Independent Auditor's Report

To The Administrators of the
RPM International Inc. Union 401(K)
Retirement Savings Trust and Plan

We have audited the accompanying statements of net assets available for benefits of the RPM International Inc. Union 401(K) Retirement Savings Trust and Plan, as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 31, 2003, and the supplemental schedule of assets held for investment purposes at December 31, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2003 and 2002, and the changes in net assets available for benefits for the year ended December 31, 2003 and the supplemental schedule of assets held for investment purposes at December 31, 2003 in conformity with accounting principles generally accepted in the United States of America.

NOTE A SIGNIFICANT ACCOUNTING POLICIES

The assets of the Plan, as reflected in the accompanying financial statements, are stated at current market value as of the statement date. The Plan has no assets not having a readily determinable market value.

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE B DESCRIPTION OF THE PLAN

The Plan, adopted on February 3, 1997, is a defined contribution savings plan covering certain union employees at four wholly-owned domestic subsidiaries of RPM International Inc. (the Company). The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Participating employees may make voluntary contributions up to 20% of pre-tax annual compensation as defined in the Plan. The Plan currently offers sixteen investment and employer stock funds as investment options for participants. The company matches, depending upon the collective bargaining agreement of each participating union, up to a maximum rate of 100% of the first 3% and 50% of the next 2% of employee deferrals. The matching Company contribution is invested in the same manner that the participants invest their own contributions. Contributions are subject to certain limitations. Vesting is immediate for contributions, both employee and employer, and earnings thereon.
