of Directors has determined that the following members of the Board, which constitute a majority thereof, are independent, as that term is defined under the independence standards of the New York Stock Exchange: Messrs. Aloian, Bishop, Hiley, Hughes, Staudter and Teagle. The Board has adopted categorical standards to assist it in making determinations of independence. All Directors identified as independent in this proxy statement meet these standards. A copy of these standards is included in paragraph 3 of the Guidelines which are available on the Company's website at www.koger.com under the Investor Relations section.

Under the Guidelines, Directors are expected to attend all meetings of the Board of Directors and all meetings of Board committees on which they serve. The independent Directors meet in executive session with no members of management present prior to each regularly scheduled meeting of the Board of Directors. The Board of Directors met seven times in 2003. Each of the Directors attended at least 75% of the Board of Directors meetings and meetings held by committees of the Board of Directors of which they were members.

Director Attendance at Annual Meeting

The Board has determined that it is in the best interest of the Company for all members of the Board of Directors to attend the Annual Meeting of shareholders. All of the Company's Directors attended the 2003 Annual Meeting of shareholders.

Committees of the Board

The Audit Committee. The purpose of the Audit Committee is to (i) assist the Board in fulfilling its responsibility to oversee management in (a) the conduct of the Company's financial reporting process, including overseeing the integrity of the financial statements and other financial information provided by the Company to any governmental or regulatory body, the public or other users thereof, (b) the Company's compliance with legal and regulatory requirements, (c) independent auditors' qualifications and independence, (d) the performance of the Company's internal audit function and its systems of internal

accounting and financial controls, and (e) the Company's Code of Business Conduct and Ethics as established by the Board and (ii) prepare the Audit Committee report required to be included in the Company's annual proxy statement. In addition, the responsibilities of the Audit Committee are further described in its Charter. The Audit Committee is presently composed of: George F. Staudter, Chairperson and Audit Committee Financial Expert under SEC rules, Benjamin C. Bishop, Jr. and D. Pike Aloian.

The Board of Directors has determined that (i) each of the Audit Committee members is independent, as that term is defined under the enhanced independence standards for audit committee members in the Securities Exchange Act of 1934 and rules thereunder, as amended, as incorporated into the listing standards of the New York Stock Exchange; and (ii) each of the Audit Committee members is financially literate as such qualification is interpreted in the Board's business judgment. The functions of the Audit Committee are further described under "Report of the Audit Committee" beginning on page 25 of this proxy statement.

The Audit Committee met eleven times in 2003 and members of the Audit Committee consulted with the officers of the Company, the firm which provides internal audit services and the independent auditors at various times throughout the year. On February 26, 2004, the Board of Directors adopted a new Charter for the Audit Committee, which is attached as Appendix A to this proxy statement, and which may be found on the Company's website at www.koger.com under the Investor Relations section.

The Compensation Committee. The Compensation Committee is responsible for (i) determining appropriate compensation levels for the Company's executive officers; (ii) evaluating officer and Director compensation plans, policies and programs; (iii) reviewing benefit plans for officers and employees; and (iv) producing an annual report on executive compensation for inclusion in the proxy statement. The Compensation Committee is presently composed of: Benjamin C. Bishop, Jr., Chairperson, D. Pike Aloian, and George F. Staudter. The Board of Directors has determined that each of the Compensation Committee members is independent as that term is defined in the listing standards of the New York Stock Exchange. The Compensation Committee's Report on Executive Compensation begins on page 20 of this proxy statement. The Compensation Committee also reviews, approves and administers the Company's incentive compensation plans and equity-based compensation plans and has sole authority for awards under such plans, including timing, pricing and amount. The Compensation Committee also reviews and recommends to the Board for approval the compensation of Directors. The Compensation Committee met fourteen times during 2003. On February 26, 2004, the Board adopted a new Charter for the Compensation Committee, which may be found on the Company's website at www.koger.com under the Investor Relations section.

The Nominating and Corporate Governance Committee. The purpose of the Nominating and Corporate Governance Committee is to assist the Board in fulfilling its responsibility to the shareholders, potential shareholders and investment community by (i) identifying individuals qualified to serve as Directors and by selecting, or recommending that the Board select, the nominees for all directorships, whether such directorships are filled by the Board or the shareholders; (ii) developing and recommending to the Board a set of corporate governance guidelines and principles; and (iii) reviewing, on a regular basis, the overall corporate governance of the Company and recommending improvements when necessary. The following Directors are the members of the Nominating and Corporate Governance Committee: D. Pike Aloian, Chairperson, Benjamin C. Bishop, Jr. and George F. Staudter. The Board of Directors has determined that each of the Nominating and Corporate Governance Committee members is independent as that term is defined by the listing standards of the New York Stock Exchange. The Nominating and Corporate Governance Committee has no formal policy with respect to Director recommendations from shareholders or other sources, but will give such recommendations appropriate consideration. The Nominating and Corporate Governance Committee will consider qualified candidates for Director that are nominated by qualified shareholders in accordance with the Company's by-laws. The procedures for Director nomination by a shareholder are discussed below under "Shareholder Recommendations and Nominations" and "Shareholder Proposals." The Nominating and Corporate Governance Committee met two times during 2003. On February 26, 2004, the Board adopted a new Charter for the Nominating and

Corporate Governance Committee, which may be found on the Company's website at www.koger.com under the Investor Relations section.

The Executive Committee. The Executive Committee is presently composed of Victor A. Hughes, Jr., Chairperson, Benjamin C. Bishop, Jr., Thomas J. Crocker and James C. Teagle. Although the Company's business is generally directed by its Board of Directors, the Executive Committee of the Board of Directors, on an interim basis, may act on behalf of the Board to the extent permitted under Florida law. The Executive Committee held no meetings during 2003.

