## Nomura Principal Finance to Transfer Bonds to Yamada Denki

Nomura Principal Finance Co., Ltd. (NPF) (President: Yoshifumi Kawabata. Headquarters: Chiyoda-ku, Tokyo), a wholly owned subsidiary of Nomura Holdings, Inc. (NHI), announced today that it has reached an agreement with YAMADA DENKI Co., Ltd. (Yamada Denki) (President: Noboru Yamada. Headquarters: Maebashi City, Gunma Prefecture) to transfer to Yamada Denki on 23 May 2003 its bond holdings with stock acquisition rights in relation to shares of YAMADA Capital Holdings Co., Ltd. (YCH) (President: Noboru Yamada. Headquarters: Maebashi City, Gunma Prefecture).

Daikuma Co., Ltd. (Daikuma) (Headquarters: Maebashi City, Gunma Prefecture) is being jointly managed by NPF and Yamada Denki through the special purpose company YCH. YCH acquired Daikuma's shares in May 2002. Using the management know-how of Nomura and Yamada Denki, YCH aims to restore Daikuma's profitability by converting its business line from discount stores to large-scale consumer electronics speciality stores.

In 2002, the conversion of Daikuma's business line made steady progress focusing on store renovation and organizational changes. As a result, Daikuma has made a rapid turnaround. NPF decided to transfer the bonds after the completion of Daikuma's business line conversion and in accordance with a request made by Yamada Denki. Going forward, Yamada Denki and Daikuma will continue to work closely to maximize the effectiveness of their relationship.

NPF engages in principal investment business in Japan and this transaction marks its second exit trade.

**Nomura Holdings Announces Grant of Stock Options by Stock Acquisition Rights (Issuance of stock acquisition rights without receipt of consideration pursuant to Articles 280-20 and 280-21 of the Commercial Code of Japan)**

Nomura Holdings, Inc. (The Company) hereby serves notice that at a meeting held today, the Board of Directors resolved to submit a proposal of issuance of stock acquisition rights without receipt of consideration in accordance with Articles 280-20 and 280-21 of the Commercial Code of Japan at the 99<sup>th</sup> Annual General Meeting of Shareholders to be held on June 26, 2003, with details as follows:

1. Reason for Issuing Stock Acquisition Rights on Terms Especially Favorable to Persons Other than Shareholders

The Company is planning to issue without consideration the following two types of stock acquisition rights as stock options for the purpose of enhancing the incentives of the directors, executive officers and employees of the Company and its subsidiaries to improve their performances and of acquiring talented human resources.

The first is stock acquisition rights with the condition that the amount to be paid upon exercise of stock acquisition rights at the time of issuance shall be determined based on the market price ( Stock Option A Plan ).

The second is stock acquisition rights with the condition that the amount to be paid upon exercise of stock acquisition rights at the time of issuance shall be below the market price (one (1) yen per share) ( Stock Option B Plan ). The Stock Option B Plan will enable the Company to control cash payments for compensation through granting stock acquisition rights as a partial substitute for cash compensation. Furthermore, the Stock Option B Plan will enable the Company to make quasi-deferred payments of compensation by setting out the period during which the stock acquisition rights cannot be exercised ( non-exercise period ). Accordingly, the Stock Option B Plan will have the same economical effect as the Company granting stocks with restriction of transfer. In principle, the non-exercise period will be not shorter than two (2) years.
