PROXY STATEMENT

VOTING AND OTHER MATTERS

GENERAL

The enclosed proxy is solicited on behalf of Main Street and Main Incorporated, a Delaware corporation, by our Board of Directors for use at our Annual Meeting of Stockholders to be held at 10:00 a.m. on Tuesday, June 17, 2003, or at any adjournment or adjournments thereof, for the purposes set forth in this proxy statement and in the accompanying notice of annual meeting of stockholders. The meeting will be held at Lon's Restaurant at the Hermosa Inn, 5532 North Palo Cristi Road, Paradise Valley, Arizona.

These proxy solicitation materials are being mailed on or about May 13, 2003, to all stockholders entitled to vote at the meeting.

VOTING SECURITIES AND VOTING RIGHTS

Stockholders of record at the close of business on May 6, 2003, our record date, are entitled to notice of and to vote at the meeting. On the record date, there were issued and outstanding 14,142,000 shares of our common stock.

The presence, in person or by proxy, of the holders of a majority of the total number of shares of our outstanding common stock constitutes a quorum for the transaction of business at the meeting. Each stockholder voting at the meeting, either in person or by proxy, may cast one vote per share of common stock held on all matters to be voted on at the meeting. Assuming that a quorum is present, the seven directors receiving the largest number of "for" votes of common stock of the company present in person or represented by proxy at the meeting and entitled to vote (a plurality) will be elected directors. The affirmative vote of a majority of the outstanding shares of our common stock present in person or represented by proxy at the meeting and entitled to vote is required for (1) the approval of the appointment of KPMG LLP as the independent auditors of the company for the fiscal year ending December 29, 2003, and (2) the approval of any other business that may properly come before the meeting.

Votes cast by proxy or in person at the meeting will be tabulated by the election inspectors appointed for the meeting and will determine whether a quorum is present. The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

VOTING OF PROXIES

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

When a proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted "for" the election of the nominees set forth in this proxy

1

statement; and "for" the ratification of the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 29, 2003.

REVOCABILITY OF PROXIES

You may revoke a proxy at any time before its use by

- * delivering to us written notice of revocation, or
- * delivering to us a duly executed proxy bearing a later date, or
- * attending the meeting and voting in person.

SOLICITATION

We will pay for this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to those beneficial owners. Certain of our directors and officers also may solicit proxies, personally or by telephone or e-mail, without additional compensation.

ANNUAL REPORT AND OTHER MATTERS

Our 2002 Annual Report to Stockholders, which we mailed to you with or preceding this proxy statement, contains financial and other information about the activities of our company but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934. The information contained in the "Compensation Committee's Report on Executive Compensation," "Report of the Audit Committee," and "Performance Graph" shall not be deemed "filed" with the Securities and Exchange Commission or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Exchange Act.

UPON WRITTEN REQUEST, WE WILL PROVIDE A COPY OF OUR ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED DECEMBER 30, 2002, AS FILED WITH THE SEC WITHOUT CHARGE TO EACH REQUESTING STOCKHOLDER OF RECORD AS OF THE RECORD DATE. WE ALSO WILL FURNISH ANY EXHIBITS LISTED IN THE FORM 10-K REPORT UPON REQUEST AT THE ACTUAL EXPENSE WE INCUR IN FURNISHING THE EXHIBIT. YOU SHOULD DIRECT ANY SUCH REQUESTS TO OUR SECRETARY AT OUR EXECUTIVE OFFICES AT 5050 NORTH 40TH STREET, SUITE 200, PHOENIX, ARIZONA 85018.

ELECTION OF CORPORATE DIRECTORS

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Our bylaws authorize the board of directors to appoint among its members one or more committees consisting of one or more directors. The board of directors has appointed an Audit Committee, a Nominating Committee, and a Compensation Committee. The members of the Audit Committee are John C. Metz, Jane Evans, and Wanda Williams. The members of both the Nominating and the Compensation Committees are John F. Antioco, Jane Evans, and Wanda Williams. All of our committee members are independent directors, although John F. Antioco would not be considered independent for service as a member of the Audit Committee by virtue of his stock ownership.

The Audit Committee oversees

- * the hiring and retention of the company's independent auditor and approval of its services to the company;
- * the integrity of the financial reports and other financial information provided by the company to the public, any governmental or regulatory body, or any other user of such financial statements;
- * the company's systems of internal accounting and financial controls;
- * the independence and performance of the Company's internal and external auditors; and

4

- * compliance by the company with external legal and regulatory requirements as well as any legal compliance and ethics programs as may be established by the board and the company's management from time-to-time.