The Finance Committee. The Finance Committee is presently composed of David B. Hiley, Chairperson, D. Pike Aloian, Thomas J. Crocker, Victor A. Hughes, Jr. and James C. Teagle. The Finance Committee reviews and oversees the Company's financial policies and planning, financial position, strategic planning and investments, and financing plans. The Finance Committee also monitors the Company's risk management activities, financial position and recommends changes to the Company's dividend policy and proposed budget. The Finance Committee held twenty meetings in 2003.

Corporate Governance Guidelines

The Board of Directors recently adopted and currently operates pursuant to an established set of written Corporate Governance Guidelines (the Guidelines) that set forth the Company's corporate governance philosophy and the governance policies and practices the Company has implemented in support of that philosophy. The Guidelines set forth the Board's mission to represent the interests of shareholders of the Company in achieving superior and sustainable business performance. The Company is managed under the direction of the Board, with the Board delegating the conduct of the business to the Chief Executive Officer and other senior executives. The Board is responsible for ensuring that the Company has in place a quality senior management team focused on achieving its performance goals.

The Guidelines articulate Board size, composition, independence criteria and general membership criteria. The Guidelines enumerate the procedures for selecting nominees and orienting Directors. The Guidelines require compliance with the New York Stock Exchange rules that require a majority of the Board of Directors to be independent. The Company presently has five board committees: Audit, Executive, Compensation, Finance, and Nominating and Corporate Governance. The Guidelines require all members of the Audit, Compensation, and Nominating and Corporate Governance Committees be independent Directors. The Guidelines do not include any term or age limits for Directors, but require the Nominating and Corporate Governance Committee to formally review each Director's continuation on the Board at the expiration of the Director's term.

The Guidelines limit the number of boards of public companies on which Directors may serve to three or five, with the lower limit applying to Directors engaged full-time in another position. Upon a Director's resignation or retirement from, or termination of, his or her principal current employment, or similar material change in the Director's professional occupation or association, the Director shall notify the Board of such event or change and shall volunteer to resign from the Board. The Board will have an opportunity to review the continued appropriateness of the individual's Board membership and the Nominating and Corporate Governance Committee will make the initial recommendation as to the individual's continued Board membership. The Board encourages Directors to own Koger Equity common stock to enhance alignment of interests of Directors and shareholders.

The Guidelines provide that the Compensation Committee of the Board will evaluate the performance of the Chief Executive Officer on an annual basis, using objective criteria, and will communicate the results of its evaluation to the full Board. The Guidelines also provide that the Nominating and Corporate Governance Committee is responsible for conducting an annual assessment of the performance and effectiveness of the Board, and its standing committees, and individual Directors, and reporting the results of each assessment to the full Board annually.

The Guidelines provide that Board members have complete and free access to the Company's senior management, and can retain, at Company expense, independent advisors or consultants to assist the Board

in fulfilling its responsibilities. It is the general policy of the Board that an independent Director selected by all of the members of the Board shall serve as the Chairman of the Board. If, at any time, the Chairman is deemed not to be independent or should the Chief Executive Officer also hold the title of Chairman, the non-management Directors shall then select a lead independent Director who shall serve in the capacity of Chairman and carry out the duties of the Chairman. The Guidelines also state that it is the Board's policy that the non-management Directors meet in executive sessions not less than quarterly. Generally, those sessions are chaired by the Chairman of the Board, unless the Chairman is deemed not to be independent, in which case the lead independent Director shall chair the executive sessions. During these executive sessions, the Chairman of the Board, or in the alternative the lead independent Director, has the power to lead the meeting, set the agenda and determine the information to be provided. This person can currently be contacted by writing to Koger Equity, Inc., c/o Senior Vice President and General Counsel, 225 NE Mizner Blvd., Suite 200, Boca Raton, Florida 33432. Code of Business Conduct and Ethics

In keeping with the Board's commitment to sound corporate governance, on February 26, 2004, the Board adopted a revised Code of Business Conduct and Ethics (the Code of Ethics), which applies to the Company, its subsidiaries and entities controlled by it and all Company employees, officers and Directors. The Code of Ethics incorporates an effective reporting and enforcement mechanism. The Board has adopted the Company's Code of Ethics as its own standard. The Code of Ethics was prepared to help employees, officers and Directors understand the Company's standard of ethical business practices and to stimulate awareness of ethical issues that may be encountered in carrying out their responsibilities to the Company. The Code of Ethics is included in an employment manual, which is being supplied to all of the Company's employees, officers and Directors, who will be expected to read and acknowledge in writing that they understand the Company's policies in regard to business conduct and ethics. Board members, Company officers and Company employees will certify their compliance with the Code of Ethics on an annual basis.

Availability of Guidelines, Code of Ethics and Committee Charters

The Company's Corporate Governance Guidelines, Code of Business Conduct and Ethics and the charters of the Audit, Compensation, and Nominating and Corporate Governance Committees are available on the Company's website at www.koger.com under the Investor Relations section, and are available in print to any shareholder upon request by writing to the Senior Vice President and General Counsel, Koger Equity, Inc., 225 NE Mizner Blvd., Suite 200, Boca Raton, Florida 33432. The Audit Committee Charter is also attached hereto as Appendix A.

Shareholder Recommendations and Nominations

The Nominating and Corporate Governance Committee Charter does not specifically provide a formal policy with respect to Director recommendations from shareholders. The Board does not believe that a formal policy is necessary because the Nominating and Corporate Governance Committee will give such shareholder recommendations appropriate consideration and because the Company's by-laws provide a means through which shareholders can make Director nominations. Shareholders should submit any such recommendations for the Nominating and Corporate Governance Committee through the method described under Communications with the Board of Directors below. In addition, in accordance with the Company's by-laws, any shareholder entitled to vote for the election of Directors at the applicable meeting of shareholders may nominate persons for election to the Board of Directors if such shareholder complies with the notice procedures set forth in the by-laws and summarized in Shareholders Proposals below.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Introduction

The Board is currently comprised of seven Directors, each of which is elected annually by shareholders at the Annual Meeting. The Board has nominated seven Directors for election at the Annual Meeting. Each nominee is currently serving as one of our Directors. If re-elected, each will hold office until the next Annual Meeting and until their successors have been elected and qualified.

