On February 25, 2009, the Board of Directors of Streamline Health Solutions, Inc. expanded the size of the Board to six members and appointed Jay D. Miller to fill the vacancy created by such expansion.

Mr. Miller has approximately 25 years of experience in the medical technology industry. Since January 2008, Mr. Miller has been consulting for a number of companies. From February 2002 until January 2008, Mr. Miller was President, Chief Executive Officer and a director of Vital Images, Inc., a publicly traded company that provides enterprise-wide advanced visualization and analysis software solutions. He served as General Manager and Vice President-Business Development of Vital Images from August 1998 until February 2002, and as Vice President-Marketing and Business Development for Vital Images from February 1997 to August 1998. From 1989 until his employment by Vital Images, Mr. Miller was employed by GE Medical Systems, Inc. in various marketing positions of increasing responsibility in the marketing area, including serving as product manager of MRI imaging products and marketing manager for the cardiology market segment. Before 1989, Mr. Miller was employed by Siemens Medical Systems in technical marketing.

There are no arrangements or understandings between Mr. Miller and Streamline Health or any other persons pursuant to which Mr. Miller was selected as a director of Streamline Health.

Consistent with board policy, Mr. Miller should receive 15,000 nonqualified stock options for his appointment to the Board. It is expected that these options will be granted at the next regularly scheduled board meeting.

There are no family relationships between Mr. Miller and any Director or Executive Officer of Streamline Health. Since the beginning of Streamline Health's last fiscal year, Mr. Miller has had no relationships with Streamline Health that would require disclosure under Item 404 of Regulation S-K.