The Compensation Committee makes recommendations to the board of directors concerning remuneration arrangements for senior management and directors. The Nominating Committee identifies individuals qualified to become board members, oversees the selection of board members to its committees, and oversees management continuity planning process. The board of directors has not appointed any other committees.

The board of directors adopted new charters of the Audit, Compensation, and Nominating Committees in its January 2003 board meeting, copies of which are attached at Appendix A, Appendix B, and Appendix C.

Our board of directors held a total of five meetings during the fiscal year ended December 30, 2002. Our Audit Committee met separately at four formal meetings during the fiscal year ended December 30, 2002. Our Compensation Committee met separately at one formal meeting during the fiscal year ended December 30, 2002. Our Nominating Committee was not appointed until March of 2003, and therefore did not meet during the fiscal year ended December 30, 2002. Attendance at meetings by our directors was either in person or telephonically. With the exception of Wanda Williams, no director attended fewer than 75% of the aggregate of (i) the total number of meetings of the board of directors, and (ii) the total number of meetings held by all committees of the board of directors on which such director was a member.

DIRECTOR COMPENSATION

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

Brown, Jr., our Chief Executive Officer, and William G. Shrader, our President and Chief Operating Officer, each of whom is a director of our company. See "Executive Compensation - Employment Agreements."

During 2002, our non-employee directors received \$15,000 in annual compensation plus \$1,000 for each board of directors meeting attended in person and \$500 for each telephonic board of directors meeting. We reimburse our directors' costs and expenses for attending meetings of the board of directors. Directors of our company are eligible to receive stock options and other awards under our 1999 and 2002 Incentive Stock Plans. See "Executive Compensation - 1999 Incentive Stock Plan and 2002 Incentive Stock Plan"

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our directors, officers, and persons that own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. SEC regulations require directors, officers, and greater than 10% stockholders to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of such forms that we received during fiscal 2002 and written representations that no other reports were required, we believe that each person that at any time during the fiscal year was a director, executive officer, or beneficial owner of 10% or more of our common stock complied with all Section 16(a) filing requirements during such fiscal year.

STOCK OPTION PLANS

We have options outstanding under four stock option plans: the 1990 Stock Option Plan, the 1995 Stock Option Plan, the 1999 Incentive Stock Plan, and the 2002 Incentive Stock Option Plan. Each of these plans permit us to grant options that are intended to qualify as incentive stock options under the Internal Revenue Code, as well as nonqualified stock options. These plans also permit us to make other stock-based awards, including grants of shares of common stock and stock appreciation rights, or SARs.

We may grant options and awards under our stock option plans to employees, directors, and independent contractors who provide services to our company. We may grant options that are incentive stock options only to key personnel of our company or our subsidiaries who are also employees of our company or our subsidiaries. The terms and conditions of incentive stock options must be consistent with the qualification requirements set forth in the Internal Revenue Code. The exercise price of all incentive stock options must be at least equal to the fair market value of our common stock on the date of the grant or, in the case of incentive stock options granted to a person who holds 10% or more of the voting power of our stock, at least 110% of the fair market value of our common stock on the date of the grant. The maximum exercise period for which incentive stock options may be granted is ten years (five years in the case of incentive stock options granted to a person who holds 10% or more of the voting power of our stock).

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

To exercise an option, the option-holder will be required to deliver to us full payment of the exercise price for the shares as to which the option is being exercised. Generally, options can be exercised by delivery of cash, check, or shares of our common stock.

SARs will entitle the recipient to receive a payment equal to the appreciation in market value of a stated number of shares of common stock from the price on the date the SAR was granted or became effective to the market value of the common stock on the date first exercised or surrendered. Stock awards will entitle the recipient to receive shares of our common stock directly. Cash awards will entitle the recipient to receive direct payments of cash depending on the market value or the appreciation of our common stock or other securities of our company.

Our board of directors administers our option plans. Our board of directors may delegate all or any portion of its authority and duties under our option plans to one or more committees appointed by our board of directors under such conditions and limitations as our board of directors may from time to time establish. Our board of directors and/or any committee that administers our plans has the authority, in its discretion, to determine all matters relating to awards, including the selection of the individuals to be granted awards, the type of awards, the number of shares of common stock subject to an award, vesting conditions, and any and all other terms, conditions, restrictions, and limitations, if any, of an award.