We know of no reason why any nominee may be unable to serve as Director. If any nominee is unable to serve, the Board may propose another nominee or may reduce the number of Directors to be elected. If another nominee is proposed, your proxy may vote your Shares for such nominee. If any Director resigns, dies or is otherwise unable to serve out his term, or the Board increases the number of Directors, the Board may fill the vacancy until the next Annual Meeting of shareholders.

Vote Required

The Directors will be elected by plurality of the votes cast at the Annual Meeting at which a quorum representing a majority of all outstanding Shares of the Company is present and voting, either by proxy or in person. This means that the seven nominees receiving the highest number of votes **FOR** will be elected as Directors.

Recommendation

The Board of Directors recommends a vote **FOR** the election of each of the following nominees. If you do not vote for a particular nominee on your proxy card, your vote will not count either for or against the nominee. Unless instructions are given to the contrary, it is the intention of the persons named as proxies to vote the Shares to which the proxy is related **FOR** the election of each of the nominees.

Stock Purchase Agreements

In 2000, the Company entered into Stock Purchase Agreements (SPAs) whereby it would finance the purchase of up to 500,000 Shares by Mr. Crocker and up to 150,000 Shares by Mr. Onisko. Under the SPAs, the Company was legally committed, before the enactment of the Sarbanes-Oxley Act of 2002 on July 30, 2002, to advance funds for these stock purchases. The Company has no discretion or termination right with respect to its obligations under the SPAs. The Board believes that because the SPAs pre-dated enactment of the Sarbanes-Oxley Act, the SPAs are not prohibited by the Sarbanes-Oxley Act and has been advised by outside counsel to that effect. Nevertheless, the Board is considering alternative compensation arrangements for Mr. Crocker that would replace his SPA. Although Mr. Onisko is no longer employed by the Company, the Company is still obligated to advance funds to him under this agreement.

At December 31, 2003, the Company had loans outstanding to Mr. Crocker of \$3,799,774 (of which \$3,172,694 is non-recourse) and to Mr. Onisko of \$1,291,954 (of which \$1,076,584 is non-recourse) in connection with their purchase of Shares pursuant to their SPAs, all of which was borrowed prior to June 30, 2002. The Supplemental Executive Retirement Plan and Other Retirement Benefits

The Amended and Restated Supplemental Executive Retirement Plan for Executives of Koger Equity, Inc. and Participating Related Entities (the SERP) provides designated key executives with additional retirement benefits. The Compensation Committee of the Board of Directors (the Committee) administers the SERP. The Committee selects the key executives who will be Participants in the SERP and designates the participant category for which the executive will qualify.

Messrs. Hughes, Hiley and Teagle are retired officers of the Company that continue to serve on the Board of Directors. Messrs. Hughes, Hiley and Teagle continue to participate in the Company's medical

insurance program as if they were employees and are vested in all stock options which continue to be exercisable for their original terms. Messrs. Hughes and Hiley continue to receive payments pursuant to the SERP. Currently, Mr. Hughes is being paid an annual SERP benefit of \$134,739 and Mr. Hiley is being paid an annual SERP benefit of \$60,250. Mr. Teagle's other SERP retirement benefits were paid previously in a lump sum in 2000. No current executive officers of the Company are designated participants in the SERP.

Employment Agreements with Messrs. Crocker and Brockwell

The Company currently has employment agreements with each of Mr. Crocker and Mr. Brockwell that will continue in effect until December 31, 2004 and will be extended automatically for additional one-year terms unless either party notifies the other party otherwise at least 90 days prior to the expiration of the applicable term. Pursuant to the agreements, Messrs. Crocker and Brockwell received an initial annual base salary of \$325,000 and \$225,000, respectively. Such salaries are subject to annual review by the Board or the Compensation Committee. Currently, the annual base salaries of Messrs. Crocker and Mr. Brockwell are \$450,000 and \$325,000, respectively. Each such executive is entitled to participate in the Compensation Plan for Senior Officers of the Company (the "Compensation Plan"), pursuant to which he can receive cash bonuses and annual long-term incentive awards in the form of share units.

Upon termination of employment for any reason, each such executive will receive his base salary and incentives earned on or before termination. If (i) Mr. Crocker's employment is terminated by the Company for cause (as defined in his agreement) or voluntarily by Mr. Crocker other than for good reason (as defined in his agreement) or (ii) Mr. Brockwell's employment is terminated by the Company for cause (as defined in his agreement), voluntarily by Mr. Brockwell for any reason (other than for good reason after a change in control as defined in his agreement) or if Mr. Brockwell's employment is terminated due to his death or disability, he will not receive any additional pay or benefits and all unearned and unvested share units will be forfeited.

If the executive's employment is terminated by the Company other than for death, disability or cause or by the executive for good reason (but in Mr. Brockwell's case, only good reason after a change in control), he will receive: (i) two times (but in Mr. Crocker's case in the event of termination by the Company without cause or by Mr. Crocker for good reason in anticipation of, or within twelve months after a change in control, three times) the sum of (a) his annual base salary plus (b) the average annual cash bonus earned for the three preceding calendar years; (ii) a prorated cash bonus under the Compensation Plan for the year of termination, determined and paid at the end of the year as if Mr. Crocker's employment had continued and as if certain target performance levels had been attained; (iii) vesting on outstanding long-term incentive awards as follows: for any performance period ended on or before the termination date, earned but unvested share units will become vested and payable; for any performance period ending after the termination date, the number of share units earned will be determined as if the performance period had ended and will become vested and payable; and (iv) continued participation for the executive and his dependents, through the later of December 31, 2004 or the second anniversary (but in Mr. Brockwell's case, the first anniversary) of his termination date, in all group health plans in which they were participating as of the termination date, on terms and conditions no less favorable than those generally applicable to other participants, with COBRA benefits available thereafter.