A maximum of 250,000 shares of common stock were originally available for issuance under the 1990 Plan. The 1990 Plan expired on July 24, 2000, which means that no new options may be granted under the 1990 Plan. As of April 1, 2003, 19,750 shares of common stock have been issued upon exercise of options granted pursuant to the 1990 Plan and there were outstanding options to purchase 88,500 shares of common stock under the 1990 Plan. No incentive awards other than stock options have been granted under the 1990 Plan. Any options granted under the 1990 Plan will remain outstanding until their respective expiration dates or earlier termination in accordance with their respective terms.

A maximum of 325,000 shares of common stock may be issued under the 1995 Plan. As of April 1, 2003, 52,750 shares of common stock have been issued upon exercise of options granted under the 1995 Plan and there were outstanding options to acquire 272,250 shares of common stock under the 1995 Plan. Accordingly, no additional shares remain available for grants under the 1995 Plan. The 1995 Plan will remain in effect until January 8, 2006. The 1995 Plan included an automatic program that provided for the automatic grant of options to non-employee directors of our company. Because there currently is not a sufficient number of shares remaining authorized under the 1995 Plan to permit grants under the automatic program, our board of directors discontinued the automatic program in 1999.

A maximum of 1,000,000 shares of common stock may be issued under the 1999 Plan. The maximum number of shares covered by awards granted to any individual in any year may not exceed 15% of the total number of shares that may be issued under the 1999 Plan. As of April 1, 2003, 78,995 shares of common stock have been issued upon exercise of options granted under the 1999 Plan and there were outstanding options to acquire 921,005 shares of common stock under the 1999

In addition to the employee incentive stock plans, we have issued options for 2,045,000 to executive officers and directors at prices generally equal to or above fair market value at the date of grant, at prices ranging from \$2.00 to \$5.00 per share.

401(k) PROFIT SHARING PLAN

Our qualified 401(k) Profit Sharing Plan was adopted by our board of directors on January 14, 1991, effective as of January 1, 1991, and covers corporate management and restaurant employees. The 401(k) Plan currently provides for a matching contribution equal to 50% of the first 4% of the salary deduction a participant elects to defer as a contribution to the 401(k) Plan. The 401(k) Plan further provides for a special discretionary contribution equal to a percentage of a participant's salary to be determined each year by our company. We also may contribute a discretionary amount in addition to the special discretionary contribution. Contributions to the 401(k) Plan by our company for fiscal 2002 totaled approximately \$257,000.

EMPLOYMENT AGREEMENTS

We are a party to an employment agreement with Bart A. Brown, Jr. with a term through December 31, 2003. The agreement automatically renews for successive one-year terms unless either party terminates by giving the other party at least 60 days' written notice. Mr. Brown's employment agreement

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

provides for him to serve as the Chief Executive Officer of our company. The employment agreement provides for Mr. Brown to receive a minimum salary of \$250,000 per annum and as a result of a discretionary increase from the board of directors, Mr. Brown is currently receiving a salary of \$300,000 per annum. In addition, the employment agreement provides that Mr. Brown will be eligible to receive discretionary bonuses in amounts determined by our board of directors. The employment agreement contains provisions regarding non-competition, non-solicitation of employees, and non-disclosure of confidential information.

The employment agreement provides for Mr. Brown to receive his fixed compensation to the date of the termination of his employment by reason of resignation or as a result of termination of employment "for cause," as defined in the agreement. In the event of the termination of employment by reason of death or disability, the employment agreement provides for the payment of fixed compensation to Mr. Brown for a period of one year from the date of death or disability. If we terminate Mr. Brown's employment other than "for cause" or in the event of any termination of employment following any "change in control" of our company, as defined in the agreement, the employment agreement also provides for Mr. Brown to receive his fixed compensation as if his employment had not been terminated. Section 280G of the Internal Revenue Code may limit the deductibility of such payments for federal income tax purposes. If these payments are not deductible and if we have income at least equal to such payments, an amount of income equal to the amount of such payments could not be offset. As a result, the income that would not be offset would be "phantom income" (i.e., income without cash) to our company. A change in control would include a merger or consolidation of our company, a sale of all or substantially all of our assets, a change in the identity of a majority of the members of our board of directors, or an acquisition of more than 15% of our common stock, subject to certain limitations.