If the executive's employment terminates as a result of expiration of the term of the agreement, any outstanding earned but unvested share units will become vested and payable. If the applicable performance period did not end on or before the termination date, the number of share units earned will be determined as if the performance period had ended, and will become vested and payable, except that if the executive provided the notice of non-renewal of the agreement, the number of share units will be prorated based on the total number of days in the shortened performance period relative to the total number of days in the original three-year performance period.

In the event of a change in control while the executive is still employed by the Company, he shall be entitled at his election, to the following with respect to his long-term incentive awards under the

Table of Contents

Compensation Plan: (i) if the applicable performance period ended on or before the change in control, any earned but unvested share units will become vested and payable; (ii) if the applicable performance period did not end on or before the date of such change in control, the number of share units earned will be determined as if the performance period had ended and will become vested and payable.

The Company will make an additional tax gross-up payment to the executive if any payment or benefit made or provided to him would be subject to the excise tax imposed on any excess parachute payments under Section 4999 of the Internal Revenue Code. The agreement also provides certain non-competition provisions that apply during the term of the agreement and for a period of two years thereafter and that generally prohibit the executive from becoming employed in an executive capacity similar to the capacity in which he served the Company for certain similar entities.

Stock Investment Plan

The Company has a Stock Investment Plan (the SIP) pursuant to which participating employees and Directors of the Company may purchase Shares. Under the SIP, the Company is authorized to purchase up to an aggregate of 200,000 Shares on behalf of such participating employees and Directors. Each participating employee pays for his or her Shares pursuant to a monthly payroll deduction plan established by the participating employee, and each participating Director pays for his Shares pursuant to a deduction from such Director's retainer. Investments are made in the SIP after the Company receives funds from the participant.

Under the SIP, the Company contributes a portion of the purchase price of such Shares, which contribution equals the following percentage of the total monthly deduction from such employee's pay or such Director's retainer:

25% of each monthly deduction less than or equal to \$50;

20% of each monthly deduction greater than \$50 but less than or equal to \$100; and

15% of each monthly deduction greater than \$100 but less than or equal to \$2,423.

The Company also pays all commissions and related expenses of the SIP. The Company's contribution and expenses incurred in administering the SIP totaled approximately \$39,100 for the year ended December 31, 2003.

During 2003, the Company contributed the following amounts on behalf of the following Directors:

COMPENSATION COMMITTEE REPORT

ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors administers Koger Equity's executive compensation program. The Compensation Committee has furnished the following report on executive compensation for 2003.

Executive Compensation Philosophy

The Compensation Committee is responsible for setting the total compensation of the Chief Executive Officer (the CEO), the Executive Vice President (EVP), the Senior Vice Presidents (the SVPs) and certain of the Vice Presidents (the VPs). It also reviews the compensation, including year-end bonuses, proposed by management for other officers of the Company. The Compensation Committee has customarily sought and obtained the full Board's ratification of its actions concerning salary increases and bonuses granted to senior officers. The Compensation Committee is also responsible for (i) making grants under the Company's stock option, long term and other incentive plans and (ii) making contributions, subject to approval by the Board of Directors, under the 401(k) Plan and any other plan or plans as may be determined by the Board of Directors.

The Compensation Committee has designed Koger Equity's executive compensation program to support what it believes to be an appropriate relationship between executive pay and the creation of shareholder value. To emphasize equity incentives, we link a significant portion of executive compensation to shareholder total return. The objectives of our program are:

To support a pay-for-performance policy among all senior executives based on both their individual performance and the performance of Koger Equity;

To align the interests of executives with the long-term interests of shareholders through awards whose value over time depends upon the market value of Koger Equity's common stock;

To provide compensation comparable to that offered by other leading companies in our industry, enabling Koger Equity to compete for and retain talented executives who are critical to our long-term success; and

To motivate key executives to achieve strategic business initiatives and to reward them for their achievement.

We compensate our executives through base salary, bonus paid in cash (or a combination of cash and Shares or restricted stock awards), and long-term incentive awards as described below.

We also provide our executives with employee benefits, such as retirement and health benefits. Koger Equity has entered into employment agreements containing change of control provisions with certain of our executive officers to provide for certain payments and other benefits if they are terminated.

In furtherance of the above objectives, the Compensation Committee developed a comprehensive compensation plan for senior officers (the Compensation Plan), which has been adopted by the Company's Board of Directors.

The Compensation Plan

The provisions of the Compensation Plan apply to senior officers of the Company selected to participate in the plan by the Company's Chief Executive Officer (the CEO) and approved by the Compensation Committee.

The Compensation Plan is administered by the Compensation Committee, which determines the salaries to be paid for the current year, the annual cash bonuses to be paid for the prior year, the long-term incentive grants to be provisionally awarded for the current year, and the extent to which long-term incentive grants provisionally awarded three years earlier have been earned. All determinations as to

Table of Contents

bonuses and awards are made by the Compensation Committee, subject to ratification by the Company's Board of Directors (the Board).

The purpose of the Compensation Plan is to align the short and long-term economic interests of senior management with those of the shareholders of the Company. The Compensation Plan consists of three segments: (i) an annual cash salary, (ii) annual incentive compensation in the form of cash bonuses, and (iii) long-term incentive compensation to be awarded annually in Units (the Units) whose pay-out is based on the performance of the Company's common stock over three-year periods of measurement and the Company's performance compared to the real estate investment trusts (REITS) in its peer group.

1. **Annual Cash Salary.** The base salary for each executive selected to participate in the Compensation Plan (a Participant) is determined annually by the Compensation Committee during the first quarter of each year, with the base salary so determined to be made effective retroactive to January 1 of that year. The amount of the base salary for each Participant is based on recommendations of the CEO (with the exception of his own salary). The Compensation Committee also considers peer group salaries for comparable responsibilities, individual performance, etc.

2. **Annual Cash Bonus.** An annual cash bonus is determined by the Compensation Committee based primarily on Company performance and on individual performance in meeting the objectives and goals for the Participant's position. Individual performance may be based on achieving the objectives of the relevant business unit, meeting budgets, individual skills in working with other members of management, special project performance, professional growth, etc.