We are a party to an employment agreement with William G. Shrader with a term through December 31, 2004. Mr. Shrader's employment agreement provides for him to serve as the President and Chief Operating Officer of our company. The employment agreement provides for Mr. Shrader to receive a salary of \$300,000 per annum in 2003, which salary shall increase by the amount of \$25,000 in each succeeding year of its term. In addition, the employment agreement provides that Mr. Shrader will be eligible to receive discretionary bonuses in amounts determined by our board of directors. The employment agreement contains provisions regarding non-competition, non-solicitation of employees, and non-disclosure of confidential information.

The employment agreement provides for Mr. Shrader to receive his fixed compensation to the date of the termination of his employment by reason of resignation or as a result of termination of employment "for cause" as defined in the agreement. In the event of the termination of employment by reason of death or disability, the employment agreement provides for the payment of fixed compensation to Mr. Shrader for a period of 18 months from the date of death or disability. If we terminate Mr. Shrader's employment other than "for cause", the agreement provides for Mr. Shrader to receive his fixed compensation as if his employment had not been terminated. In the event of any termination of employment following any "change in control, wherein Mr. Shrader is not offered the same or a better position" in our company, as defined in the agreement, the employment agreement also provides for Mr. Shrader to receive 24 months salary. Section 280G of the Internal Revenue Code may limit the deductibility of such payments for federal income tax purposes. If these payments are not deductible and if we have income at least equal to such payments, an amount of income equal to the amount of such payments could not be offset. As a result, the income that would not be offset would be "phantom income" (i.e., income without cash) to our company.

We are a party to an employment agreement with Michael Garnreiter with a term through March 31, 2005. Mr. Garnreiter's employment agreement provides for

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

him to serve as the Executive Vice President, Chief Financial Officer, and Treasurer of our company. The employment agreement provides for Mr. Garnreiter to receive a salary of \$235,000 per annum in 2003, which salary shall increase by the amount of \$10,000 in each succeeding year of its term. The employment agreement also contains provisions governing the compensation due Mr. Garnreiter in the event of termination of his employment.

LIMITATION OF LIABILITY AND INDEMNIFICATION MATTERS

Our certificate of incorporation and bylaws provide that our company will indemnify and advance expenses, to the fullest extent permitted by the Delaware General Corporation Law, to each person who is or was a director, officer, or agent of our company or who serves or served any other enterprise or organization at the request of our company. Under Delaware law, to the extent that an indemnitee is successful on the merits of a suit or proceeding brought against him or her by reason of the fact that he or she is or was a director, officer, or agent of our company, or serves or served any other enterprise or organization at the request of our company, we will indemnify him or her against expenses (including attorneys' fees) actually and reasonably incurred in connection with such action. If unsuccessful in defense of a third-party civil suit or a criminal suit, or if such suit is settled, an indemnitee may be indemnified under Delaware law against both (a) expenses, including attorneys' fees, and (b) judgments, fines, and amounts paid in settlement if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of our company, and, with respect to any criminal action, had no reasonable cause to believe his or her conduct was unlawful. If unsuccessful in defense of a suit brought by or in the right of our company, where the suit is settled, an indemnitee may be indemnified under Delaware law only against expenses (including attorneys' fees) actually and reasonably incurred in the defense or settlement of the suit if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of our company, except that if the indemnitee is adjudged to be liable for negligence or misconduct in the performance of his or her duty to our company, he or she cannot be made whole even for expenses unless a court determines that he or she is fully and reasonably entitled to indemnification for such expenses. Also under Delaware law, expenses incurred by an officer or director in defending a civil or criminal action, suit, or proceeding may be paid by our company in advance of the final disposition of the suit, action, or proceeding upon receipt of an undertaking by or on behalf of the officer or director to repay such amount if it is ultimately determined that he or she is not entitled to be indemnified by our company. We also may advance expenses incurred by other employees and agents of our company upon such terms and conditions, if any, that our board of directors deems appropriate. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or persons controlling our company pursuant to the foregoing provisions, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended December 31, 2002, our Compensation Committee consisted of John F. Antioco, Jane Evans, John C. Metz, and Debra Bloy. None of these individuals had any contractual or other relationships with us during the fiscal year except as directors and except that Debra Bloy received the sum of \$120,000, pursuant to a consulting agreement entered into when she, as one of the sellers, sold the Bamboo Club restaurant concept to the company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

OVERVIEW AND PHILOSOPHY

Decisions on compensation of our executives are made by the Compensation Committee, consisting of independent members of our board of directors appointed by our board of directors. The board of directors and the Compensation Committee make every effort to ensure that the compensation plan is consistent with our values and is aligned with our business strategy and goals.

Our compensation program for executive officers consists primarily of base salary, bonus, and long-term incentives in the form of stock options. Executives also participate in various other benefit plans, including medical and retirement plans, which generally are available to all employees of our company.