Provided that specified levels of performance against specified criteria are satisfied, Participants who remain employed through year-end (except as otherwise provided in a Participant's participation letter or employment agreement) earn aggregate bonuses (based on a percentage of their salary for the year of the award) for varying levels of performance, as follows:

Executive	Levels of Performance		
	Threshold	Target	High
CEO	25%	50%	100%
EVP, SVPs & VPs	20%	40%	80%

The aggregate bonus opportunity is allocated among various identified objectives, with bonus amounts payable in respect of performance against each objective determined separately. Performance levels are linear ranging from Threshold through Target to High, not steps.

Cash bonuses are determined based on achieving the weighted objectives. Achievement of the corporate performance objective is measured against the performance of the Office-Suburban REIT (other than the Company) that are included throughout the year in the Morgan Stanley REIT Index, not including those entities considered Mixed-Use by the National Association of Real Estate Investment Trusts (NAREIT), based on calculations of total percentage return (i.e., percentage appreciation/depreciation, over the full year, in the value associated with a share of publicly traded common stock of the Company and of the other REIT, assuming contemporaneous reinvestment in Shares of all dividends and other distributions). Achievement of the business unit performance objectives and the corporate Funds From Operations (FFO) performance objective are measured against budgets approved annually by the Board. The performance targets and measures used to determine achievement of individual performance objectives are determined and measured by the Compensation Committee, in consultation with the CEO, on an annual basis depending on the requirements of the Company at that time.

Bonuses are paid in cash, based on financial statements and other data for the year being measured, and are paid 80% within thirty days of completion by the Company of its unaudited financial statements for the year to which the bonus relates and the Company's budget for the next following year, with the remaining 20% held back pending computations based on the audited financial statements for the Company to confirm the unaudited calculations.

Table of Contents

3. Long-Term Incentive Plan. The Long-Term Incentive Plan (LTI) is an integral part of the Compensation Plan and was effective as of January 1, 2002.

The LTI is designed to reward senior members of management who are Participants for sustained, superior performance by the Company measured over three-year periods. The LTI awards are based on the achievement by the Company of two corporate performance goals, the achievement of which should reflect higher value for the Company's shareholders. These measurements reflect:

absolute Company performance; and

Company performance relative to peer group performance.

Performance levels are linear ranging from Threshold through Target to High, not steps.

A provisional LTI award is made to each Participant in an amount, expressed in Units, based on the salary paid to such Participant in the preceding year. The Compensation Committee meets for the purpose of finalizing each LTI award during the first quarter of the year in which the provisional award is being made. Pay-outs on annual LTI awards will depend on the degree to which specified three-year performance goals are achieved, and on satisfaction of additional vesting requirements, as described below.

Under the first performance goal, which governs 50% of each annual LTI award, the Company's common stock must achieve an annually compounded total percentage return per share, over the three-year period that begins with the year of award, equaling a minimum of 8.5% per year. At that threshold 8.5% level of performance, each Participant will earn 50% of the portion of his/her provisional award that is governed by absolute total percentage return per share. All of this portion of the award will be earned if the annually compounded total percentage return per share is 10% per year, and additional Units can be earned for performance above that level (up to 150% of this portion of the award). Total return per share of the Company's common stock is defined as total appreciation/depreciation over the three-year period that begins on January 1 of the year of award, assuming contemporaneous reinvestment in Shares of all dividends and other distributions, and with starting and ending Share values based on average closing prices for the first ten trading days of the month of January of the year of award and the last ten days of the second year following the calendar year of the award (provided that the starting Share value for provisional awards made in 2002 and 2003 were deemed to be \$16.30 and \$15.50, respectively).

Under the second performance goal, which governs the other 50% of each annual LTI award, the Company's common stock must achieve a total percentage return per Share, over the three-year period that begins on January 1 of the year of grant and ends on December 31 the second year following the year of grant, equal to or higher than the weighted average total percentage return per share over the same three-year period achieved by common shares of Office-Suburban REITs (other than the Company) that are included throughout the three-year period in the Morgan Stanley REIT Index, not including those entities considered Mixed-Use by NAREIT (the Peer Group). If the total percentage return per share of the Company's common stock over the three-year period equals the Peer Group's weighted average total percentage return per share over the same period (the Threshold Return), each Participant will earn 50% of the portion of his/her provisional award that is governed by relative total percentage return per share. All of this portion of the award will be earned if the total percentage return per share over the three years equals 110% of the Threshold Return, and additional Units can be earned for performance above that 110% level (up to 150% of this portion of the award).

Individual provisional awards under the LTI will be calculated as a specific dollar amount and made in the form of Units that are designed to mirror the performance of the Company's common stock. The dollar amount of the award for the CEO is 100% of his/her salary for the prior year. For other Participants, the dollar amount of the award is 80% of his/her salary for the prior year. The dollar amount of the award for each Participant is then divided by the average closing price of the Company's common stock during the first ten trading days of the month of the calendar year of the award (or, in the case of provisional awards made in 2003, \$15.50), with the quotient (rounded to the nearest whole number) being the number of Units awarded to such Participant.

Table of Contents

Each Unit will serve as the provisional economic equivalent of one Share. The provisional value of a Unit at any time will be equal to the value then associated with a Share that was outstanding on January 1 of the year of award, assuming full contemporaneous reinvestment in Shares of all dividends and other distributions made thereon after January 1 of the year of award. For this purpose, the number of Shares deemed acquired upon assumed reinvestment of dividends and other distributions will be based on the closing price of a Share on the first trading day that coincides with, or follows, the date of the distribution.

As soon as practicable following the end of each three-year measurement period, provided the Participant remains employed by the Company through the last day of the three-year measurement period (except as otherwise provided in a Participant's participation letter or employment agreement), the Compensation Committee will determine the number of Units actually earned by each Participant.

Any provisional Units that are not earned for a three-year measurement period will be deemed forfeited.