Our philosophy is to pay base salaries to executives at levels that enable us to attract, motivate, and retain highly qualified executives. The bonus program is designed to reward individuals for performance based on our company's financial results as well as the achievement of personal and corporate objectives that will contribute to the long-term success of our company in building stockholder value. Stock option grants are intended to result in minimal or no rewards if our stock price does not appreciate, but may provide substantial rewards to executives as all of our company's stockholders benefit from stock price appreciation.

11

We follow a subjective and flexible approach rather than an objective or formulaic approach to compensation. Various factors receive consideration without any particular weighting or emphasis on any one factor. In establishing compensation for the year ended December 30, 2002, the committee took into account, among other things, our financial results, compensation paid in prior years, and compensation of executive officers employed by companies of similar size in the restaurant industry.

BASE SALARY AND ANNUAL INCENTIVES

Base salaries for executive positions are established relative to our financial performance and comparable positions in similarly sized companies. The committee from time to time may use competitive surveys and outside consultants to help determine the relevant competitive pay levels. We target base pay at the level required to attract and retain highly qualified executives. In determining salaries, the committee also takes into account individual experience and performance, salary levels relative to other positions with our company, and specific needs particular to our company.

Annual incentive awards are based on our financial performance and the efforts of our executives. Performance is measured based on profitability and revenue and the successful achievement of functional and personal goals. We awarded minimal bonuses to some of our executive staff, administrative staff, and operations management staff for their performance during the fiscal year ended December 30, 2002.

STOCK OPTION GRANTS

We believe in tying executive rewards directly to the long-term success of our company and increases in stockholder value through grants of executive stock options. Stock option grants also will enable executives to develop and maintain a significant stock ownership position in our common stock. The amount of options granted takes into account options previously granted to an individual. We granted options to our executive officers during fiscal 2002. See "Executive Compensation - Option Grants".

OTHER BENEFITS

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

Executive officers are eligible to participate in benefit programs designed for all full-time employees of our company. These programs include medical insurance, a qualified retirement program allowed under Section 401(k) of the Internal Revenue Code, and life insurance coverage equal to one times base salary to a maximum of \$50,000.

CHIEF EXECUTIVE OFFICER COMPENSATION

Bart A. Brown, Jr. has served as our Chief Executive Officer since December 16, 1996. In addition, prior to June 2001 he also served as our President. Effective January 1, 1999, we entered into a new employment agreement with Mr. Brown. See "Executive Compensation - Employment Agreements." The board of directors determined Mr. Brown's salary based on a number of factors, including our company's performance, Mr. Brown's individual performance, and salaries paid by comparable companies. Mr. Brown did not receive a bonus in fiscal 2002. See "Executive Compensation - Summary Compensation Table."

DEDUCTIBILITY OF EXECUTIVE COMPENSATION

Section 162(m) of the Internal Revenue Code currently limits the deductibility for federal income tax purposes of compensation paid to our Chief Executive Officer and to each of our other four most highly compensated executive officers. We may deduct certain types of compensation paid to any of these individuals only to the extent that such compensation during any fiscal year does not exceed \$1.0 million. We do not believe that our compensation arrangements with any of our executive officers will exceed the limits on deductibility during our current fiscal year.

Our board of directors has adopted a written charter for the Compensation Committee, which is attached as APPENDIX B.

REPORT OF THE AUDIT COMMITTEE

Our board of directors has appointed an Audit Committee consisting of three directors. All of the members of the committee are "independent" of our company and management, as that term is defined in the Nasdaq listing standards.

The primary responsibilities of the Audit Committee are as follows:

- * to oversee the accounting and financial reporting processes of the company and audits of the financial statements of the company, and
- * to provide assistance to the board of directors with respect to its oversight of:
 - * the integrity of the company's consolidated financial statements;
 - * the company's compliance with legal and regulatory requirements;
 - * the independent auditor's qualifications and independence; and
 - * the performance of the company's internal audit function and

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

independent auditors.

Management has the primary responsibility for the consolidated financial statements and the reporting process, including the systems of internal controls. The independent auditors are responsible for auditing our consolidated financial statements and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles.

In fulfilling its oversight responsibilities, the committee reviewed our audited consolidated financial statements with management and the independent auditors. The committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61. This included a discussion of the auditors' judgments as to the quality, not just the acceptability, of our company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards. In addition, the committee received from the independent auditors written disclosures and the letter required by Independence Standards Board Standard No. 1. The committee also discussed with the independent auditors the auditors' independence from management and our company, including the matters covered by the written disclosures and letter provided by the independent auditors.

The committee discussed with our company's independent auditors the overall scope and plans for their audits. The committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of our company, our internal controls, and the overall quality of our financial reporting.

13

Based on the reviews and discussions referred to above, the committee recommended to the board of directors, and the board approved, that the audited consolidated financial statements be included in our annual report on Form 10-K for the year ended December 30, 2002, for filing with the Securities and Exchange Commission.

Our board of directors has adopted a written charter for the Audit Committee, which is attached as APPENDIX A.

PERFORMANCE GRAPH

The following line graph compares cumulative total stockholder returns for (a) our common stock; (b) the Nasdaq Stock Market (U.S.) Index; and (c) a peer group, consisting of Avado Brands, Inc., Cheesecake Factory, Inc., Cooker Restaurant Corp., Eateries, Inc., and O' Charleys, Inc.

The graph assumes an investment of \$100 in each of our common stock, the peer group, and the index on December 29, 1997. The calculation of cumulative stockholder return on the peer group and the index include reinvestment of dividends, but the calculation of cumulative stockholder return on our common stock does not include reinvestment of dividends because we did not pay dividends during the measurement period. The stock price and index performance shown in the graph are not necessarily indicative of future results.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Edgar Filing: MAIN STREET & MAIN INC - Form DEF 14A

CHANGE IN INDEPENDENT PUBLIC ACCOUNTANTS

On August 27, 2001, our company dismissed Arthur Andersen LLP as its independent accountants. The audit reports of Arthur Andersen LLP on our consolidated financial statements as of and for the years ended December 27, 1999 and December 25, 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. Our board of directors and Audit Committee participated in and approved the decision to change independent accountants. In connection with the audits for the fiscal years ended December 27, 1999 and December 25, 2000 and through August 27, 2001, there were no disagreements with Arthur Andersen LLP on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Arthur Andersen LLP would have caused them to make reference to them in their report on the financial statements for those years. During the fiscal years ended December 27, 1999 and December 25, 2000 and through August 27, 2001, there were no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)). We requested a letter from Arthur Andersen LLP stating whether or not it agreed with the above statements. A copy of such letter from Arthur Andersen LLP dated September 14, 2001 was filed as Exhibit 16 to our Current Report on Form 8-K/A filed with the SEC on November 14, 2001.

We engaged KPMG LLP as our new independent accountants as of August 27, 2001. During the fiscal years ended December 27, 1999 and December 25, 2000 and through August 27, 2001, we had not consulted with KPMG LLP regarding (1) the application of accounting principles to a specified transaction, whether complete or proposed; (2) the type of audit opinion that might be rendered on our financial statements, and in no case was a written report provided to us nor was oral advice provided that we concluded was an important factor in reaching a decision as to an accounting, auditing, or financial reporting issue; or (3) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

AUDIT COMMITTEE PRE-APPROVAL

Pursuant to the audit committee charter, the Audit Committee must approve in advance any significant audit or non-audit engagement or relationship between our company and the independent auditors. As a result, the Audit Committee pre-approved the provision of all audit-related services, tax services, and other services provided by KPMG LLP.

The Audit Committee has considered whether the provision of non-audit services by KPMG LLP is compatible with maintaining KPMG LLP's independence.

The Audit Committee has appointed KPMG LLP, independent certified public

accountants, to audit the consolidated financial statements of our company for the fiscal year ending December 29, 2003 and recommends that stockholders vote in favor of the ratification of such appointment. The board anticipates that representatives of KPMG LLP will be present at the meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

We must receive stockholder proposals that are intended to be presented by such stockholders at the annual meeting of stockholders of our company to be held during calendar 2004 no later than December 31, 2003 in order to be included in the proxy statement and form of proxy relating to such meeting. Pursuant to Rule 14a-4 under the Exchange Act, we intend to retain discretionary authority to vote proxies with respect to stockholder proposals for which the proponent does not seek to have us include the proposed matter in the proxy statement for the annual meeting to be held during calendar 2004, except in circumstances where (a) we receive notice of the proposed matter no later than March 16, 2004 and (b) the proponent complies with the other requirements set forth in Rule 14a-4.

OTHER MATTERS

We know of no other matters to be submitted to the meeting. If any other matters properly come before the meeting, the persons named in the enclosed proxy card intend to vote the shares they represent as our board of directors may recommend.