The Units earned by each Participant, as determined by the Compensation Committee, will be subject to a vesting requirement whereby one-third of the Units will be vested as of the third, fourth and fifth anniversaries of December 31 of the year of the award, with distribution to occur as promptly as reasonably practicable after vesting, subject to any proper deferral election the Participant may previously have made. Each Participant will have the option, upon election in accordance with procedures established by the Company that are designed to reasonably assure the tax-effectiveness of any deferral election, to (i) receive the vested amount in cash, (ii) receive the vested amount in Shares, or (iii) have the vested amount credited to an unfunded deferred investment account established by the Company.

Base Salaries and Bonuses of Executives

The base salaries of our executives approximate the median for salaries of executives in our comparison group. The Compensation Committee awarded bonus compensation for 2003 to each executive based on the executive's scope of responsibility, the specific contributions made by the executive to Koger Equity's performance over all and the performance within the executive's area of responsibility and the CEO's recommendation.

Base Salary and Bonus of the CEO

In arriving at the compensation paid Thomas J. Crocker, the CEO, during 2003, the Compensation Committee considered the outstanding performance of the Company under his leadership as CEO.

For 2003, Mr. Crocker was paid a base salary at the annual rate of \$325,000, the same as was paid in 2002. For 2003, the Compensation Committee determined that Mr. Crocker's contribution to Koger Equity's performance warranted a bonus of \$325,000, payable in cash and was paid after completion of the audit of the Company's books of account for its fiscal year ended December 31, 2003. For 2004, the Compensation Committee approved a base salary for Mr. Crocker totaling \$450,000.

Section 162(m) Limitation

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), generally disallows a federal income tax deduction to public companies for certain compensation over \$1,000,000 paid to Named Officers. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. Having considered the requirements of Section 162(m) of the Code, the Compensation Committee believes that awards made pursuant to its various plans meet such requirements and are, therefore, exempt from the limitations on deductibility. Although the Compensation Committee intends to structure most awards under its plans to comply with Section 162(m), it has reserved and will continue to reserve the right to structure awards that do not comply with that Section where it believes doing so is in the interest of the Company and its shareholders.

Conclusion

The Compensation Committee believes that the compensation packages of the Company's executive officers have been generally commensurate with the Company's financial performance and the total value received by its shareholders. The Compensation Committee intends to continue the review of executive officers' compensation with the assistance of an outside compensation consultant and will make such modifications in its approach to executive compensation as it determines to be appropriate in light of the Company's financial condition, the performance of its officers and peer group analysis.

Separate and specific Audit Committee pre-approval is required to provide a service not listed in the appendices. For any such pre-approval, the Audit Committee considers whether such services are consistent with the SEC's rules on auditor independence. The Audit Committee also considers whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company's business, people, culture, accounting systems, risk profile, and whether the services enhance the Company's ability to manage or control risks and improve audit quality. With respect to each proposed pre-approved service, the independent auditor will provide detailed back-up documentation to the Audit Committee, regarding the specific services to be provided. The pre-approval policy also provides a list of prohibited non-audit services. The Audit Committee will designate the internal auditor or other designees to monitor the services rendered and actual fees paid to the independent auditors to ensure that such services are within the parameters approved by the Audit Committee. INFORMATION ABOUT KOGER EQUITY COMMON STOCK OWNERSHIP

The following sections discuss the beneficial ownership of our Shares by significant shareholders and our officers and Directors. Beneficial ownership is a technical term broadly defined by the SEC to mean more than ownership in the usual sense. For example, an individual beneficially owns Koger Equity common stock not only if the individual holds it directly, but also if the individual indirectly (through a relationship, a position as a director or trustee, or a contract or understanding), has (or shares) the power to vote the stock, or to sell it, or has the right to acquire it within 60 days.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's Directors and executive officers, and persons who have beneficial ownership of more than ten percent (10%) of the Common Stock of the Company to file reports of ownership and changes of ownership with the SEC and the New York Stock Exchange. Copies of all filed reports are required to be furnished to the Company pursuant to Section 16(a).

To the Company's knowledge, based solely on the reports received by the Company and on written representations from reporting persons, the Company believes that the Directors, executive officers and greater than ten percent (10%) beneficial owners complied with all Section 16(a) filing requirements during the fiscal year ended December 31, 2003, except as described below. Mr. Abney filed a Form 4 with the SEC on September 23, 2003 that was due on September 18, 2003. Messrs. Crocker, Brockwell, Amara, Abney, Becker, Aloian, Hiley, Staudter and Bishop did not file Form 4s with respect to their routine monthly purchase of Shares pursuant to the Company's Stock Investment Plan. All of these transactions have been reported on a Form 5 filed by the appropriate reporting individuals. The Form 5 filed by Messrs. Crocker, Brockwell, Amara, Abney, Becker, Aloian, Hiley, Staudter and Bishop related to 33, 30, 6, 11, 11, 32, 30, 32 and 33 routine purchases under the Company's Stock Investment Plan, respectively.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

On January 15, 2004, the Company, through a newly formed subsidiary DownREIT limited partnership, acquired all of the partnership interests in Broward Financial Center in downtown Fort Lauderdale, Florida in a joint venture with an affiliate of Investcorp Properties Limited of New York (Investcorp), for approximately \$60.1 million. The newly formed DownREIT limited partnership entered into a joint venture with Investcorp Properties Limited of New York to make the acquisition, and has a 30% interest in the joint venture. The Company's total investment in this joint venture is \$5.1 million including closing costs and fees. The Company's Chief Executive Officer has a 50% ownership interest in entities which own approximately 14% of the selling partnership. These entities, which the Company's CEO has an interest in, contributed their partnership interests to the newly formed DownREIT in exchange for 97,948 DownREIT limited partnership units. The transaction was approved by the independent Directors and the pricing terms were determined by Investcorp.

During 2000, the Company entered into a management agreement (the Agreement) with Crocker Realty Trust (CRT) of which Mr. Crocker was the Chairman of the Board and Chief Executive Officer owning 2.8% of the outstanding CRT shares, Mr. Onisko was the Treasurer and Chief Financial Officer owning 0.2% of the outstanding CRT shares, Mr. Becker was a Vice President owning 0.3% of the outstanding CRT shares, and Mr. Brockwell was a Vice President owning 0.2% of the outstanding CRT shares. The Agreement provided that the Company be paid a management fee for managing the properties

Table of Contents

of CRT based on the value of CRT's assets. The Agreement was terminable by either party upon 90 days written notice. During 2003, the Company earned fees totaling \$84,000 under the Agreement. The terms of the Agreement were approved by a committee of the Company's Board of Directors whose members were not affiliated with CRT, and who determined that such terms were similar to those that could be obtained from an unaffiliated third party. The Agreement was terminated in May 2003.

In 2000, the Company entered into stock purchase agreements (SPA) whereby it would finance the purchase of up to 500,000 Shares by Mr. Crocker and up to 150,000 Shares by Mr. Onisko. Under the SPAs, the Company was legally committed, before the enactment of the Sarbanes-Oxley Act of 2002 on July 30, 2002, to advance funds for these stock purchases. The Company has no discretion or termination right with respect to its obligations under the SPAs. The Board believes that because the SPAs pre-dated enactment of the Sarbanes-Oxley Act, the SPAs are not prohibited by the Sarbanes-Oxley Act and has been advised by outside counsel to that effect. Nevertheless, the Board is considering alternative compensation arrangements for Mr. Crocker that would replace his SPA. Although Mr. Onisko is no longer employed by the Company, the Company is still obligated to advance funds to him under this agreement.

At December 31, 2003, the Company had loans outstanding to Mr. Crocker of \$3,799,774 (of which \$3,172,694 is non-recourse) and to Mr. Onisko of \$1,291,954 (of which \$1,076,584 is non-recourse) in connection with their purchase of Shares pursuant to their SPAs, all of which was borrowed prior to June 30, 2002. The above indebtedness is secured by a pledge of the Shares purchased and bears interest at a rate of 150 basis points over the applicable LIBOR rate. Interest is paid quarterly and is current under this indebtedness. In 2000, Messrs. Crocker and Onisko acquired 302,495 Shares and 100,831 Shares, respectively, under the SPAs. In 2002, Messrs. Crocker and Onisko acquired 17,875 Shares and 1,659 Shares, respectively, under the SPAs. Neither Mr. Crocker nor Mr. Onisko purchased Shares under the SPAs in 2001 or 2003. For fiscal 2003, Mr. Crocker paid \$114,860 and Mr. Onisko paid \$37,522 in interest pursuant to their SPAs.

PROPOSAL NO. 2

RATIFICATION OF THE SELECTION OF INDEPENDENT ACCOUNTANTS

Introduction

The Audit Committee has selected Deloitte & Touche LLP as the Company's independent accountants for the fiscal year ending December 31, 2004 and has further directed that management submit the selection of independent accountants for ratification by the shareholders at the Annual Meeting. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Shareholder ratification of the selection of Deloitte & Touche LLP as the Company's independent accountants is not required by the Company's by-laws or otherwise. However, the Company is submitting the selection of Deloitte & Touche LLP to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of the Company and its shareholders.

Vote Required

The affirmative vote of a majority of the votes cast at the Annual Meeting at which a quorum is present and voting, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

Recommendation

Your Board recommends a vote FOR the ratification of the selection of Deloitte & Touche LLP, and proxies received will be so voted unless shareholders specify a contrary choice in their proxies.

PROPOSAL NO. 3

APPROVAL OF AMENDMENT OF

**THE COMPANY S AMENDED AND RESTATED
ARTICLES OF INCORPORATION**

Introduction

The purpose of the amendment to the Company s Amended and Restated Articles of Incorporation (Articles of Incorporation) is to change the Company name from Koger Equity, Inc. to CRT Properties, Inc. In all other respects, the terms and provisions of the Articles of Incorporation will remain unaltered. Additionally, if this proposal is approved, the corporate structure of the Company would remain the same.

The Company believes that it is in the Company s best interest to amend Article I of Articles of Incorporation to read as follows (without quotes):

Article I Name

The name of the Company is CRT PROPERTIES, INC. (the Company).

Reasons for the Amendment

The Board of Directors and management of the Company believe changing the Company s name will (i) enhance the Company s stature and reputation in the commercial real estate industry and in the investment community; (ii) recognize the fact that the Company is no longer investing in commodity type suburban office projects that historically comprised Koger Equity s portfolios (iii) signal the Company s continuing strategy to acquire dominant Class A properties in major Southeastern U.S., Texas and suburban Washington, D.C. markets; and (iv) validate the Company s new management team and operating platform.

The name change will not affect the validity or transferability of currently outstanding stock certificates, and shareholders will not be requested to surrender for exchange any certificates presently held by them. The Company expects to change its NYSE trading symbol in connection with the name change. The Company has reserved the NYSE trading symbol CRO and expects its common stock to trade under that symbol after the proposed name change is completed.

If shareholder approval of the name change is granted, the Company intends to effect the name change as soon as practicable. However, the Board will retain the discretion to determine when and whether to ultimately effect the name change. The name change will become effective as of the effective date set forth in the Articles of Amendment to the Articles of Incorporation that will be filed with the Florida Department of State. The Company will make a general press release announcement as to the effectiveness of the name change.

Vote Required

The affirmative vote of a majority of the votes cast at the Annual Meeting at which a quorum is present and voting, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

Recommendation

Your Board recommends a vote FOR approval of the amendment of the Company s Amended and Restated Articles of Incorporation, and proxies will be so voted unless shareholders specify a contrary choice in their proxies.

OTHER BUSINESS

It is not anticipated that there will be presented to the Annual Meeting any business other than the matters set forth in the Notice of Annual Meeting attached hereto. As of the date of this proxy statement, the Company was not aware of any other matters to be acted on at the Annual Meeting. If any other business should properly come before the Annual Meeting or any adjournment thereof, the persons named on the enclosed proxy will have discretionary authority to vote such proxy in accordance with their best judgment.

SHAREHOLDER PROPOSALS

Proposals for Inclusion in the Proxy Statement

Proposals of shareholders under SEC Rule 14a-8 that are intended to be presented at the 2005 Annual Meeting must be in writing and received by the Company at its principal executive office by December 29, 2004 for inclusion in the Company's proxy statement and proxy relating to that meeting. Such proposals must also meet the requirements of the rules of the SEC relating to shareholder proposals. Upon receipt of any such proposal, the Company will determine whether or not to include such proposal in the proxy statement and proxy in accordance with regulations governing the solicitation of proxies.

Proposals of a Director Nominee and Related Procedures

In order for a shareholder to nominate a candidate for Director under the Company's by-laws, the shareholder must be entitled to vote for the election of Directors at a shareholders' meeting. The proposing shareholder(s) must provide timely notice of the nomination in proper written form to the Company's Secretary (in the Secretary's absence, the Assistant Secretary) must be received by the Company in advance of the meeting. Additionally, the notice must be accompanied by a petition signed by at least one hundred (100) record holders of the Company's common stock which shows the number of Shares owned by each person signing the petition and which represent in the aggregate one percent (1%) of the outstanding Shares entitled to vote in the election of Directors. To be timely, notice must be delivered to or mailed and received at the Company's principal executive offices not less than 70 nor more than 90 days prior to the 2005 Annual Meeting. In the event that the Company provides less than 70 days' notice or prior public disclosure of the meeting date, to be timely, notice must be received not later than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made.

To be in proper written form, the shareholder filing the notice of nomination must include:

as to each person whom the shareholder proposes to nominate for election as a Director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of Directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, including, without limitation:

- o the name, age, business address and, if known, residence address of such person;
- o the principal occupation or employment of such person;
- o criminal background;
- o the class and number of shares of stock of the Company that are beneficially owned by such person; and
- o the written consent of such person to be named in the proxy statement as a nominee and to serve as a Director if elected.

Table of Contents

as to the shareholder giving the notice:

- o the name and address of such shareholder, as they appear on the Company's stock transfer books; and
- o the number of shares of stock of the Company beneficially owned by such shareholder.

If the presiding officer at any meeting of shareholders determines that a shareholder nomination was not made in accordance with the by-laws, the Company may disregard such nomination.

Proposals of Other Business at the Meeting

In order for a shareholder to bring other business before a shareholder meeting, the shareholder must have given timely notice thereof in writing to the Company's Secretary (or in the Secretary's absence, the Assistant Secretary) and the shareholder must be a shareholder of record at the time such notice is given. To be timely, notice must be delivered to or mailed and received at the Company's principal executive offices not less than 70 nor more than 90 days prior to the 2005 Annual Meeting; provided however, that in the event that the meeting date is not publicly announced by the Company more than 70 days prior to the meeting, notice by the shareholder, to be timely, notice must be delivered not later than the close of business on the tenth day following the day on which such announcement of the date of the meeting was made.

Such notice must include as to each matter proposed to be brought before the meeting:

a brief description of the matter desired to be brought before the Annual Meeting and the reasons for conducting such business at the Annual Meeting;

the name and address as it appears on the Company's stock transfer books of the shareholder proposing such matter;

the class and number of shares of stock of the Company beneficially owned by such shareholder; and

any material interest of such shareholder in such matter.

If the presiding officer at any meeting of shareholders determines that a shareholder proposal was not made in accordance with the by-laws, the Company may disregard such proposal. These requirements are separate from the requirements a shareholder must meet to have a proposal included in the Company's proxy statement.

In addition, if a shareholder submits a proposal outside of Rule 14a-8 for the 2005 Annual Meeting, and the proposal fails to comply with the advance notice procedure prescribed by the by-laws, then the Company's proxy may confer discretionary authority on the persons who have been appointed as proxies on behalf of management to vote on the proposal.

The Company's By-Laws

The foregoing procedures are set forth in the Company's Amended and Restated By-Laws, dated February 17, 2000. The Company's by-laws are available on the Company's website at and on the SEC's website at www.sec.gov as Exhibit 3(b) to the Company's Form 10-Q for the quarter ended September 30, 2000. Any shareholder desiring a copy of the Company's by-laws will be furnished one without charge upon written request to the Company's Secretary.

EXPENSES OF SOLICITATION

The Company will bear the costs of solicitation of proxies. In addition to the use of telephone, Internet or the mails, proxies may be solicited by personal interview, telephone and telegram by Directors, officers and employees of the Company, and no additional compensation will be paid to such individuals. The Company also has retained Morrow & Co., Inc., 445 Park Avenue, New York, New York 10022 to

solicit proxies by mail, personal interview, telephone, or telegraph, for which service the Company anticipates a cost not in excess of \$5,000 plus reasonable out-of-pocket expenses. Arrangements may also be made with the stock transfer agent and with brokerage houses and other custodians, nominees, and fiduciaries that are record holders of Shares for the forwarding of solicitation material to the beneficial owners of Shares. The Company will, upon the request of any such entity, pay such entity's reasonable expenses for completing the mailing of such material to such beneficial owners.

ANNUAL REPORT AND FINANCIAL STATEMENTS

The Company's Annual Report to Shareholders, which includes the Company's Form 10-K, for the fiscal year ended December 31, 2003, which contains financial statements and other information, is being mailed to shareholders with this proxy statement, but it is not to be regarded as proxy soliciting material.

IV. KEY RESPONSIBILITIES

The Committee's primary responsibility is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the independent auditors are responsible for auditing those financial statements. The Committee also recognizes that financial management including the internal audit staff or the employees of the firm engaged to perform the internal audit function for the Company, as the case may be, as well as the outside auditors, have more time, knowledge and more detailed information on the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work. The Committee shall also carry out any other responsibilities assigned to it by the Board of Directors from time to time.
